Dear Mr. Bystrak:

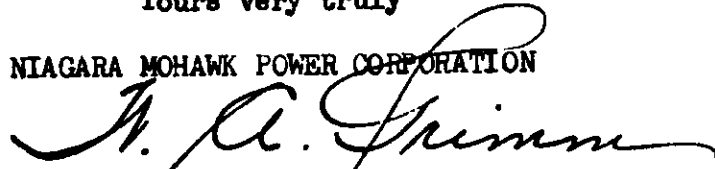

To satisfy your recent request we are submitting the attached copies of our recommendations for lighting the approach to the foot bridge at the end of David Avenue.

Our layout calls for the installation of 2-2500 lumen overhead system street lights. One light to be installed on George Urban Boulevard between David Avenue and Edgewood Avenue. The other light is to be installed at the Foot Bridge. We estimate the annual charge for these two street lights will be \$51.00 per year.

Should you require any additional information, we will be glad to serve you.

Yours very truly

**DECISION of  
ZONING BOARD OF APPEALS**

Walden Properties, Inc., through its President, William Zacher, applied to rezone from First to Second Industrial the following described property:

ALL THAT TRACT OR PARCEL OF LAND situate in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 24, Township 11, Range 7, of the Holland Land Companys' Survey bounded and described as follows:

BEGINNING at the point of intersection of the northerly line of Broadway with the easterly line of said Lot No. 24; thence running northerly along said easterly line of said Lot No. 24 to the intersection of said easterly line of said lot No. 24 with the northerly line of said Lot No. 24; thence westerly along the northerly line of said Lot No. 24, fourteen (14) chains fifty (50) links; thence southerly in a straight line to the northerly line of Broadway, at a point fifteen (15) chains fourteen and one-third ( $14 \frac{1}{3}$ ) links west of the point of beginning, measured along said northerly line of Broadway; thence easterly along said northerly line of Broadway fifteen (15) chains fourteen and one-third ( $14 \frac{1}{3}$ ) links to the place of beginning.

A hearing was had on the application before the Zoning Board of Appeals on the 5th day of October, 1951. At this hearing the petitioner was represented by counsel and several property owners within a radius of 300 feet of the property of the petitioner appeared and opposed the application.

The property in question adjoins a residence district.

In the past few years the adjoining area zoned residential has been improved by the construction of homes. On the other hand, only small portions of the premises in the vicinity of Walden Avenue have been actually used for industrial purposes. For the most part it has remained vacant property.

It appeared at the hearing and from other proofs called to the attention of the members of the Zoning Board of Appeals that the proposed use of this property would involve steel plate fabricating, shearing, welding and shaping of steel plates and construction shapes.

Such operations, in the opinion of the Zoning Board of Appeals, might involve offensive odors and smoke. It seems to be conceded that a great deal of noise would be created.

A hospital will soon be built in the immediate neighborhood. This fact was emphasized by members of the Town Park Taxpayers' Association who also oppose the granting of the application.

We do not believe it would be in the public interest to change the zoning in this particular area and for that reason we are denying the application.

Incidentally, from our inspection of the neighborhood, we recommend that the area north of New Walden Avenue be zoned residential, and that appropriate proceedings be instituted to accomplish this result.

Enclosed find check for \$2.50, for which please send me the Cheektowaga Times for one year.

I know I should have a local paper, but I did not get to ordering it soon enough.

The school tax won out and I must pay a penalty.

As we are new here, we did not get a notice, so I am now out enough money to get the paper a long time.

#### LEGAL NOTICE

NOTICE IS HEREBY GIVEN that on the 21st day of December, 1951, the Town Board of the Town of Cheektowaga, Erie County, New York, adopted the following resolution:

**CAPITAL NOTE RESOLUTION DATED DECEMBER 21, 1951, AUTHORIZING THE ISSUANCE OF \$15,000 COMPROMISED CLAIM CAPITAL NOTES OF THE TOWN OF CHEEKTOWAGA IN THE COUNTY OF ERIE, PURSUANT TO THE LOCAL FINANCE LAW.**

WHEREAS, this Town Board has heretofore authorized the compromise and settlement of the claim of Anthony Olejniczak against the Town of Cheektowaga in the amount of \$15,000, which claim was based upon injuries alleged to have been received by Anthony Olejniczak on May 9, 1950 while said Anthony Olejniczak was alleged to have been assisting Bernard Kistowski, a police lieutenant in the employ of this Town, in arresting one Thaddeus Kosmowski, and an order was made by the Supreme Court of Erie County on December 19, 1951, authorizing this Town, pursuant to the provisions of Section 68 of the Town Law, to settle and compromise this claim in the amount of \$15,000; NOW, THEREFORE,

BE IT RESOLVED by the Town Board of the Town of Cheektowaga, in the County of Erie, as follows:

Section 1. In order to finance the specific object or purpose hereinafter described, the Town of Cheektowaga, in the County of Erie, shall issue its capital notes of the aggregate principal amount of \$15,000 pursuant to the Local Finance Law of New York.

Section 2. The specific object or purpose (hereinafter referred to as "purpose") to be financed pursuant to this resolution is the payment to Anthony Olejniczak of the sum of \$15,000 in the compromise and settlement of his claim against the said Town as above set forth.

Section 3. It is hereby stated that:

- a) The maximum cost of said purpose, as estimated by the Town Board, is \$15,000; and
- b) No money has heretofore been authorized to be applied to the payment of the cost of said purpose; and
- c) The Town Board plans to finance the cost of said purpose entirely from funds raised by the issuance of said capital notes; and
- d) All of such cost is to be paid by the levy of a tax upon all the taxable real property within the said Town.

Section 4. For the purpose of paying the cost of such purpose, there are hereby authorized to be issued, pursuant to the Local Finance Law, \$15,000 capital notes of the Town of Cheektowaga, designated substantially Compromised Claim Capital Notes Series A of 1951, which shall bear a date not earlier than January 1, 1952, such date to be fixed by the Supervisor, in the denomination of \$7,500 each, numbered 1 and 2, maturing in numerical order in the amount of \$7,500 on April 1 in each of the years 1953 and 1954, and bearing interest at a rate not exceeding five percent (5%) per annum, payable semi-annually on April 1 and October 1. Such capital notes shall be in bearer form, with the privilege of conversion into capital notes registered as to both principal and interest, and shall be payable as to both principal and interest in lawful money of the United States of America, at the Manufacturers and Traders Trust Company, in Buffalo, New York, which by contract is the paying agent of the issuer. Section 6. The faith and credit of the Town of Cheektowaga are hereby irrevocably pledged to the payment of the principal of and interest on such capital notes as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such capital note becoming due and payable in such year. There shall annually be levied a tax upon all the taxable real property of the Town of Cheektowaga sufficient to pay the principal of and interest on such capital notes as the same shall become due and payable.

Section 7. Such notes shall be sold at private sale by the Supervisor at a price of not less than par value of and accrued interest, if any, and the proceeds of such sale shall be applied solely for the purpose aforesaid, but the receipt of the Supervisor shall be a full acquittance to the purchaser of such capital notes who shall not be obliged to see to the application of the purchase money.

Section 8. It is hereby determined that said purpose is an object or purpose described in Subdivision 33, Paragraph (a) (1) of Paragraph (a) of Section 11.00 of the Local Finance Law, and that the period of probable usefulness of said purpose is five years.

Section 9. It is hereby determined that the proposed maturity of the obligations authorized by this resolution will not be in excess of three years.
