Motion by Supervisor Weber, Seconded by Councilman Wroblewski

WHEREAS, the Town Board of Cheektowaga has previously memorialized, by resolution of the Town Board Meetings dated December 7, 1970 and January 4, 1971 the New York State Department of Transportation and the State Highway Department requesting that said State Highway Department pipe existing roadway ditches, so that sidewalks may be installed on both sides of Union Road between Walden Avenue and the northern most boundary of George Urban Boulevard, and

WHEREAS, the Supervisor has received a communication from the Department of Transportation dated January 5, 1971 indicating that the project, although desirable, would involve the expenditure of considerable funds and would entail and result in a considerable time lapse before actual construction begins, and

WHEREAS, said communication further suggests that the Town may secure easements from the individual property owners, and

WHEREAS, it appears to this Town Board that the procurement of such easements would be difficult and costly to the Town, and

WHEREAS, the Town Board considers the present situation to constitute an emergency in view of the heavy use of said highway by many pedestrians and school children and since the highway involved is a state highway, the Town Board is of the opinion that the requested improvements should be paid for out of state funds and that the Town's people are entitled to their just share of the expenditure of state funds for projects within the Township especially those of an urgent nature such as the subject project, now therefore

BE IT RESOLVED, that the Department of Transportation be and again is memorialized to reconsider their decision and to take immediate steps to comply with the request of the Town Board to pipe the existing roadway ditches, and be it

FURTHER RESOLVED, that the Town Board hereby memorializes and requests the New York State Legislators and the Erie County Board of Legislators to extend their best efforts in aiding the Town of Cheektowaga to obtain the relief sought by this resolution, and be it

FURTHER RESOLVED, that a copy of this resolution be forwarded to the Department of Transportation, the New York State Clerks of the Senate and Assembly and to the Clerk of the Erie County Board of Legislators.

A tremendous shooting exhibition was put on last Tuesday night, but it wasn't at a press that the Skins failed to catch up was a full court. The thing that enabled the Flyers to catch up was a full court. On the positive side, the Skins scored 20 pts. for Lancaster along with Anthony's 18, and 2 big rebounds. Mike Pappill added 12 pts. and Palma was second high under the boards with 11. The Redskins, after playing three close periods of basket-ball, ran away in the fourth to even their D.V.
