Item No. 30 Resolution requesting the resolution of property rights of Raymond Street residents. Referred to the Town Board, Deputy Town Attorney Walter, and Town Engineer Bryan.

Item No. 30A Supervisor Weber presented the following resolution and moved its adoption:

WHEREAS, this Town Board has earlier in this meeting held a hearing in accordance with notice thereof duly published in the Cheektowaga Times and in the Depew Herald and Cheektowaga News, concerning contracting with U-Crest Fire District No. 4 of the Town of Cheektowaga and Fire District No. 8 of said Town for the furnishing for the year 1968 of fire protection and emergency service in case of accidents, calamities or other emergencies in connection with which the services of firemen would be required, under which proposed contract the U-Crest Fire District No. 4 would furnish such service to the area of Fire Protection District No. 1 lying west of the center line of the Lehigh Valley Railroad right-of-way, of the center line of Sugg Road and of the center line of Ellicott Creek and that Fire District No. 8 would furnish such service to the area lying east of said center lines, at the time of which hearing no one expressed himself either in favor or against the proposed contract and the hearing was closed and resolution adopted approving of the proposed contract, directing the Town Attorney to prepare it and the Supervisor to execute it on behalf of the Town, and

WHEREAS, thereafter many people then in the audience, including Attorney Norman J. Wolf, Jr. representing the Bowmansville Volunteer Fire Association, Incorporated, which has for several years been furnishing fire protection service to the fire protection district, the present contract expiring December 31, 1967, vigorously protested the action taken by this Board in awarding the contract to U-Crest Fire District No. 4 and Fire District No. 8 for 1968, stating that they were not present at 7:30 P.M. because a news item appearing in a local newspaper stated the time for the hearing as 8 P.M., and

WHEREAS, this Board is cognizant of the outstanding service, abilities and equipment of both U-Crest Fire District No. 4 and Fire District No. 8 and the volunteer firemen of these district and believes that the Cheektowaga volunteer firemen and fire district should be given preference in providing fire protection to areas within the limits of the Town, but in view of the fact that the contract with the Bowmansville Volunteer Fire Association, Incorporated does not expire until December 31, 1967, and this Board does not wish to arbitrarily refuse to hear those interested in having fire protection service to Fire Protection District No. 1 continued by the Bowmansville Volunteer Fire Association, Incorporated, and those in favor of the new contract for 1968 having already left the Chamber, it is the position of this Board that the fair and just thing to do is to rescind the resolution of award made to day and to call a new hearing on the matter for November 20, 1967, at 7:30 P.M. Eastern Standard Time; NOW, THEREFORE,

BE IT RESOLVED as follows:

1. That the resolution heretofore adopted awarding contract for fire protection for Fire Protection District No. 1 of the Town of Cheektowaga to U-Crest Fire District No. 4 and Fire District No. 8, both of the Town of Cheektowaga, be and hereby is rescinded.

2. That a further hearing on this matter be held in accordance with the following Notice of Hearing which shall be duly published as required by law, by the Town Clerk in the CHEEKTOWAGA TIMES and in the DEPEW HERALD AND CHEEKTOWAGA NEWS, and in the BUFFALO EVENING NEWS.

NOTICE OF PUBLIC HEARING ON FIRE PROTECTION CONTRACT

NOTICE is herewith given that a public hearing will be held by the Town Board of the Town of Cheektowaga, Erie County, New York, at the Town Hall, corner of Broadway and Union Road in said Town at 7:30 P.M., Eastern Standard Time on November 20, 1967, for the purpose of considering contracting with U-Crest Fire District No. 4 of said Town and Fire District No. 8 of said Town for the furnishing of fire protection and emergency service in case of accidents, calamities or other emergencies in connection with which the services of firemen would be required, said proposed contract to provide that U-Crest Fire District No. 4 to furnish such service to the area of Fire Protection District No. 1 of the Town of Cheektowaga lying west of the center line of the Lehigh Valley Railroad right-of-way, of the center line of Sugg Road and the center line of Ellicott Creek and that Fire District No. 8 furnish such service to the remaining area of the said fire protection district. Said proposed contract shall also provide:

1. That it shall be in operation during the calendar year 1968, terminating on December 31, 1968.
2. That U-Crest Fire District No. 4 shall be paid \$100 and Fire District No. 8 \$1,400 for said year of service.
3. That each fire district shall provide all required insurance coverage for its employees and volunteer firemen, including that required by the Volunteer Firemen's Benefit Law and Section 205-a of the General Municipal Law.

Item No. 4 Communication.

December 7, 1968

Members of the Town Board
Town of Cheektowaga
Cheektowaga, New York

Gentlemen:

As you know, an option was given by Chateau Village, Inc. to sell to the Town a certain parcel of land on the south side of French Road which would form part of a recreation and park area. This option was accepted, as well as the option from Cheektowaga Development Corp. relating to a contiguous parcel on the east. In connection with completing this transaction, as I have advised you, I ordered title insurance from the Monroe Abstract & Title Corp. The title report indicates that the land covered by the option given by Chateau Village, Inc. is actually owned by Harold Keller, Lawrence Reges, Clarence Rautenstrauch, Kenneth Chapman and Charles P. Maxwell as trustees of Maeder Plastering Corp. employees profit sharing plan. The abstract corporation advised me that Chateau Village, Inc. conveyed the land to the trustees by deed dated May 25, 1967, recorded June 7, 1967 in the Erie County Clerk's Office in Liber 7358 of Deeds at page 243. The option to the Town is dated September 18, 1967.

I am sending you this information so that you will know that the title to the Town will be from the trustees of the profit sharing plan and not from Chateau Village, Inc.

Very truly yours,

/s/ Kenneth W. Kitzinger

3

Item No. 2B cont'd

WHEREAS, the following conclusions have been reached:

1. That the new French Road Extension is a major investment in highway transportation benefiting our entire Township;
2. That the southeast section (Borden Road to Transit Road along the new French Road Extension) has created a use of land compatible to the development of light industry in this area and that there is not a significant number of residential homes within the area proposed for rezoning to be adversely effected;
3. That there is a natural buffer zone, viz. the intersection of Borden and French Roads, separating the residential area to the west of said intersection, and that the linear distance between this residential area and the proposed area to be rezoned is upwards in a mile and a half in distance from said intersection;
4. That this proposed rezoning is within the keeping of a harmonious development of the southeast area of the Township and generates benefits to the entire Township;
5. That some of these benefits are:
 - a. Increased assessment, which is necessary to overcome the loss of revenue as a result of the Thruway and Kensington Expressway developments which have depleted taxable property from the Assessment rolls.
 - b. The need to replace the financial loss to the Township as a result of the departure of the following industries, namely:

American Machine and Foundry, U.S. Rubber Reclaiming Company, Colecraft Mfg. Co., Inc., and My-Jo-Pa Inc. Also, the potential loss of other industries on the Tax Rolls as a result of adverse business conditions, such as the contemplated abandonment of operations of Firewel Industries, in said Township.

WHEREAS, there is a strong, economic need to broaden the tax base of the Township to meet its obligations to the way of services to the entire Township and to consider the overall benefits of the school and fire districts within the Township; NOW, THEREFORE,

BE IT RESOLVED, that the applications herein to rezone from Residential District to First Industrial District (light) be granted and that the Zoning Map and Ordinance be amended accordingly.
