Item No. 37A Read at meeting.

At an Executive Meeting of the Town Board held on January 6, 1968, a hearing was held on certain statements attributed to Ben Holtz, Town Clerk, against Charlotte Janiak, his former First Deputy. At this hearing Mr. Holtz offered to make a statement for publication, and directed to Mrs. Janiak that certain prior statements attributed to him were as a result of misunderstanding of certain facts.

Mr. Holtz wished to make it clear that he had no intention of bringing any charges against Mrs. Janiak or anyone else; that there was no malfeasance at any time in his office by Mrs. Janiak.

Mr. Holtz insisted on his prerogative, as provided by the Town Law, to appoint new deputies and that the resolution filed on these appointments be approved.

The Town Board then took upon itself to state that Mrs. Janiak, because of her many years of faithful service to the Town, was being offered another position in the Town at a comparable salary.

TOWN CLERK

DATED: January 15, 1968

January 12, 1968

Town Board
Town of Cheektowaga
Town Hall
Cheektowaga, New York

Gentlemen:

As you have been previously advised, I am attorney for Central School District No. 1 of the Town of Cheektowaga. Robert Miller who owns certain property on Losson Road is President of the Board of Education of this School District. Part of his property is being condemned for park purposes by the Town. The condemnation action had been handled by former Deputy Town Attorney, Delahunt, and is now being handled by Special Counsel Robert Miller and Michael Montesano, Jr. of the firm of Montesano, Baskey & Knapp. Under these circumstances I will not take any part in advising you in this matter. You will rely entirely on the advise of Special Counsel.

Very truly yours,

/s/ Kenneth W. Kitzinger
KENNETH W. KITZINGER

KWK/j

Received and filed.

Item No. 41 Excerpt of discussion with the Town Board of the Town of Cheektowaga, made on the 13th day of January, 1968.

CONDEMNATION (Rehm Road)

Town Attorney, Kenneth Kitzinger, called on Special Counsel, Robert Miller and Michael J. Montesano, Jr. to review the status of the condemnation proceedings relative to Rehm Road.

Mr. Miller reported that due to the lapse from early 1965 when the Town's appraisers made their appraisal of Rehm Road to the time the commissioners made their award in early winter 1967, the subject properties had appreciated considerably. Hence, the awards were considerably (approximately 2 to 2½ times) in excess of the appraisals by the Town appraiser, Robert W. Hopkins.

However, despite the considerable appreciation since early 1965, it was the consensus of the Board as well as the opinion of the Special Counsel that the awards on Rehm Road were excessive and that motions to confirm when made by the various defendants be opposed and a reduction in said awards be demanded; or if that relief should not be granted, that it shall be requested that new hearings before new commissioners of appraisal be held. It was further felt that the Special Counsel should be authorized to appeal, in the event that they are unsuccessful in opposing the motion to confirm said awards.

CONDEMNATION (Losson Road)

Town Attorney, Kenneth Kitzinger, stated that a special situation existed in regard to the condemnation proceedings against Robert F. Miller and that Kenneth Kitzinger would take no part in the ensuing discussion relative to the said matter.

Mr. Montesano advised the Board that Mr. Robert F. Miller, defendant, had executed an acceptance of the Town's Notice and Petition in July, 1966, and that thereafter due to the unfortunate death of his attorney and illnesses of other principles, and other circumstances which resulted in a great deal of delay, the matter was never completed and property owner, Miller, never received the accepted amount of \$12,500.00

Mr. Montesano stated that the matter was pending in the New York Supreme Court to compel Mr. Miller to accept the above figure, but that there was some feeling that due to the inordinate delay between the date of acceptance and the pre-

1/15/68

Item No. 41 cont'd

sent date, that a court might very well rule in favor of Mr. Miller, thereby requiring the Town to commence a new condemnation proceeding.

In that event, Mr. Montesano indicated that on the basis of the awards having already been rendered on Losson Road that the Town of Cheektowaga would be compelled to pay Mr. Miller considerably in excess of the original offer of \$12,500 and that further a reappraisal by Robert Hopkins fixed the value of the property in excess of \$22,000.00.

Mr. Montesano further stated that he had been in touch with Mr. Miller's new attorney, Mr. Mahoney, and had indicated to Mr. Montesano that Mr. Miller would accept an offer based on an increase of \$300.00 an acre for each of the approximately 12 acres. It was indicated in a general discussion that it would seem on all counts that it would be beneficial for the Town and equitable to the defendant to pay this additional \$300.00 an acre.

Received and filed.

Item No. 42 Motion by Councilman Wroblewski, seconded by Councilman Fath-----

RESOLVED, that special counsel, Robert Miller and Michael J. Montesano, Jr., be and hereby are authorized and instructed to oppose any motions to confirm the awards of the Commissioners of Appraisal made in the condemnation by the Town on properties on Rehm Road and move for a) a reduction of the said awards, and/or b) a new hearing before new commissioners of appraisal, and c) take such action as may be necessary to appeal to the Appellate Division, Fourth Department, in the event of an adverse ruling, should the motions as recited in "a)" and "b)" above be unsuccessful.
