Item No. 2 The Clerk advised the Board that a copy of the minutes of the previous meeting has been placed on their desk in the Council Chamber.

Item No. 3

This page of the Minute Book is dedicated to Councilman Joseph

A. Neibert and we are sure of you who knew "Joe" will say to him or herself that there was only one Joe. Neibert and that there will never be another who can take his place.

JOSEPH A. NEIBERT

Night-Club Owner, Sports Fan, Dies

Joseph A. Neibert, 66, Cheektowaga councilman, sports enthusiast and night club owner, died Sunday evening (Oct. 12, 1958) in Kenmore Mercy Hospital. He had been ill a few weeks.

Mr. Neibert was well known in the Niagara Frontier for his kindness and colorful personality.

With his father, Joseph Neibert Sr., he operated the famous night club known as the Big House at 2400 Genesee St., Cheektowaga, at the city line, from 1917 until July 1937. Top entertainers, sportsmen and political figures gathered at his club throughout the years. He had a close friendship with Gene Tunney, Jack Dempsey, Jimmy Slattery, Barney Ross, Jimmy Goodrich, Babe Ruth and other sports greats.

Helped Raise Funds

He attended most of the championship fights and World Series baseball games with his wife, the former Florence A. O'Brien. His home at 2332 Genesee St. was lined with autographed pictures of sports figures, entertainers and political leaders.

"Life never owed me a thing," he was fond of saying. Friends described him as one of the best-natured, kind and helpful figures of his era.

During depression days, a radio broadcast from his night club raised as much as \$7000 for Christmas baskets for the poor which were distributed by the Jackson Club, a Democratic organization of which he was a member.

Active in Democratic politics for many years, Mr. Neibert was serving his 11th year as a Cheektowaga councilman at the time of his death.

When first elected, he was presented an over-sized oak desk chair by the Cheektowaga Millionaires Club, of which he was a member.

Mr. Neibert's tremendous appetite was a legend in the '20s and '30s. He was fond of joking about his 400 pounds and referred to himself as "carrying more weight around the town than anyone."

Mr. Neibert was a member of the Pine Hill Hose Company and a member of that company's exempt firemen. He also belonged to the Erie County Volunteer Firemen's Association and the Southwestern and Western New York Volunteer Firemen's Association.

For years Mr. Neibert led off local parades in a huge sombrero and in a red touring car.

Sold the Big House

He was the popular "grass-fire warden" of Cheektowaga and was chief of the Grass Fire Club for more than 20 years.

In 1937, Mr. Neibert sold the Big House and then operated the Hangar on Genesee St., opposite the Airport, until 1952.

He was a life member of the Buffalo Lodge of Elks, a charter member of the Cheektowaga Elks, the Buffalo Trap & Field Club, the Automobile Club of Buffalo, the Holy Name Society of Most Holy Redeemer Church and the Millionaires Club.

Mr. Neibert is survived by his wife, Florence; by a stepbrother, William E. Swartzbaugh, and a step-sister, Mrs. Emma Tilton of Dayton, O.

A Solemn Requiem Mass will be celebrated at 10 o'clock Wednesday in Most Holy Redeemer Church, Cheektowaga, after prayers at 9:15 AM in the Stauff Funeral Home, 2264 Main St. Burial will be in Mt. Calvary Cemetery.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

SECTION 1. A map and plan designated "Town of Cheektowaga, sanitary Sewer District No. 7, August 1957" is hereby made a part of this Resolution.

SECTION 2. Said map and plan provide for the construction of Trunk Sewers in various sections of Sanitary Sewer District No. 7, as indicated on said map by red lines. These Trunk Sewers, hereinafter referred to as Trunk Lateral Sewers, may be used in lieu of lateral sewers and have been provided for in or along the following highways:

SECTION 5. It is further determined that \$100,000.00 of the \$800,000.00 existing bond issue sold to finance the costs of construction of the sanitary sewer system within Sewer District No. 7, represents the benefit to abutting property from the privilege of using such trunk sewers in lieu of lateral sewers, and accordingly the principal of and interest on \$100,000.00 of said bond issue due in each year shall be allocated ratably to and be payable by the taxable property abutting on said trunk lateral sewers as set forth in Section 3 - (a-1), (b-1), (c-1), (d-1), and (e-1) above according to the taxable (or benefiting) frontage determined by reference to Section 4 above.

(d) A list of each and every parcel of property specifically exempted from taxation for either debt service or rental maintenance and operation or both together with a statement indicating whether part of said parcel or all of it is exempted by operation of law or agreement.

Item No. 8-Cont'd.

Upon receipt of such list as above, the Town Board shall review said list, make such changes or corrections as required and thereupon adopt such list and spread same in the minutes of said board meeting. Such list shall, by reference, form an integral part of this Resolution and shall become the basis for the original assessment roll of said district.

SECTION 9. It is hereby further determined that any parcel of property receiving future exemptions from taxation for either debt service or rental maintenance and operation, whether occasioned by operation of law or otherwise, shall not be eliminated from such assessment roll of this district until approved by Resolution of the Town Board.

SECTION 10. Definition of Taxable Property - Taxable property, as used herein, relates solely to the status of a parcel of property as to whether said parcel is assessable and chargeable for the various costs and spreads referred to above, as same relate to Sanitary Sewer District No. 7, and has no relation to the taxable status of the same property with regard to other general taxes or assessments.

The Town Clerk then presented proof of publication and posting of a Notice of Hearing, and followed by reading the proposed Budget by the various departments in the Town of Cheektowaga.

The Chairman then asked if there were any objections to the Estimates and Expenditures as read.

The Town Clerk proceeded to read a communication from the Polish-American Citizens and Taxpayers of Walden District, Inc., which reads in part as follows:

"At the last regular monthly meeting of this Association, held on Sunday, October 13, 1958, at 2:00 P.M., in the Walden Lyceum, a resolution was unanimously adopted by the general body, voicing its strong opposition against any proposed increase in pay for the elected or appointed town officials."

Mr. Michael Stachewicz, delegate to the Town Board was granted the floor and elaborated on the above communication,

Mr. Richard Measer, representing the Town Park Home Owners Association, requested information relating to the increase in the Highway Bridge Fund, and the Consolidated Garbage Fund.

Mr. Daminski of 247 North Pleasant Parkway requested information relative to a Playground and Playground Supervisor in the North Pleasant Parkway section of the Town.

Mr. Victor Reinstein requested that the Board hold the line and keep the tax rate the same as in past years.

Supervisor Holtz related to the audience that the two big items in the Budget were the Police and the raises for employees.

The Chairman declared the hearing closed and the decision of adoption was adjourned until 7:30 P.M., on October 22, 1958.

Item No. 17

DECISION OF
ZONING BOARD OF APPEALS

In the Matter of the Application of
ELIA PAOLETTI

To rezone from a Residential District to a
Business District property located at 2657
Harlem Road, being lots 7 and 8 on the east
side of Harlem Road.

It is the desire of the applicant to erect thereon a building for the sale of religious articles.

The Zoning Board of Appeals conducted a public hearing on August 27, 1958, after proper notice to all parties concerned. An attorney appeared in opposition to the application and presented a petition signed by approximately 80 resident taxpayers from the area who were opposing the rezoning on the grounds that the paint and lacquer odor emanating therefrom would be detrimental to the health of the people in the vicinity. Other property owners appeared in opposition to the rezoning due to the odors that emanate from the present use of the premises in the painting and lacquering of statues.

Members of the Zoning Board of Appeals subsequently inspected the premises and other premises in the vicinity and having received a communication from the Cheektowaga Health Officer to the effect that a minimum amount of pollution of the air will occur after the installation of the hood and a filter and fan which the owner has agreed to install and having inspected other property in the vicinity and recognizing that the premises are located in essentially a business district and also recognizing that a minimum amount of paint and lacquer is used being comparable to ceramic work undertaken as a hobby in many homes by many people, we recommend that the application be granted on the condition that the installations recommended by the Town Health Officer be installed.

DECISION OF
ZONING BOARD OF APPEALS

In the matter of the Application of
ATLANTIC REFINING COMPANY
To rezone from a Residential District to a
Business District the northeast corner of
Harlem Road and George Urban Boulevard,
containing 150 feet of frontage on Harlem Road
by a depth of 120 feet

It is the intention of the applicant to construct a gasoline service station on the above described premises.

The Zoning Board of Appeals conducted a public hearing on September 17, 1958, after proper notice to all parties concerned. The Beverly Hills Association, Inc. went on written record as opposing the rezoning requested for the use specified, as did the Town Park Homeowners Association. Monsignor Kolpinski, Pastor of Queen of Martyrs Church, appeared and talked at length as a representative of the 1,001 families in his parish and the 600 children who must cross at this intersection on their way to and from school and was definitely opposed to the granting of the application from the viewpoint of the dangerous traffic hazards that would be created thereby. Other nearby residents, including the adjoining property owner, appeared in opposition to the rezoning for the purposes specified.

No petition in favor of the application was presented.

The members of the Zoning Board of Appeals subsequently inspected the premises and in view of the mounting traffic hazards recommend that the application be denied.

DECISION OF
ZONING BOARD OF APPEALS

In the Matter of the Application of
PELVION LAND CO., INC.
To rezone from a Residential District to a
Business District Subdivision Lots Nos. 1 and 2
as shown on a map filed in the Erie County
Clerk's Office under Cover No. 1800, which
premises are located on the southwest corner
of Genesee Street and Wheaton Drive.

The applicant intends to use the above described premises for a gasoline service station.

Item No. 19-Cont'd.

The Zoning Board of Appeals conducted a public hearing on September 17, 1958, after proper notice to all parties concerned. Many property owners appeared in opposition to the request and a number of letters opposing the rezoning were submitted by nearby residents, who were unable to attend the meeting. Most of the opposition to the application was based on traffic hazards involved, especially as far as children on Wheaton Drive, who must board school busses at this point. It was pointed out to the Board that approximately 8 to 10 school busses load and unload children in this immediate area.

No petition in favor of the proposed use was presented.

The members of the Zoning Board of Appeals subsequently inspected the premises as well as other premises in the immediate vicinity and are of the opinion that the granting of the application would create an additional serious traffic problem and traffic hazard for all children and other pedestrians in the vicinity. It was noted by members of the Board that there are six gasoline filling stations within 1500 feet of the premises and six more gasoline filling stations within one and 6/10ths miles. The members of the Board are of the opinion that the construction of a gasoline service station on these premises would greatly depreciate the value of nearby property.

It is recommended that the application be denied.

**Auto Inspection Dates
Announced By State**

Automobiles and trucks of 1954 models must have a valid inspection sticker under New York State's compulsory inspection law in order to be driven on the highways on and after January 1, 1959. The Motor Vehicle Bureau reported, December has been designated as the period for 1954 model inspections. Stickers so obtained will be valid until November 1959. Under the same conditions, all 1955 models will be due for inspection in December 1959.

Unlike 1953 and earlier models, 1954 models are not required to have the sticker in order to be registered during December or January for 1959. But the sticker on a 1954 model is a "must" for operation on the highway starting January 1 and is required for a 1959 registration obtained on or after February 1.

Item No. 27

DECISION OF
ZONING BOARD OF APPEALS-----
In the Matter of the Application of
ANDREW RODEGHIEROTo rezone from a Residential District to a
Business District property located at the south-
east corner of Union Road and Como Park Blvd.
being 163.9 feet front and rear on Union Road
by 138.10 feet fronting on Como Park Boulevard.
-----It is the desire of the above named applicant to construct
a gasoline station on the above described property.The Zoning Board of Appeals conducted a public hearing on
November 19, 1958 after proper notice to all parties concerned. A number of
property owners appeared in opposition to the rezoning and a petition was
presented in opposition to the rezoning, which petition was signed by upwards
of 50 nearby property owners.The main objection to the rezoning was that the construction
would create a traffic hazard and be detrimental to the interests and welfare
of 217 school children who must pass this property on their way to and from
school and also because of the fumes and noises which would emanate from the
premises.Members of the Zoning Board of Appeals subsequently inspected
the premises and realizing that the granting of the same would be detrimental
to the welfare of the property owners in the vicinity and since the applicant
is not the owner of the premises, we recommend that the application be denied.

Dated: December 13, 1958

/s/ Leo H. Kurnick
ChairmanMoved by Councilman Wroblewski, seconded by Councilman
Trojanoski,WHEREAS, the Zoning Board of Appeals has recommended to this

District to a Business District, to be used as a gasoline filling station, be
denied; be itRESOLVED, that this Town Board does hereby accept the
recommendation of the said Zoning Board of Appeals and that the said applica-
tion be and the same is hereby denied.
