WHEREAS, RALPH M. FUDOLI made an application to rezone from Residential District to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly:

DESCRIPTION  
(Transit Road between Rein Road and Cloverleaf Dr.)  
ALL THAT TRACT OR PARCEL OF LAND, situate in the Town of Cheektowaga, County of Erie, and State of New York, being part of Lot No. 75, Township 11, Range 7 of the Holland Land Company's Survey, bounded and described as follows:  
BEGINNING at a point in the center line of Transit Road where the same is intersected by the north line of the Village of Depew, said point of beginning also being distant 400.10 feet north of the southeast corner of Lot No. 75 as measured along the center line of Transit Road; thence northerly along the center line of Transit Road 185 feet to a point distant 433 feet south from the intersection of said

center line of Transit Road with the north line of lands owned by John Brinkman, said north line of John Brinkman's lands also being the south line of lands conveyed to Samuel Jenking by Deed recorded in Erie County Clerk's Office in Liber 8 of Deeds at Page 101; thence west parallel with the north line of lands of John Brinkman 1703.84 feet to an iron pipe in the west line of said Lot No. 75, at a point distant 432.91 feet south from the northwest corner of lands of John Brinkman; thence south along the west line of Lot No. 75, 184.96 feet to an iron pipe, thence easterly parallel with the north line of lands of John Brinkman 1706.47 feet to the center line of Transit Road, at the point or place of beginning.

To be used for the future construction of buildings to house stores and offices and general development for business purposes.

WHEREAS, the Zoning Board of Appeals held a public hearing on the 18th of December, 1968 after proper notice to all proper parties and no opposition was present. The Members of the Zoning Board are of the belief that the rezoning should be limited to 1000 feet in depth beginning at Transit Road, in addition to its having a seventy-five (75) foot buffer zone from the rear lot line of this property to further protect any future home owners in this immediate area. (The 75 foot buffer zone would be an area which cannot be used for business or commercial purposes). After an on-site inspection the Members of the Zoning Board of Appeals recommend that this be rezoned for business purposes. They note that this area along Transit Road has been one continually being developed for business purposes and they are of the belief that this continuous pattern is the only advisable one along Transit Road. The applicant has requested a rezoning of 1700 feet which the Zoning Board Members have cut down to 1000 feet, less buffer zone for the protection of any future home development in the area. (The Zoning Board of Appeals notes finally that the Erie County Department of Planning has recommended denial until the Town's Master Plan is completed to show the extent of future possible businesses); NOW, THEREFORE,

BE IT RESOLVED that the aforementioned property be and it hereby is rezoned from Residential District to Business District, and be it

FURTHER RESOLVED that the map in the Town Clerk's Office be changed accordingly.

WHEREAS, SAMUEL W. TADIO made application to rezone from Residential District to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly:

<p>DESCRIPTION (4925 Genesee St.) ALL THAT TRACT OR PAR- CEL OF LAND, situate in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 76, Town- ship 11, Range 7 of the Holland Land Company's Survey, bound- ed and described as follows: BEGINNING at a point in the center line of Genesee Street 2047.55 feet west of the east line of Lot No. 75; running thence south on a line parallel with Transit Road 396.34 feet; thence</p>	<p>running westerly on a line paral- lel with Genesee Street 132.04 feet; running thence northerly on a line parallel with the east line of lands formerly owned by John Risser, 396.73 feet to the center line of Genesee Street; running thence easterly along the center line of Genesee Street 121.39 feet to the point or place of beginning. Continuation of use of the pre- sent property as a Roller Rink and also an establishment for dancing, both square and round.</p>
--	---

WHEREAS, the Zoning Board of Appeals held a public hearing on the 18th day of December, 1968 after proper notice to all proper parties. No opposition was present and the matter was tabled for investigation. An on-site inspection revealed the location of the applicant to be presently containing a roller rink which he wishes to expand and modernize for the establishment of square and round dancing. We note no residential development anywhere near the proposed site. Genesee Street in that area is primarily used for business purposes. The roller rink has been in existence for a number of years as a non-conforming use which the applicant seeks to make a permanent use by this request. We note ample parking facilities.

The Erie County Department of Planning has suggested a different traffic access to eliminate potential hazards. They have requested that the applicant check with the State Department of Transportation. Therefore, the Zoning Board of Appeals will make this recommendation of approval subject to the corrected conditions of the State Department of Transportation.

WHEREAS, the Zoning Board of Appeals recommends the approval of this application subject to the corrected conditions of the State Department of Transportation; NOW, THEREFORE,

BE IT RESOLVED that the aforementioned property be and it hereby is re-zoned from Residential District to Business District, and be it

FURTHER RESOLVED that the map in the Town Clerk's Office be changed accordingly.

WHEREAS, BENJAMIN J. HOEY, PRES. HOM DEV. CORP. made application to rezone from Residential District to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly:

DESCRIPTION  
4820 Transit Rd.  
ALL THAT TRACK OR PARCEL OF LAND situated in the Town of Cheektowaga, County of Erie and State of New York being a "L" shaped parcel of Lot #43, Township 10, Range 7 of the Holland Land Company according to map filed in Erie County Clerk's Office.  
Beginning at a point (1) in the westerly line of Transit

Rd. at South line of Lot #44 thence running in a westerly direction a distance of 500 feet to a point (2) thence in a southerly direction a distance of 403.25 feet to a point (3) thence in a easterly direction of 200 feet to a point (4) thence in a northerly direction a distance of 201.63 feet to a point (5) thence in a easterly direction 299.99 feet to a point (6) thence in a northerly direction 201.63 feet along the westerly line of Transit Rd. to the point of beginning.  
To be used as a Store and Office Building.

WHEREAS, the Zoning Board of Appeals held a public hearing on the 18th of December, 1968 after proper notice to all proper parties and opposition was present. The opposition's primary concern was the fact that in or about the Transit Road area they noted that there were no storm sewers to handle water flow. It was their request before any approval be given that the municipalities be compelled to install storm sewers lest the condition worsen for all in the immediate area. The applicant suggested that he would do all within his power to see that the area is improved since he was a major land owner owning land from Transit Road back to Borden Road, shortly to be developed. He further noted that he could see no increase in the water flow problem from his development of this area fronting on Transit Road.

After an on-site inspection the Zoning Board of Appeals has found the following to be of importance in the recommendation: the area is presently in a field-like state and the Transit Road area is primarily one being developed as a business area - for business purposes. The applicant has left ample room in his plot plan for parking use. His building is of a one-story office type nature and in a general accordance with the surrounding business properties in the Town. The Zoning Board of Appeals recommends that this application be granted; NOW, THEREFORE,

BE IT RESOLVED that the aforementioned property be and it hereby is rezoned from Residential District to Business District, and be it

accordingly. FURTHER RESOLVED that the map in the Town Clerk's Office be changed

Item No. 35 Motion by Councilman Rogowski, seconded by Councilman Swiatek-----

WHEREAS, BENJAMIN J. HOEY, PRES. HOM DEV CORP. made application to rezone from Residential District to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly:

DESCRIPTION  
(East side of Borden Rd. North of French Rd.)  
ALL THAT TRACT OR PARCEL of land rectangular in shape in the Town of Cheektowaga, County of Erie, State of New York being part of Lot #43, Township 10, Range 7 of the Holland Land Company. Survey map filed in Erie County Clerks Office. Beginning at a point (1) in the easterly line of Borden Rd., 201.63 feet south of the south line of Lot #44, thence running in a easterly direction 500 feet to a point (2) 201.63 South of Lot 44, thence in a southerly direction 201.63 feet to a point (3) thence in a westerly direction 500 feet to a point (4) thence in a northerly direction 201.63 feet along the easterly line of Borden Road to the point of beginning.  
To be used as a Store and Office Building.

WHEREAS, the Zoning Board of Appeals held a public hearing on the 18th of December, 1968 after proper notice to all proper parties. Persons were present in opposition to the applicant's request. The opposition presented thirty-seven plus names from the Borden Road and Gary Lane area. They expressed a strong concern that this property along with the property of Mr. Cervi was merely one huge parcel to be developed into a plaza-like series of stores, all to the detriment of their properties. They noted further that the developer of their particular area, Mr. Cervi, had expressly stated to them that he was the sole builder in the subdevelopment and it was his intention to only construct homes. They, additionally, stated the possibility of increased traffic flow in and about the area endangering the children as well as the immediate access of business structures within a short range of their homes. The Southline Homeowners Association representative expressed a strong concern that Gary Lane, which is a cul-de-sac, would have increased difficulty in getting traffic in and out of Gary Lane, if business were allowed to develop on Borden Road at this location.

WHEREAS, after an on-site inspection it is our belief that the applicant's request should not be granted presently. The area is one adjacent to a new home development and might in fact cause an increased traffic flow.

WHEREAS, members of the Zoning Board note additionally that within a very short distance of this subdevelopment area is a proposed plaza-like complex shortly to be started (on French Road between Borden Road and Transit). It is the belief of the Zoning Board at this time that this subdevelopment area should be left unimpeded by many businesses adjacent to any homes. Upon further completion of this subdevelopment and with additional time a new look may be given to this whole area and it may be determined in the future that a part or more of this area immediately adjacent to the subdevelopment might be used for business purposes without any detrimental effects to the area. It is the judgment of the Zoning Board of Appeals that this is not the case presently, and they, therefore, recommend that this be DENIED. (The Zoning Board notes finally that the Erie County Department of Planning has recommended denial until the Town's Master Plan is completed to show the extent of future possible businesses); NOW, THEREFORE,

BE IT RESOLVED that this application for rezoning be DENIED.

ALL THAT TRACT OR PARCEL OF LAND, situated in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 50 Township 10, Range 7, of the Buffalo Creek Indian Reservation, and being more particularly bounded and described as follows; beginning at a point in the west line of Borden Road, as a 66 feet width highway distant 1089 feet south-erly (measured along said West line of Borden Road, from the point of intersection of said west

line of Borden Road with the north line of said Lot No. 50. Running thence westerly on a line parallel with said north line of said Lot No. 50, 200 feet. Running thence southerly, on a line parallel with said west line of Borden Road, 117 feet to the present center line of a creek. Running thence south easterly along the center present line of a creek, 215 feet more or less to a point in the said west line of Borden Road, which is 190 feet south (measured along said west line of Borden Road) of the above mentioned point of beginning of this conveyance. To be used as a Beauty Shop or Office Building.

WHEREAS, the Zoning Board of Appeals had conducted a public hearing on December 18, 1968 after proper notice to all proper parties. Persons were present in opposition. The opposition presented thirty-seven plus names from the Borden Road and Gary Lane area. WHEREAS, CHRISTINE GORSKI and DIANE HARE made application to rezone from Residential District to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly:

ALL THAT TRACT OR PARCEL OF LAND, situate in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 71, Township 10, Range 7 of the Buffalo Creek Reservation and according to map filed in Erie County Clerk's Office under Cover No. 472 is known as subdivision lots

feet front and rear by one hundred twenty-six (126) feet in depth, situate on the south side of William Street, Commencing sixty-four (64) feet east of Bright Street:

Premises commonly known as 42485 William Street, Cheektowaga, N.Y.  
To be used as a Beauty Shop.

Item No. 37 cont'd

WHEREAS, the Zoning Board of Appeals held a public hearing on the 18th of December, 1968 after proper notice to all proper parties. The applicants were present and there was no opposition. After an on-site inspection members of the Zoning Board noted the following: 1) The location requesting the rezoning is a private home immediately adjacent to the Theodore Roosevelt Elementary School. 2) The Erie County Department of Planning has recommended that this request be denied because of the lack of the required off-street parking. 3) The area is one in which numerous school children travel daily walking to both the Theodore Roosevelt Elementary School and St. Josaphat Elementary School. Many walk along this area to John F. Kennedy Junior and Senior High Schools and the south branch of the Erie County Public Library. 4) There are numerous other businesses in this immediate area: 2473 William Street, Bennie's Sport Shop; 2476 William Street, Lelonek's Real Estate and Insurance Office; and 2463 William Street, Szwajda's Music Store. 5) Additionally, the Board notes that the aforementioned businesses in #4 are all converted homes transposed to business locations.

WHEREAS, the Zoning Board of Appeals recommends approval of this request with the requirement that the applicants provide adequate off-street parking as stated at the hearing by their representative, Mr. Moskal, Attorney-at-Law. This would provide the back yard for parking by paving the back yard, entrance being gained by the garage door facing on William Street; NOW, THEREFORE,

BE IT RESOLVED that the aforementioned property be and it hereby is rezoned from Residential District to Business District, and be it

FURTHER RESOLVED that the map in the Town Clerk's Office be changed accordingly.

#### IV. FROM THE TABLE

Item No. 38 (1/6) Three communications from Southline Homeowners Assoc. requesting Town Board to deny rezoning to:  
Joseph Cervi, Borden Road and Gary Lane  
Edward Lelonek, west side of Borden Road near French Road  
HOM Dev., east side of Borden Road, north of French Road  
Received and filed.

Item No. 39 Motion by Councilman Swiatek, seconded by Councilman Halicki-----

WHEREAS, JOSEPH CERVI made application to rezone from Residential to Business District the property hereinafter described and to amend the Zoning Map and Ordinance accordingly: (s.w. corner Gary Lane and Borden Road)

At a point of beginning at Gary Lane and Borden Road beginning south 278.75 feet, thence westerly 200 feet, thence northerly 280.24 feet, thence easterly 201.47 feet to the point of beginning.  
To be used for food store, drug store, barber and beauty salon.

WHEREAS, the Zoning Board of Appeals conducted a public hearing on the 20th of November, 1968 after proper notice to all proper parties and the matter was tabled after ample discussion from the floor. There was present opposition against the application as well as spokesmen for the applicant. They expressed concern and fear that increased traffic and stores present in the immediate area would substantially deteriorate a presently growing residential area. Further, they expressed a view that it was their understanding when purchasing their homes that this area was to be kept residential. The spokesmen for the applicant stated that the nature of the businesses were to mainly be of the service variety - clean, efficient and an asset to the immediate area in that they provide handy services. Additionally, the applicant expressed the view that the land between the applicant's and the Mobile gasoline station at French and Borden Road was also to be rezoned. This was hearsay as far as the Zoning Board was concerned in that the present owner of that land has not come before this board seeking any rezoning.

WHEREAS, it is the belief of the Zoning Board that after viewing the action taken on various rezoning requests in and about this area by the Town Board that the Zoning Board recommends a denial at this time. It is the belief of the Zoning Board that if a new land use map is accepted in the future and changes are designated in the present zones, then a more carefully planned growth pattern would ensue. The Consultants and the Planning Commission have put in long hours on this matter and it is the view of the Zoning Board that a fresh approach will be able to be taken after a new land use map is adopted, if that is the wish of the Town Board.

WHEREAS, the Zoning Board of Appeals recommends denial of this application for rezoning from Residential District to Business District of the property above described; NOW, THEREFORE

BE IT RESOLVED that the same be and it hereby is DENIED.

Motion by Supervisor Weber, seconded by Councilman Obstarczyk-----

WHEREAS, this Town Board heretofore authorized the issuance of a Building Permit for a Car Wash at the I.D.S. Plaza located on the easterly side of Union Road at South Creek Drive, and

WHEREAS, these hazards to life and health constitute Public nuisances;
