Mr. Pawlak moved the following resolution:

WHEREAS, the County of Erie has acquired through their tax foreclosures proceedings a large number of tax delinquent subdivisions; that many of these subdivisions are so called "paper subdivisions" that is, subdivisions that exist on maps only with no streets, sewers, water or improvements of any kind being installed on the property; that lots in these subdivisions are 25 - 30 feet in frontage, too small to build a modern home with room for essential improvements and a garden; that these lots do not comply with present Zoning Laws but existed only because they were laid out many years ago; that these subdivisions are located in farm areas away from available water and sewer facilities; that the building of any considerable number of homes would result in a health menace because water would be taken from wells and sewerage disposed of into the soil by means of privies or septic tanks and which might result in an epidemic or a County Health problem; that homes built close together on such small lots could be a fire hazard as there is no available water to combat fires; that F.H.A. loans could not be secured in these developments and neither could veterans' homes be constructed thereon and as a result such developments would only result in slum areas; that the problem is a County one because title to this property is to the County and the Town is powerless to rectify this situation without County cooperation, and,

WHEREAS, the Town Board heretofore adopted a resolution directing that a study be made of such lands within the Town and such study having been made and a report having been given this day to the Board and a plan having been recommended therein which plan recommends and provides for the abandonment of the out-moded subdivisions know under the Map Covers with the Erie County Clerk's Office as follows:

That after the County abandons said subdivisions and before the resale thereof that they be resubdivided and sold in larger parcels of approximately one-half an acre ( $\frac{1}{2}$ ) or more each and that the restrictions be placed in the deeds given at the time of the sale restricting the use of such parcels to the erection of single homes with necessary garages and outbuildings thereon.

NOW, THEREFORE, BE IT RESOLVED, that this Board hereby approve the plan for abandoning the aforesaid subdivisions in the Town and directs that the Supervisor present a copy of this resolution to the Board of Supervisors of the County of Erie and request that the County carry out the recommendations and findings therein.

Mr. Napieralski offered the following resolution and moved its adoption:

WHEREAS, a certain highway in the Town of Cheektowaga, designated upon a Subdivision Map of Roycroft Park, filed in the Erie County Clerk's Office under Cover of Maps No. 1359 on May 17, 1926, is thereon named Roycroft Boulevard, and

WHEREAS, A PART of the said Roycroft Boulevard herein-after described has not been opened and worked within six (6) years from the time it was dedicated to the use of the public, and

WHEREAS, it appears that Union Free School District No 3 of the Town of Cheektowaga is not the owner of subdivision lots 149, 150 and 151 as shown on said Subdivision Map of Roycroft Park and to close Roycroft Boulevard in front of said lots would deprive them of access to the only highway on which they abut so that it is proper to close only that portion of Roycroft Boulevard extending north from the intersection of Huth Road to a line joining the north lines of subdivision lots 152 and 156 and as more particularly described below,

NOW THEREFORE BE IT RESOLVED that that part of the highway known as Roycroft Boulevard, and described as follows, to wit:

ALL THAT TRACT OR PARCEL OF LAND, situate in the Town of Cheektowaga, County of Erie and State of New York, being part of lot no. 27, Township 11, Range 7 of the Holland Land Company's Survey and more particularly bounded and described as follows:

BEGINNING at a point in the west line of Roycroft Boulevard, formed by the intersection of the west line of Roycroft Boulevard and the north line of Bigelow Road (being also the north line of Roycroft Commons); thence northerly along the west line of Roycroft Boulevard a distance of 714.26 feet; thence easterly to a point in the east line of Roycroft Boulevard 810 feet north of the intersection of the east line of Roycroft Boulevard and the north line of Huth Road; thence southerly along the east line of Roycroft Boulevard to the north line of Huth Road a distance of 810 feet; thence at an angle and in a northwesterly direction to a point in the west line of Roycroft Boulevard formed by the intersection of the west line of Roycroft Boulevard and the north line of Bigelow Road, (being also the north line of Roycroft Commons) which is the point of beginning.

be and the same is abandoned in accordance with the provisions of Section 205 of the Highway Law, and this Town Board does consent that the Town Superintendent of Highways shall execute, file and record in the Town Clerk's Office a written description of said abandoned highway, signed by him and said Town Board.
