Supervisor Weber presents the following resolution and moves its adoption

WHEREAS the Erie County Legislature has before it, the establishment of an Industrial Development Agency, which agency would operate in accordance with Chapter 1030 of New York State Laws of 1969; and which agency would have under paragraph 858 (purposes and powers of the agency) the purposes "....to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, manufacturing, warehousing, commercial and research facilities..."; and

WHEREAS the facilities promoted by this Agency shall by paragraph 874, "....be required to pay no taxes or assessments upon any of the property acquired by it or under its jurisdiction control or supervision or upon its activities...", and also by part 2 of this said paragraph 874, that any bonds, etc., issued by this Agency shall be tax exempt; and

WHEREAS four out of the five proposed members of this Agency are not public officers responsible to the voters of Erie County; and

WHEREAS under this law, this Agency has the power to deprive cities, towns, villages, school districts and fire districts and other local districts from any taxes and assessments; and

WHEREAS the resulting burden would be placed upon the residents of the municipalities, whether it be by increased real property taxes or by increased sales taxes; now therefore be it

RESOLVED that the Cheektowaga Town Board is unalterably opposed to the Erie County Legislature establishing any such Agency that has the power to exempt any facility in the Town of Cheektowaga from taxes and assessments of the town, villages, school districts or other local districts. This Town Board is also opposed to the establishment and operation of any such Agency anywhere in Erie County, for it would result in an increased burden upon the taxpayers of Cheektowaga.
