IV. RESOLUTIONS

Item No. 24 Authorization for Planning Commission Chairman to attend conference
This item was withdrawn.

Item No. 25 Motion by Councilman Meyers, seconded by Councilman Johnson

WHEREAS, the Town Board duly adopted a resolution at its regular adjourned meeting on September 30, 1975 which provided that a public hearing be held in the Council Chambers at the Town Hall on October 6, 1975 at 7:30 P.M. The purpose of the hearing is to allow interested parties to express their views relative to the proposed expansion of the Greater Buffalo International Airport located in the Town of Cheektowaga, and

WHEREAS, it has been learned that numerous interested parties who wish to be heard at said hearing are planning to attend a similar hearing to be held in Williamsville, New York on the same date, to wit: October 6, 1975 which meeting is scheduled to commence at 7:30 p.m., and

WHEREAS, it appears that such interested parties who intend to appear at the Williamsville Hearing may not have sufficient time to be duly heard and express their views at the Cheektowaga hearing becuase of the conflict in the time for such meetings, and

WHEREAS, it appears necessary that the previously scheduled Cheektowaga meeting be held at a later time on said date, THEREFORE, BE IT

RESOLVED that the hearing to be held for the purpose of permitting interested parties to be heard relative to the proposed expansion of the Greater Buffalo International Airport be and hereby is rescheduled to take place at 9:00 p.m. on October 6, 1975 in the Cheektowaga Council Chambers.

Upon Roll Call....

ABSENT: 0

#33A

#35

Item No. 26 Motion by Supervisor Weber, seconded by Councilman Wasielewski

WHEREAS, many Town Officials have been informed that salacious and apparently pornographic books and magazines are being sold in various business locations about the Town, and

WHEREAS, many of these items are in open display where they can be viewed by minor children, and

WHEREAS, it appears that the enactment of effective legislation to bar or control such displays and sales would be desirable, THEREFORE, BE IT

RESOLVED that the Town Attorney's Office be and hereby is requested to research and make a report to the Town Board as to the legal questions and problems related to the proposed drafting of an anti-pornography ordinance by the Town of Cheektowaga.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Halicki, Wasielewski & Johnson
NAYES: 0
ABSENT: 0

Item No. 27 Motion by Councilman Johnson, seconded unanimously

WHEREAS, it has been brought to the attention of the Town Officials that construction of buildings may take place in the Dick Road-George Urban area in the Village of Depew and which area abuts the Town of Cheektowaga along Dick Road, and

WHEREAS, it appears that the sanitary sewer facilities in said area are insufficient to accomodate the increased volume of sewage which would be created by virtue of such building, and

WHEREAS, the County of Erie has indicated its objection to any new tap-ins in said area, and

WHEREAS, the proposed use of the Town of Cheektowaga's sewer lines by properties located in the Village of Depew may be improper and illegal, and

WHEREAS, it is possible that the Board of Trustees of the Village of Depew may be considering the issuance of building permits and/or tap-in permits in the near future for said area, THEREFORE, BE IT

RESOLVED that the Town Attorney's Office be and hereby is authorized to research and report to the Town Board upon the legal questions involved in such proposed expansion and the use of Town sewer facilities, and BE IT FURTHER

RESOLVED that said report indicate the feasibility of initiating legal action to protect the Town of Cheektowaga, and more specifically to indicate the feasibility of bringing action to restrain the Village Board of Trustees from issuing building permits or tap-in permits for said project.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Halicki, Wasielewski & Johnson
NAYES: 0
ABSENT: 0

Item No. 28 Motion by Councilman Wasielewski, seconded by Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Halicki & Johnson

WHEREAS, it has been learned that the facilities of St. Joseph's Intercommunity Hospital located in the Town of Cheektowaga could be expanded to provide additional services, and

WHEREAS, said additional services would include facilities for incoming patients who do not have a private physician, clinics for providing medicine, speech and hearing treatment and one-day survery service for minor operations, and

#33A #35

Item No. 28 cont'd

WHEREAS, St. Joseph's Intercommunity Hospital is the only major hospital in the Town of Cheektowaga and is centrally located to provide services within the Town and the surrounding communities, and

WHEREAS, the above mentioned services are necessary and essential to residents of the Town of Cheektowaga, and

WHEREAS, the Erie County Comprehensive Health Planning Council of Western New York, Inc. is the agency which is empowered to study and report on the feasibility of such expansion, and

WHEREAS, the Town is informed that the hospital has the potential eligibility for obtaining funds for such expansion, NOW, THEREFORE, BE IT

RESOLVED that the Town Board of the Town of Cheektowaga hereby wholeheartedly supports the proposed expansion of St. Joseph's Intercommunity Hospital for the purpose of including facilities for incoming patients who do not have a private physician, clinics for providing medicine, speech and hearing treatment and one-day surgery service for minor operations, and BE IT FURTHER

RESOLVED that the Erie County Comprehensive Health Planning Council of Western, New York, Inc. be and hereby is requested to recommend said expansion, and BE IT FURTHER

RESOLVED that a certified copy of this resolution be forwarded to State Senator Dale M. Volker, State Assemblyman Dennis Gorski and the New York State Legislature.

Upon Roll Call....

STATE OF NEW YORK)
COUNTY OF ERIE)

I, BENEDICT T. HOLTZ, Town Clerk of the Town hereinafter described, DO HEREBY CERTIFY as follows:

1. A regular meeting of the Town Board of the Town of Cheektowaga, a town located in the County of Erie, State of New York, was duly held on October 6, 1975, and minutes of said meeting have been duly recorded in the Minute Book kept by me in accordance with law for the purpose of recording the minutes of meetings of said Board, and such minutes appear at Item 29, inclusive, of said book.

2. I have compared the attached extract with said minutes so recorded and said extract is a true copy of said minutes and of the whole thereof insofar as said minutes relate to matters referred to in said extract.

3. Said minutes correctly state the time when said meeting was convened, the place where such meeting was held and the members of said Board who attended said meeting.

IN WITNESS WHEREOF, I have hereunto set my hand and have hereunto affixed the corporate seal of said Town, this 6th day of [redacted], 1975.

BENEDICT T. HOLTZ

Item No. 34 Motion by Councilman Halicki, seconded by Councilman Wroblewski

WHEREAS, it is evident that without major reconstruction, the Ludwig Street Bridge in the Town of Cheektowaga, is limited in its serviceability and will eventually be closed to traffic, and

WHEREAS, Ludwig Street is the only street which crosses the railroads between William Street and Broadway in the Harlem Road and Union Road area, and

WHEREAS, past comprehensive studies and cost estimates for the repairs to said Ludwig Street bridge are too costly for the Town to bear alone, and

WHEREAS, hearings with the Public Service Commission, indicate that, although the railroads have a maintenance responsibility to the structure of this bridge, they have no money to pay for the repairs, and

WHEREAS, minor repairs have been made by the Highway Department, certain repairs such as complete deck removal and replacement cannot financially nor physically be handled by the Cheektowaga Highway Department, and

WHEREAS, indications are that it may be possible for the County of Erie to take over Ludwig Street and the bridge, and would be willing to reconstruct Ludwig Street and the bridge, and would be willing to reconstruct Ludwig Street and the bridge and return this road back to the Town after completion. In return for this work, the County of Erie asks that we accept as Town highways, certain County highways which are in our Town, and which we already maintain to some extent, and

WHEREAS, it would appear that the benefits derived from the reconstruction of Ludwig Street and the bridge far outweigh the additional maintenance burden the Town would accept with the County mileage, NOW, THEREFORE, BE IT

RESOLVED that the Town Board of the Town of Cheektowaga hereby memorializes Legislator Richard Slisz and the Erie County Legislature to consider this project and to aid in our efforts to make said project a reality, and BE IT FURTHER

RESOLVED that a certified copy of this resolution be forwarded to Legislator Richard Slisz and to the Clerk of the Erie County Legislature.

Re: Bid Award
Pick-Up Truck

Gentlemen:

On September 15, 1975 bids were received and opened for the furnishing of one (1) 4-wheel drive pick-up truck with snow plow for the Building and Grounds Department. It includes the trade-in of a 1957 Dodge panel truck. Four bidders submitted bids as follows:

BIDDER	NET BID	DELIVERY
Mid City Dodge	$ 5,572.00	60-90 days
Keller Chevrolet	6,054.15	30-90 days
Maier Schule GMC, Inc.	6,100.00	60 days
Mernan Chevrolet	6,223.00	60 days

These bids were reviewed with Mr. George Burst. This bid award would be in the amount of $5,572.00 and awarded to Mid City Dodge Inc., 2185 Walden Avenue, Cheektowaga, New York 14225.

Very truly yours,

TOWN OF CHEEKTOWAGA

A G R E E M E N T

THIS AGREEMENT, dated this 6th day of October, 1975, by and between the TOWN OF CHEEKTOWAGA, ERIE COUNTY, NEW YORK, a municipal corporation with offices at Broadway and Union Roads, Cheektowaga, New York, hereinafter called the "TOWN", and the YOUTH DEPARTMENT - DIOCESE OF BUFFALO, with offices at 100 South Elmwood Avenue in the City of Buffalo, New York, hereinafter referred to as the "AGENCY".

W I T N E S S E T H:

WHEREAS, the AGENCY in cooperation with the TOWN OF CHEEKTOWAGA is desirous of instituting a Youth Service Project entitled Project C.A.R.E. which would prepare teen-age volunteers to assist and provide outreach services to the senior citizens of Cheektowaga.

NOW, THEREFORE, it is mutually understood and agreed as follows:

1. The TOWN will sponsor a Project C.A.R.E. program as a Youth Service Project and pay to the AGENCY a sum not to exceed $3,275.00 for a 14 month period commencing November 1st, 1975 and running through fiscal year 1976 for the operation of said program.

2. The amount paid by the TOWN in accordance with Paragraph 1 constitutes the TOWN'S full obligation with regard to the agreement and all consequences arising therefrom, except that the TOWN shall be entitled to State Aid reimbursement from the New York State Division for Youth as sponsor of the project.

3. The AGENCY agrees to operate Project C.A.R.E. and coordinate allits activities with the Cheektowaga Youth Bureau.

4. The AGENCY agrees to carry out the terms of this agreement in accordance with the rules and regulations of the New York State Division for Youth and the Division for Youth Act, and that the project will be operated in compliance with all the laws of the TOWN OF CHEEKTOWAGA and the Constitution of the State of New York.

#34

#35

5. The AGENCY agrees to hire as its own employees any personnel required in conjunction with the operation of the Project C.A.R.E. program.

6. Except with regulation to duties normally accepted and imposed upon the AGENCY, this agreement shall constitute the full and complete obligation of the parties thereto.

Motion by Councilman Johnson, seconded by Councilman Meyers to suspend the rules to include the following items:

V. SUSPENSION OF RULES

Item No. 59 Acceptance of Town Highways; Old Farm Road and Old Farm Court

Motion by Councilman Halicki, seconded by Councilman Wasielewski

RESOLVED that the following streets, namely; Old Farm Court, formerly Creekwood Ct., and Joyce and Old Farm Road, formerly Creekwood Drive and Lynn Drive, on the recommendation of the Superintendent of Highways, be and hereby are accepted as Town Highways, and that the Town Attorney be directed to record the deed for Old Farm Court and Old Farm Road in the Erie County Clerk's Office:

OLD FARM ROAD: Beginning at a point in the northerly line of Rowley Road (66' wide) and the easterly line of Old Farm Road (Creekwood Dr.) (60' wide); thence northerly along the easterly line of Old Farm Road (Creekwood Dr.), 815.66 feet to a bend point in the easterly line of Old Farm Road (Creekwood Dr.) thence with an interior angle of 134° 07' 40", continuing along the easterly line of Old Farm Road (Creekwood Dr.) (width varies), northwesterly 91.42 feet to the westerly line; thence southwesterly along said west line with an interior angle of 70° 43'58", 115.78 feet to a point in the southerly line of Old Farm Road (Creekwood Dr.) (width varies); thence with an interior angle of 109°16'02", southeasterly 75.63 feet to a bend point, thence with an interior angle of 225°52'20", southerly along the west line of Old Farm Road (Creekwood Dr.) (60' wide), 739.68 feet to a point in the northerly line of Rowley Road, (66' wide), and the westerly line of Old Farm Road (Creekwood Dr.) (60' wide); thence with an interior angle of 73°13'30" northeast 63.67 feet along the northerly line of Rowley Road.

OLD FARM COURT: Beginning at a point in the west line of Old Farm Road (Creekwood Dr.) (60' wide) and the south line of Old Farm Court (Creekwood Ct.), (60' wide), thence southwest 129.64 feet along the southerly line of Old Farm Court (Creekwood Ct.) to a point; thence along a curve, with a radius of 60.0 feet an arc distance of 258.88 feet to a point; thence northeasterly 107.21 feet along the west line of Old Farm Court (Creekwood Ct.) to a point of curve; thence along a curve to the east with a radius of 128.97 feet, an arc distance of 150.31 feet to a point of tangency; thence continuing along the northerly line of Old Farm Road (Creekwood Dr.) 29.78 feet to a point in the westerly line of Old Farm Road (Creekwood Dr.); thence with an interior angle of 90°00, 60.0 feet to a point in the southerly line of Old Farm Court (Creekwood Ct.) and the westerly

Item No. 59 cont'd

line of Old Farm Road (Creekwood Drive); thence with an interior angle of 90°00, west along the south line of Old Farm Court (Creekwood Ct.) 29.78 feet to a point of curve; thence along a curve, radius of 68.97, an arc distance of 80.38 feet to a point of tangency; thence southwest along the easterly line of Old Farm Court (Creekwood Ct.) 98.70 feet to a point; thence with an interior angle of 52°46'50", northeasterly 136.10 feet along the northerly line of Old Farm Court (Creekwood Ct.); thence with an interior angle of 76°00', south 61.84 feet to the point of beginning.

STREET LIGHTING PROPOSAL
TOWN OF CHEEKTOWAGA

Dick Road (Broadway north to Walden Avenue)

Install 16* - 25500 lumen HPS lamps @ $95.00 ea. $1520.00
(*new poles to be installed)

Install 2 - 25500 lumen HPS lamps @ $60.00** ea. . . . . $ 120.00
(underpass fixtures)

ANNUAL INCREASE $1640.00

**these rates apply only where equipment is not owned by the company and include energy and lamp bulb replacement only.

This proposal supercedes a resolution dated 3/5/73 for 9-42000 lumen high-pressure sodium lamps, which were never installed due to the highway widening project that required removing the poles on which the lights would have been installed.

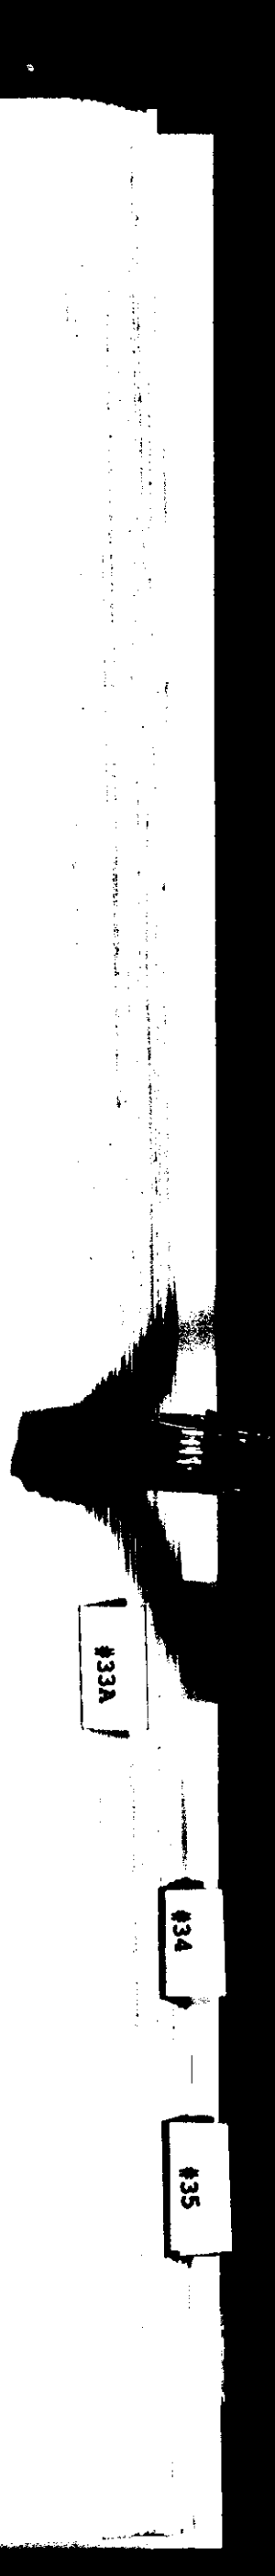
Environmental Information Hearing

on

Greater Buffalo International Airport



EXTRACTS FROM MINUTES OF CHEEKTOWAGA TOWN BOARD

adjourned
At a regular/meeting of the Town Board of the Town of Cheektowaga, Erie County, New York held at the Town Hall, corner of Broadway and Union Road, in said Town on the 30th day of September, 1975 at 5:30 o'clock p.m. Eastern Daylight Savings Time there were:

PRESENT: Supervisor Danial E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Thomas M. Johnson, Jr.
[illegible]
Councilman Raymond J. Wasielewski

ABSENT: Councilman Donald A. Halicki

Motion by Councilman Johnson seconded by Councilman Meyers

WHEREAS the Greater Buffalo International Airport is located solely within the Town of Cheektowaga, and

WHEREAS this facility affects the citizens of this community through its contribution to flooding and the impact of noise, water and air pollution resulting from its operation, and

WHEREAS the Niagara Frontier Transportation Authority is now considering a program of long-range expansion and renovation of all existing runways and all supporting facilities at the G.B.I.A. to the extent that the expanded facility would be able to accommodate increased jet traffic, and

WHEREAS NFTA concedes that aircraft noise problems will continue and probably increase, "by reason of increasing frequency of operation....to become more acute until about 1985", and

WHEREAS the NFTA admittedly has little or no direct control over the individual pilots or airlines that fail to adhere to predetermined flight plans designed to reduce or otherwise control jet pollution and noise impact or to provide for the safety and well-being of the surrounding community, and

WHEREAS the airport's present effects upon the quality of life in the Town of Cheektowaga, particularly with respect to residents living near the runways and along the Southwest runway corridor, is of the utmost concern to the Cheektowaga Town Board, and

WHEREAS the proportion of jet traffic has increased over recent years resulting in the heightened sensitivity

#34

#35

of our constituency and the fear that such plans as may be promulgated by the NFTA will not appreciably reduce the current detrimental effects upon the environment, and

WHEREAS notwithstanding the decision making process established by the NFTA, it is the consensus belief of the Cheektowaga Town Board that an environmental impact statement is a necessary prerequisite to a cost-benefit analysis of the airport alternatives, and

WHEREAS such statement requires, by ample precedent, citizen input, as well as evaluation of impact upon community real estate values, and

WHEREAS it is the expressed will of the Cheektowaga Town Board that the execution of any alternative regarding the handling of air traffic by the NFTA must include a clearly defined program of flood control measures, noise, water and air pollution abatement to be inaugurated at the Greater Buffalo International Airport, and

WHEREAS the Town Board has been informed that the NFTA consultants are preparing a report assessing various alternatives affecting future operations at the G.B.I.A., and which is to be filed in October of 1975, NOW THEREFORE BE IT

RESOLVED that the Niagara Frontier Transportation Authority is hereby petitioned to conduct an environmental information hearing in the month of October, 1975, at a mutually agreed upon time and location within the Town of Cheektowaga, and BE IT FURTHER

RESOLVED that the Cheektowaga Town Board on October 6, 1975, at *7:30 p.m., in the Council Chambers, shall conduct an environmental hearing, such hearing to be for the sole purpose of receiving citizen comment and testimony concerning any aspect of the present G.B.I.A. facility and contemplated expansion or renovation thereof, and, BE IT FURTHER

RESOLVED that an accurate record be made of such proceedings to be submitted in evidence to the above named Authority.

All facilities needed through 1995 to be provided in one phased construction program that would be completed in 1985. 2. 30 gates. 3. 165,000 sq. yds. - Apron. 4. 370,000 sq. ft. - Terminal. 5. 120,000 sq. ft. - Airline Cargo Building. 6. 6,025 Parking Spaces. 7. Lengthen and strengthen Runway 6-24 to 6500 ft.
NF-AT-3	10-28 (9130 ft.) 6-24 (6500 ft.)	30	350-400,000 sq. ft.	6025	165,000 sq. yds.	1.-6. Same as above. 7. Construct a new Runway 6L-24R 9100 ft. long. 8. Relocate thresholds of Runway 10-28.

ALTERNATIVES FOR STUDY
REGIONAL AIRPORT STUDY - PART III A

	Air Side Runway Configuration	Land Side				Action Items and Timetable
		Gates	Terminal Bldgs.	Parking Spaces	Apron	
. B. I. A.						
resent	5-23 (8100 ft.) 14-32 (5374 ft.)	20	approximately 250,000 sq. ft.	2600	100,000 sq. yds.	
B-NP	5-23 (8100 ft.) 14-32 (5374 ft.)	20	approximately 250,000 sq. ft.	3600 by 1980	117,000 sq. yds.	1. Improvements by Airlines to East Terminal Bldg. 1976-78 - mix of 12 gates for narrow and wide-body aircraft, with more wide-body aircraft than at present. 2. Add 22,000 sq. yds. to West Terminal Apron - 1978 - gives additional parking for 1 wide-body and 2-two eng. narrow body aircraft - total aircraft parking for West Terminal - 11. 3. Reconfigure West Terminal - 1980 - minimum aircraft parking positions 13 - acquire Trap and Field Property to add 1000 parking spaces or provide structural parking in Terminal area.
B-AT-1	5-23 (8100 ft.) 14-32 (5374 ft.)	30	350-400,000 sq. ft.	6025	165,000 sq. yds.	1. - 3. Same as GB-NP 4. Extension to West Terminal to 18 gates - 1985 - total of 30 gates for the two terminals.
B-AT-2	5-23 (8100 ft.) 12-30 (6500 ft.)	30	350-400,000 sq. ft.	6025	165,000 sq. yds.	1.-4. Same as GB-NP and GB-AT-1 5. Extension and realignment of cross-wind runway.

Re: Airport Hearing, 9:00 p.m., October 6, 1975, Cheektowaga Town Hall

- an open letter to Cheektowaga residents and businessmen directly affected by the Greater Buffalo International Airport.

The NFTA has commissioned a study evaluating a number of alternatives for handling the projected increase in air traffic for the Niagara Frontier up to the year 1995.

It is our belief that consideration of the adverse economic effects of one such alternative, as well as the environmental impact of the G.B.I.A. facility upon the Town of Cheektowaga must be given the highest priorities in guiding future actions of the NFTA.

Therefore, a stenographic record of these proceedings will be submitted in evidence to the NFTA. We have also petitioned the NFTA to conduct an environmental information session as soon as possible in the Town of Cheektowaga.

In moving the resolution calling for this hearing, we have taken the position that the G.B.I.A. should be maintained as the primary airport facility on the Niagara Frontier with a firm committment that the NFTA shall immediately develop and pursue a program of noise, water, and air pollution abatement and control of storm water run-off to the U-Crest Ditch, a tributary of Scajaquada Creek. We also recognize and approve the anticipated enforcement of new Federal Noise Regualtions, but look to the Airlines using the G.B.I.A. to provide us with their schedule of compliance. In addition, we are appealing to the Federal Aviation Administration to establish an independent citizen complaint desk and require a more effective system of complaint handling.

Finally, we would like to cite the Darling Company of Sloan as an example of a local industry which was prevailed upon to correct conditions that threatened the health and welfare of the surrounding community. The Darling Company still continues as an economic asset to that same community.

Councilman Kenneth J. Meyers

Councilman Thomas M. Johnson

Minutes of Public Hearing held by the Town Board of the Town of Cheektowaga, Erie County, New York, at the Town Hall, corner of Broadway and Union Road, in said town on the 7th day of October, 1975, commencing at 9:00 o'clock, p.m., for the purpose of obtaining citizen input concerning the proposed expansion of the Greater Buffalo International Airport.

PRESENT:

TOWN BOARD:
THOMAS M. JOHNSON, JR., Councilman
(Acting Chairman)
FRANK E. SWIATEK, Councilman
KENNETH J. MEYERS, Councilman
RAYMOND J. WASIELEWSKI, Councilman

ROBERT STONE, Asst. Airport Manager
JOSEPH R. CIFFA, Public Relations Asst., NFTA.

* * * * * * * * *

MR. JOHNSON: This hearing is called here tonight at approximately the same time the Town of Amherst is holding a similar hearing on the overall impact of the Greater Buffalo International Airport on the surrounding residence and communities. Certainly, the hearing would expect input on the current plans for possible expansion, input for businessmen and places at the airport, input from residents who wish corrective action to be taken by the Niagara Frontier Transit Authority with regard to noise, air, water pollution and flooding.

At this time, while we are awaiting the list of speakers, I wish to inform you a stenographic record will be maintained tonight, that is, each speaker's comments, statements, questions, will be recorded by this individual on your left that will be entered into a testimonial record that will be submitted to the Niagara Frontier Transit Authority in

#34

#35

evidence, also to our congressman under whose auspices Federal Noise Regulations will be promulgated, and also to the State Department of Environmental Conservation, presently developing an environmental code for the State which will cover, of course, any location the airport would be expanded to.

I'd like to first say there's a special purpose in having it here in Cheektowaga. We wish to show Cheektowaga input of Cheektowaga residents and Cheektowaga businessmen. We feel that input to the NFTA must be unique to the community involved. Further, we wish the NFTA to incorporate the input of all speakers because it represents the wide spectrum of affected businessmen and residents and, therefore, will make more accurate any decision the NFTA makes with respect to the Greater Buffalo International Airport.

Further, it's an opportunity for you, to provide you with an opportunity you've not had in the past to speak on any aspects of the airport if it affects you. This is always better, public statements; the opportunity to speak is what government is about and the NFTA is one segment of our government, the Niagara Frontier Transit Authority, the State-created authority with its own bonding power and independence to decision making processes of surrounding governments and your town government. Make no means about it, the NFTA will make this decision with or without us, but hopefully they'll recognize that you've had an opportunity to speak tonight and you speak from the heart and they'll incorporate that in their decision.

Also, we've petitioned the NFTA to hold a session, an information session later this month to answer questions clearly. Your testimony will give them an opportunity to review the type of questions that will be asked so they'll have their answers prepared and I think this is a step in the right direction. This is the give and take.

I'd like to direct the stenographic court reporter to place in the record the resolution of September 30, 1975, with respect to this hearing and the Board position on the Airport.

(Whereupon, resolution of September 30, 1975, was marked for identification and was received in evidence.)

MR. JOHNSON: I'd like to read that.

"WHEREAS the Greater Buffalo International Airport is located solely within the Town of Cheektowaga

#34

#35

and

WHEREAS this facility affects the citizens of this community through its contribution to flooding and the impact of noise, water and air pollution resulting from its operation, and

WHEREAS the Niagara Frontier Transportation Authority is now considering a program of long range expansion and renovation of all existing runways and all supporting facilities at the G.B.I.A. to the extent that the expanded facility would be able to accommodate increased jet traffic, and

WHEREAS the NFTA concedes that aircraft noise problems will continue and probably increase, "by reason of increasing frequency of operation - - to become acute until about 1985", and

WHEREAS the NFTA admittedly has little or no direct control over the individual pilots or airlines that fail to adhere to predetermined flight plans designed to reduce or otherwise control jet pollution and noise impact or to provide for the safety and well-being of the surrounding community, and

WHEREAS the airport's present effects upon the quality of life in the Town of Cheektowaga, particularly with respect to residents living near the runways and along the Southwest runway corridor, is of the utmost concern to the Cheektowaga Town Board, and

WHEREAS the proportion of jet traffic has increased over recent years resulting in the heightened sensitivity of our constituency and the fear that such plans as may be promulgated by the NFTA will not appreciably reduce the current detrimental effects upon the environment, and

WHEREAS notwithstanding the decision making process established by the NFTA, it is the consensus belief of the Cheektowaga Town Board that an environmental impact statement is a necessary prerequisite to a cost-benefit analysis of the airport alternatives, and

WHEREAS such statement requires, by ample precedent, citizen input, as well as evaluation of impact upon community real estate values, and

WHEREAS it is the expressed will of the Cheektowaga Town Board that the execution of any alternative regarding the handling of air traffic by the NFTA must include a

#34

#35

clearly defined program of flood control measures, noise, water and air pollution abatement to be inaugurated at the Greater Buffalo International Airport, and

WHEREAS the Town Board has been informed that the NFTA consultants are preparing a report assessing various alternatives affecting future operations at the G.B.I.A., and which is to be filed in October of 1975, NOW THEREFORE BE IT

RESOLVED that the Niagara Frontier Transportation Authority is hereby petitioned to conduct an environmental information hearing in the month of October, 1975, at a mutually agreed upon time and location within the Town of Cheektowaga, and be it further

RESOLVED that the Cheektowaga Town Board, on October 6, 1975, at 9:00 p.m. - -" that's been amended from "7:30" - - "in the Council Chambers, shall conduct an environmental hearing, such hearing to be for the sole purpose of receiving citizen comment and testimony concerning any aspect of the present G.B.I.A. facility and contemplated expansion or renovation thereof, and, be it further

RESOLVED that an accurate record be made of such proceedings to be submitted in evidence to the above named Authority."

There's a purpose for passing this resolution and you've all received an open letter to Cheektowaga residents and businessmen directly affected by the Greater Buffalo International Airport.

The NFTA has commissioned a study evaluating a number of alternatives for handling the projected increase in air traffic for the Niagara Frontier up to the year 1995.

It is our belief that consideration of the adverse economic effects of one such alternative, as well as the environmental impact of the G.B.I.A. facility upon the Town of Cheektowaga must be given the highest priorities in guiding future actions of the NFTA.

Therefore, a stenographic record of these proceedings will be submitted in evidence to the NFTA. We have also petitioned the NFTA to conduct an environmental information session as soon as possible in the Town of Cheektowaga.

#34

#35

In moving the resolution calling for this hearing, we have taken the position that the G.B.I.A. should be maintained as the primary airport facility on the Niagara Frontier with a firm commitment that the NFTA shall immediately develop and pursue a program of noise, water, and air pollution abatement and control of storm water run-off to the U-Crest ditch, a tributary of Scajaquada Creek. We also recognize and approve the anticipated enforcement of new Federal Noise Regulations, but look to the airlines using the G.B.I.A. to provide us with their schedule of compliance. In addition, we are appealing to the Federal Aviation Administration to establish an independent citizen complaint desk and require a more effective system of complaint handling.

Finally, we would like to cite the Darling Company of Sloan as an example of a local industry which was prevailed upon to correct conditions that threatened the health and welfare of the surrounding community. The Darling Company still continues as an economic asset to that same community", and I might add, something that we can live with, and this is what this hearing is all about. We're not eliminating the airport - - Frankly, its not believed this will happen or can happen - - but we are asking for something that we all can live with.

Now, I've taken up enough of your time. You have the Alternatives For Study that have been passed out to you. As I said to people earlier, GB-NP on the Greater International Airport means no project, NP, no project. GB-AT-1 means all airline traffic through the Greater International Airport but no modification of the cross-winds runway. GB-AT-2 means all airline traffic through the Greater International Airport, but the cross-winds runway shall be modified.

Now, what that means is that cross-winds runway will have the capability of from a present under one per cent traffic to approximately three per cent, eventual three per cent of the traffic load. Cross-winds runway is a necessary back stop to increased traffic at the Greater Buffalo International Airport. The net results of the cross-winds runway is an increase of eleven hundred twenty-six feet in length. There will be foundation modifications that have already been to the southwest runway and to the present length of the southeast cross-winds runway.

At this point, I would like to move to the speakers. I would ask you state your name and address, that you attempt to confine yourself to approximately five minutes and that you take your time, think out what you're saying, but that it's very valuable in representing you and your

#34

#35

neighbors or anybody of similar interest.

MR. HALICKI: May I speak?

MR. JOHNSON: Mr. Halicki.

MR. HALICKI: I was kind of wondering whether to sit on that side or this side of the fence at this point, but I do live on Evergreen Place, which is in the general vicinity and very close to the airport. I did talk to Mr. Rebadow as late as six weeks ago and the information he gave to me and assured me that, first of all, as far as the noise abatement problem is concerned, it will have to be done Federally within approximately three to four years which is something more than we got the last time.

As far as the expansion of the airport was concerned, I'm speaking of the length of the runways which would increase the size of the aircraft that could land at this airport, it's practically out of the question both financially, physically, and he could not see any way where this airport could pay for itself if they went into a larger aircraft which is not the satisfactory answer. Some of the work that is being done at the present time and may be completed by now is to the degree of solving some of the overflow water which also our Chairman brought up this evening. I was satisfied with his answers. Of course, he's strictly the airport manager and he's not, let's say, the chairman of the NFTA. I would like to comment on one thing you said earlier, Mr. Johnson, and that is that Darling & Company is a private enterprise. This is an Authority. An Authority is a very difficult person to deal with. They may say "yes" today and "no" tomorrow, and I would like only to mention that remark because it's a very hard type of route to deal with because they really have no direct supervisor or supervision. The Erie County Water Authority doesn't have this; the New York State Thruway Authority doesn't have this, and neither does this Authority. So that I hope that what Mr. Rebadow talked to me personally about, because I do live in the immediate area, I believe that there's a need for this airport, there's a need the way it's operating presently and I don't see where they can expand it beyond its present facility. I don't feel the Buffalo area, as a whole, requires 747's and with that, Mr. Chairman, I'll get back on the other side. Thank you very much.

#34

#35

MR. JOHNSON: Thank you, Mr. Halicki. I'd like to mention that it's true the NFTA - - we all know that - - is more difficult for this Board and for you to deal with than Darling & Company, but that's why we're having this meeting, and certainly your concern is needed more than our statements and with regard to what is being promulgated, there's Federal Noise Regulations that will become effective in 1985. However, as stated, what we are asking is the airlines provide us with their schedule of proposed compliance. It must also be recognized that the State Department of Environmental Conservation is promulgating an environmental code. Now, this is the State, it's not the County; it's not the Town, it's the State. There's a level of control that becomes state-wide and can be applied no matter where the airport is being expanded and that's why we are sending this statement to the D.E.C. There was a recent hearing on the environmental problem of Erie County and it was mentioned at that hearing that they did not provide for aircraft, monitoring of aircraft noise or air pollution, you know, fuel dumping, what have you. They are now considering doing that and every environmental code from the Federal Government down you can have successful levels of enforcement. The local code must always be strictor than the Federal code. Therefore, the Erie County Department of Environmental Quality may come up with at least testing there so they can submit it to their State and Federal Government.

The State can certainly promulgate a code controlling aircraft noise or at least sending a schedule for compliance with their own regulations and the Federal Government will have regulations at this point for 1985.

Now, certainly, we may be able to move that schedule up. In any case, it will be worked within the capabilities of airlines and, of course, your testimony here tonight is important to that. I'd like to read one statement from the latest newsletter of the NFTA and it states, "The 1985 situation was chosen for the analysis because" - - this is in regard to noise analysis - - "because the technical consultant believes the aircraft noise will continue by way of frequency to become more acute until 1985. After that, the effects of continuing efforts to reduce noise at the source should more than compensate for increasing operations."

I've been told the 1985 level is that of a DC-10. However, if they never hear you and you never make any statements, then we're not going to get any change in that, that proposed 1985 enforcement level.

#34

#35

One more statement. It may be also noted that the realignment and lengthening of the cross-winds runway will only have a small affect of the overall picture of that airport. That may be true. We have met with the NFTA and the cross-winds runway is not the point. The point is what can be done in the change of aircraft nature over the next ten years to help you decrease the affect upon you now, and it has to be done within the text of working with the airport facility.

Now, I'll take the first speaker on the list, Mr. Robert P. Jagord, speaking for Ralph Jagord of . Mr. Jagord.

MR. JAGORD: Mr. Chairman, can I speak from here?

MR. JOHNSON: I think you'll be heard a little better at the mike.

MR. JAGORD: Councilman Johnson and members of the Board, I'm speaking for my brother at . I was a former resident there for three years and it's in line with the runway path. First of all, I would like to say that I appreciate, us residents here, you sponsoring this resolution, you and Councilman Meyers for allowing us to speak here before the Town and tell how we feel about it. To begin with, I would like to say that, living on Nadine Drive in the runway area of air, I would like to say that the NFTA Port Authority has not really given their fair share of taxes to the Maryvale School District and also has not given their fair share of taxes to the Town.

Now, twenty years ago, the Town entered into a contract with the NFTA and since then they haven't renewed it and I think before we consider any expan- sion - - I'm not against progress here in Cheektowaga and I'm not here trying to take any jobs away from those people that work on the airport, but I would like to say that before the airport ever expands, they should reconsider renegotiating this contract so that Cheektowaga receives their fair revenue shares of taxes and also the Maryvale School District.

Also, the noise, the noise is un- bearable right now. There should be strict enforcement of

#34

#35

noise. This hadn't been done. Before any expansion should take place, the noise control situation should be taken care of. Also the pollution in the air, I think it affects the residents in the area, especially in the Maryvale School area, which represents about 30,000 residents there and it's quite a density in the area and I think it would be more beneficial as far as protecting the health if air pollution preventatives take place. It's important we, in the Cheektowaga area, are healthy and without this control, I think no expansion should take place, but the biggest problem of all, Councilman Johnson, is one of flooding too.

Now, I lived in that area for twelve years and we complained about flooding and in that area, the Greater Buffalo International Airport contributes sixty per cent of the flooding to the U-Crest Ditch and they haven't contributed to resolving our flooding problems. Now, with respect to as far as the expansion goes, we should really consider the expansion, we should consider that they correct and enforce the pollution control. They enforced a noise control and that we take a hard look at getting more money for what's deserved in that area. We're not getting our fair share and businesses around there, especially the airlines, are getting the greater profit at our benefit. So I think we should make every effort to have the Planning Board of our Town make a recommendation as to the feasibility of enforcement and in respect to the protection of the welfare of our residents. Thank you.

MR. JOHNSON: Thank you, Mr. Jagord. At this time I'd like to insert, if Mr. Cotter doesn't mind, I'd like to insert Mrs. Eleanor Wagner who called tonight and said she had fallen and said she hurt her back or something and she'd like to make a statement. Mrs. Wagner, would you like to do that.

MR. WASIELEWSKI: May I have the floor for a moment?

COUNCILMAN JOHNSON: Yes.

MR. WASIELEWSKI: I believe the people that we should listen to are the people that actually live within the vicinity, within the neighborhood. Now, this, to me, seemed like a real good political pitch. Isn't it true, Mr. Jagord, that you're

#34

#35

running for political office in the Town of Cheektowaga this November?

MR. JAGORD: I was speaking as a resident of Cheektowaga.

MR. WASIELEWSKI: I don't think it's fair to use political tactics saying you're speaking on behalf of your brother - -

MR. JOHNSON: Okay, okay.

MR. JAGORD: I did not announce I was running for any office, sir.

MR. WASIELEWSKI: I think we should listen to the people that live within the vicinity of the problem.

MR. JOHNSON: Mr. Wasielewski - -

MR. JAGORD: You're out of order.

MR. JOHNSON: If I may - - Please bear with me, Mr. Wasielewski, Mr. Jagord - - Mr. Jagord, I believe, was speaking for Mr. Ralph Jagord, , but we do have Mrs. Eleanor Wagner who lives at the Southwest runway. Please speak, Mrs. Wagner.

MRS. WAGNER: Thank you, Mr. Johnson, and the people of the Board. I had a little accident today where I had fallen. I've been up in the hospital since about 2:00 o'clock this afternoon and just got home.

THE FLOOR: Can't hear you.

MRS. WAGNER: Thank you, Mr.Johnson, and the people of the Board. I did have

#34

#35

a little accident this afternoon. I was up in Mercy Hospital since about 2:30. I finally got home about 7:30. I'm full of codeine and everything else, so please excuse me if I - - but my name is Eleanor Wagner and I reside at . I'm on the corner of Rogers Drive in Cheektowaga. Quite a few of my neighbors are in this room and I think we all have the same problem.

In 1951, when our home was purchased, this was a beautiful neighborhood, and we enjoyed the airplanes. I've raised four children in my house. In September of 1965, Runway 523 was open for use. Prior to that time, the length of this runway was 5,645 feet and was extended to 8,100 feet, practically bringing the runway to all our front lawns. This was about the time jet aircraft service came to the Buffalo Airport. At that time, we were against the jets. There were many of us that have picketed up at the Executive. Since that time, there have been many millions of dollars put into the Buffalo Airport, never considering the homeowners or the residents of the surrounding areas, just the businessmen. I've had several broken windows at my residence and I believe the people on the surrounding streets have the same problem. My walls rattle everytime a plane takes off. The floor and windows shake. In fact, when the plane takes off, it almost seems like earthquakes. There's no such thing as fresh air. When we open the windows, the air is so terrible, you get sick to your stomach. In fact, the smell comes in with the windows closed. We also get the smell of rubber. My house is unlivable when this runway is used. The airport should never have been expanded as it is at the present time within this densely residential area. We can't state the number of times the Buffalo Fire Department has been to the airport in cases of emergency landings. We have the Blue Angel which crashed and missed a gas station on the corner of Genesee Street. Lawsuits are still continuing on the Diane Drive crash which took several lives. During the last rain storm, sixty per cent of the flooding was due to the airport. This was the first time I ever had a drop of water in my basement. I had about three feet, and I've lived in this house for twenty-four years.

We are all taxpayers, but no one listens to our complaints about the airport. All we get is sympathy from the Airport Authorities. Our own Supervisor stated we knew the airport was there when we purchased our homes. Yes, but did he or anyone else realize that the airport is now affecting the lives and health of many residents who have worked hard to pay for these homes which are unlivable at the present time, due to the noise pollution and air pollution? Our health and lives are in danger everytime a plane

#34

#35

takes off. It's about time people's lives and health were considered instead of just businesses who are out to make money.

We live close to the airport. We, living close to the airport, are now under unbearable noise. We don't need any expansion, we need relief to the residents. Some of our homes should be taken if there's any expansion because we can't sit and watch television - - my neighbors in this room will vouch for every word I've said. Thank you, Mr. Johnson.

MR. JOHNSON: Thank you very much.

(Applause)

MR. JOHNSON: For those who just came in, Mrs. Wagner is not a Board member, but she, apparently, had an accident and she's sitting up here temporarily. Mr. John Cotter.

MR. COTTER: In 1963, it was called to the attention of the then Board that there were proposed drainage ditches for Curtis Wright at the time that Curtis Wright owned the Westinghouse property. Before the airport became as large as it is, there were proposed drainage ditches which should still be on the map of the Town plots. These ditches have never been put in. This takes care of the water from both Westinghouse and the airport. Now, time after time I've come down and talked about these - - not to the present Town Board, but to our past Town Boards. Now, it's about time that Westinghouse and the airport be made to put these drainage ditches in.

Now, recently, I was at the airport in Atlanta, Georgia, and along each and every side of the runways, there's a great big retaining basin that's put in there to take care and catch the water for the rains. Now, back in the 60's when the City of Buffalo owned the airport, they owed the Town of Cheektowaga untold thousands of dollars in taxes. The then supervisor of the Town Board took and cut the taxes fifty per cent in the hopes of collecting some of money from Buffalo. Now, I beg to differ, the NFTA did not own this airport back then. It was the City of Buffalo. We've

#34

#35

never succeeded in collecting that fair amount of taxes from this airport. It's about time they be made to pay their fair share of taxes. If we took this property and built houses on there, we would get our fair share of taxes. Now, I don't care whether this airport goes to Niagara Falls or not. It's about time that they get us off the hook. Our taxes keep going up; their taxes keep going down. We have to hassle to get fire tax from that darn thing over there. They don't want to pay for our firemen to protect their property. They don't want to pay to have our schools, our roads; they want the use of our roads, our highways, our property. This is our property, not the City of Buffalo's.

Now, back in the 60's, there was a telephone number that was published in the paper. This was at the time that the jet aircraft came into our airport. If there was any damage to your house, you were to call this number. You called the number, you get the runaround. Pieces fall off the wall, ceilings crack, windows break and all this stuff, and all you get is "I'm sorry, we'll see what we can do". What can they do? They won't come over and listen to us. One person means nothing. We have to unite in the Town of Cheektowaga, every single person, in order to have anything done and stop the expansion of the airport.

MR. JOHNSON: Thank you, John.

(Applause)

MR. JOHNSON: I'd just like to recognize Mr. Sam Cariola and I'd like to ask him if he would wait a couple speakers. Mr. Sam Cariola is president of the Hotel and Restaurant Employees and Bartenders International Union, APL-CIO. He's here to speak to you with some information. Mrs. Adelaide Oxenford, please.

MRS. OXENFORD: My name is Adelaide Oxenford and I live at Cheektowaga. I've been a resident of Maryvale Drive for over 18 years. I have twelve houses at the western edge of the airport. The airport was there when we purchased our home and we were aware that there would be noise when planes took off or landed. As a neighbor of the airport, I'm not trying to force the airport to move. I want to destroy no businesses on Genesee Street, but I would like

#34

#35

to enjoy some of the quiet we had eighteen years ago. Across the years, we've heard this noise grow from something which caused momentary stoppages in backyard conversation into an unbearable racket which now makes indoor winter telephone conversations cease until the plane has gone. The noise is no longer a nuisance; it's intolerable. This afternoon I tried to take a nap. Twice in one half hour I was awakened by planes. The second time the noise was so sudden and so intense that I thought we were having a thunder storm. Each time a plane takes off, my windows and dishes rattle. I'm adamantly opposed to any expansion of Buffalo Airport. If the airport's neighbors' opinions count at all, we'll remain opposed until the many questions and rumors are answered by the NFTA and we receive a guarantee that our peace of mind will not be stretched to the breaking point and our property values will decrease no further.

Among the questions and rumors I would like answered are the following: In which direction will Buffalo Airport expand? Will there be a runway parallel to Cayuga Road right through the Trap & Field Club? How do they plan to reduce the noise, not only during the day, but also at night? Why did the NFTA install that silly wooden picket fence instead of some kind of sound deflecting barrier? Rumor has it that NFTA will purchase a strip 600 feet wide on the westerly edge of the airport, now, after Cayuga has been rebuilt. Is this true? This will bring the airport within two hundred feet of my home. I understand that there is now a jet engine which makes one third the noise of those now in use in Buffalo. Is this so? When will we hear them go into service here? I understand that NFTA already has leases on enough land to expand Niagara Falls Airport and that the decision has already been made to make that the major airport in Western New York. Is this true? Why do Mr. Rebadow and the manager of Allegheny Airlines not return phone calls when specifically requested to do so? Thos of you here tonight who live along Cayuga Road will remember two years ago when Allegheny was servicing its planes using the planes own jet engines all night long, five planes at a time. On nights when the wind was from the east, the whine of those five engines was like the Chinese water torcher. Sleep was impossible. I'm still waiting for Mr. Rebadow to return my call concerning that situation. I'm also still waiting for Mr. Ray Bailey, the Allegheny Service Manager, to come to our home and listen to his planes. He couldn't believe that the whine of five jets traveled that far. My husband appeared before our Town Council who agreed to hold a meeting with Allegheny in an effort to turn down the nighttime noise. There was never any meeting as far as we know. I have with me a copy of our letter to Councilman Swiatek who was to

#34

#35

arrange that meeting.

Again, I want to destroy no one's job. I want to destroy no one's business. I would like to be able to talk to my neighbors, to entertain guests without them staring open-mouthed with their hands over their ears everytime a plane takes off. I would like to be able to sleep at night. I want to live in relative quiet with our airport neighbors caring about the kind of environment they are creating for their neighbors. Until the airlines, the airport management, the NFTA and the Cheektowaga Town Council demonstrate that they care, I remain definitely opposed to any expansion of Buffalo International Airport.

MR. JOHNSON: Thank you, Mrs. Oxenford.

(Applause)

MR. JOHNSON: Mrs. Paul Lauer, please. And remember, confine yourself to five minutes. Thank you.

MRS. LAUER: I'm Mrs. Paul Lauer and I live at which is three houses in from Cayuga Road and, as all of my fellow neighbors have stated, the noise has become totally impossible to live with within about the last five year period. This is the first year in the eleven years that we've occupied our home that our basement has flooded and we've had extensive property damage due to this. Telephone conversations are completely impossible to carry on or watching TV during the evening. Also, they warm up their engines down at our end of the airway and I see they are going to increase their terminals by twelve more which will mean that will make sleeping at night virtually impossible.

Now, I realize that our State will not activate our laws concerning our environment until January 1st of this year. However, the Buffalo Airport is also under the auspices of the Federal Government because it's an interstate airport and, therefore, it directly falls under the NEPA Act which is the National Environment Protection Act, and under this act, a complete and full environmental impact statement must be done by an independent concern after which the statement is made in which air noise and water pollution are all taken into consideration. The Noise Footprint Statement

#34

#35

must also be done and this must then be given to the Federal register to be published for all the public to see and then, after it's published in the Federal register, the citizens will have a 90-day time period to comment on this, and after the 30 days, once again, the NFTA will resubmit a draft to the Federal Register in which the concerned citizens that are directly effected by the area will have a 30-day time period to have pros and cons, and a healthy dialogue between the NFTA and all citizens concerned, and I believe that before anything else goes on, we should insist that the NFTA conducts this survey, the environmental impact statement to satisfy the minds of the concerned public. Thank you.

MR. JOHNSON: Thank you, Mrs. Lauer.

(Applause)

MR. JOHNSON: Mr. Walter P. Ostrowski.

MR. OSTROWSKI: I'm Walter P. Ostrowski, . I live right next door to Mrs. Paul Lauer and she said everything that I would have liked to say, so I'm going to excuse myself and let other people talk.

MR. JOHNSON: Thank you, Walter.

(Applause)

MR. JOHNSON: Lucy Szrama.

MRS. SZRAMA: As residents, taxpayers, elected officials and representatives of the Town of Cheektowaga, your Honorable Body must be aware of the many problems which plague homeowners and residents who reside near the airport. In view of the noise and air pollution and the drainage problems that exist because of this facility, I hereby charge your Honorable Body to notify and press the NFTA to take the people that are adversely affected by the airport now and those that will be

#34

#35

in the future into major consideration as part of their study.

That the NFTA be made aware that expansion of the airport in such a highly populated area will affect the day to day living conditions and health of the many, many people. Increased noise and air pollution will make living in Cheektowaga unbearable. Living in our town will certainly not be good if the airport is expanded. Since the airport is responsible for sixty-five per cent of the flooding and drainage problems in this part of Cheektowaga, something must be done to make the NFTA and the airport rectify this situation. At any rate, due compensation must be considered for all those homeowners adversely affected by the airport. The monies used for the study of the NFTA and for future airport development are our tax dollars. We have the right to oppose the FAA and the NFTA for spending our tax dollars to make our lives miserable. The NFTA must consider a central complaint board operated independently of airport management, one that's interested in helping the people residing in the area, one that is interested in the follow-up, correction and elimination of the sources of these complaints. There must be controls on pilot operation, insistence on quieter take-offs and landings, flyings on designated flight plans with some type restrictions on pilots who do not follow the rules of safety. There must be control of air pollution and abatement on these aircraft.

Consider the following: There are seven schools directly within the so-called boundaries of intolerable noise level according to the present NFTA report. These studies should be made for twenty years. This area in twenty years will still not be large enough to provide jet age transportation for the 21st century. Cheektowaga has a five story hospital within the take-off and decent of this airport. The safety of people must be considered over dollars. Which will you, as a Board, choose? Are you true representatives of the taxpaying residents or will you only listen to the cry of big business? Do these few big businesses give Cheektowaga that much in revenue that the safety of its citizens must be overlooked?

Detroit has one of the great jetports, yet that city is on the border of ruin. New York City, with its world airports, is already there. True, major transportation is a needed and necessary thing, but it has to be put into the right perspective with proper controls and with safety taken into consideration. As for

#34

#35

jobs at the airport, I would think that if the Niagara Falls facility should be recommended, that these same NFTA people would see to it that the present employees have jobs there at that facility. After all, Niagara Falls is not fifty or a hundred or a thousand miles away, but it's easily accessible to everyone on the Niagara Frontier. I'm sure some type compromise between us and the airport and the future expansion or building of any future airport can be made. You, as a Board, have an opportunity to do your duty to the people who felt you were in some way worthy of being their representatives. You have a chance to rectify many conditions on our account by pushing the NFTA to recognize the wishes of the people.

MR. JOHNSON: Thank you, Mrs. Szrama.

(Applause)

MR. JOHNSON: For the court reporter, that's . Is that correct?

MRS. SZRAMA: Yes.

MR. JOHNSON: Okay. Lillian Swiatlowski,

MRS. SWIATLOWSKI: My name is Lillian Swiatlowski. I live at . I've sat here and listened to these people and I agree with them, but it's inconceivable for me to realize that - - we all know what the danger zones are and the noise pollution. I don't know what we're arguing about. If the airport is going to stay at the Buffalo Airport, fine. Then take all the people out of the danger area. If they're going to have it at Niagara Falls, fine, make up your mind. We need to live a peaceful and happy life. We've supported our government, local, national, Federal, State and every which way you can think. We've built schools and this place that we're standing in now. I don't know - - I just can't understand. I don't have any statistics. I don't want to know anymore surveys. I only know that we are frightened. We are nervous wrecks. We can't think anymore. We're fighting big business. This is ridiculous to fight anymore. Now, let's get down to brass tacks. Let's get the people

who are in the danger areas out of there if this is where they want it. Let's not fight each other. I understand from one of my neighbors tonight who works at Maryvale High School, one of the former students came in tonight and said he works at the Executive Motel and all the workers were called in to say that they would have to get a petition to have people sign up to say that they are for the airport expansion. And he must sign too or else they'll lose their jobs. I don't understand this type of thing. I just don't. I don't know what you're doing here; I don't even know what I'm doing here. What type of people are we? It comes down to one thing - -

MR. JOHNSON: At this point, I'd like to note for the record, this is hearsay. Is that correct?

MRS. SWIATLOWSKI: Yes, directly from the person who was involved with the saying.

MR. JOHNSON: But that person is not here to say that. We have to, for the record, say that. I'm not doubting you, I'm saying for the record we have to say that. Please go on.

MRS. SWIATLOWSKI: And all I can say is this: We, the people here facing you, are the people who helped make this country run, and this noise pollution, air pollution affects us all, water and flooding. No one escapes it and no one is going to. With the increase of the aircrafts, it's just inconceivable, gentlemen, to believe that anyone, anyone in their right minds, could let this happen. Thank you.

(Applause)

MR. JOHNSON: Mr. William J. Smith of , please.

MR. SMITH: Thank you for the opportunity to say something. I think it's nice of Councilman Meyers and Councilman

#34

#35

Johnson to give us this opportunity. My name is William Smith. I live at . This is just in line with the runway. The planes go right over my head and a lot of times they're so low, I figure I could hit them with a rock - - sometimes I feel like doing it. I'm going to be radical now. Somebody says, "Let's sell our homes and move out". I say, "Let's get the airport out of here." I'm in favor of getting them right straight out of here.

(Applause)

MR. SMITH: This is something that can't be done, I know, but it would make me very happy if it was. Now, I called several times and complained about cracked windows, cracked foundation, and I always get a real nice answer, "prove it". So I can't prove an airplane's cracking my windows, but after living here twenty-eight years, I know darn well those windows aren't cracking from the house settling. Nobody said anything about the health, it affects their health. My eyes burn constantly all the time I'm in this neck of the woods. When I go on vacation, the itching and burning sensation leaves. As soon as I come back, why I have this condition. So I don't know if anybody else is concerned about it. It's no use talking about noise. Everybody knows how noisy they are. On the day when the ceiling is low and these jets with those two little toy jets on the tail end or the three little ones take off, the noise is so sharp that it goes right through you. It makes my ears ring. And Sunday, when I was trying to listen to the football game on the radio, it seemed that about every fifteen minutes one of those stupid planes went over and I missed a play or a couple important plays. It's awful annoying. The noise was so bad I got an extra speaker I put on my television set, especially between 8:15 at night and 9:00 to 9:15, it seems there's a plan going over every two or three minutes. These are some prime TV times and I've got to put that speaker alongside my ears so I can enjoy a television program. This is asinine. It's kind of crazy. Well, people say you knew the airport was here when you moved in. Well, twenty-eight years ago I couldn't project this noise. I couldn't project how these airplanes - - I don't think anybody can project what is going to happen twenty-eight years from now.

They touched a little bit on taxes. I wasn't going to mention it, but as long as it was brought up, we dickered with them to try to get some fire tax and I think some of the councilmen at some of the meetings we had, U-Crest, Cleveland Hill and Highview, they were

#34

#35

after us for protection for their buildings and we tried to come to some sort of an agreement where they would pay the same rate as you and I and everybody else, just have the same assessed evaluation on their property. Well, they kind of laughed at us. They said this was pretty idiotic. As a matter of fact, they went so far as to threaten to not pay any school tax if we did not give them the proper fire protection. So with that little bit, I'll leave you. Thank you very much.

(Applause)

MR. JOHNSON: Thank you. Stephen J. Smith,

MR. STEPHEN SMITH: My name is Stephen Smith and I just have one thing to say that any thought of expanding this airport is ridiculous. I really feel that the number and incidents of flights should be curtailed immediately until proper noise and air pollution abatement devices are installed on the airplanes. We've been listening for about twelve years to different stories and we've gotten nothing. These planes are not getting quieter. It appears there are no attempts to make them quieter. I feel we should ask for a curtailment in the incidents of flights until these anti-pollution and anti-noise devices are installed on the airplanes. Thank you very much.

(Applause)

MR. JOHNSON: Excuse me, but Mr. Cariola has a heart condition and would like to sit down. So I'll go on to - - - - I well, whoever it is that resides at can't read your name, sir.

MR. KRISTOF: My name is . We got that takeoff pattern from the 747 and other planes and I think we have too many planes already going over that because the sound level, the normal sound level is 65 decibels when persons speak to each other. Grand Island has an anti-noise law and what's over 80 decibels is supposed to be fined with twenty-five to two hundred dollar fines. Now,

#34

#35

airplanes make a noise from 120 to 150 decibels.

THE FLOOR: A hundred ninety-two measured.

MR. KEMSTEDT: Thank you. That noise level is too much for people in Andres and Mildred and so on and everything else I would like to say has already been said by the speakers before.

MR. JOHNSON: Thank you.

(Applause)

MR. JOHNSON: Meta Conway.

MRS. CONWAY: I'm Meta Conway and I've lived at for eighteen years. I'm a concerned mother of eight children. Most of my children have already graduated from the Maryvale School System. I'm concerned about the number of schools in the area which will be endangered by the expansion of the airport, if not already. I'm not against the airport. I love airplanes, but I have a question: Now, there was mention made at last Tuesday's meeting about the money that the City of Buffalo would get from this and I have one thought. If LaGuardia Airport, one of the busiest air terminals in the world, didn't prevent New York City from going bankrupt, what evidence do we have the expansion of the Greater Buffalo International Airport will save Buffalo?

Also now, someone will say this is exaggerated, but all this at the expense of the surrounding towns whose property value will have been seriously affected, towns whose property value will have been seriously affected, and perhaps we would even wind up with a ghetto area surrounding our airport. Can you give us the assurance this will not happen?

Now, I know this sounds exaggerated, but people with money in their homes are not going to put more into it and if we can't afford to sell, what do we do, just let go? That's all. Thanks.

(Applause)

#34

#35

MR. JOHNSON: Thank you. I'd like to allow Mr. Cariola to speak. Mr. Cariola, I believe you were at the Amherst meeting, is that it, or are you - - this is Mr. Sam Cariola, president of the Hotel and Restaurant Employees and Bartenders Union, AFL-CIO.

MR. CARIOLA: Gentlemen of the Town Board of Cheektowaga - - can you hear me back there? Is this thing - - Okay. After hearing all the previous speakers, I believe that my little talk to you is not going to be in a popular vein. However, I represent people who are employed in the perimeter of the airport, something like about 2500 people that are employed, and they're wage earners like you people are. I came from a meeting of the Amherst Town Hall and, of course, they were a different group of people. They were not wage earners like you are and, certainly, have no sympathy for wage earners. They're all professional people and people who own homes in a seventy-five and one hundred thousand dollar bracket. The people that I represent, the majority of them live and pay their taxes in the Town of Cheektowaga, just like you do and I'm here speaking in support of the airport knowing, after hearing the previous speakers and, believe me, everybody has a point of view, and I appreciate you people giving me the time to listen to me, and listen to my viewpoint also because if I didn't come here tonight and speak, I would be doing a disservice to the people that I represent, the union people, and they pay dues into my organization. I'm an AFL-CIO representative and I have to come here and express the viewpoint of my people who earn a living in this area.

Fifty years ago, when that airport was built, in the surrounding towns of Amherst, Williamsville and Cheektowaga, there was a total population of about twenty thousand people. Today, we have a population in those three towns of about two hundred fifty thousand people, tremendous amount, tremendous growth. So, actually, the airport didn't come to us here in this area, we came to the airport - -

(Whereupon, there was an adverse response from the audience.)

MR. CARIOLA: I believe that you're all ladies and gentlemen and I conducted myself like a gentleman when you spoke and all I want you to do is hear my point of view. You

#34

#35

don't have to agree with me, but at least listen to what I have to say.

MR. JOHNSON: Mr. Cariola will finish up shortly. He certainly knows how you felt by the statements of the prior citizens and you certainly will be able to speak. The sooner Mr. Cariola finishes, the sooner you'll be able to speak. Mr. Cariola, please continue.

MR. CARIOLA: Yes, thank you. We are all taxpayers in Erie County. Recently we passed legislation to build a convention center in the City of Buffalo which is going to bring a tremendous amount of business to this area. What does that mean? It means - -

THE FLOOR: We're not on that subject.

MR. CARIOLA: Well, I didn't - -

MR. JOHNSON: Okay, Mr. Cariola has simply, clearly made his point that his primary concern is wages and economic benefit to the community. I think we can now move on to the next speaker, if you don't mind, Mr. Cariola, or - -

MR. CARIOLA: All I want to say is we have an unemployed statistics in this area of close to fourteen per cent and if you people want to send five thousand people more on the unemployment rolls of the County of Erie, then all you have to do is tell these fellows who represent you "We don't want the airport", but I want you to bear in mind that there are people who depend upon that airport and depend upon it for a livelihood and I thank you for listening to me.

MR. JOHNSON: You must understand, of course, that there are two sides to every question, but you could look at it that way. I think people have to work and they have to live, but we do require - - you do require, as your past testimony has indicated, some corrective measures at the airport immedi-

ately and that real expressed concern by the authority, the new comptrollers of the airport, for your welfare. I think both sides of the issues can be expressed and both sides of the issues may be involved in the ultimate decision positively.

Now, I'd like to go to Mr. Nelson Rauch, representing the Depew-Cheektowaga Home Association.

MR. MEYERS: If I could interrupt, I sat through various meetings on a lot of these subjects and a lot of times it became out of control and it really embarrassed me as a public official that it was not under control. Now, I thought, so far tonight, we conducted ourselves very well. We wouldn't be having this hearing if we didn't have your interest at heart, so I think we should continue and if we have anybody who will be speaking in favor of the airport, like Mr. Cariola, I think we should give them a little respect.

MR. JOHNSON: Thank you very much, Councilman Meyers. Mr. Rauch, please.

MR. RAUCH: Nelson Rauch, I live at and that lies directly behind the Executive Motel. I'm here representing the Depew-Cheektowaga Home Association. So much has been covered so far that a lot of what I'm going to say is going to be repeat, but the Association does tend to agree with the Town Board's stand and the petition made with the NFTA. But there's been no mention made so far in the newspapers, et cetera, on the type of aircraft that will be directly operating out of Buffalo. We cite the DC-10 for example. These are wide body jets. They use a new Pratt-Whitney Engine. We are also concerned with the type of ground auto traffic this new airport will create. This, in itself, will be unbearable. Will this develop the South Shore Railroad spur that runs across Dick Road? We feel if it does spur it, that's fine. It's something we should work with because this town is totally without any kind of efficient ground transportation. We'd also like to note that that South Shore Railroad line appears to be doing more and more business. When the homes in this area were built, they were sold with the idea this railroad would be removed. Same thing goes for the people that bought the homes when the airport was young, that airport was not an unbearable situation.

#35

As for the flooding, what's the Town doing about the conversion of the thirty-seven thousand acres on the corner of Dick Road and George Urban Blvd. which is tentatively scheduled to begin construction sometime shortly from now? This will add to the present flooding problems. Thank you.

MR. JOHNSON: Thank you.

(Applause)

MR. JOHNSON: It's being stated that the South Shore Railroad serves the airport as well as serving adjacent industry and that its location immediately adjacent to homes affects those homes as much as the airport affects other people directly and certainly it's a valid statement. Any aspect of the airport is a valid statement tonight. Now, I'd like to go to Mr. Francis Burns, Mr. Burns.

MR. BURNS: Councilmen and members of the Board: I've lived at since 1949 and I'm not here to complain about water as such, even though I'm on my fifth sump pump, and have a little more than my share, but you can't have a phone conversation - - I mean you do have some, but they get broken up by airplanes, television, radio programs or even talking to somebody in your back yard. That's about all I got to say except I find it a little hard to stand here - - accept the fact that the Government says we're entitled to freedom of religion and the airplanes interfere with that religion at my church.

MR. JOHNSON: Where's your church?

MR. BURNS: Our Lady Help of Christians. Thank you.

(Applause)

MR. JOHNSON: I'll ask additional speakers to speak as loudly as they can for that

lady in the back. Stephen Czarnecki,
Steve, state your name more clearly than I have.

MR. CZARNECKI: Stephen Czarnecki, . I want to speak in regards to what Mr. Cariola has said in regard to the employees being displaced. Even at the airport or City of Buffalo - - wherever they go, they get displaced and get jobs someplace else, especially the waiters and bartenders. They'll get the jobs in Niagara Falls. But our main concern is the airplanes here. It's the noise level. I've had a hard time talking to my wife and she can't hear me as well and neither can I hear her. I say, "What did you say?" The hearing is impaired. There's a lot of other people who have their hearing impaired. I have only heard a few.

(Applause)

MR. CZARNECKI: And all that's being said that I'm speaking now is just a repeat, more or less, but I want to add, and doubly add, that it's very noisy, even those small jets. You hear those small jets, they used to be the United Airlines. Some other line took over, I think Allegheny. They are very loud when they come over. They're like hot rodders. The police stop the hot rodders going down the street, but they don't stop those airplanes going over. They have no time. They have to hurry up and take off and can you imagine the large ones coming in? I came in here 1950, I enjoyed that airplane going, because it was quiet, it was only props. Who'd ever think you'd have jumbo jets coming through here? I remember they came in, they said we're going to install jets. They were out, they had the TV cameras out over at Whitman's that was there at that time. Well, the people said, "We can't hear you". Well, sure, they were directly behind the jet itself and the noise barrier they put up, that little area- - they should be at least fifty feet high. They need better supervision. They need a better NFTA. They seem to be taking over. I see by the statement here they may have - - that they can't do anything about the noise level or anything. They have no control over it. What good are they if they have no control over it or the pilots? The pilots should be able to learn to control their airplane because I can hear a small plane take off very quietly. The rest of them, they're all hot rodders. They don't know how to take off. And the pollution, that's another thing. The pollution, when those planes - - some people over

here just spoke about what I'm going to tell you - - that they would warm up that engine and it stayed there all night. I'm on Buell Avenue, directly fifty feet from the runway there, behind the Cordon Bleu. Now, all those trees along that Loblaw area and along the ditch, they're all getting polluted. They're dying off. They're bare and you got all oil slicks all along that ditch and I remember a few years back there was a statement in the paper from Dr. Vendetti, the Health Commissioner, about the level the creek was spilling into the Delaware Park. Well, it's still there. I followed the creek along the West Shore Railroad one time taking my dog for a walk and I'm going and I find that milky substance. I followed it all the way down to Calspan. It comes out of that ditch there. On weekends, say from Saturday to Sunday morning, that water is clear. As soon as the working day comes in, it's dirty, oily, filthy, creamy colored. You can't have anything over there, nothing.

MR. JOHNSON: Is there a particular time of day when this occurs?

MR. CZARNECKI: It's always there. On the weekend, it has a chance to clear up, especially that one ditch.

MR. JOHNSON: It's during the workday?

MR. CZARNECKI: Or if it's a heavy rain, it gets muddy and then clears and then the oil comes in again.

MR. JOHNSON: The reason why I'm asking is because certainly your testimony, especially, will go to the Department of Environmental Quality, and Dr. Vendetti, I believe, is in the audience - -

MR. CZARNECKI: It's still there. I want to point out it's still there and you can see - - well, half the time you see an accident, you go in there and look, it's filled with oil, not from the motor, it's from the ditch.

MR. JOHNSON: Thank you.

(Applause)

MR. JOHNSON: Evelyn Sloane, please.

MRS. SLOANE: My name is Evelyn Sloane and I reside at . I more or less grew up with Cheektowaga. We moved in here when I was a young girl and I had my chance of getting a guided tour of the airport, oh, about maybe six, seven years ago with my brother who works as a policeman in the Town of Cheektowaga and he was on duty at the airport at the time. I noticed that there were a variety of jet airplanes at the airport. There were single jets, double jets and triple jets. I can't understand why, but the single jets and the triple jets didn't make half the noise that the double jets did. I don't know what they are, as far as numbers or types of engines they are, but I do know that the fact was a double jet, it was more noisy than the triples or singles. Maybe if they made studies regarding these types of jets to eliminate the ones that are the noisiest - - I know that during the summertime - - we may live almost like, say, as the crow flies, about three miles away, but still when we have our windows open in the summer-time and try to watch TV or listen to the radio, it's impossible. You just have to quickly get up and shut all the windows and then it gets awfully stuffy when we have these hot, humid days around here.

Also, the noise is carried very strongly by the western prevailing winds as the jets take off and as they arrive. They're not quite as noisy when they arrive because they're like going in at a slower pace and I think they turn the jet engines down a little bit, but the take-offs are terrific, even in the area where I live. I don't live as closely as many of the people who have made their complaints here, but still it's noisy enough.

Also, I'd like to find out a little bit in regard to the fact if the airport does expand, will it be the larger types of companies that would come in like KLM and Pan American which are international airlines? Will they engulf the smaller airlines which are presently at the airport and those people who might be the ones who are losing their jobs? Naturally, the people who do work - -

I have a neighbor living behind me who works for Eastern Airlines and I would like to know if, by any chance, he would lose his job because of the fact of larger airlines coming in here because it would become more or less of an international airport bringing airplanes like almost across the ocean. I think that about covers all my thoughts. Thank you very much.

MR. JOHNSON: I'd like to state, for the record, that Councilman Meyers and myself met with representatives of the NFTA in August to briefly discuss the general scope of the study and some of the things they would have to tell us about noise control. They expressed very strongly the belief that there would be no jumbo jets, that, in fact, jumbo jets are on their way out everywhere. They have not proved profitable. They also expressed the belief that Greater Buffalo International Airport would not be a primary station for cross country planes, international aircraft - - in other words, the large jet aircraft that we fear, you fear, and I'm not an expert, I'm not an aeronautical engineer or any close to the technical aspects of the problem, but the testimony will be read by the NFTA and at their environmental information session, I can assure that answers will be demanded. The next speaker would be Mrs. O'Beeman. Where do you reside?

MRS. O'BEEMAN: Right near the airport, I have a cleft mouth- -

MR. JOHNSON: That's quite all right. Please go ahead.

MRS. O'BEEMAN: I have a lot of complaints. My knick knacks, my TV, everything went because of the airplanes coming over. I lost the hearing in my left ear because of the airport. I called the airport, there's nothing they can do about it. "That's your problem, not my problem." But I lost the hearing. I've got five kids home now. I don't like them to lose their hearing because of the airport. You understand me?

MR. JOHNSON: Yes, perfectly.

MRS. O'BEEMAN: Another thing, I can't - - They

have all those homes down in Cheektowaga. The airplanes don't go over no place, they go over our houses. That's the houses where they take off. Our TV is on the blitz right now because of the airport. You call the airport, they don't give a shit. They don't. They don't - - I'm sorry for the language.

MR. JOHNSON: Represent that as a "bleep" in the record.

MRS. O'BEEMAN: They don't care. I'm paying taxes for the airport. If they are going to have more planes in the airport, who's going to pay for that, us? The airport's not going to pay for it. Who's going to pay for it? Who's going to pay for it, the NFTA? Who's going to pay for those airplanes coming in here? Who's going to pay for all those houses torn down? We pay for that. They are not using that strip to take off, they're using our houses. You want to come over there tomorrow morning; I'll show you the airplanes coming over my house.

MR. JOHNSON: Mrs. O'Beeman, we probably all feel the same way. Mrs. O'Beeman's concern is, as many of us, that the planes are not going over the corridor, they're going elsewhere. They're not flying straight out the main runway corridor. I think that's a very frequent complaint to the Town Council and it's a valid complaint.

MRS. O'BEEMAN: The airport knows about it too.

MR. JOHNSON: They do. The NFTA is only manned there at the terminal by airport personnel. We intend to see some patrol by the NFTA there.

(Applause)

MR. JOHNSON: Mr. Benedict Mongielo, Benedict?

(No response)

MR. JOHNSON: All right. Paul Greiner,

(No response)

MR. JOHNSON: John M. Rosenberger.

MR. ROSENBERGER: I'm John M. Rosenberger, . I live in almost a direct path of the airport. Now, in back of us they tore down a lot of homes and I had a lot of friends back there tried to save them and they put a string of lights up which we understood was supposed to be for take-off and the landing area of the airport. Now, what is it, wind condition or what, because most of the planes, at least on a take-off, are anyplace but over the area which was designated for them. Now, on a landing, they're more or less over that area. But now anything that people said here tonight, if you lived out here, you know it's true. You should know that.

MR. JOHNSON: Yes.

MR. ROSENBERGER: Because you are more in a direct path than I am. Is that right?

MR. JOHNSON: That's right.

MR. ROSENBERGER: Now, sometimes I cut the lawn out front and when I see people looking to buy a house out here, I tell them they got rocks in their head.

This airport, when we moved out here some twenty odd years ago, was for motorized planes. You see this airport today is too close to the housing and to make this - - you shouldn't even be talking about making this a larger airport. My God, they'd have to buy up miles around it because they can't even solve the problems we got today. So how the hell they going to make a larger airport?

Now, I had people in from Canada

the other day, sat in my kitchen. They said, "Oh my God, you got to put up with this kind of stuff? Boy, we're glad we live up where we do in Canada." Now, anything you heard tonight is the truth. I don't think any people are exaggerating and, like I said, we shouldn't even be considering a larger airport because you'd have to buy up so much property and in the back there, all this property they took down, the Town lost all the taxes. Maybe that's why our taxes are going up again this year. Like I said, this airport was designed, even with their improvements and that, but as far as being near the housing and that, this was designed for, let's say, back in the horse and buggy days, not for the conditions we got out here today. There's too much housing around this airport and the problems we got today should be solved, not even thinking about enlarging the airport. Let them put this airport where there ain't no housing around and if you want to ride a plane or I want to ride a plane, we'll get there. We all drive automobiles. I don't think anybody exaggerated tonight. It's all true. In fact, I can take you over to my house, lay in my bed, and put your hand on my wall and sometimes it goes "burrrr". Thank you very much.

(Applause)

MR. JOHNSON: I think we all realize it's not really a laughing matter, but John seems to be taking it as well as anyone. Claudia Liberatore. Claudia, will you please state your address when you reach the mike.

MRS. LIBERATORE: My name is Claudia Liberatore. My husband and I reside at in Cheektowaga. We too have problems with the airplanes. I have no facts or statistics in my hand today. I would like to tell you what goes in our hearts while these airplanes are taking off from the airport. You've heard about noise, the flooding. I'd like to give you a couple examples. A couple weeks ago, a young neighbor boy ran into the street. There was a car coming down the street. I yelled to him to get out of the street. He couldn't hear me because there was a plane going over. There was no way. I yelled at the top of my voice. It's a good thing the car was going at a normal rate. If it was one of the speeders that frequently travel our streets, the boy wouldn't have had much of a chance.

We heard about flooding tonight. I don't think anyone from the NFTA was present on our street

at the last flood. People on our street didn't have water in their basements, they had water in their homes. We were dragging out wall-to-wall carpeting from three homes on our street. The water was really bad. They had to replace flooring, carpets, taking bedding out. These aren't just basements.

The noise - - I would love to have company on a hot summer afternoon to enjoy our swimming pool and perhaps enjoy our barbeque. We can't do that. By the time we ask for the ketchup to be passed, our hot dog gets cold. I would love to lay down in the chaise longue in our back yard and enjoy a half hour of peace and quiet listening to the birds chirping. I can't do that either. I don't know whether it's so much a matter of physical health; it's also a matter of mental health. I would love to be able to relax and enjoy my home. We've lived there for fifteen years. We too knew the airport was there when we bought our home. At that time, there were one or two jets taking off a day and there was no problem. Right now, to us, the noise is very intolerable. I plead with you to help make our lives a little more peaceful so that we can perhaps enjoy a few hours a day so I can talk with my husband, I can talk with my children without having to raise my voice. Thank you for listening to me.

MR. JOHNSON: Thank you, Claudia.

(Applause)

MR. JOHNSON: George Orlando.

MR. ORLANDO: My name is George Orlando and I happen to own four houses at the end of the runway and my immediate problem is - -

MR. JOHNSON: Where do you reside, George?

MR. ORLANDO: I just moved over at but I have my office and shop at . I lived there up until a couple years ago, since 1947. So I can't add anything to what was said except I'm not running for office. But on Chapel Avenue, I just worked on that house where the cellar was

#34

#35

caved in. I thought that was about the worst thing I've ever seen because of the flood. But everything has been said and all the questions I had were mostly answered or already had, except one which is of immediate concern to me, not fifteen or twenty years from now because I don't know how long I'm going to live anyway, so I have a map here that I've had sent to me from the Department of Transportation with a noise zone at the end of the runway and it practically takes in all the way to Southcrest and Orchard and I was wondering how soon are they going to take the houses? Now, I know they're going to have to take them because you're not going to argue with a man saying, "I don't want you living there because my plane might come down and kill you." Eventually, he's going to say when.

MR. JOHNSON: I think one of the reasons for this meeting and absolutely one of the reasons why I wanted to see this hearing occur, we're not getting these types of answers. We're not getting answers to questions just as you have because without a doubt, there are some homes that there isn't any question should have been taken because of the really just simple changeover from largely propped to largely jet traffic at the airport and I think they recognize it. I'm hoping that NFTA will recognize the question and meaning of this question.

MR. ORLANDO: Ten years ago I went through this. I used to go right into Kelly's office. I didn't wait for a meeting. I went into his office and he said it will stop on Chapel from where we did, but in ten years from now we're going to start up again and it's just about ten years now. So like you said before, you don't tell them what to do. Today they'll say one thing and tomorrow they'll do another thing and they ain't going to wind up doing it anyway, but at least this was a chance for some people to blow some steam off.

MR. JOHNSON: Right, and this will be recorded. This Town Board will have a copy and the NFTA will have a copy and just about anybody we can think of, depending on the size and cost of the copies, but certainly, our Federal representatives involved in the Federal Noise Regulation should have a copy of this particular document and the NFTA will have something that is official and undeniable, not the fact we held a meeting,

#34

#35

some people talked, but the fact it's on record. It's an official record. Marge Mejza, . Is that correct, Marge?

MRS. MEJZA: Marge Mejza. My name is Marge Mejza and I reside at and I've lived here for twenty years and when we first moved in, the noise was bearable. Now it's unbearable. When I speak to anyone and a plane is passing, I have to put my hands over my ears. My whole body seems to vibrate.

The water, we have to plug our sewers. We have to plug - - we've had four sump pumps. The water in the street, no cars can get through. We're living on an island around Sandra, Rogers, Kathleen. That's about all I have to say. I agree with everything everyone has said. It's true.

MR. JOHNSON: Thank you, Marge. Let there be no doubt there's a reason for having each one of you speak even though your statements aren't always unique. You each represent an address, a location around the airport. This information is important. The next speaker is Peter J. Rybka. Mr. Rybka.

MR. RYBKA: My name is Peter Rybka and I live at and I want to tell you that the planes go over my home every day, hour after hour, minute by minute. I appreciate the comments that have been made here this evening regarding the many, many complaints.

First, I want to say I'm not a candidate for political office. I speak very candidly and very independently. I represent the American Federation of Grain Millers Organization. I'm the vice-president of that international union. I represent several thousand people in the Buffalo and Western New York area, most of whom, many of whom live in Cheektowaga. I would say a good third of our membership resides in the Town of Cheektowaga and many of them live in close proximity to the airport. I have a couple daughters with grandchildren that live out on South CreekRoad, Nassau Lane and various relatives out here in close proximity

to this airport. Now, I've got this to say: I'm very much concerned about the complaints that have been voiced here this evening and there's no question there's very many, many legitimate complaints, although there may have been a few that have been exaggerated. But this is an ongoing complaint. This does not just happen in the months of September and October and November. This is something that you people live with every day, every day and every week and every month of the year, and I would suggest to you that you shouldn't sit idly by the nine or ten months of the year and wait for this time of the year to voice your general complaints. You've got a Town Board here. You've got officials that represent you and I'm sure that if you get to these town meetings that you'll be able to speak your voice like you have here tonight and voice your complaints so that we can carry the message to these people.

Now, in this information letter that was passed out here this evening, there was reference made to Darling and Company. I just want you to know that I was here about three or four years ago fighting on behalf of a small number of people that worked out at the Darling plant, about forty or fifty of them, and there was a crowd of people, about as many as we've had this evening and they opposed the Darling and Company because of the stench and pollution and everything else. I pleaded with them and I had the help of Frank Swiatek and Kenny Meyers. That was a very unpopular position to take at that time. I pleaded with the people present to voice their complaints throughout the year and let us know about the stench and everything else and especially let our organization know so that we can go in and see management about it. I pledged that we would do it for those people. I asked that they allow this company to invest more than a half million dollars, which they did, and I dare say that everyone of you ladies and gentlemen that take a ride up William Street see a very nice plant. Nobody lost their jobs. The company invested more than a half million dollars and today we're proud and happy to have the Darling Company in the Town of Cheektowaga and Sloan. And that was due to some courageous people. Had we not taken a stand that was unpopular at that time, that plant would have gone and so would the jobs of just about fifty people with about thirty-five to forty years of service.

Now, I say although this is a private industry that I'm talking about, I know the same kind of pressure can be put on the NFTA and the Government officials, especially the Government officials that are subject to your election results come November and I'm saying to you, this is the positive approach. You just can't come in here and complain

#34

#35

one night out of the year or two nights out of the year. You've got to voice your legitimate complaints day in and day out until something is done about correcting some of these complaints and grievances that you have.

I want to say this to you - - I'm here pleading that we don't restrict - - I'm not for broad expansion, this airport cannot be broadly expanded, but I want to tell you that the economic impact of the loss of the airport and I've heard it stated here tonight they want to get rid of the goddamn airport - - excuse the language, but I'm starting to burn a little bit about the economy of this community, the economy of the entire Erie County if we happen to lose this airport. Thousands of jobs will be lost. Taxes, you'll be surprised what's going to happen to your taxes, up, up, up, because there will be no businesses located and I want to speak from some experience, the Midway Airport in Chicago at one time was the largest airport, all kinds of business establishments along the Midway Airport. The pressure was put on the authorities in Chicago and the airport closed, no more flights coming into Midway Airport. What happened to the businesses, a ghost town resulted. All you have to do is check with the Chicago authorities and you'll find that the taxes went up because there was a loss of tax revenue. I think we can live both with a decent airport. This airport's not going to accommodate these large Pan American jets and things of this kind. It's going to progress with the needs of transportation on a reasonable basis in my opinion, knowing what little bit I do about it and I'm faced with these complaints and all the same things you people are, but I feel we have to take into consideration the fact that the economic impact would be disastrous. The loss of jobs would take place and any of you can say, "We can find a job someplace else", not that easy. We have a fourteen per cent unemployment in Erie County, which is the largest in the State of New York and the third largest in the country. I don't see any relief in sight for the people today. Their jobs are not plentiful and I know because I tried to put many people to work. So I'm asking you all to be considerate, fair and reasonable of the request for - - I say fair request and keep on voicing their complaints throughout the year, not around election time, and I'm not accusing you people - -

MR. JOHNSON: Thank you, Mr. Rybka, but you've exceeded your time, but thank you for your kindness. Pauline Schlee.

#34

#35

MRS. SCHLEE: I live on
I'm Pauline Schlee. I live on
which is about a half mile from the airport. Now, the planes fly directly over my house. In fact, when I'm in the yard, my hair stands up. If the plane goes over, my hair just stands straight up. And you just can't do anything, can't be in the back yard, enjoy the back yard. You can't even enjoy the pool and, as I said, I agree with everything that's been said and what I would say would be just a repetition of what they had said. But the great concern is the health hazards and what I'm greatly concerned about is the hearing of our school children. Any person who has a child of school age who has started school, they've been tested, when they are tested for the hearing, the hearing aid, hearing, they've found that they are or they've been affected by this, by the noise of the airport, and that should be a concern of ours, of the future of our children, and as I said, the greatest is the health hazard. Now, I lived in my house since 1950 and just recently I had to pay a hundred eighteen dollars for window replacements. Now, I haven't been repaid for that. When I called the airport, they said that they couldn't do anything about that.

My foundations have cracked. And as far as the sleeping, it's 3:00 o'clock in the morning you're awakened by the tuning of the planes and, as I've said, I'm worried about the depreciation of my home.

MR. JOHNSON: Okay, thank you, Pauline.

(Applause)

MR. JOHNSON: Lawrence Meyers, please. State your name, your address.

MR. L. MEYERS: Lawrence Meyers, I would like to reiterate everything everybody said this evening. The NFTA seems to be unresponsive to requests from the citizens of the Town, the airport management, and I've called there personally to ask questions and haven't received the courtesy of returned calls and from what's been said here earlier, it's unclear as to whether

#34

#35

the impact of this hearing this evening is going to - - what weight is it going to carry in the ultimate decision to expand the airport? Possibly the Town should consider a referendum to determine what the people truly want and some specific information as to what impact in the way of increased flights. If the airport is not expanded, what will the Town lose, if anything? If they move it to Niagara Falls, does that necessarily mean that everything will stop in Buffalo? I don't think that's true. That basically is it. We have a dealing with these organizations as the NFTA, and they seem to be unresponsive unless you - - you know, it depends what kind of ammunition you're carrying. If you're part of a big group, they might listen to you. It's hard to get specific answers to questions as to how this concerns each of us as individuals in the community.

MR. JOHNSON: I think that's good, Mr. Meyers. Frankly, if anything, the NFTA is going to know what's wrong with its response and the statements that they've made that they are sounding out the people because, obviously, they have not. There's been no give and take and that's why this Board has petitioned the NFTA to hold an information session. But we are holding this in lieu of the fact that the NFTA has not acted in the past two months and we see an imminent decision being made. I'd like to entertain questions from the audience. Those who were not in time to sign, please raise your hands if you so wish to speak. Would you state your name and address, sir.

MR. CZARNECKI: My name is Edward Czarnecki and I live a quarter mile away from the airport. I moved into Cheektowaga in the year 1955 when we had the prop jobs. We did not have the jets. I know the old saying, "The airport was here first; you didn't have to move here". We didn't mind the prop jobs. In fact, we had people coming out from the City of Buffalo just to watch the prop jobs take off. I'd like to ask the question: Who's going to benefit out of the expansion of the airport? Not the working people that are here, not the tax payers, not the citizens, not the small business, but big business. They're the ones that are going to benefit out of it. I would like to see the prop jobs come back here. If you people ever drove a prop job as I did during the war, from here to Detroit takes you fifty-five minutes by props. It takes you forty to fifty minutes by jet. So where do you save time?

#34

#35

As far as I would like - - it's a good thing I have a chance to speak about the floods. We, at , Kathleen, Rogers, we have a problem. The smallest rain storm, or the snow melts, our drains back up to the limits, I had to put this in, but I want to get back to the jets.

We're forgetting the woman that have to stay home for eight to ten hours a day. When us fellows come home from work, we try and kiss our wives, "Hello, Honey". They're in a very ugly mood. She said, you're in the plant. I have to stay here and listen to these jets. Now you stay home and listen to the jets."

I wonder what will happen to these children who go to Our Lady Help Of Christians - - I go to church every Sunday there and I can see some of these Government people from Washington come down to our meeting hall when these Allegheny planes take off and I mean when they take off, they take off. Our priest has to stop the sermon. The sisters and teachers have to stop talking to the children. I would like to see these fellows there sitting on their fangs in Washington come down here and see what's going on. Thank you.

(Applause)

MR. JOHNSON: Mrs. Helen Mayer.

MRS. MAYER: I'm Helen Mayer, Court and I'm also referred to as a "bug on noise". I'd like to tell this Town Board there are all different kinds of noises. The majority are a pollutant, unwanted noises, a detriment to our health in many ways affecting each and every one of us in different patterns. No one wishes to close up the airport as we all of this town depend one way or another on its contributions in the form of taxes and business. We also have grown in population and our laws and ordinances must be updated to fit the growth of this town. As I stated at the last meeting that we had at the Town Hall here, it's up to the physical head and I mean Mr. Weber and I also mean you gentlemen of this town to protect the health and the welfare of its taxpayers. Overall noise is a detriment to almost everyone's health, be that of a child or adult.

I have an article where Representative James K. Shore of New York with eighty-five members

#34

#35

of the house, he's urging Acting Federal Aviation Administrator James Down and Secretary of the Department of Transportation William Coleman to come together on the vital issue of aircraft noise pollution and promulgate a strong airline, aircraft rule. Much of this had been stilled since enactment of the Noise Control Act of 1972, but airport neighbors throughout the nation still suffer on an hourly basis. In fact, the State of our economy, the escalating fuel cost have assured the delay in the development of new and quieter aircraft. There's a greater dependence on the older noisier aircraft which consumes less fuel than the larger, but quieter DC-10's and 747's.

As we learn more about the affects of noise on our daily lives, the more upsettable these jet roars become for all of us. The Noice Control Act of 1972 as stated by our Congress is an act to promote an environment for all persons free from noise that jeopardizes their health and welfare. According to the FAA's draft of environmental statement of December, 1974, our technology has advanced enabling us to build quieter aircraft. We know that these are rising costs and shrinking profit margins. There are two possible solutions. One is to use some of the estimated 2.1 billion dollar surplus in the airport or air trust fund or, two, to increase from fifty to seventy-five cents per ticket, sufficient to repay the 800 million to one billion cost of retrofighting including downtime cost at about four years according to the DOT experts. DOT experts say about sixteen million people live within the noise contours of this nation's airports. The EPA and community and environmental groups around our nation's airports, airport operators, and the National Academy of Science, all support prompt adoption of a strong retrofight and again I say it's up to the physical head and the Council members of this town to protect the health and the welfare of this town's people and if there is a will, there's a way. All I tell these people to do, if you can't get anything done here, write your congressman and address your grievances to him, but more than ever, stick to your guns about this noise pollution.

I brought up at this last meeting about noise pollution. As I said, I'm a bug on noise. I'm against a small airport called the Buffalo Air Park where I live and that comes over my home on Saturdays and Sundays at least one every two minutes. You have to keep your doors closed because you cannot hear what you're saying on the phone, so I sympathize with these people with the

#34

#35

loud airplanes.

MR. JOHNSON: Thank you, Helen.

MRS. MAYER: Just a minute. You know me better. I wish to tell this audience, our town is so backward, we're noted for a dirty, noisy town and I'll say this much: We have a twenty-seven year old noise - - anti-noise ordinance, twenty-seven years old. I think it's about time we updated that and Councilman Meyers spoke out he was going to get after an environmental commission in this town and that's what we need, an input where we watch these people to see that they are going to leave the people alone and let them live a happy life. Thank you.

(Applause)

MR. JOHNSON: Helen, I want the environmental commission too.

MR. MEYERS: Hopefully, January 1st we can do that.

MRS. MAYER: At a boy.

MR. JOHNSON: The previous hearings that have been held by previous communities have been organized and established and received cooperation from the NFTA through the environmental commissions in those communities and hopefully, in the future, this type thing will be funneled through a citizens group such as an environmental commission. Now, I'd like to- - Julian Polanski wishes to speak. State your name and address, please.

MR. POLANSKI: My name is Julian Polanski. I live at . That's between Rosedale and Maryvale. About two years ago we gathered a petition among the people between Rosedale, Chardon, Maryvale, and our problem was the sewers backing up. This one gentleman mentioned years ago

we had to have about three inches, two inches of rain before we realized our sump pump worked. Now, just a half inch rain in the middle of a drought, automatically our sewers back up, our sump pumps start working, and they do not pump surface water, but they do pump raw sewerage right on the sidewalk on Union Road where the children walk to Maryvale High School. Right on Maryvale and Union, right by Dunkin Doughnuts, polluted water is there and people are carrying that on their feet into the public places which creates a public hazard. We brought a petition. All we were told is Union Road eventually will be widened, that'll be taken into consideration. When the airport is being expanded, no one has taken into consideration about the drainage. The little taxpayer will eventually consume that property, will condemn it and there it goes.

You have the perfect example in the City of Buffalo. You were running to make expressways on Elm, Oak and all that stuff, beautiful weed grounds. That's what's happening around Chapel, all that. How far is the airport going to be expanded, Union Road eventually, but no one's saying that. Everybody's talking that the large, huge airplanes that transport people are not profitable, but they're not talking about the cargo planes and those cargo planes are hauling bigger and bigger loads and you can't even sit down and enjoy television anymore.

Years ago in the wintertime when we had the storm windows, it was fine. I could enjoy the TV. Right now, it comes right down the fireplace chimney into the living room and forget about it. My wife tells me I'm deaf. Maybe many times I pretend I don't hear her, but maybe it's true. Why didn't you have the foresight to see this, you people that are here to legislate this, why didn't you have the foresight to make these people put better drainage systems in so we wouldn't have the problem? You didn't have the foresight. You had terrific hindsight. If we would have known that, we probably wouldn't have come in here, but what are you going to do now, force all these people out?

That man says there's twenty thousand in that labor union. There's two hundred forty thousand now in Metropolitan Amherst, Cheektowaga, and for twenty-five hundred members you're going to forget about the two hundred thirty-eight thousand people that are living in this community because he's worried about their employment? How about the other eighty thousand that have to go on a labor job and they have safety meetings and they say, "If you come on a job and your mind is distracted when you're thinking

#34

#35

about something else because you're not rested, you're going to get into an accident." There's about eighty thousand carpenters and plumbers that handle mechanical things every day. They can't get proper sleep at night. They go on a job, they might not come home or come home without an arm because they can't get proper sleep. Who's going to have the foresight? I think I spoke my piece.

MR. JOHNSON: It's well taken.

(Applause)

MR. JOHNSON: Sir, would you state your name and address.

MR. COSIMANO: My name is Charles Cosimano. I live at The fellow that said about that milky water going down the creek, if you come in the afternoon, you see it every afternoon. That's one gripe. Another gripe, they took all these homes to put the lights in for the airplanes to land. I have a fellow employee who wanted to buy a house on Miami Parkway a few years ago that was turned down because that house was in a flight pattern, couldn't get a loan on that house. Now, that's what's going to happen with the rest of our property.

MR. JOHNSON: Could you name that individual?

MR. COSIMANO: I'll try to bring that letter in and hand it to you.

MR. JOHNSON: For the record tonight, do you want to name that individual?

MR. COSIMANO: No, I don't want to name somebody's name. I want the proof and I'll hand it to you.

(Applause)

#34

#35

MR.JOHNSON: Thank you. Sir, state your name and address.

MR. REGENT: I'm Leon Regent and I live at . However, that's not one of the reasons I'm here tonight. My other capacity, I'm a trustee of the Cheektowaga Central School Board and although Cheektowaga Central School District does not receive any revenue from the airport, the center line of the runway cuts across the rear portion of our property and, according to State law, no buildings can be built a half mile from the center line of the runway perpendicular. Therefore, the only buildings that we have on our hundred nine acre tract off Union Road is the Cheektowaga Central High School and Union East Elementary School and, of course, the Old Union Road School.

Since this is a public meeting tonight and it's one of the last opportunities to be heard, I, myself, as a trustee of Cheektowaga Central, would like to go on record asking for an environmental study on the impact of noise and pollution in the, let's say, the next decade of the airport.

MR. JOHNSON: Projected for the next ten years?

MR. REGENT: Yes. Specifically the increase in traffic during the school hours because if anybody has children in the Cheektowaga Central School District, they probably told their parents in the afternoons you cannot hear and that's true, especially in the summertime when the windows are open. We don't have central air conditioning and I, personally, as a trustee, would like to see this on the record and I'm surprised that I haven't seen any members from the Maryvale Board here because they have two schools within a half a mile of the runway center line. Thank you.

(Applause)

MR. JOHNSON: Would you state your name and address, sir.

MR. MADISON: My name is Tom Madison. I live at . I'd like to make two comments, the first one on my behalf and the second one on the behalf of the Jaycees of Cheektowaga. I returned from the prior meeting at the Amherst Board and the big fact here is not do we want to expand the airport, really. There's nobody here, including myself, that wants to see any jobs lost, any business or taxes be lost from Cheektowaga or anybody going out of business because the airport closes down. The point is that whether or not we can reduce the noise level rate now without anything being done to the airport or if NFTA does decide to expand Buffalo, whether or not they're going to take the precautions and send the money necessary to reduce the noise levels as they begin to expand it. Those are the two points in question. And in that vein, two things were brought up at that meeting tonight.

Number one, the Department of Environmental Quality made a study for forty days in July, 1975 whereby they showed of all the traffic studied for that forty day period, the problem rests within the internal operations of the airport and not due to any kind of runway that's being under construction right now.

Secondly, Mr. David Franklin from the NFTA stated that "Well, we are all asking why are we here tonight". He said three times because he was asked the question, specifically three times, that, number one, they are doing the study; number two, they are going to make a decision as to what they are going to do and then, number three, will they go after the funds necessary for a master plan which then would include an environmental impact study based on the decision already made. The point of this hearing is to make sure they realize our input before they make their decision to spend the funds necessary based upon the decision to be made. Number one, I'm in that flight path, I don't like the sounds of the aircraft, but I don't think we should think in terms of the airport closing down. We should fight for two things, the noise level now and in the future and, secondly, on behalf of the Jaycees, we've formed a steering committee to be of assistance to the Town Board to fight with you and for you for these two specific efforts. Thank you.

(Applause)

#35

MR. JOHNSON: Thank you very much. I think that was well said and, of course, this is the purpose of the hearing. Before the decision making process begins, the study goes in early October as we were told, we must submit this document and we must ask the NFTA to consider it, that is, to its fullest. We are still asking and I'll reiterate that. We are asking for an available informational center where questions can be answered. Of course, Mr. Madison has clearly stated why they've been hedging. The decision will be made and the evaluation will be made afterward, yes. We have to take new speakers. Yes?

MR. McEvoy: My name is Joseph McEvoy. I live at , right near the airport and I've heard a lot of people raising complaints about the airport and problems with it such as the taxes and the flooding and the noise and the air pollution and all this I agree with and I feel things should be done about it. But I also feel it should be expanded and the Cross-Winds Runway should be made to handle at least twenty-five per cent of the air traffic so it's not put over one area and all one people take the full brunt of this. I feel the people from Williamsville who also profit from this airport with people working there should at least put up with some of the noise and not scream like they are now and getting the people of Cheektowaga upset about it. I feel they should lengthen that runway, give them their equal share and they can share the responsibility just like the people here have.

I've lived there twenty out of the twenty-one years I've been alive and I've learned to live with the noise and I feel they can too. But I think the flooding and pollution I feel have to be controlled. That's all I have to say.

MR. JOHNSON: Sir, I'd like to clear up one misconception. Though we heard a very vocal - - we've had a very vocal response from Williamsville residents, and probably because it's a bit of a new situation for them, the Cross-Winds Runway, technologically, will never handle more than three per cent of the entire traffic. That's unchangeable. Okay?

MR. McEVOY: Anything will help.

MR. JOHNSON: Agreed. And when we met with them in August, and we were pushing for just that, a larger percentage of the share in traffic, but it was explained to us that, you know, it would definitely represent up from under one to three per cent, but never larger than that. The fact is that the southwest runway impact and the noise abatement is the primary concern. Williamsville has gotten a bit of a dose of it, not that the expansion has occurred already, but certain work has been done on the southwest runway, the southwest runway surface, and some of the traffic has been diverted to the Cross-Winds runway anyway. So they've got a dose of what you've been getting all along. Next speaker. Ma'am?

MRS. CARR: My name is Lorraine Carr. I live at . Diane Drive is very near the airport. The problem we are having, not the large jets, but the smaller planes which, as you know, two doors away from my home the Cesna crashed killing three people in the home and pilot and three people. So, actually, what we would like would be control of the airplanes.

Now, I'm sure there should be more control. Everytime when you call the FAA office, they give us a run-around and say, "Well, what's the number of the plane", and all this, and in the evening, you can't even see what the number of the plane is anyway, but we would rather have something controlled of all the airplanes. I'm sure if all these small airplanes aren't controlled, I'm sure the larger ones won't be also.

MR. JOHNSON: Thank you, Mrs. Carr.

(Applause)

MR. JOHNSON: I think Mrs. Carr has probably reiterated something that has been said all night long by various

speakers and that's the current operation of the airport can be altered to make it easier on all of us, the organization of the flights, the times, the operation of the controller and especially the handling and expediting of complaints of small planes and other planes that leave their flight paths and fly over residential neighborhoods. Mrs. Carr had a unique experience. She lived next door - - two doors away from where that plane crashed and wiped out two houses and families on Diane Drive. I, by the way, could see it out my rear window. And for three months, my wife wanted to move. But the argument came out that it won't happen but once in four years, so I persuaded her to stay. But anyway, who knows really, that pilot was flying, was taking a southeast course flying over the vacant property of Dick Road and George Urban when he looped back. And whenever anybody calls the Greater Buffalo International Airport, you don't see any improvement in the situation, you certainly don't get any response or anything back to you as to how the plane was handled and the discovery was made there's no FAA desk. And that's one of the primary reasons the complaints aren't handled. Mrs. Bucholtz.

MRS. BUCHOLTZ: My name is Jane Bucholtz and I was attending at the Amherst meeting tonight where they had eight officials from the FAA. Olstrum was there and the man in charge was there. I forget his name. Rebadow was there. And they've said, three men from the FAA have said they've done everything possible to control noise and they are looking for solutions from the people who live in the area. If they don't have an FAA office there, how can they control the noise?

MR. JOHNSON: It's a fact, they do not.

MRS. BUCHOLTZ: If they can get eight people in a meeting there, why can't we get them here? They had a map on the wall to explain anything to people who had questions.

MR. JOHNSON: The NFTA was informed that our meeting would be somewhat later than the Amherst meeting and was asked to send a representative. I don't know if he's here. We were assured a representative would be here, but I know I

did attend the Williamsville hearing and their input was minimal. The answers were not there. An environmental session, however, is a different situation altogether. They are there to give information and this is what we want. At a hearing, they're there to hear. And I'll prefer they have an accurate record than to rely upon their own ears. Yes,sir?

MR. NEALEN: My name is Theodore Nealen. I live at in the Village of Sloan which is one of the better parts of Cheektowaga.

(Laughter)

MR. NEALEN: I purchased my home there eight years ago, having previously lived in the Pine Hill section of Cheektowaga. I knew we had an airport. At the time I moved there, the noise was - - you could stand it. It's now reached intolerable levels. I stand up and speak to you only because I want our public officials to be aware that this is not a localized annoyance problem immediately around the airport. Sloan is four to five miles away from touch down. But still we are in a flight path and I can come home from work and judge the volume of flights by the condition of my wife, her nervous condition and I would think it would be in the best interest of the NFTA to consider seriously these inputs from the people. Eventually, they can probably stall around for ten, fifteen, twenty years, but sooner or later they'll have to face the abuse and the noise that these planes make and have to make adjustments to take this into consideration. Thank you.

(Applause)

MR. JOHNSON: I think the distance that the gentleman from lives from the airport shows that this is not, you know, a strictly a local problem as he said. Sir?

MR. EIGENMANN: I'm Bill Eigenmann, District 93,

#35

MR. JOHNSON: What was the name?

MR. EIGENMANN: Eigenmann, E-i-g-e-n-m-a-n-n. Ladies and gentlemen, I'm speaking on behalf of approximately eighty people in the Nokomis area who have been going through this probably - - well, anywhere from '55 until the present time, and it's got to a point where - - they can't all come down here. Like other people have talked on behalf of citizens committees, we've gotten a committee to send one man down here to tell you what's on their minds. I've seen a lot of my neighbors and they know I don't bull crap and they sent me down here to voice my opinion for everybody.

I would like to see something done because these people are not second class citizens.

MR. JOHNSON: Sir?

MR. WYANN: William J. Wyann, and I've been a resident 20 years and I want to say that Federal, State and especially the local people of our government are destroying the country the way they have. Now, there's no reason for that airport to be here. You irresponsible people knew this airport was here and getting bigger all the time. That airport should have been moved years ago where these big jets could come in and take off over that lake, where nobody would be - - except a few fishermen - - bothered. If one then crashed, they could ditch it in the lake. There's no reason for our country, state or our city and this is all over, not only Buffalo, not only Cheektowaga, and I've been here all my life for forty-three years, that I've ever seen irresponsible people like I've seen in Cheektowaga and as far as being a service man of this country, letting irresponsible people destroy it the way they have and that's all I've got to say.

MR. JOHNSON: Is there any other person who has not spoken previously who wishes to speak? I've prolonged

the hearing specifically because I feel no one should be restricted from speaking. Sir?

MR. BROWN: My name is Ron Brown. I live at . I'm a rather new resident of Cheektowaga. I bought my house in December of '73. In this short period of time, in less than three years, I've seen the volume of air traffic increase at what I consider unbelievable rates. During the time I lived in Cheektowaga - - I was fortunate - - my wife blessed me with a son and I see the way my wife works to keep our house clean, especially our picture window. My wife can wash that on a weekend, say, for instance, a Sunday, and by Monday afternoon, there's a black greasy film on that window that will come off on your finger. If they're going to expand this airport, I would demand taking air pollution tests of this very area that surrounds the airport, not ten years from now, but now, and also to sit to sample some of the flooding.

Across the street from me, a 1973 orange Vega, which I don't know the owner, floated up on a person's lawn two feet from the house. Water was banking on the front of my house and I'm uphill. I'm on the high side of the street. Now, I like Cheektowaga. I got a pool down the street. I got a library on the same street. I got the use of beautiful parks and I want to see it that way. I want to become a permanent resident of Cheektowaga. I don't think it's necessary - - I've sunk a lot of dough into my house. I don't think it's necessary to turn this area into a second class area which is exactly what's going to happen. The real estate, the market value is going to go down on my house. I can't stand that. I work three jobs to make ends meet and I took a night off to come here to express my opinion. Thank you.

(Applause)

MR. JOHNSON: I think what Mr. Brown points out is that it's a cumulative thing. There are things stated here tonight that are the responsibility of the Town exclusively. Then, of course, there's some flooding that's the result of the U-Crest Ditch and ultimately the airport and it's a cumulative thing. It's various things that the Town Board is required to work on plus the airport. So this does not, in any way, lessen the impact of the airport upon someone such as Mr. Brown, but it's

a cumulative affect of several environmental factors and several sources, and your Town Board, from this testimony tonight, will certainly be working on those items that are exclusively its responsibility as well as taking your case to the NFTA. Is there any other individual - - have you spoken before, sir?

THE FLOOR: Yes. I didn't finish my five minutes, I don't think, sir.

MR. JOHNSON: I'm afraid not. We've had a court reporter here for a little while now. Is there any other person at this time - - I'm asking once again, is there any other person who has not previously spoken? I think we will have to terminate the record at this time.

MR. SWIATEK: I would like to have some concluding remarks, if I may. First of all, I'd like to thank all the people who came here this evening and, particularly, those of you who stayed. We really thank you. I know that it's 11:30. It's getting on to late in the evening, but I think it shows your real concern for the problem. I agree, to a large extent, to the words Mr. Peter Rybka echoed, namely, the ongoing fight that we've had to achieve a state of peaceful coexistence with the Buffalo Airport.

Initially, it was residue on the homes. I didn't hear that mentioned here tonight, but I do know that, oh, I guess it was about six or seven years ago, we had representatives of every airline in this particular room. We had representatives of the FAA and we had representatives of other Federal agencies, NFTA and people were bringing parts of their siding into this particular meeting. As you put your hand down the siding, it was an obvious film from the residue of the jet aircraft. Then it was the noise factor of the jets in the evening and I don't know if Dr. Vendetti is here - - he has since left, but I know he has spent many, many evenings at the airport on the runways in talking with the people.

Now, here we are again with an expansion problem. I'm a great believer of citizen input and citizen involvement in government, but that citizen involvement, to echo Mr. Rybka's words, can't be one thing

#35

that's here today and gone for four years. It's something that's got to be persistent and it's got to be heard. There have been many ideas heard here tonight expressed that I haven't heard expressed before, and I've taken about ten pages of notes on arguments, on criticisms. I think you ought to be congratulated for that. While we're on the subject of citizen input, I've asked the Town Board to go on record for four additional preliminary hearings on our town budget which will be held in each of the four school districts, Cleveland Hill, Maryvale, Cheektowaga Central and John F. Kennedy, and they'll be held during the month of October. They'll be well advertised in the local press. And just as you're here tonight expressing your point of view and expressing your arguments and criticisms, your likes and dislikes, again these hearings will afford you an opportunity to come and be heard on our town budget which is the most significant - -

MR. JOHNSON: Mr. Swiatek, this is being recorded for the NFTA.

MR. SWIATEK: For the most significant piece of material we have in the town. So my remarks are directly because of the citizen input. I'm glad you're here and because we are here now, that we not shelve the minutes of this hearing, but that they become live and what we do with them is important. If we just put them on the side, it's been an exercise in futility, but if we take them to the proper authorities and if we fight and you have my personal pledge that we'll do this, I think we can achieve a state of peaceful co-existence, but I think it's going to bring a large deal of negotiation and compromise as we did on the Darling Company and I'm for that. I'm for that. So thank you very much for being here this evening.

MR. JOHNSON: Thank you, Frank. In closing - -

MR. MEYERS: Could I just say something?

MR. JOHNSON: Councilman Meyers.

MR. MEYERS: First of all, I want to go on record stating I've been here for nineteen years and I also didn't

have the foresight and I moved in along a corridor of the airport and I can stand in my backyard and when my wife talks to me, sometimes I can't hear her, and sometimes that's not always bad either, but I want to tell you we have a very strong obligation to the people, but you have to come to us. I'm certainly one to go on record, I'm certainly not going to be for any expansion at a resident's expense. They can do this in an ordinary fashion and solve the problems, some of the problems that are existing right now. Maybe a lot of times it was brought up that we should air these complaints more often, but you can do that on a lot of occasions and not go too far, but it takes time when a neighbor such as the airport - - this has happened on other rezonings - - when they need something, they come in and all of a sudden it puts the Town Board in a much better bargaining power than they were before because they need something, you bring up some of these complaints they've ignored and all of a sudden they start responding with some of the solutions.

THE FLOOR: If this is what it takes in our country, I'm all for it, believe me, Mr. Meyers. I put up twenty years with it and I don't think after this meeting I'll put up twenty more years with it.

MR. KREEFT: You have violations at the Buffalo Airport - -

MR. JOHNSON: State your name.

MR. KREEFT: My name is Lawrence Kreeft. I live at Cheektowaga. There's enough violations through the FAA offices and also through OSHA as far as noise goes and also aircraft operation to close the Buffalo Airport down with a class action suit. It can be done. They did it in Florida with less than they've got in Buffalo, and I'm against any expansion of any kind until these people see it our way a little bit, at least.

MR. JOHNSON: May I have your name again, sir?

MR. KREEFT: Lawrence Kreeft, K-r-e-e-f-t.

#35

MR. JOHNSON: Thank you. I think I talked to you before.

MR. KREEFT: I'm an industrial investigator and I've got some facts I can state. For instance, normal hearing is 65 decibels. That's comfortable. OSHA says one hundred fifteen is the limit. We have readings from the Buffalo Airport at a hundred ninety-two decibels.

MR. JOHNSON: Who took these readings?

MR. KREEFT: I took them with a topnotch meter. I've also taken skimmings from my own swimming pool and I can prove that there's no question that the oil that they're dumping from the aircraft, not the stuff from the jet engines being burned, the excess fuel they're dumping when they gain altitude, they can go much higher, therefore, it's being spread over a much larger area, but anyone with a swimming pool in Cheektowaga can verify this. Go out one morning after you haven't run your filter and see what you have on the top of the pool.

(Applause)

MR. JOHNSON: I'd like to state in closing this hearing and, believe me, I'm glad you spoke, Mr. Kreeft, that there's been enough input, varied input, but in the same vein too, I believe, convince the NFTA that no matter what alternative they pursue, that they must correct existing conditions at the airport. Now, certainly, they have to work with Federal Authorities. Certainly they have to recognize state statutes when they're promulgated, but their very first obligation is to provide information to you as to what they plan for the airport with regard to noise, water and air pollution abatement and, beyond that, what they know of the scheduled state regulations, that they can pass on to you. The unfortunate circumstance is that a lack of knowledge breeds fear and the lack of knowledge in an atmosphere of discomfort, a lack of knowing exactly when it's going to stop, is it going to increase, this has got to be disturbing psychologically as the noise is from a purely physical standpoint. But I think this Board is

one and we passed that resolution, is one in saying we'll take your testimony to the NFTA, to our Federal representatives who will be responsible for the Federal Noise Regulations, to the State DEC, to Mr. Rebadow at the airport, and examine it ourselves for those things that the Town can immediately demand of these agencies, and we won't drop the ball.

Now, insofar as the fact that you've been complaining over several years, I know how it is, you're one individual. Not until tonight did you probably join with your neighbors or feel that you had real support. With one individual, it's a little easier to say, "What can I do". As you've seen tonight, you've got support, you've got numbers. The negative statement which is to say anything you do is simply going to drive the airport out of Cheektowaga is not the way to go about things. You've got to believe you got together tonight and made a statement and we're with you, that the airport will simply change for the better, at the very least that will happen. There's no such thing as a business no matter how economically beneficial, there's no such thing as a business that can continue to disrupt the lives of people. This has been proven in the very laws the union-labor leaders have sought, in the safety protections on the job, that no matter what the benefit, there's certainly cost that's unbearable and your health and welfare, as it's being detrimentally affected, is not worth any economic considerations, but at the same time, we owe it to the people in this town, the economy pays for the town and the people Mr. Rybka speaks of, to work for a compromise, a compromise meaning that we won't compromise your health and welfare, but we'll ask the NFTA to spend the money where needed on noise, water and air pollution control while keeping the airport. The technology is there. The money is there. This is a new authority with bonding power. The will must be there and if all they have to do is expend money to expand an airport and not spend one penny to abate noise, that's what they're going to do. So we have to demand that they take a different course, that they compromise with us, that they abate noise, water and air pollution as well as pursue their plans with regard to economic benefit to the community. I think that we have to ask for this, minimum, and I think that probably the employees of businesses and Mr. Rybka, as he has stated before, will join, will be there stating that the NFTA must consider you first and foremost as well as maintain an airport as an economic asset to this community. I think that's the vein that should be taken. The total negative view point on either end won't solve very much for any of us. So I thank you for being here

#35

tonight, for being part of the public record. I think you have the commitment of your Town Board and stay with us, don't hesitate to call us and we'll certainly keep you completely abreast of what happens with this document and exactly what's going to be done and we'll have that environmental information later on this month and we'll answer those questions you asked tonight. Thank you very much.

SPECIAL MEETING NO. 34

CHEEKTOWAGA, NEW YORK
October 9th, 1975

Item No. 1 At a special meeting of the Town Board of the Town of Cheekotwaga, Erie County, New York held at the Town Hall, corner of Broadway and cnion Road, in said Town on the 9th day of October, 1975 at 5:30 P.M., Eastern Daylight Saving Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Raymond J. Wasielewski
Councilman Thomas M. Johnson

ABSENT: Councilman Kenneth J. Meyers
Councilman Donald A. Halicki

Item No. 2 Authorization for Town to deliver refuse to Land Reclamation, Inc., to enter into agreement with said company.

Motion by Supervisor Weber, seconded by Councilman Wasielewski

WHEREAS, the Town of Cheektowaga and Community Disposal Service, Inc., have entered into a contract whereby said Community Disposal Service, Inc., agreed to accept the refuse from the Town of Cheektowaga said contract being dated the 27th day of December, 1974, and effective as of January 2, 1974, and

WHEREAS, the routes used by the Cheektowaga Sanitation Department trucks to deliver said refuse include a portion of E. Lovejoy Street in the City of Buffalo, said street being located between the boundary of the Village of Sloan and the City of Buffalo to its intersection with North Ogden Street in the City of Buffalo, and

WHEREAS, the Town intends to fulfill its obligations and duties under the terms of said contract and to exercise its rights thereunder, and

WHEREAS, the City of Buffalo has prevented the use of the above mentioned section of E. Lovejoy Street by the Town of Cheektowaga Sanitation Department and has, in fact, issued summonses charging violations of the City Ordinance to any trucks and its drivers who would traverse said street with truck loads in excess of five tons, and

WHEREAS, the prevention of the use of said streets has created an emergency situation in that the failure of the Town to dispose of tis refuse could create a health and safety hazard, and

WHEREAS, an alternative is available to the Town of Cheektowaga in delivering its refuse to another site within the Town of Cheektowaga, THEREFORE, BE IT

RESOLVED that since the City of Buffalo has exercised its powers and did in fact prevent the Town sanitation trucks from using that portion of E. Lovejoy Street in the City of Buffalo which is an access route to the disposal site in the Village of Sloan, the Town Board hereby considers such an event an emergency situation since the health and safety of its residents would be affected by the accummulation of refuse and garbage within the Town streets, and BE IT FURTHER

RESOLVED that since the Town of Cheektowaga is presently unable to make delivery of its refuse to the transfer station site of Community Disposal Service, Inc. because of the aforementioned circumstances, the Supervisor be and hereby is authorized to cause said refuse to be delivered to Land Reclamation, Inc. refuse site at Indian Church Road and Broadway Streets in the Town ofCheektowaga, at a rate of $1.35 per cubic yard and the Supervisor is hereby authorized to enter into an agreement for such refuse disposal with Land Reclamation, Inc. at the aforementioned price and for a period not to exceed thirty (30) days.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Wasielewski & Johnson
NAYES: 0
ABSENT: Councilmen Meyers and Halicki

Item No. 3 Authorization for Town Attorney's Office to take necessary steps to gain access to transfer station operated by Community Disposal Service

Motion by Councilman Johnson, seconded by Councilman Wasielewski

WHEREAS, the Town of Cheektowaga has been prevented from delivering its refuse to a transfer station site operated by Community Disposal Service, Inc., in the Village of Sloan, New York, and

WHEREAS, the Town of Cheektowaga and Community Disposal Service, Inc., have entered into a contract for delivery of the Town's refuse to said site and it appears that the Town is unable to gain access to said site, THEREFORE, BE IT

RESOLVED that the Town Attorney's Office be and hereby is authorized to take whatever steps it may deem necessary to protect the Town's rights under said contract and its ability to gain access to said transfer station site.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Wasielewski & Johnson
NAYES: 0
ABSENT: Councilman Meyers & Halicki

Item No. 4 Motion by Councilman Wroblewski, seconded by Councilman Wasielewski to adjourn the meeting.

MARY F. HOLTZ
Deputy Town Clerk

SPECIAL MEETING NO. 35

CHEEKTOWAGA, NEW YORK
October 9th, 1975

Item No. 1 At a special meeting of the Town Board of the Town of Cheektowaga, Erie County, New York, held at the Town Hall, corner of Broadway and Union Road, in said Town on the 9th day of October, 1975, at 7:30 P.M., Eastern Daylight Saving Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Raymond J. Wasielewski
Councilman Thomas M. Johnson

ABSENT: Councilman Donald A. Halicki

Item No. 2 The Supervisor advised the Town Board that this was the time and place advertised for a Public Hearing on the Estimates and Assessment Rolls relating to Special Districts spreading costs on a Benefit Basis for the year 1976.

The Town Clerk presented proof that the Notice of Hearing has been duly published and posted as required by law.

The Town Clerk then proceeded to read aloud the Special District Budget for the year 1976.

The Supervisor then asked if anyone wished to spead either in favor or against the proposed Budget.

The Hearing was closed.

Motion by Councilman Wroblewski, seconded by Councilman Johnson

WHEREAS, Daniel E. Weber, Supervisor of the Town of Cheektowaga, New York having presented a Budget and Assessment Roll showing the various sums of money that were and will be required to defray the expenses of Special Districts in the Town of Cheektowaga, New York, and

WHEREAS, this Town Board has carefully considered the said Estimates and Assessment Rolls of the amounts set forth as Special Districts respectively, and does determine same to be necessary and required aforesaid, and set forth, namely;

MEETING NO. 36

CHEEKTOWAGA, NEW YORK
October 20th, 1975

#36

Item No. 1 At a regular meeting of the Town Board of the Town of Cheektowaga, Erie County, New York held at the Town Hall, corner of Broadway and Union Road, in said Town on the 20th day of October, 1975 at 7:30 P.M., Eastern Daylight saving Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Raymond J. Wasielewski
Councilman Thomas M. Johnson

ABSENT: Councilman Donald A. Halicki

Also present were: Mary F. Holtz, Deputy Town Clerk; John V. Rogowski, Town Attorney; James Kirisits, Deputy Town Attorney; Chester Bryan, Town Engineer; Ronald Marten, Assistant Building Inspector; Benedict Kostrzewski, Chief of Police; Casey Kozminski, Deputy Town Assessor; Kenneth Kopacz, Executive Director of the Youth Bureau.

I. BIDS

Item No. 2 Highway - Sodium chloride, cinders and calcium
Referred to Alfred Wnek, Superintendent of Highways.

II. PUBLIC HEARINGS

Item No. 3 Amendment to Traffic Ordinance - Stopping, Standing & Parking

Motion by Councilman Wasielewski, seconded by Supervisor Weber

WHEREAS, this Town Board duly held a Public Hearing on the 20th day of October, 1975, to consider the advisability of adoption of proposed amendments to the Traffic Ordinance of the Town of Cheektowaga which was adopted on July 17, 1967, said Hearing being held in accordance with Notice thereof which was duly published as required by Law, at which Hearing an opportunity to be heard was afforded all persons interested in the subject thereof.

NOW, THEREFORE, BE IT RESOLVED as follows:

Section 1. That this Town Board determine that it is in the public interest to adopt the following amendments to the Traffic Ordinance of the Town of Cheektowaga, County of Erie, and State of New York, and said amendments are herewith adopted and enacted:

* * * * * * * * * * * * * * * * *

ARTICLE X

PARKING, STANDING, STOPPING

Section 102 is amended by deleting therefrom the following:

NO PARKING THIS SIDE

CAYUGA ROAD	East side:	from north line of Tenesee Street to south curb Maryvale Drive
CAYUGA ROAD	West side:	from north line of bridge over Kensington Expressway to south curb of Maryvale Drive
CAYUGA ROAD	East side:	north from Maryvale Drive to Amherst Town Line.

Section 102 is amended by adding thereto the following:

Item No. 3 cont'd

NO PARKING ANYTIME

LAMARCK DRIVE	East side:	north from Cleveland Drive to Manlon Terrace

Section 103 is amended by adding thereto the following:

NO STANDING ANYTIME

CAYUGA ROAD	East side:	north from Genesee Street to Amherst Town Line
CAYUGA ROAD	West side:	North from Genesee Street to Amherst Town Line

* * * * * * * * * * * * * * * * *

Section 2. Time to take effect.

(a) These amendments shall take effect immediately except those parts, if any, which are subject to approval under Section 1684 of the Vehicle and Traffic Law of the State of New York.

(b) Any part or parts of these amendments which are subject to approval under Section 1684 of the Vehicle and Traffic Law of the State of New York shall take effect from and after the day on which approval in writing is received from the New York State Traffic Commission.

Section 3. Territorial Application

These amendments shall apply to all of the Town of Cheektowaga, Erie County, New York, outside of the Village of Depew and Sloan.

Section 4. Publication and Posting.

That these amendments to said Traffic Ordinance shall be entered in the minutes of this Town Board and shall be published in the CHEEKTOWAGA NEWS and in the CHEEKTOWAGA TIMES, newspapers published in this Town, and a printed copy thereof shall be posted on the signboard maintained by the Town Clerk pursuant to Subdivision 6 of Section 30 of the Town Law of the State of New York, and affidavits of such publication and posting shall be filed with the Town Clerk and the Town Clerk shall likewise enter in the Ordinance Book a copy of these amendments specifying the date of adoption thereof.

SCHEDULE OF SALARIES OF ELECTED TOWN OFFICERS

(ARTICLE 8 OF THE TOWN LAW)

OFFICER	SALARY
SUPERVISOR	$ 27,460
COUNCILMEN (6)	9,325
JUSTICES (2)	17,100
RECEIVER OF TAXES	17,475
TOWN CLERK	17,475
SUPERINTENDENT OF HIGHWAYS	21,840

TOWN WITH VILLAGE

EXPLANATIONS

(1) Taxes for these services must be levied on the area of the town outside villages:

Building Inspection (Section 138, Town Law)

Board of Health (Section 60, Town Law and Section 304 Public Health Law)

Registrar of Vital Statistics, except when combined districts coincide with a consolidated health district (Section 2124, Public Health Law)

Library (certain contract payments)(Section 256, Education Law)

Zoning and Planning (Section 261, Town Law)

(2) Taxes for these services must be levied on the area of the town outside villages under the circumstances set forth below:

Police Department (Section 150, Town Law)

Town of Fallsburg, and towns in Suffolk County containing villages which maintain police departments with two or more full-time policemen. Department established after January 1, 1960: Town contains a village which maintains a police department of four or more policemen on an annual full-time basis.

Department established prior to January 1, 1960: Amounts in accordance with an agreement made between the town and a village within the town which maintains a full-time police department of four or more policemen.

Joint Police Department (General Municipal Law, Section 121-a)

Recreation (Article 13, General Municipal Law)

Amounts for parks, playgrounds and recreation centers established under the provisions of Article 13 of the General Municipal Law.

Refuse and Garbage (Section 120-v, General Municipal Law)

The share of the cost to be paid by the town in accordance with an agreement between the town and one or more villages for joint refuse and garbage collection and disposal, unless otherwise provided.

(3) Revenues estimated to be received from any of the functions or activities for which taxes are levied in the town outside the village must be applied to the estimate of expenditures for such function or activity (Town Law, Section 112(1)).

Non-property tax distributed by a county must be credited to the town area outside of village if the village receives a cash distribution of non-property taxes from the county.

Item No. 13 cont'd

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Wasielewski, & Johnson
NAYES: 0
ABSENT: Councilman Halicki

Item No. 14 **Motion** by Councilman Wroblewski, seconded by Councilman Swiatek

RESOLVED that this Town Board does hereby prepare and approve as the Preliminary Budget of this Town for the Fiscal Year beginning on the 1st day of January, 1976, the itemized statement of estimated revenues and expenditures hereto attached and made a part of this resolution, and also an itemized statement of estimated revenues and expenditures of the Lighting Districts and Consolidated Garbage Districts hereto attached and made a part of this resolution* and BE IT

FURTHER RESOLVED that such Preliminary Budget and the Lighting Districts and Consolidated Garbage District Budgets shall be filed in the Office of the Town Clerk where it shall be available for inspection by any interested person at all reasonable hours, and BE IT

FURTHER RESOLVED that this Town Board shall meet at 7:30 o'clock P.M., Eastern Standard Time on the 30th day of October, 1975, for the purpose of holding a Public Hearing upon such Preliminary Budget and the Lighting Districts and Consolidated Garbage District budgets, and BE IT

FURTHER RESOLVED that the Town Clerk given Notice of such Public Hearing in the manner provided in Section 108 of the Town Law and that such Notice be published once in substantially the following form in the CHEEKTOWAGA NEWS and in the CHEEKTOWAGA TIMES, newspapers having a general circulation within the Town.

NOTICE OF HEARING ON PROPOSAL TO AMEND

ORDINANCE NO. 15

REGULATING THE OWNING, HAVING CAR, CUSTODY, OR CHARGE OF DOGS

NTOICE IS HEREBY GIVENthat in pursuance of a Resolution of the Town Board of the Town of Cheektowaga, which was duly passed on the 20th day of October, 1975, and in accordance with the provisions of Section 130 of the Town Law of the State of New York, a Public Hearing will be held on the 3rd day of November, 1975 at 2:30 o'clock P.M., Eastern Standard Time, at the Town Hall, corner of Broadway and Union Road, Cheektowaga, New York, at which hearing all parties in interest and citizens shall have an opportunity to be heard and at which time and place it shall be determined by the Town Board whether Ordinance No. 15 "Regulating the Owning, Having Car, Custody, or Charge of Dogs" in the Town of Cheektowaga, New York, shall be amended by adding thereto -- (additions in text are indicated by underline):

ORDINANCE NO. 15

REGULATING THE OWNING, HAVING CAR, CUSTODY, OR CHARGE OF DOGS

1. This Ordinance shall apply to the entire Town of Cheektowaga outside the limits of the Villages of Depew and Sloan.

2. All dogs while off the owner's premises, whether or not tagged or licensed, shall be restrained by leash and any Peach Officer or designated representative of the Commissioner of Agriculture and Markets of the State of New York shall seize any dog not so restrained found off the owner's premises. The Peace Officer or designated representative of the Commissioner of Agriculture and Markets of the State of New York, who have have seized any dog pursuant to the provisions of this Ordinance shall provide for the feeding and caring for the dog and its disposition pursuant to the provisions of Section 114-a of the Agriculture and Markets Law of New York.

3. Any person owning or having the car, custody, or charge of any dog, which is kept on the owner's premises or the premises of others, shall, unless said dog is in his or her immediate custody, or within a fenced enclosed area, keep said dog muzzled or securely fastened in such manner as to prevent said dog from biting any person lawfully entering upon or leaving such premises.

4. No person, firm or corporation shall keep, or allow to be kept on premises owned by such person, firm or corporation, any dog which by its frequent barking, howling or whining or other noise shall unreasonably disturb the comfort or repose of any person.

5. Any violation of any of the provisions of this Ordinance shall be deemed an offense and any person found guilty of such violation shall be liable to a fine or not less than $25.00 nor more than $100.00.

October 14, 1975

Councilman Thomas M. Johnson
Town Hall
Cheektowaga, New York

Dear Councilman Johnson:

Bids were opened and read at the Town Board Meeting on October 6, 1975 at 2:30 P.M. for the furnishing of light standards for the Town. The bids received are as follows:

Ontario Supply Corp. 100 North Mohawk Street Cohoes, New York 12047	-	$ 220.00	ea.
Lindstrom Electric Corp. P.O. Box 337 Syracuse, New York 13206	- 1-25 26 or more	$ 73.34 $ 71.12	ea. ea.

Since Lindstrom Electric Corp. is the lowest responsible bidder, I recommend awarding the contract to them for the furnishing of light standards for the Town of Cheektowaga at the above stated price.

I trust this meets with your approval.

Sincerely,

Raymond M. Matot

DESCRIPTION

All that tract or parcel of property situate in the Town of Cheektowaga, County of Erie and State of New York and being part of Lot 75, Township 11 and Range 7 of the Holland Land Company's Survey and more particularly described as follows:

POINT OF BEGINNING IS in the centerline of Genesee Street Three Hundred Sixty-nine and Eight-one Hundredths (369.81) feet westerly of the centerline of Transit Road, said centerline being also the east line of Lot 75, as measured along the said centerline of Genesee Street; thence continuing westerly along the said centerline of Genesee Street Two Hundred Six and Seven Hundredths (206.07) feet to an angle point; thence continuing westerly at an interior angle of 191 degrees 38' 10" along the said centerline of Genesee Street, Five Hundred Ninety-two and Ninety-five Hundredths (592.95) feet to a point; thence southerly and parallel with the west line of Lot 75 a distance of Four Hundred Seventy-one and Eighty-five Hundredths (471.85) feet to a point; thence easterly at right angles Seven Hundred Eight-two and Twenty-six Hundredths (782.26) feet to a point; thence northerly and parallel with the centerline of Transit Road a distance of Six Hundred Twenty-eight and Twenty-nine Hundredths (628.29) feet to the centerline of Genesee Street at the point or place of beginning, containing Nine and Forty-eight Hundredths (9.48) acres of land be the same more or less, excluding the rights of the public in and to Genesee Street and all widenings thereof.

All parties in interest and citizens will be given an opportunity to be heard in regard to said proposed application.

BY ORDER OF THE TOWN BOARD
Supervisor Daniel E. Weber
Councilmen:
Felix T. Wroblewski
Frank E. Swiatek
Kenneth J. Meyers
Donald A. Halicki
Raymond J. Wasielewski
Thomas M. Johnson, Jr.
BENEDICT T. HOLTZ
Town Clerk

Item No. 21 Motion by Councilman Wasielewski, seconded by Councilman Wroblewski

WHEREAS, bids were duly received by this Town Board at a meeting thereof held on October 6, 1975 for New Tires, Recapped Tires and Tubes for the Town of Cheektowaga Highway Department, as a result of advertisement therefor, and such bids were referred to the Superintendent of Highways for analysis, tabulation and report, and

WHEREAS, such analysis, tabulation and report is hereto attached and made a part hereof, THEREFORE, BE IT

RESOLVED that contracts be awarded to the lowest responsible bidders meeting specifications as shown on the tabulation attached hereto and made a part hereof.

* See next pages for tabulation and report.

ALFRED F. WNEK
SUPERINTENDENT
OFFICE: 683-4775

TOWN OF CHEEKTOWAGA
ERIE COUNTY, NEW YORK
OFFICE OF
SUPERINTENDENT OF HIGHWAYS
3145 UNION ROAD
CHEEKTOWAGA, NEW YORK 14227

October 17, 1975

Honorabld Daniel E. Weber, Supervisor
Honorable Town Board
Town Hall, Cheektowaga, New York

Gentlemen:

On October 6th, 1975 at 2:30 P.M. bids were opened and read at the Town Board meeting for New Tires, Recapped Tires and Tubes for the Town of Cheektowaga Highway Department. The results were tabulated and the lowest bidders with the sizes of tires and tubes and costs are attached hereto.

Therefore, I recommend awarding the contracts to the lowest responsible bidders as shown on the attached tabulated copies.

I trust this meets with your approval.

Respectfully yours,
TOWN OF CHEEKTOWAGA

Alfred F. Wnek
Superintendent of Highways

AFW/mss
Copies: Ben Holtz, Town Clerk (Tabulated copies attached)
Members of the Town Board
John Rogowski, Town Attorney

Item No. 21 cont'd

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Wasielewski & Johnson
NAYES: 0
ABSENT: Councilman Halicki

Item No. 22 Motion by Councilman Meyers, seconded by Councilman Johnson

WHEREAS, as part of a long-range program for town-wide drainage improvements, the Consulting Engineering Firm of Nussbaumer and Clarke, Inc. has prepared plans and specifications for the construction of storm sewers and sanitary sewers related to the Oehman Blvd. drainage area, NOW, THEREFORE, BE IT

RESOLVED that the Town Clerk is directed to publish a Notice to Bidders in connection with said storm and sanitary sewer construction, notice to be published in the CHEEKTOWAGA NEWS and the CHEEKTOWAGA TIMES, and BE IT FURTHER

RESOLVED that the Town Board meet on the 17th day of November, 1975 at 7:30 P.M., Local Time, for the prupose of receiving sealed bids at which time they will be publicly opened by the Town Board at a public meeting held for that purpose.

* * * * * * * * * * * * * * * * *

N O T I C E T O B I D D E R S

NOTICE IS HEREBY GIVEN that pursuant to a resolution of the Town Board of Cheektowaga, New York, sealed proposals will be received and considered by the Town Board of Cheektowaga on the 17th day of November, 1975 at 7:30 P.M., Local Time, in the Town Clerk's Office, Town of Cheektowaga, Town Hall, Broadway and Union Road, Town of Cheektowaga, New York 14227, for furnishing all tools, equipment, materials and labor for the construction of storm and sanitary sewers and related work in the Oehman Boulevard Area, all complete, in place, tested and ready for use, in accordance with the Contract Documents therefor, including plans, specifications, instructions to bidders, etc., prepared by Nussbaumer & Clarke, Inc., Consulting Engineers for the said project.

Plans are on file in the office of the Town Engineer of Cheektowaga, Town Hall, Broadway and Union Road, Town of Cheektowaga, New York 14227.

Copies of the proposed Contract Documents, Plans, Specifications and Instructions to Bidders may be examined at the above office, and at the Office of the Engineers at 310 Delaware Avenue, Buffalo, New York 14202, from which latter office copies may be secured upon payment of $50.00 per set of documents.

"Any bidder returning such Plans and Specifications in good condition within 30 days following the bid opening, will be refunded the full amount of the deposit. Similarly, non-bidders will be refunded one-half the deposit. Materials suppliers and anyone returning the Plans and Specifications before the bid opening will also be classed as non-bidders. Any bidders requesting more than one (1) set of Plans and Specifications may purchase the excess, but it is understood that they are not returnable.

All bids must be enclosed in a separate sealed envelope and shall be addressed to the Town Board of the Town of Cheektowaga, New York, and marked as "Proposal for Storm and Sanitary Sewers and Related Work in the Oehman Boulevard Area".

The right to reject any or all bids, to waive any informalities in, or to make an award to other than the low bidder, should it be deemed to be in the best interest of the Town of Cheektowaga, and in accordance with law, are herewith reserved.

Item No. 22 cont'd

Each proposal must be accompanied by a certified check for a sum equal to five per cent (5%) of the amount of the bid, payable to the order of the Town of Cheektowaga, New York, or bond with sufficient sureties to be approved by the Attorney for the Town of Cheektowaga, New York, in a sum equal to five per cent (5%) of the amount of the bid, conditioned that, if his proposal is accepted, he will enter into a contract for the same, and that he will execute such further security as may be required for the faithful performance of the contract.

No bidder may withdraw his bid within 45 days after the date set for the opening thereof, but may withdraw same any time prior to the scheduled time for the opening of bids.

The successful bidder will be required to furnish a performance bond acceptable to the Owner, in an amount equal to the Contract Award.

Attention of the bidders is called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under this Contract.

Attention of the bideers is further called to Section 2604 of the Public Authorith Law which requires a bidder's certificate of non-collusion. Such certificate is part of the bid or proposal form and unless compled with, such bid will not be accepted.

The Town of Cheektowaga is an exempt organization under the Tax Law and is exempt from payment of Sales and Compensating Use Taxes of the State of New York and cities and counties of the State on all materials which are to be incorporated into the construction pursuant to the provisions of the Contract. These taxes are not to be included in the bid.

BENEDICT T. HOLTZ, TOWN CLERK
TOWN OF CHEEKTOWAGA, NEW YORK

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that pursuant to a resolution of the Town Board of Cheektowaga, New York, sealed proposals will be received and considered by the Town Board of Cheektowaga on the 17th day of November, 1975, at 7:30 P.M. Local Time, in the Town Clerk's Office, Town of Cheektowaga Town Hall, Broadway and Union Road, Town of Cheektowaga, New York 14227, for furnishing all tools, equipment, materials and labor for the construction of storm and sanitary sewers and related work in the Oehman Boulevard Area, all complete, in place, tested and ready for use, in accordance with the Contract Documents therefor, including plans, specifications, instructions to bidders, etc., prepared by Nussbaumer & Clarke, Inc., Consulting Engineers for the said project.

Plans are on file in the office of the Town Engineer of Cheektowaga, Town Hall, Broadway and Union Road, Town of Cheektowaga, New York 14227.

Copies of the proposed Contract Documents, Plans, Specifications and Instructions to Bidders may be examined at the above office, and at the office of the Engineers at 310 Delaware Avenue, Buffalo, New York 14202, from which latter office copies may be secured upon payment of $50.00 per set of documents.

"Any bidder returning such Plans and Specifications in good condition within 30 days following the bid opening, will be refunded the full amount of the deposit. Similarly, non-bidders will be refunded one-half the deposit. Materials suppliers and anyone returning the Plans and Specifications before the bid opening will also be classed as non-bidders. Any bidders requesting more than one (1) set of Plans and Specifications may purchase the excess, but it is understood that they are not returnable."

All bids must be enclosed in a separate sealed envelope and shall be addressed to the Town Board of the Town of Cheektowaga, New York, and marked as "Proposal for Storm and Sanitary Sewers and Related Work in the Oehman Boulevard Area."

The right to reject any or all bids, to waive any informalities in, or to make an award to other than the lowest bidder, should it be deemed to be in the best interest of the Town of Cheektowaga, and in accordance with law, are herewith reserved.

Each proposal must be accompanied by a certified check for a sum equal to five per cent (5 per cent) of the amount of the bid, payable to the order of the Town of Cheektowaga, New York, or bond with sufficient sureties to be approved by the Attorney for the Town of Cheektowaga, New York, in a sum equal to five per cent (5 per cent) of the amount of the bid, conditioned that, if his proposal is accepted, he will enter into a contract for the same, and that he will execute such further security as may be required for the faithful performance of the contract.

No bidder may withdraw his bid within 45 days after the date set for the opening thereof, but may withdraw same any time prior to the scheduled time for the opening of bids.

The successful bidder will be required to furnish a performance bond acceptable to the Owner, in an amount equal to the Contract Award.

Attention of the bidders is called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under this Contract.

Attention of the bidders is further called to Section 2884 of the Public Authority Law which requires a bidder's certificate of non-collusion. Such certificate is part of the bid or proposal form and unless complied with, such bid will not be accepted.

The Town of Cheektowaga is an exempt organization under the Tax Law and is exempt from payment of Sales and Compensating Use Taxes of the State of New York and cities and counties of the State on all materials which are to be incorporated into the construction pursuant to the provisions of the Contract. These taxes are not to be included in the bid.

October 17, 1975

TO THE SUPERVISOR AND THE
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

Re.: Bid Award
Pick-Up Truck

Gentlemen:

On October 6, 1975 bids were received and opened for the furnishing of one (1) 4-wheel drive pick-up truck for the Central Garage. It includes the trade-in of a 1970 Chevrolet pick-up truck. Three bidders submitted bids as follows:

BIDDER	NET BID	DELIVERY
Mid City Dodge	$ 4,394.00	60-90 days
Keller Chevrolet	4,475.00	30-60 days
Mernan Chevrolet	4,632.00	60 days

These bids were reviewed with Mr. George Burst. It is recommended that the bid be awarded to the lowest bidder meeting the specifications as designated in the bid proposal. The low bidder, Mid City Dodge, did not meet the specifications in gross vehicle weight and spring loading. The bid should be awarded to Keller Chevrolet, Inc., 3600 Genesee Street, Cheektowaga, New York 14225, and would be in the amount of $ 4,475.00.

Very truly yours,

TOWN OF CHEEKTOWAGA

Chester L. Bryan, P.E.
Town Engineer

Item No. 32 Motion by Councilman Swiatek, seconded by Supervisor Weber

WHEREAS, the children of our Community are entitled to the fun and excitement associated with "Beggar's Night", including going from door to door in their immediate neighborhoods with their happy challenges of trick-or-treat; and

WHEREAS, the increasing possibility of accidents is an ever present threat; and

WHEREAS, it would appear that parents generally favor the early evening hours since it tends to limit participation to the younger childre, for whom the observance was originally intended and thereby discourages interference and disruption by the very small percentage of older children, who under cover of darkness and with their identities concealed by masks and costumes, might otherwise spoil the fun for the smaller children; NOW, THEREFORE,

BE IT RESOLVED that Thursday, October 30, 1975, shall be known as "Beggar's Night" in the Town of Cheektowaga, and that the Town Board ask both children and their parents to cooperate in limiting the time of "trick-or-treating" activities to the period between 6:00 P.M. and 9:00 P.M. We further ask that whenever possible, parents of the very young insure that they or other responsible adults accompany them, and we further encourage all householders, wherever they are able to do so, to cooperate in making this a happy occasion for all youngsters by keeping their porch or exterior lights on.

Councilman Raymond J. Wasielewski

There were absent: Councilman Donald A. Halicki

Also present: Benedict T. Holtz, Town Clerk
John V. Rogowski, Town Attorney

* * *

Councilman Meyers offered the following resolution and moved its adoption:

RESOLUTION OF THE TOWN OF CHEEKTOWAGA, NEW YORK, ADOPTED October 20, 1975, AMENDING THE BOND RESOLUTION ADOPTED ON JANUARY 2, 1975.

Recital

WHEREAS, Chapter 76 of the 1975 Session Laws of the State of New York provides a period of probable usefulness of thirty years for the Town of Cheektowaga (herein called "Town"), in the County of Erie, New York, to pay a judgment to the Buffalo Sewer Authority; and

WHEREAS, the Town Board of the Town has heretofore on January 2, 1975, adopted a bond resolution stating a period of probable usefulness of five years for the payment of said judgment;

WHEREAS, it is now necessary to amend said bond resolution to provide a period of useful life of thirty years;

now, therefore, be it

RESOLVED BY THE TOWN BOARD OF THE TOWN OF CHEEKTOWAGA, IN THE COUNTY OF ERIE, NEW YORK (by the favorable vote of not less than two-thirds of all the members of said Board) AS FOLLOWS:

Section 1. The title of the bond resolution hereinabove referred to is hereby amended to read as follows:

"Bond Resolution of the Town of Cheektowaga, New York, adopted January 2, 1975 and amended October 20, 1975, authorizing the payment of a judgment against said Town, stating the estimated maximum cost of said specific object or purpose is $241,000, appropriating said amount therefor, and authorizing the issuance of $241,000 serial bonds of said Town to finance said appropriation."

Section 2. Section 3 (a) of said bond resolution adopted January 2, 1975 hereinabove referred to is hereby amended to read as follows:

(a) "The period of probable usefulness of the specific object or purpose for which the bonds authorized by this resolution are to be issued, pursuant to Chapter 76 of the 1975 Session Laws of the State of New York, is thirty (30) years, but the maturity of the bonds may not extend beyond April 8, 2005."

Section 3. The amendment to said bond resolution set forth in this resolution shall in no way affect the validity of any liabilities incurred, obligations issued, or action taken pursuant to said bond resolution and all such liabilities incurred, obligations issued or action taken shall be deemed to have been incurred, issued or taken pursuant to said bond resolution as herein amended.

Section 4. The Town Clerk is hereby directed to publish the foregoing resolution, in full, in the "DEPEW HERALD AND CHEEKTOWAGA NEWS," a newspaper published in Depew, New York, and the "CHEEKTOWAGA TIMES," a newspaper published in Cheektowaga, New York, and having a general circulation in said Town, which newspapers are hereby designated as the official newspaper of the Town for such publication, together with the Town Clerk's stautory notice in substantially the form prescribed by Section 81.00 of the Local Finance Law of the State of New York.

Section 5. This resolution shall take effect immediately.

* * *

The adoption of the foregoing resolution was seconded by Councilman Swiatek and duly put to a vote on roll call, which resulted as follows:

AYES: 6

NOES: 0

ABSENT: 1

The resolution was declared unanimously adopted.

BENEDICT T. HOLTZ,
Town Clerk

RESOLUTION OF THE TOWN OF CHEEKTOWAGA, NEW YORK, ADOPTED OCTOBER 28, 1975, AMENDING THE BOND RESOLUTION ADOPTED ON JANUARY 2, 1975.

(Insert)

WHEREAS, Chapter 76 of the 1915 Session Laws of the State of New York provides a period of probable usefulness of thirty years for the Town of Cheektowaga, in the County of Erie, New York (the "Town"), in the payment of its contract to the Buffalo Sewer Authority; and

WHEREAS, the Town Board of the Town has heretofore, on January 2, 1975, adopted a bond resolution stating a period of probable usefulness of five years for the payment of said judgment; and

WHEREAS, it is now necessary, to amend said bond resolution to provide a period of useful life of thirty years; now, therefore, be it

RESOLVED BY THE TOWN BOARD OF THE TOWN OF CHEEKTOWAGA, IN THE COUNTY OF ERIE, NEW YORK (by the favorable vote of not less than two-thirds of all the members of said Board) AS FOLLOWS:

Section 1. The title of the bond resolution hereinabove referred to is hereby amended to read as follows:

"Bond Resolution of the Town of Cheektowaga, New York, adopted January 2, 1975 and amended October 28, 1975, authorizing the payment of a judgment against said Town, stating the estimated maximum cost of said specific object or purpose is $241,000, appropriating said amount therefor and authorizing the issuance of $241,000 serial bonds of said Town to finance said appropriation."

Section 2. Section 3 (a) of said bond resolution adopted January 2, 1975 hereinabove referred to is hereby amended to read as follows:

(a) "The period of probable usefulness of the specific object or purpose for which the bonds authorized by this resolution are to be issued, pursuant to Chapter 76 of the 1915 Session Laws of the State of New York, is thirty (30) years, but the maturity of the bonds may not extend beyond April 8, 2005."

Section 3. The amendment to said bond resolution set forth in this resolution shall in no way affect the validity of any liabilities incurred, obligations issued, or action taken pursuant to said bond resolution and all such liabilities incurred, obligations issued or action taken shall be deemed to have been incurred, issued or taken pursuant to said bond resolution as herein amended.

Section 4. The Town Clerk is hereby directed to publish the foregoing resolution, in full, in the "DEPEW HERALD AND CHEEKTOWAGA NEWS," a newspaper published in Depew, New York, and the "CHEEKTOWAGA TIMES," a newspaper published in Cheektowaga, New York, and having a general circulation in said Town, which newspapers are hereby designated as the official newspaper of the Town for such publication, together with the Town Clerk's statutory notice in substantially the form prescribed by Section 81.00 of the Local Finance Law of the State of New York.

Section 5. This resolution shall take effect immediately.

NOTICE

The resolution published herewith has been adopted on the 2nd day of January, 1975 and amended on the 20th day of October, 1975 and the validity of the obligations authorized by such resolution may be hereafter contested only if such obligations were authorized for an object or purpose for which the Town of Cheektowaga, in the County of Erie, New York, is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this Notice were not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the publication of this Notice, or such obligations were authorized in violation of the provisions of the constitution.

Cheektowaga, New York 14227

Attention: Mr. Chester Bryan, P.E.

Re: Proposal for Engineering Services
for the T-2 Diversion Channel

Gentlemen:

This proposal for engineering services to developed contract plans and specifications for the T-2 diversion channel and related work is being presented as per our discussions with Mr. Chester Bryan, and the resolution passed on September 15, 1975 by the Cheektowaga Town Board.

The T-2 diversion channel is a portion of the proposed Buffalo District, Corps of Engineers plan of improvements for Scajaquada Creek and Tributaries, shown on attached sheet (Appendix A).

The proposed improvements consist of channel widening and levee construction on Tributary T-3 from George Urban Boulevard to the New York State Thruway and the construction of the diversion channel from Tributary T-3 to Tributary T-2A in the vicinity of Genesee Street paralleling the Western side of the New York State Thruway.

Contract plans and specifications are to be prepared in accordance with Corps guide specs and other materials. Draft plans and specifications are bo be sent to the Corps for review. No fees for design are contained in this proposal, since the design is being accomplished as a part of our present contract with the Corps of Engineers.

Scope of Services

The scope of services to be performed under this contract are the following four items of work:

1. Preparation of Construction Drawings for contract letting includes plan, profile, typical channel sections, levee details, rip rap and headwall details, other miscellaneous details, setting right-of-way and easement lines and a check of existing utilities to determine their affect on the project.

Also included in this item of work is attendance at a maximum of three technical meetings with the Town, the Corps of Engineers or other concerned officials.

2. Right-of-Way. This item of work consists of performing all deed searches necessary to adequately determine properties (owners and boundaries) affected by this project. The properties and their owners would be shown on the drawings. In addition we will prepare all right-of-way and easement maps with written description of the takings. Estimate - 5 parcels.

3. Quantities and Estimates will be performed under the third item of work and include all quantities necessary to accurately determine the estimate and construction cost. The construction estimate will be based on 1975 price levels.

4. Technical Specifications and Contract Documents consists of adopting standard Corps of Engineers specifications to this project, the writing of any additional specifications necessary to adequately portray the work, preparation of documents necessary for letting the contract to bidders, assisting the client in advertising for and receiving bids and making recommendations on awarding the contract.

We propose a fee for the above services to be equal to our salary costs times a multiplier of 2.5 plus non-salary costs incurred. The multiplier includes overhead and profit. The non-salary costs include such items as, reproductions, computer costs, travel and , etc. Should special services be required (technical inspection of construction or other services not included above), we propose the above 2.5 multiplier method again be followed.

We estimate an upset limit for the above work to be approximately $13,500. If it appears during the progress of the work, the estimated fee is going to be exceeded, the Town will be notified immediately of the problems involved, prior to negotiating an increased upset limit.

Preliminary plans for the GDM II were submitted to the Corps on September 29, 1975 for review and approval. Upon approval of the proposed preliminary designs effecting the T-2 diversion, work on the final Design GDM II and Contract Plans and Specifications can be completed concurrently. Corps of Engineers final review of the GDM II is scheduled for completion on February 1, 1976. Contract Plans and Specifications for the T-2 divirsion and related work will be completed within two weeks of final Corps approval of the GDM II, sufficient time for a Spring contract letting.

Your signature at the bottom of this letter indicates acceptance of this proposal and will serve as our contract.

We wish to thank you for the opportunity to submit this proposal, and hope it meets with your approval. If there are any questions concerning the above, please contact us.

Sincerely yours,

McFARLAND-JOHNSON-GIBBONS ENGINEERS, INC.

ABSENT: Councilman Halicki

Item No. 43 Local Ordinance #40

Motion by Councilman Johnson, seconded by Supervisor Weber

BE IT RESOLVED that the Town Attorney be and hereby is authorized to appoint an architect and inspector to take a survey of the property located at the rear of 2308 Genesee Street, Cheektowaga, New York to determine whether the building is unsafe and in a dangerous condition. The Town Attorney is also authorized to notify the owner of the said property to appoint a practical builder, engineer or architect to survey said building.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Wasielewski & Johnson
NAYES: 0
ABSENT: Councilman Halicki

Item No. 44 Motion by Supervisor Weber, seconded by Councilman Wasielewski to adjourn the meeting in memory of Edward Stachowski.

MARY F. HOLTZ

SPECIAL MEETING NO. 37

CHEEKTOWAGA, NEW YORK
October 30th, 1975

Item No. 1 At a special meeting of the Town Board of the Town of Cheektowaga, Erie County, New York held at the Town Hall, corner of Broadway and Union Road, in said Town on the 30th day of October, 1975 at 7:00 o'clock P.M., Eastern Standard Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Donald A. Halicki
Councilman Thomas M. Johnson

ABSENT: Councilman Raymond J. Wasielewski

Also present were: Mary F. Holtz, Deputy Town Clerk; Jim Kirisits, Deputy Town Attorney; Ronald Norman, Receiver of Taxes; Benedict Kostrzewski, Chief of Police; Edward Leaks, Recreation Director.

Item No. 2 Authorization for Joseph Klosko and Edward Kowal to attend Special Hearing.

Motion by Councilman Halicki, seconded by Councilman Wroblewski

WHEREAS, the International Union of AFSCME, AFL-CIO is holding a special hearing on Saturday, November 1st, 1975, and

WHEREAS, Joseph F. Klosko and Edward Kowal will be attending said hearing, NOW, THEREFORE, BE IT

RESOLVED that Joseph F. Klosko and Edward Kowal be granted an excusable leave of absence for Friday, October 31st, 1975 to attend the special hearing in Philadelphia, Pennsylvania on November 1st, 1975, and BE IT FURTHER

RESOLVED that all reasonable and necessary expenses incurred by the two individuals shall be reimbursed by the Town of Cheektowaga.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Halicki & Johnson
NAYES: 0
ABSENT: Councilman Wasielewski

Item No. 3 Motion by Councilman Halicki, seconded by Supervisor Weber to adjourn the meeting.

SPECIAL MEETING NO. 38

CHEEKTOWAGA, NEW YORK
October 30th, 1975

Item No. 1 At a Special Meeting of the Town Board of the Town of Cheektowaga, Erie County, New York, held at the Town Hall, corner of Broadway and Union Road, in said Town on the 30th day of October, 1975 at 7:30 P.M., Eastern Standard Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Donald A. Halicki
Councilman Thomas M. Johnson

ABSENT: Councilman Raymond J. Wasielewski

Also present were: Mary F. Holtz, Deputy Town Clerk; James Kirisits, Deputy Town Attorney; Ronald Norman, Receiver of Taxes; Benedict Kostrzewski, Chief of Police; Edward Leaks, Recreation Director.

Item No. 2 Public Hearing on Ad Valorem Budget - 1976 *

This Supervisor advised the Town Board that this was the time and place advertised for a Public Hearing on the estimates of revenues and expenditures for the year 1976, for the General Fund, Consolidated Garbage District and General Lighting Districts.

The Town Clerk presented proof that the Notice of Hearing has been duly published and posted as required by law.

The Town Clerk then proceeded to read aloud the estimates of revenues and expenditures for the year 1976, for the General Fund, Consolidated Garbage District and General Lighting Districts.

The Supervisor then asked if anyone wished to speak either in favor or against the proposed budget.

The Hearing was closed.

Item No. 3 Motion by Councilman Halicki, seconded by Councilman Wroblewski to adjourn the hearing.

MARY F. HOLTZ
Deputy Town Clerk

* A copy of the minutes of the public hearing is on the following pages

Final and Primary Public Hearing in regard to the Town Budget held by the Cheektowaga Town Board, at the Town Hall, corner of Broadway and Union Road, Town of Cheektowaga, Erie County, New York, on the 30th day of October, 1975, commencing at 7:30 o'clock, p.m.

PRESENT:

TOWN BOARD:
DANIEL E. WEBER, Supervisor
FELIX T. WROBLEWSKI, Councilman
FRANK E. SWIATEK, Councilman
KENNETH J. MEYERS, Councilman
DONALD A. HALICKI, Councilman
THOMAS M. JOHNSON, JR., Councilman.

JAMES J. KIRISITS, ESQ., Dpty. Town Atty.

MARY HOLTZ, Deputy Town Clerk.

JOHN MALLOY, Town Accountant.

* * * * *

SUPERVISOR WEBER: At this time I'd like to call upon John Malloy of the firm of Percival, Bixby & Company. Mr. Malloy.

MR. MALLOY: Did everyone pick up a copy of the Budget on the table as they came in? The "Ad Valorem" Budget consists of the General Funds, Highway Fund, Consolidated Garbage District, and the Lighting District.

I'll start reading from Page 2 of the estimated Town Budget form for the General Fund appropriations. I'll just read departmental totals. The Town Board -- and all figures read are just the preliminary 1976 column -- $67,190; Justices, $99,330; Supervisor, $106,820; Independent Auditing, $15,000; Tax Collection, $76,500; Budget, $15,000; Tax Assessment Review, $3,425; Assessor's Department, $119,180; Town Clerk, $116,790;

SUPERVISOR WEBER: At this time I'd like to call upon John Malloy of the firm of Percival, Bixby & Company. Mr. Malloy.

MR. MALLOY: Did everyone pick up a copy of the Budget on the table as they came in? The "Ad Valorem" Budget consists of the General Funds, Highway Fund, Consolidated Garbage District, and the Lighting District.

I'll start reading from Page 2 of the estimated Town Budget form for the General Fund appropriations. I'll just read departmental totals. The Town Board -- and all figures read are just the preliminary 1976 column -- $67,190; Justices, $99,330; Supervisor, $106,820; Independent Auditing, $15,000; Tax Collection, $76,500; Budget, $15,000; Tax Assessment Review, $3,425; Assessor's Department, $119,180; Town Clerk, $116,790;

#39

Attorney, $79,920; Personnel, $5,000; Engineer, $133,775; Elections, $131,225; Building Maintenance, $468,735; Central Garage, $189,035; Central Printing and Mailing, $2,385; Specialty Items, $216,054; Public Safety Administration, $53,525; Police, $1,944,100; Traffic Control, $60,000; Dog Warden, $31,725; Examining Boards, $2,055; Civil Defense, $5,845; Superintendent of Highways, $41,715; Highway Garage, $14,700; Sidewalk, $20,000; Total Transportation, $76,415; CETA Program, $616,920; Title 6 CETA, $318,955; Publicity, $1,000; Veterans, $2,600; Parks, $101,100; Playgrounds and Recreation, $528,910; Beach and Pool, $141,672; Band Concerts, $17,175; Youth Programs, $184,924; Library, $13,660; Historian, $4,140; Celebrations, $9,600; Adult Recreation, $38,955; Shade Trees, $33,000; Undistributed Benefits, $1,327,250; Debt Service Principal, $289,677; Interest, $207,903; the total General Fund appropriations, $7,856,472. The total General Fund revenues, on Page 17, $4,837,728. The applied Estimated Unexpended Balance is $500,000. That's the General Fund.

You want me to stop here for discussion of the General Fund? Let me give the tax range for the General Fund.

In the yellow pamphlet, all the taxes are listed on Page 11 and Page 12 of the yellow booklet. Unfortunately, the yellow booklet, the tax rates there were the tentative budget, not the preliminary budget. The girls made the wrong copies. Does somebody have a copy of the preliminary -- the rates in the yellow booklet, the ones we used in the school hearings?

MR. JOHNSON: Here, you can use this.

MR. MALLOY: If you'd like to make a note, the yellow pamphlets that were distributed have the tentative tax rates in there and they should have had the preliminary tax rates. The General Fund, 1976 preliminary tax rate is $15.67. The 1975 rate was $13.95, increase being a dollar seventy-two.

The summary of rates, the correct summary on Page 12 shows the preliminary rates, the General -- it's up to a dollar seventy-two; the Highway is down a dollar forty-two; Garbage, down eighty-one cents; Lighting up eighty-nine cents, for a net Ad Valorem increase of thirty-eight cents.

The figures in the books passed out show the tentative increases but the budget we're discussing

#39

tonight, the budget I read is the preliminary budget which is thirty-eight cents net increase.

MR. JOHNSON: Mr. Supervisor --

SUPERVISOR WEBER: Councilman Johnson.

MR. JOHNSON: Ladies and gentlemen, I'm glad to see a few more than we've been seeing at our preliminary hearings on the preliminary budget. We've averaged, in the last three hearings, six people per hearing, a large empty auditorium.

I'd like to say that, in addition to those hearings and this hearing, your Board has met in six work sessions, reviewing line item by line item the proposed expenditures in the tentative budget with the department heads, receiving explanations as to the type of expenditures and using this document right here, the 1975 budgetary projections. What this document does is, for example, list line item, list what was budgeted in 1975, lists the transfers, any funds coming in or out, lists the expenditures and then sort of a projected expenditure for that line item and then a balance, negative or positive, so we get an idea did the department head overexpend his allowance on that line item. Did he underspend? Can he justify budgeting the same amount or an excessive or an increased amount and then we made a decision on whether to make a cut or an increase.

We made cuts, we made increases during the sessions which were incorporated in the preliminary Ad Valorem Budget.

I'd like to say that we made what would be called twenty-four major cuts, that is, items of $2,000 or more; fifty-seven smaller cuts -- rather fifty-four smaller cuts totaling $57,000. The twenty-four major cuts would total approximately $200,000. The fifty-four smaller cuts, approximately $57,000. You can see that we had a lot of little small cuts throughout the budget, so it gives you the impression that, certainly, we looked at all the line items.

Now, the fifty-four smaller cuts amounting to $57,000 enabled us to make approximately nine or ten additions, plus accommodate some of our accountants adjustments in the budgets where certainly there was an underbudgeting so

#36

that we had a net of $23,700 in miscellaneous reductions. The total reductions is $229,700 in the General Fund; by comparison, $52,225 in the Highway Fund and $35,100 in the Consolidated Garbage District, resulting in the tax rate increase of thirty-eight cents per thousand.

Now, something that, of course, hasn't been alluded to and what I wanted to do is make this as part of the record today, is that we did make some additions, some specific additions. We allowed $7,000 this year, the only year that we're going -- any of us are going to see as the bicentennial year, we allowed $7,000 for the bicentennial celebrations.

The Aid to Youth, Aid to Youth was budgeted for sixty thousand last year. We raised that to sixty-five thousand. That's in this preliminary budget. So that's a $5,000 increase to accommodate such items as the Crab Apple Tournament, and we did make some specific other increases. Youth Service Projects were increased $2,000. We had some items that simply weren't budgeted properly. We added items so that people could have water in some of our department buildings and we did increase the allotment for the Recreation Director since he's been a probationary individual up to now. We did increase the provision under the Justices' budget since we'll have a Small Claims Court, so we increased over -- well, $4,350 to accommodate additional clerical and increase the Justices' salaries proportional with their increase in work load associated with the Small Claims Court.

The decreases that were made over all I would like to assure you were done closely with the accountant and after a session with the department head and were intended to represent no decrease in services, but a reasonable allowance for what is anticipated will be spent. There were samples of gross overappropriation where we were able to make some significant cuts. We had the assistance of some of our department heads such as Mr. Ed Leaks, the Recreation Director, and advising us as to the necessary expenditures, necessary numbers of personnel and such so we could make some cuts. I appreciate your time and -- oh, I'd like to say one thing, that there are budgetary surpluses.

Budgetary surpluses are passed on from budget to budget. If we reduce appropriations in the preliminary budget or in the final budget, we may be reducing budgetary appropriations in the following year. I don't believe this will happen. I believe there's sufficient in the budget that will be represented as a surplus at the end of this year. However, we've reduced that allowance and it's incumbent upon the Supervisor in '76 and the Board to closely watch month by

#39

month the expenditures in each department to see that we do not have individuals that are overrunning their specific budget limitations and I've asked our Town Accountant and our Town Accountant will be providing this year something that was not provided us in the previous two years, at least, and that is copies hereafter of the departmental monthly expenditure summaries and these summaries will detail the line item accrued expenditures up to date, each month, the budget appropriations, so that we can make eyeball comparison and where the funds are going. So where we see a department head may overrun his budget or where he may be purchasing items that were not anticipated or were not certainly -- that we were not advised of when we cross examined him during the budget sessions. This is the tight month-by-month control if we're going to live with a budget.

Also, I've asked the Town Accountant for a proposal, for a system of purchase orders and encumbrance whereby items will be purchased through the use of purchase orders, I would hope signed by a supervisor, and that certain funds would be encumbered for the specific items that we were requested for in the '76 finalized budget. So that we can restrict the transference of funds and possibly the frivolous expending of funds on other items.

Certainly, this projection, which will be available to us in the next fall, the projected expenditures. In other words, what we have each time we face a budget is this: We have the ability to find out what was spent up through September, but not a full twelve-month projection so that we can evaluate what's really going to be spent that year and look at next year's appropriation. We'll have that next fall.

We'll have the monthly summaries and we'll have tight control, purchase order encumbrance, and I'm very optimistic about our future budgets and our hold on the tax rate. And I think you can understand that thirty-eight cents per thousand was resolved through a great deal of effort. Some thirty-eight and a half hours of budgetary review sessions were actually devoted to reviewing this budget.

Again, I thank you for your time.

SUPERVISOR WEBER: Councilman Wroblewski.

MR. WROBLEWSKI: Yes, I was going to ask a question,

#39

Mr. Malloy. On the third page, we've got "Independent Auditing and Accounting, $15,000". That isn't your company?

MR. MALLOY: Yes, it is.

MR. WROBLEWSKI: That's --

MR. JOHNSON: You want to speak up?

MRS. MAYER: Is it in the yellow book?

MR. WROBLEWSKI: I got my own.

MRS. MAYER: Want me to sit up there with you, sit on your lap?

MR. MALLOY: On Page 2 of the Budget.

MR. WROBLEWSKI: It's an item of $15,000 for contractual expenses. I thought we pay you people by the month and there was no more?

MR. MALLOY: That's right. What our firm receives is under the Auditing category and Budgeting category and it was last year also.

MR. HALICKI: Mr. Wroblewski, that probably is an item that will come up probably

every year on various special district items where extra Auditing and Control will have to check into various things mandated by the State. It's over and above the normal flow of the Percival, Bixby & Company. The State may come along and say, "We want to know this". These men will have to put in extra time and extra effort if, for instance, a new sewer district may be established on the northeast side of the Town, for instance, which has been mentioned in the paper. This is where this money would be spent, this type of item.

MR. WROBLEWSKI: I think at a public hearing it's to hear all the people in the audience. Let's hear from the folks first.

MR. MEYERS: I'd like to make a couple comments myself. Looking over the budget, we find forty-nine per cent of the budget is wages. That doesn't even include fringe benefits so that we know that the personnel plays a big portion of the burden of our budget. I think priority items in 1976 should have closer scrutiny of overtime. I think we've discussed that in many of these work sessions and additional personnel. It's my feeling that I think we should try to run a Town with the personnel that we have and that we only appoint new people on retirement of people presently serving in permanent positions right now.

I also feel we should, particularly in the Police Department, that we should hold down any promotions. I feel that we are top heavy with brass. In 1975 we had three patrolmen in the budget, we appointed six, but this was after the half year so that the salaries were there. Now, the reasoning for appointing -- there's no patrolmen in for 1976. The reason for that is we have a strong feeling that two dispatchers are going to retire and these two dispatchers are not patrolmen, but they have to be replaced with patrolmen. So in '75 we appointed these men so they could get the training and be prepared for 1976.

There's also some additional retirements in the patrolmen and also retirements in the lieutenants. I feel it would be my opinion that as these lieutenants or captains so retire, they should be replaced by patrolmen and no promotions made within the department.

#39

Now, this is an area where I think we can get this back more in balance in 1976 if we do have retirement, the captains, lieutenants, we replace them with patrolmen and bring this back to a better balance. So these are a couple of the items we have to watch and we've got to watch equipment expenditures and not do it at the end of every year. I think we have to do it on a monthly basis and, of course, we should be very answerable to overtime. Overtime should just be of necessity.

MR. JOHNSON: I'd like to add to that, Supervisor, just briefly. We did make certain cuts as, again, in close conjunction with our accountant in examining just how the money is spent, certain cuts in overtime in each of the major budgets. We still are left with a very large overtime provision but we'll be reviewing this over this coming year to see whether that, in turn, might be rearranged in some way so that cuts become possible. So overtime is always necessary because of seasonal type of work. Rather than hire a man for a full year, you would allow a man to work overtime in times of snow, sanitary sewer problems, this type of thing. So some overtime is always necessary.

But we did make some cuts last year -- just to give you an example -- in the tentative budget prior to our reductions, $292,300 was budgeted for overtime. This is the first time in a couple years, I would say, that the Town Board has examined overtime in detail. It's usually included in overall personnel costs in the budget, sort of lumped together, even in the detailed budget that we received. But now we've got a little tighter handle on it.

I'd like to make one other mention. There's many questions been raised about revenue sharing, the use of revenue sharing. It could happen that revenue sharing ceases in January of '77, it could happen. It won't probably -- well, I would think it wouldn't because certainly the cities depend on it and if they get it, we get it. Anyway, $675,000 was allotted for the budget as an application to the budget, specifically for police wages. Now, the danger in this is that if the $675,000 in revenue sharing is not continued in '77, it would be immediately applied to the taxpayer in the following year because you can't ignore the wages. They come up every year, so the plan was to do this, and we incorporated that in the preliminary budget: Allot only five hundred thousand for police wages which is a little bit down from five hundred thirty thousand allotted last year in revenue sharing and take a hundred seventy-three thousand some odd hundred dollars and

apply that directly to the first year financing requirement of the twenty-year retirement policy for police that was won in the recent contract. This is a one-shot deal and, therefore, won't haunt you in '77 if we lose revenue sharing. So it was an effort to reduce the impact of loss of revenue sharing in '77.

So we've looked at very many facets of the budget. One thing that has been stated is, you know, equipment, vehicles, what have you, and that's been brought up at almost every one of these preliminary preliminary hearings. And the suggestion that's been quite frequently made is, one, a reduction in personal vehicles and perhaps a shift to a mileage allotment and the other is the use where vehicles are necessary, economy type vehicles with greater mileage per gallon capability.

In addition to that, the distinctive marking of these cars because we've got about a hundred fifty vehicles in the Town that are not trailers and what have you, but rolling vehicles, and, therefore, you know, it's necessary to think of it as a vehicle pool and move them from department to department, where necessary, and to share certain equipment. We are in the process of receiving a detailed analysis of the type of vehicles, the mileage that presently has, the type of use and the term during the year, the term use so that if vehicles can be switched from department to department or shared, this could be done and then, of course, an inquiry will be made with other municipalities to compare their use of vehicles and their allotment for vehicles.

At the same time we're doing the same thing with the police department, the statement that Councilman Meyers made about top heavy police department, this is entirely possible. We don't know absolutely but we have that feeling that this is true. Forty-nine people are above the rank of patrolman. And perhaps if we could remove certain desk jobs, we can hire, you know, as these people retire, we can hire, instead of moving someone up to replace those jobs, we can hire patrolmen so we'll have no net increase in the total policemen in our budget, but have more men on the street. So this is the aim.

What we'll be doing is getting report on other municipalities in the vicinity and I know there were other area towns and comparing them by rank and by performance the way they organize their police departments and perhaps see where certain positions can be eliminated.

Again, I'm sorry for taking up more of your time.

MR. SWIATEK: Mr. Supervisor, I would like to make, as part of our record at our budget hearing this evening, the request from the Southline Athletic Association, the Maryvale Baseball, Incorporated, Beverly Hills Athletic Association, the U-Crest Little League, and the Cleveland Hill Little League, Incorporated, basically the requests that the Town Board of the Town of Cheektowaga back the Crab Apple Tournament consisting of six teams from each league composed of approximately five hundred to six hundred boys. As part of our record, I would like, rather than read all these letters, I would like to state that many of these organizations represent six, seven hundred kids, so I have letters representing as many as three to five thousand youth in our Town and they asked us to back them for $1,300 for the tournament next year, of course, crab apple having a significance for our community. We have several representatives of the Little Leagues.

I heartily endorse this appropriation. We have several representatives of the Little League. I think if each representative would stand up or if we have one representing all the groups, would you just stand and make known your feelings and we'll make all of these also as part of the official hearing.

MR. JOHNSON: I hope you understand, of course, when we approved the preliminary budget, we did approve a $5,000 increase and we are glad to see you here supporting our increase in that area. That was two weeks ago that we put that money in the budget.

MR. PINIARSKI: Anybody here for that?

MR. JANIK: Jerry Janik, , Chairman of this committee, I guess. Our tournament has increased from two leagues to six leagues. We have approximately now six hundred children involved and it gives us a good representation of the children and the Town. And I think for the bicentennial year, it will be very significant for us to show a good turnout for the Town and for the youth of the Town. And this has been a joint effort with six leagues which is very --

MR. JOHNSON: I think the Town Board owes you a vote of thanks for all the work you've done because, while we attend sessions, you guys are out every night doing that and you're putting in as much time in this Town as any of us can, so I really think a lot of you.

MR. SWIATEK: Thank you, fellows, for coming out tonight.

MR. PIJACKI: Tony Pijacki, Cheektowaga South Side. I think you gave out five--

MR. SWIATEK: I have five letters and Cheektowaga South Side now goes on record.

MR. PIJACKI: Yes.

MR. JOHNSON: For the benefit of the Court Reporter, if anyone makes a comment, even if they come back on the floor, they should state their names and address. This is of great assistance to this man.

SUPERVISOR WEBER: Will you please allow Councilman Swiatek to finish his remarks?

MR. SWIATEK: I would like to state for the record that we did have four preliminary hearings on the Town Budget and perhaps just briefly outline some of the areas of concern because, while the attendance may not have been as high as we would have liked it, I think the quality of the questions were excellent.

Number one, there was a question regarding the turmoil in New York City, the crisis in New York City and the bond indebtedness of New York City, and one of the

questions which arose is, "Where does the Town of Cheektowaga stand as regards the bonded indebtedness limit?"

As you know, the Town can only bond for a limit set for New York based upon our assessed evaluation. I'm informed, upon questioning John Malloy, that right now the Town is approximately ten to twelve per cent of its debt limit. So out of a hundred per cent debt limit, we've only bonded ten to twelve per cent. I think we chose some physical integrity.

I think another question, of course, was the fact of the high interest rates that the Town paid, a ten per cent interest rate on approximately a one million dollar bond for our ice skating rink. I had talked to the M & T Bank, the successful bidders of that particular note. They indicated to me that there were two other issues on that particular day. The City of Niagara Falls, on that particular day, had a bond due of about $6,000,000. There was only one bidder and the bidder in Niagara Falls only bid approximately fifty per cent. They only bonded approximately three million of the six million that Niagara Falls wanted.

The Town of Cambria on that same day -- and the interest rate in Niagara Falls is about eleven and a half per cent -- the Town of Cambria on the same day also had a bond issue and they paid approximately eleven and a half per cent on that particular -- twelve and a half per cent with only bidder.

The Town of Cheektowaga paid ten per cent and we had three bidders.

In discussing this matter with the vice-president of the M & T Bank, I said, "What significance does it have to the Town regarding this issue?" and he indicated to me that the Town, by having three bidders, that the Town of Cheektowaga has access to the bond market, meaning that, because of our debt limit, our low debt limit and physical integrity, we do have access to the market.

Secondly, he felt, on an overall theme, that the municipal bond market, that the investors were very careful about investing in municipals. They felt it's a risk investment at this time because of some of the problems of the cities and he felt, although it's a risk investment, did feel that if the interest rate was high enough, the investors will take a risk.

The third item, there was some discussion about the bidding procedures that the Town of

Cheektowaga uses and I have informed the proponent of that question that any bid for a single item expenditure in excess of $1,500 should be bid and any capital improvement over thirty-five hundred should be bid, and the department heads should anticipate that if they are going to make an expenditure in any one area over a period of time in excess of $1,500, they should definitely bid that particular item which simply means this: That if a department head has an eight hundred dollar anticipation bid, say, in March and an eight hundred anticipation item to be purchased in July of the same item, the total is sixteen hundred. That item should be bid. That item should be bid.

Now, while I'm on the bidding, we're talking about purchasing here, I'd just like to go on record as indicating, and I've done so in the preliminary hearings, I have here the purchase handbook for municipalities set forth by Mr. Arthur Levitt, our State Comptroller, for the Department of Audit and Control, Department of Municipal Affairs, and I know Tom talked about encumbrances which is a part of good budgetary procedure. I'd like to read a section which the State Comptroller of the Department of Audit and Control, who audits this Town, these people audit our community, what their recommendation, what the State Audit and Control recommendation is is that it says, "Gentlemen: The objectives of purchasing are to buy materials, supplies and equipment of the right quality at the right quantity from the right source at the right price. The responsibility of authority for purchasing and all of the accompanying functions should be delegated by the governing board to one official or one employee." I'd like to underline that, "by the governing board to one official or one employee". He may be the Town Director of Purchasing, the County Purchasing Agent. The title of the office doesn't matter. It's the performance that continues.

Now, I'm not necessarily indicating we have a new position in the Town. It could be a reshuffling of one's responsibilities for the purchasing. Right now we have as much as twenty people doing the purchasing in each department of the Town, but this is the recommendation set forth by the State Department of Audit and Control who does investigate the Town.

MR. JOHNSON: Mr. Supervisor, I believe there's a need for questions because I would like to reserve a statement until after the questions from the audience.

#39

SUPERVISOR WEBER: Councilman Johnson, let's be fair here. No one has interrupted you. You've had the privilege of the floor for some time. I think with all due respect to your colleague here --

MR. JOHNSON: I thought he had completed. I'm sorry.

MR. SWIATEK: The second item, I think we're all concerned about tightening up our operations, tightening up our budget procedures, and one of the items that I've recommended is a capital program, a capital program sponsored by the Town of Cheektowaga in the form of a resolution whereas we would establish our objectives in our capital program, what do we intend to accomplish over the next six-year period. I also have here a copy of a report from the Comptroller's office, Arthur Levitt, called the "Budget Manual for the Towns", and one of the items in the Budget Manual has to do with the capital programming and also the form needed and required for effective capital programming. I think that people have a right to know what we intend to do over the next six-year period and to put it down in writing, to put it down where it's effective for us.

Another item brought up was the possibility of increasing our fees for building permits. This is an area we ought to perhaps look into. I think somebody already touched on the area of benefits. Civil Service wages was up. I think Mr. Piniarski brought that up at Cheektowaga Central, the fact that for many years municipal employees, in terms of salaries, rank below other such jobs in industry and other such jobs in business. But because of the implementation of the Taylor Law, the Public Employment Relations Board, those wages are now probably on par or perhaps a little above, and that he expressed concern, I think it was a very valued statement that Mr. Piniarski made.

Marking cars was another one. I think every Town car ought to be marked. I think we ought to look into that.

There was one complaint I think which has a lot of merit and that was Mr. Wiercioch, who's in the audience, regarding the budget forms that are given out to the people, perhaps the budget forms you have in your hand, as

#39

being not understandable by the layman. I think that's correct. I think that perhaps in the future we ought to, you know, talk about having some budget forms that an average person would be able to understand rather than use a State budget form or Ad Valorem type budget.

There was a question of building any additional swimming pools by the Town of Cheektowaga and this individual felt that, because of the many back yard pools which are in existence today, that the Town ought to consider very carefully any suggestions for additional swimming pools.

MR. JOHNSON: Reconsider, I believe, that the Town Board should reconsider any additional --

MR. SWIATEK: Thank you for your correction, Tom. So my final point, Mr. Supervisor, has to do with the direction of our budget. We had the preliminary hearings and we asked the taxpayers for input on what they thought our most important services were in our community and what they thought our most important capital programs were in our community. Now, we probably have maybe twenty or twenty-five sheets that were filled out, certainly did not constitute the proper data for a random sampling, but I think that we ought to consider this type input data in the future for determining some of the directions we ought to be heading in with our services. For example, from the twenty-five we had, it's very obvious that police and courts rank very high in terms of what people consider essential services in the Town.

Heading the list of capital programs was sanitary sewer and storm sewer improvements which, I think, is very, very obvious. But it's this kind of citizen input and participation which I think will help have an effective government. Someone said the quality of government can be largely determined by the amount of people that take part in it and I heartily endorse that particular statement. What I'm getting at, to give you an example, we have a budget and we have a folder and we have many line items. My question is what do we accomplish with those line item amounts? What results do we anticipate with those line item amounts. What are major problems in our community and how does this budget address itself to those major problems in our community. What I'm getting at is setting some definite objectives in our problem areas. I heard so much argument saying that flooding is a

major item. There's no question it's our number one problem. I think the people have the right to know, in terms of what objectives are we setting for the year 1976 to solve this problem, what items are there in the budget which address itself to the question of what are we going -- how much money are we setting aside in the different fields for the different budget amounts for flooding and I think we should think about this and it's nothing that anyone can do at just one sitting, but I think it's a direction that I would like to see our Town go.

I think people would like to know what our objectives are in the Highway Department and Senior Citizens. I think these are the kinds of people that will know where our community is heading in and what items in the budget reflect that direction. So I think -- I reserve the right to answer any additional questions or make additional remarks, but I want to just kind of give the overview of some of the thoughts that I had and some of the input I thought I received over the preliminary budget hearings, Mr. Supervisor.

SUPERVISOR WEBER: Thank you, Councilman. Ladies and gentlemen, I'm going to express my own feelings on this after we hear from the people who are in the audience who wish to propose any questions to Mr. Malloy or the members of this Board regarding any item of this budget and, if anyone wishes to be heard, please, before you speak, state your name and your address for the record if there is anyone who wishes to question any item. Yes, Mrs. Sloane, please.

MRS. SLOANE: Mrs. Sloane, Evelyn Sloane, . Mr. Meyers mentioned something about the policemen. Isn't there some sort of a scale set up by the FBI whereby so many patrolmen are supposed to have a lieutenant and I think it would be so many lieutenants would have a captain and so on?

MR. MEYERS: Yes, there is a scale such as that.

MRS. SLOANE: Well, hasn't that been applied in

#39

our police department?

MR. MEYERS: I don't know what the figures are exactly, but I think that last promotion --

MRS. SLOANE: There's so many top heavy --

MR. MEYERS: -- that sort of exceeded that where nine patrolmen were promoted to lieutenant.

MR. HALICKI: Maybe I can help Mrs. Sloane. Basically, it's an average per capita is what we're talking about. In other words, at this point I believe the City of Buffalo is over the FBI average and yet they have problems. Basically, the Town of Cheektowaga is under the average and we have less problems. So that isn't the ultimate. It's strictly a guideline. Am I correct, Chief?

CHIEF KOSTRZEWSKI: Yes.

MR. HALICKI: It's only a guideline.

MR. MEYERS: I think it's an opinion, as an opinion, I feel there's an excess of lieutenants and captains. I feel that right now, and I think in '76 we can help correct that and in '77 we can correct that even more and put it in balance.

MR. JOHNSON: If I might elaborate on that, I think what we are talking about is we have always been given a figure as the Town Board of one point four police officers per

thousand and, frankly, how that works out as far as patrolmen on the street and supervisory is something we are going to try to determine from looking at other towns of similar makeup. In other words we may have, we may be approaching the FBI figure for police officer per capita but we may not have the actual patrolmen on the street compared with other positions in the police department and the Chief has graciously agreed the last time that we appointed police officers to closely scrutinize his department for seats that can be simply allowed -- people can be simply allowed to -- in other words, certain positions to be deleted by attrition. As these people hire out, we hire patrolmen. In other words, that means one more patrolman on the street, but not an increase in the budget of one more man. In other words, we'll increase patrolmen on the street, I think that's our intention, but we are going to closely scrutinize the other staff. The only figure that we've had is that one point four overall per thousand.

MRS. SLOANE: Then I understand the way Mr. Halicki says, according to scale, we don't have enough policemen altogether.

MR. HALICKI: That's correct.

MRS. SLOANE: And how many should we have for the population of the Town?

MR. HALICKI: Approximately a hundred fifty.

MRS. SLOANE: And how many do we have?

MR. JOHNSON: A hundred thirty-seven.

MR. HALICKI: One thing I'd like to clarify. There are some patrol captains and patrol lieutenants that are

#39

on the street so that every officer is not necessarily tied into the police station itself. So there are men that have the rank of lieutenant and captain that are on the street.

MR. JOHNSON: Absolutely.

MR. MEYERS: Just to elaborate on that, at some of the hearings that were brought up, I realize some problem that's in the paper every day, the problems with New York City and the City of Buffalo, because of enlarged number of personnel they employ, and these personnel costs are strangling these very cities at present. And I think that should pay -- this Town should benefit from that as a lesson. Although we're not in that stage now, we should be very cautious that we don't proceed down that very same path and I think this is one of the suggestions I made, that we should be going in for greater efficiency in our departments and try to get the job done with the people we have and that includes --

MRS. SLOANE: Or even less, if possible.

MR.MEYERS: Yes.

MRS. SLOANE: All right, thank you.

SUPERVISOR WEBER: Thank you, Mrs. Sloane. Mr. Piniarski.

MR. PINIARSKI: Yes, I have a couple comments. First of all -- was that thirteen thousand that these organizations asked for for this tournament?

MR. SWIATEK: Thirteen hundred.

#39

MR. PINIARSKI: It doesn't sound like a lot, but when you keep getting these little requests, they nickel and dime you to death. How many parents are involved in this now?

MR. JANIK: Approximately eight to ten thousand.

MR. PINIARSKI: You can't raise thirteen hundred by yourself? Because I always hear from people that aren't in school. Now, I don't have children. Now, maybe some of the taxpayers ought to learn to pay as you go along because when you get these things in the budget, you're paying for everybody. You can talk after I finish. That's my opinion. Now, another thing.

On this overtime, now, during the year -- I was here at a meeting one time, sanitation people, they get overtime?

MR. JOHNSON: Yes.

MR. PINIARSKI: I heard a comment from Mr. Banko one time they don't work eight hours. Do they get paid by the hour, by the year, by the week?

MR. HALICKI: By the day.

MR. PINIARSKI: I think they should work the eight hours. He said that's universal. Maybe we ought to look into subcontracting it then. But at least work eight hours. If you're getting paid by the hour, you work eight hours. In the factory, you go there, a foreman gives you a job and they said, "You're getting paid by the hour", you work up to the bell. If you can do it, fine. If you can't, okay.

#39

MR. SWIATEK: Just to set the record straight on this, it's part of our bargaining agreement with the union that our Sanitation Department works on the incentive system which is an accepted nationwide system for garbage collection.

MR. PINIARSKI: That's what I say, we ought to change it. Maybe we ought to be leaders and change it.

MR. MEYERS: Mr. Piniarski, I can half agree with you on that to the point I'll have to find a justification of overtime after the incentive program. I have to see when is the rule of thumb applied, when do we start applying overtime, after four hours of work, after five hours of work, after six? I challenged that at a Town Board meeting. My challenging was the vehicles, because I had a report it didn't necessarily convince me. I feel there's a way of scheduling them; if there's a vehicle shortage, there's two shifts and a lot of companies work two shifts. If there's not enough vehicles, we're not getting the job done, then other considerations, but standard overtime, when it's in common practice, isn't good business.

MR. JOHNSON: I agree entirely and this is something that we've got to very closely scrutinize because I know we've had, during the budget review sessions, we've had many discussions about the incentive program versus overtime and where we start, where we begin. But this is something the Town Board has to involve itself in in negotiations, contract negotiations.

But on your first statement, I'd like to say, you know, I think we have your philosophy when we review the entire budget, but one thing I have to say is I'm convinced that the aid that we provide to the organizations reduces our overall recreation budget at a time when this Town has a tremendous youth growth. Vandalism is on the up-go. Councilman Swiatek has found it necessary to recommend new projects and new buildings and new staffing that's costing this Town fantastic sums of money, but when we have organizations that use facilities that replace our staffing with their bodies -- in other words, it's like volunteer firemen. This

#39

Town is very fortunate that we have volunteer firemen instead of paid firemen. Well, these are volunteer men. We aid them in equipment and facilities and they get the youth off the streets. And we can't pay them enough -- in other words, pay them more in our support because it controls a problem that could reach Buffalo proportions in this Town. But we have a fantastic group of people spending all kinds of hours away from their wives and, frankly, our assistance to them, I think, is reducing the overall budget.

SUPERVISOR WEBER: I'd like to go on with this public hearing.

MR. SWIATEK: Mr. Supervisor, very briefly -- Tom, just for the record, you use the phraseology of "fantastic sums of money" --

MR. JOHNSON: I'm sorry. I'll retract "fantastic".

MR. SWIATEK: Mr. Supervisor, please, for the record, I would like to state that we have come a long way, made great strides in our recreation program. I think we are at the top of our growth. I think we grew very fast over eight years. I think we can level off right now, but what we've done and the thing I want to state for the record, what we've done in that growth period, when we've put up additional facilities and so forth, we're doing it with less Town tax dollars and less employees, less full-time employees than other communities our size. Okay? And I've got the record on that. I've got Tonawanda's records.

#39

SUPERVISOR WEBER: I'd like to add one thing, too. I'm damn glad -- and pardon my French or the adjective that I used -- that we have men like those men sitting back there because they take interest in other people's kids. Mrs. Mayer sitting right there has been a victim of so much vandalism --

MRS. MAYER: And nobody in this Town gave a damn about it.

SUPERVISOR WEBER: She's a senior citizen and I've heard about it time and time over again. I wish we had more people like that that would take an interest in other people's children.

MRS. MAYER: What we need is our State legislators to get public input to make the parents responsible for their kids. You hand out things to them and we senior citizens are paying through the nose. It's a shame to this Town that my husband has to be arrested and he has a record, a senior citizen minding his own business and three Sundays in a row garbage dumped on our lawn and we clean it up and nobody in this Town gives a goddamn what happened.

MR. PINIARSKI: On Page 7 of this yellow booklet, I think it says, "Employee Benefits, seventeen per cent; Employee Wages, fifty-three per cent". In the Cheektowaga Central hearing, we had "Benefits, fifteen per cent" and "Wages, forty-nine per cent". How did we get the differential?

MR. JOHNSON: Of course, cuts were made in the tentative budget, and in the preliminary budget, portions were changed. Personnel, which is a fixed cost, became geater because of specific reductions. I think that's approximately what occurred, John.

MR. MALLOY: Yes.

MR. JOHNSON: In other words, the tentative budget has different figures.

#39

MR. PINIARSKI: How did you happen to cut down, "Supplies and Contractual" from twenty-nine per cent to twenty-three per cent? If it's contractual, I thought you had to pay that.

MR. JOHNSON: No, small contracts that are let out for specific purposes, we can do it by not appropriating it and deciding it's not important.

MR. PINIARSKI: Another item I was just going to mention, like you say, pay as you go. We're paying taxes constantly, sidewalk repair. How often do you repair your sidewalk? But you're paying taxes on it every year.

MR. JOHNSON: Mr. Piniarski, one thing we found is that we could reduce the overall paving costs in the Town. I'm relating this to sidewalk repair. We found we can reduce the overall paving costs in the Town by using a master plan for paving and paving those streets that really needed it and our Highway Superintendent has been very cooperative in doing that and we cut a large sum from his budget on that basis.

Now, we look at the appropriation each year for sidewalk and this is the same type thing. We have to really look closely that a master plan is being followed and that we are not left with excess paving or excess sidewalk materials, concrete materials, and we are putting sections in or repairing sections that shouldn't be done. Certainly, a master plan for the sidewalk repairs is an extension of this paving, examination of the paving costs. And probably you'll see in the subsequent year, as we follow what's really repaired and what's not, that we might be able to reduce that. As it is, in the projections, that money that was appropriated last year for sidewalk repairs was truly spent.

Now, what we'll be looking at, of course, is in all cases, "Was it truly necessary?" And our Highway Superintendent is very dedicated to doing just that.

MR. PINIARSKI: What I'm saying, it should be the

individual taxpayer's responsibility to replace his own sidewalk.

MR. HALICKI: It isn't.

MR. PINIARSKI: That way I'm paying for sidewalk repair all over Town. Why can't they?

MR. HALICKI: Because it doesn't belong to them.

MR. PINIARSKI: City of Buffalo doesn't pay them.

MR. HALICKI: They pay for the original sidewalk and repairs are --

MR. PINIARSKI: Yes, but --

MR. HALICKI: You won't let me finish, right? Will you please? The point of it is if there's something that's done to that sidewalk, and most of these problems come through trees which the Town plants, most of them, all right, the entire responsibility, because it's technically in the right of way of the highway or the road or the street you live on. Now, if a person reports something wrong with his sidewalk because of a tree growth and the Highway Department does not repair it and they've been notified, then the Town is responsible if someone gets hurt. Now, the overall project is not that expensive because the individual originally puts in his own sidewalk by our specifications. So that once he does it, I think that's more than sufficient for any homeowner to do, especially if you happen to live on a corner lot, you've got to put it in front of the house, as well as alongside the house, and if something through our fault creates this problem with this man like a tree which we supply also, then it's got to be our responsibility and

#39

I don't think it's a big budgetary item.

MR. PINIARSKI: But all these little things add up.

MR. WROBLEWSKI: Mr. Piniarski, we have allotted money this year and we couldn't repair all the sidewalks.

MR. JOHNSON: There's a couple advantages there, Al. One, I do agree with you, maybe we ought to scrutinize closely where our responsibility lies in certain areas, but, basically, because it's within the Town right of way, we are charged with public safety and we are liable as a Town and, therefore, we have to insure that it's repaired. Now, I think that budget can be trimmed with careful approach and possibly --

SUPERVISOR WEBER: Gentlemen, let's get on with this hearing.

MR. JOHNSON: Possibly I think your suggestion should be for the record that the taxpayer be charged for those repairs, but that's your suggestion.

MR. PINIARSKI: Now, I was at a meeting one time and the subject of claims court came up. Judge Gabryszak said it wouldn't cost the Town any money to increase it. Now, I heard mention here it will increase that.

MR. JOHNSON: We spent four hours with Judge Gabryszak or three or four hours, a long time, perhaps only two solid hours -- he was waiting in the wings -- but any case, he made a very, very strong case for an increased staff to handle

#39

the Small Claims Court. We went over in detail his day-by-day court calendar and, frankly, one, the judges have always been considered part-time and they've had small salaries relative to other department heads and with this increased court calendar, they're full time, if I ever saw anything, so we gave them a full-time salary and that wasn't a big hike for them individually, but they did need two additional part-time clerks and that was budgeted and came out to an increase of approximately, $4,000 all told and this allows them to handle the paperwork for this Small Claims Court which we'll look at over the year to see that they are actually getting that number of claims, and if the part-time individual can be dropped next year, we'll do that, but right now we have to handle this Small Claims Court that's been dropped in our laps and we couldn't afford to ignore it.

SUPERVISOR WHEELER: I'd like to add to what Mr. Johnson said, that the courts are also self sustaining. This is one department that earns money for the Town. What's your next question, sir?

MR. PINIARSKI: About the employee benefits, they seem to be higher than normal for Civil Service employees. Is that going to be constant or is that coming down after this year? The norm is, I think, twenty-five per cent, and we are running thirty-two per cent.

MR. SWIATEK: The figure you have there is percentage of benefits, the fifteen or seventeen per cent you have is the benefits that represent over the entire Town budget, but the benefits as Town wages is about thirty-two, thirty-three per cent, and the police department, approximately forty-two per cent.

MR. PINIARSKI: This is by a professional negotiator?

MR. SWIATEK: I think there are many members of this Board feel that the benefits

#39

area, in future negotiations, ought to be an area that ought to be kept constant and, perhaps, look to other means of paying our employees rather than through using benefits.

MR. HALICKI: Mr. Weber, let me point out one thing. When Blue Cross and Blue Shield goes up, we have to cover it. We have no control over that which automatically increases their percentage of benefits. If it goes up $5.00 a month, the Town has to pay $5.00 a month.

MR. PINIARSKI: But --

MR. HALICKI: Let me finish. It's in the contract. The second item, if the cost of the New York State Retirement System goes up, it's in the contract, we have to go along with it. Now, there's no way you can tell me or anybody in this room can tell me when you give an employee a certain benefit, that you're going to be able to take it away from him and, certainly, that's it. There are certain plans we have adopted for their benefit, one year plan we just adopted which will indirectly serve the public greatly because there will be men up in age will retire a lot sooner than they are today because of the older pension plan. So these are things which indirectly, over the long haul, will benefit you indirectly.

MR. PINIARSKI: When you okay these plans, don't you think you should average them what the average taxpayer is getting?

MR. HALICKI: The average taxpayer doesn't have the right to belong to the New York State Retirement System, so how can you compare the two? Let me finish.

MR. PINIARSKI: I'm misunderstanding you then.

#39

negotiator negotiated and you me that this is by the State,

Maybe I don't understand you. I asked before if a professional said yes. Now you're telling right?

MR. HALICKI:

The Retirement System, we don't set up the system for the retirement. The State of New York does. And if they increase it, we can't control that. Thank you.

SUPERVISOR WEBER:

Yes, sir?

MR. MARCINIAK:

I'm Larry Marciniak. I would like to briefly inform many, and possibly anyone else --

SUPERVISOR WEBER:

You don't have any problem with the Board and we are the governing body and that appropriation has been taken care of. I say thank God for people like you who take interest in other people's children and we are indebted to you. We hope, through your efforts, we'll have less juvenile delinquency.

MR. MEYERS:

I've been associated with athletic organizations myself and I know how much time is put in, not only conducting various programs, but I know the men and women involved in the organization spend a lot of time in fund raising and I know that the economy, the way it is, inflation the way it is, your equipment and materials are going up higher the same as everything else is, so I think if Larry would like to speak, make a short statement showing they allow their own fund raising, I think it's one of the points you're trying to make.

MR. MARCINIAK:

Right. Basically, what I wanted to convey is just the facts and

#39

figures brought up. Speaking for my organization, which is the one I can speak about more closely, our total budget is approximately $40,000. Town allocated money accounts for about three thousand. Therefore, you can see that through the parents and the generosity of the general community, we're raising $37,000 a year to put on these programs. If we did not put on the programs with the assistance of the Town, then the Town themselves would have to run it which would increase Town taxes or the school districts would have to run it which would increase Town taxes, so in the long run, this is the cheapest way of reducing the tax.

SUPERVISOR WEBER: You're doing a good job. Thank you.

MR. WIERCIOCH: Adolph Wiercioch, Borden Road. I brought one of these items up at the Maryvale School Budget Hearing and something that's bothering me for years and I've been attending these budget hearings for a number of years, the item of equipment appearing in each department. Office equipment, each department you look at has office equipment ranging anywheres from $600 to $1500 to $2000 to $2500. And I wondered if this money is actually spent on equipment. We all know what equipment is. It's not supplies, it's equipment. It should be confined solely to the equipment purchases. Since this appears on the budget almost every year, I'm beginning to wonder where we are putting all this equipment. I brought this up and, of course, I was clarified or I did get some clarification at that meeting that many of these have been deleted in this year's budget which I certainly am grateful for to the Councilmen, whoever participated in scrutinizing this budget, and reducing the tax rate from what it was proposed for or proposed by the Supervisor to a figure which I think possibly the people in this community can live with.

Another point that was brought up here today was that we are top heavy in the police department. If we go over this budget, we'll also find that we are top heavy in many other areas other than just the police department and to just bring a couple points up, in the Building and Maintenance Department, you have a salary of Buildings and Grounds Superintendent of $14,560. The salary of the Assistant Superintendent is $13,650. This is twenty-seven, twenty-eight some thousand dollars. Salary of laborers, three, amounts to $33,000. Now, from looking at this, I mean do we need a superintendent and an assistant

superintendent to supervise three men? This doesn't make sense. It just doesn't make sense.

Now, that's one item. We flip the page over, Building and Plumbing, Assistant Foreman, laborers two, Assistant Foreman get fifteen thousand, the two laborers you can see what they get. I'm not here to deprive anyone of their livelihood. I'm not here -- I hope you don't think it's personal. But certainly a corporation cannot operate the way this Town operates. We have two to watch two people working. We can go on in the central garage, salary of automotive mechanic foreman, $17,310; salary of automotic mechanic assistant foreman, sixteen thousand. The salary of mechanics, five, amounts to sixty-seven thousand. The salary of laborer, one. So a total of six people working and we have two chiefs supervising this work. Now, certainly, General Motors doesn't hire two superintendents or a superintendent and an assistant superintendent to watch six people working.

Now, these are things I think that are still a factor in this budget which should be eliminated. As I say, I commend the Board and the Board members who have worked on this budget to reduce it, but I still think there's a lot of factors left in here.

MR. MEYERS: Mr. Wiercioch, just a couple of those comments. You might be correct in some of those. In some other ones, the salaries surface as supervision, but they're working supervision. In other words like that assistant foreman in the garage also performs, it isn't a hundred per cent --

MR. WIERCIOCH: He's a working foreman?

MR. MEYERS: Right. Now, this doesn't always exist in all of these, but in some cases, like the plumbing, the plumbing department is part of the utility and he becomes the second person in charge of the whole utility department. So it's misleading there. He just is not responsible for those two laborers; he'd be responsible for some of the other men in that utility department, but that doesn't carry true through all those departments.

#39

MR. WIERCIOCH: To spend that kind of money I don't think is realistic.

MR. JOHNSON: I'd like to comment on that. Not necessarily the specific individual or specific line items that you pointed out, all, but just generally -- and the reason why I would oppose or have a tendency to oppose creating new positions is there's a great inertia in budgets such as this in other towns as well as ours. That is you add people, you never subtract. You never re-evaluate your staffing requirements and reduce where necessary where a function is eliminated and there's a classic example in this Town, an entire staff is maintained under a different title and continued on. Hopefully, you drop them by attrition. They retire out and you eliminate the positions. And then you're accomplishing a purpose in -- you accomplish the purpose that you're pointing out and that's eliminating unnecessary personnel, perhaps unnecessary supervision. I personally believe there's a couple locations in the budget where we have double supervision where we don't need it. And it's because we have not deleted individuals that no longer perform functions, in fact, where we've added new men to take over their functions. So that we essentially end up with two directors or two supervisors and this type thing where we have a new man and we continue to employ the other individual, not necessarily older, the other individual is simply a resistance on the part of the Board to come out and evaluate people and let them go if it's necessary.

We just add people. We don't subtract. And this approach extends to examining department heads' responsibilities and how they're performing their responsibilities. We've got to be able to call the department heads on the carpet and say, "You're out if you don't perform". And certainly they have to be called to task and then we perform that efficient process of bidding items. I think all these things have to be done, examination of the department heads, examination of unnecessary supervision, of unnecessary personnel and deletion of those people before we go on to new horizons where we would add positions and create new departments.

SUPERVISOR WEBER: Please allow Mr. Wiercioch to continue.

MR. WIERCIOCH: I agree with you, sir. Another

item, I'm bringing these out and I hope some of the department heads who are here don't feel I'm picking on them. Police department allocation for equipment repair and maintenance for this coming year is $40,000. Looking back with my old budget of last year, I guess twenty-seven thousand was allocated and I don't really know, Mr. Malloy, you have any idea how much of that twenty-seven thousand was spent?

MR. MALLOY: I can get it for you.

MR. JOHNSON: It was overspent, thirty-one thousand was spent. From the projected expenditures, what this particular item was --

SUPERVISOR WEBER: Councilman Johnson, I would prefer the accountant answer these questions.

MR. JOHNSON: I have the same booklet.

SUPERVISOR WEBER: But he's being paid for this.

MR. JOHNSON: Read the figure, sir.

MR. MALLOY: The expenditures through nine months in this line are $31,700. That's why there's an increase in the '76 --

MR. WIERCIOCH: So the increase was necessitated?

MR. JOHNSON: The projected expenditure would be

thirty-nine thousand, so we budgeted forty thousand. Now, the thing is that this last year, now this is one particular item that perhaps needs a little more scrutiny, but we waited after this hearing to examine the budget in a little more detail. You figure twenty-five thousand was budgeted in '74. That twenty-seven thousand budgeted in '75, thirty-one to thirty-nine spent, perhaps in '75 there were changes in the department, there was remodeling and what have you, that might have caused it to reach thirty-nine thousand. Perhaps those aren't necessary in '76 and we can go back to the twenty-five thousand figure of '74, say fifteen.

MR. WIERCIOCH: I think a closer scrutiny of this certainly should be taken into consideration. Playgrounds and recreation, I know this is a sore spot. I also have children, and I'm in favor of any plans. However, we have the director, senior recreation supervisor, recreation supervisor and so on down the line, and what I'm trying to point out here, we're a little heavy in supervision. We hear so much talk about the police department so heavy in brass, we're also heavy in supervision in almost every department that you go through in this budget. This is something that should be looked into. I commend the Board members who did scrutinize this budget to reduce it per thousand assessment. However, I think there's room for more. And I think this is a good start.

You're holding the line, you're beginning to hold the line and, as Mr. Johnson mentions, let's stop this hiring and let's replace them through attrition. I don't mean to put someone out on the street. We need the jobs. We know the people need the jobs. We have a total of eighty thousand people unemployed in Erie County, but let's hold off and as they either retire, die or whatever it is, then you replace them.

SUPERVISOR WEBER: Thank you, Mr. Wiercioch. Anyone else? Mrs. Becker, please.

#39

MRS. BECKER: Julia Becker,
To speak at a budget hearing is always unpleasant because there's bound to be criticism. If there would be no criticism no one wants to hear of and it will have no effect on the budget.

Now, as we all know what happened to the City of New York, it has been said that it takes a genius to learn from other people's mistakes and we do have an opportunity to become geniuses. Now, the Federal Reserve chairman made a statement which nobody likes to make. He said the City of New York, to get on its feet, it should do one thing: Cut the wages.

Now, there are many areas in Cheektowaga where cutting could be made. Now, for instance, last summer there were one hundred thirty-nine people in the bath houses. Now, that seems exactly one hundred people too many.

Now, I've heard from Mr. Johnson that thirty-nine positions, I believe, were cut.

MR. JOHNSON: There was thirty-one.

MRS. BECKER: Well, a hundred could have been cut, thatmeans we are serious about our budget.

MR. SWIATEK: May I comment on that? There were a hundred thirty-nine positions. Let me just say that many of them only work three, four, five hours. We had a budget for that.

MRS. BECKER: We don't need that.

MR. SWIATEK: They didn't work eight hours a day, five days a week.

MRS. BECKER: Please, half of that -- we have six people here that devote their time to the young. I'm sure there are many people that would spend three, four hours of their time in the bath house because, as I understand, the taxpayers are paying for general municipal services. Now, I

#39

certainly wouldn't call a bus to go pick up kids to go swimming a general municipal service. That's one thing we can do without. There will be an increase in salaries for the gentlemen of the Board and others working in the office. Now, that certainly, if you're really serious, that's one place you would never raise, even if it's moderately, it wouldn't mean much to the budget and there are any number of areas that could be cut, cut, cut if you're serious. Now, the only thing pleasant about the horizon, we'll have complete bankruptcy, then we won't have to worry. We won't have to worry about people retiring after twenty years at a ripe age of forty-two or forty-five while someone sixty-five years old is taking care of them. Now, that's one area that's wrong.

Professional negotiators, we don't need them. I'm sure everyone -- any one of you would be capable of negotiating, if you wish. Now, that's an area we can save. And anywhere where you have professional help where you can do better, do it. One can go on by the hour.

Now, when a reduction in the budget is about a dollar twenty less than last year, then you're really doing something. I congratulate you.

SUPERVISOR WEBER: Anyone else, please?

MR. JOHNSON: Mr. Supervisor, --

SUPERVISOR WEBER: I wish you would allow someone else --

MR. JOHNSON: She did raise a question. I'm looking at figures here. On the bath house attendants, the question was raised in a review session with the department head and the figure of a hundred thirty-one seemed odd. We thought perhaps there wasn't room for people in the bath houses if there were all attendants in there. And so we asked how many was actually needed for the hours spent and for the term that the bath houses were used and we were told flat out by the new department head, who has had an opportunity to review such facilities and has been able to review such facilities elsewhere,

#39

that he needed no more than a hundred.

Now, since there was an increase anticipated for bath house attendants, maintaining the same hundred thirty-one people, we were able to make an $8,000 cut and maintain a hundred people through the same hours and so $8,000 was a cut. There was a cut and the bath houses will have proper number of attendants and it was a matter of cooperation with the department head and very, very -- we're very thankful that we've had such cooperation.

MRS. BECKER: A couple eight thousand is peanuts. You could have cut it thirty thousand.

MR. JOHNSON: What happened, Mrs. Becker, we cut eight thousand and five thousand and what have you throughout the budget and it totaled into quite a large amount of money and, of course, over this next year, the Board will have a chance to review it again and maybe we'll reduce it further, but thirty-one was safe in the sense we were going according to proven guidelines and we certainly don't want to reduce any facilities or reduce any services.

SUPERVISOR WEBER: Before I close this hearing, ladies and gentlemen and members of the Board, I would just like to say and be very brief in saying that the remarks and the suggestions that were offered here this evening were well taken and I certainly hope that what I'm about to say will not be misunderstood, nor that any of my statements will be misconstrued. I'm certainly not trying to discredit anyone here. That's not my purpose. I do agree wholeheartedly with Councilman Swiatek when he said that this Town is financially stable and that it is and that we take great pride in. However, I also agree with Mrs. Becker in her remarks and, in particular, her mentioning of the dilemma that's facing New York City and also our neighboring city, the City of Buffalo. I hope that whoever serves on this Board will live within the means of this budget once it's adopted. We haven't been doing it in the past completely, wholly. I'm hoping that everyone is going to be sincere in their efforts.

I would like to see a surplus

#39

that can be applied to next year's budget and I know this can be accomplished if the people that serve on this Board are sincere about living within the budget that's going to be adopted and make any cuts where necessary and possible without curtailing any vital services or needs of the community. I'd just like to say that I'm convinced that this can be accomplished if we're sincere in our efforts in doing so. I know that much has been done. We take a lot of pride in the services that the Town performs for its people. I'm also hoping, very sincerely, that we can throw away our political aspirations or motivations or whatever when we come here to work in the interest of the Town or whoever shall work here in the future. And with that, ladies and gentlemen,--

MR. JOHNSON: Mr. Supervisor, I say I concur with what you've just said and I did reserve a comment that I had wanted to make earlier and I waited until after questions and answers. Just a short statement, a little reflection on our bond costs, Mr. Supervisor. I'll make it very short.

I'd like to say, yes, we are affected by the general condition, the general approach to municipal bonds that have been conditioned by the New York City situation. But I'd also like to say that it's not quite as simple as that because there have been other municipalities getting fairly low rates.

Now, the Town of Cheektowaga may not be approaching its debt limit at this time. However, those bidders who approached the bid situation also know that the Town of Cheektowaga is not simply bonding an ice rink and bonding certain other items that we built over the last five years, but the Town of Cheektowaga is facing huge sanitary sewer project costs that will be, in part, bonded, and, of course, have to be bonded for the entire project costs even though we get reimbursed by the State and Federal government and because we are facing that situation, it's anticipated like in our overall bond picture that certainly affects the approach of our bidders. We had three bidders for our bonds and --

MR. SWIATEK: I just want to make a correction.

MR. JOHNSON: Let me finish. I'd like to say this is part of the picture, that

they are not simply looking at Cheektowaga affected by New York. The Town, Cheektowaga, stands on its own feet. The Town of Cheektowaga also faces huge increases in bond indebtedness or bond sales and, therefore, they're looking at that future picture and they bid with that in mind and the two other bidders were over eleven per cent in our particular case, so it's ice rink or whatever other buildings we are bonding, whatever other projects we are bonding and the overall big future picture of major projects that are now entering upon the scene, multimillion dollar projects.

MR. SWIATEK: Point of order, Tom. I think we might have all been mistaken in saying we have to bond the entire amount of the twelve million dollar sewer. We don't.

MR. JOHNSON: We have to have bond anticipation notes.

MR. MALLOY: The aid comes through periodic draws.

MR. JOHNSON: It does, but I'll give you an example. When we did District 3, we anticipated the phase project cost for bond anticipation notes even though we'll be getting reimbursed from the State and Federal government on a future basis, but we do approve the bond anticipation notes for -- I think in the case of District 3, it was in the area of -- I wish John Rogowski were here -- we passed it last spring, perhaps Jim would know, but the bond anticipation notes we approved last spring for District 3 and also District 5, I think were for multimillion dollars.

SUPERVISOR WEBER: Yes, sir?

MR. PINIARSKI: First of all, I would like to thank the Board for the wonderful

#39

job they did by presenting these preliminary budget hearings at the various schools. I know that not many people attended. The only thing I would ask the Board to do in the future is to continue these but see if you can get more people. I don't know how. I'll leave it up to you.

MR. SWIATEK: We'll put you in charge of that.

MR. PINIARSKI: Well, we've sat here. Our suggestions, will that have any bearing on this year's budget as far as lowering or is this the way it is?

MR. JOHNSON: I don't think it's cut and dry, definitely not.

SUPERVISOR WEBER: This Board can make cuts even after the budget is adopted.

MRS. BECKER: I want to know what is the meaning of the budget that was adopted, some kind of preliminary budget was adopted.

MR. MALLOY: I can explain the procedure. The first budget prepared is prepared by the budget officer, the Supervisor's office. That's the tentative budget. Then the Board worked with the department heads and came up with the preliminary budget. The final move will create the adopted budget. That has to take place --

MRS. BECKER: In other words if the effort on the part of this Board to take seriously some of these suggestions, I think Mr. Wiercioch made some splendid ones, Mr.

#39

Piniarski also, if those are adopted, that means you're really serious in adopting the budget and we have not come here and listened to a lot of wind then?

MRS. MAYER: Mr. Weber, Helen Mayer -- what I would just like to say, we are always asked for an input and I remember when we had the HUD program, I came up here, gave my input and I know where it went. It went output. I went to Erie Community College, I gave my input. It went ouput. Because the Board listens very tentatively and you do what you want. You do not listen to the people, especially where Federal Revenue Sharing, the senior citizens never get their fair share of Federal Revenue Sharing in this Town and don't tell me they do because we have not. I've talked to my Congressman. They let the money come here and you handle it and I mean "handle it". I've been writing for different things for senior citizens and they don't get it. It's a youth-oriented Town. I would say you stuck in a church or school or that beautiful center called the Bellvue which they ought to drop a blanket over --

MR. SWIATEK: There were sixty senior citizens there today.

MRS. MAYER: Why do we have to spend almost $60,000 on civil defense? Also, this will be the same record, shade trees, $33,000. I know it isn't all trees.

SUPERVISOR WEBER: May I answer that? That's a very, very small item in the budget.

MRS. MAYER: I don't think it is, thirty-three thousand.

SUPERVISOR WEBER: They're a great help to the police department, various defense, and

I think the Chief will verify that.

MRS. MAYER: I don't want to talk to him.

MR. SWIATEK: In closing, I would like to say the position of this Board for whoever is on this Board come January, should be that when a budget is adopted, I think we ought to inform all the department heads that the amount of money that they have in their budget, in their respective budgets, is not a license to spend.

MR. JOHNSON: Absolutely.

MR. SWIATEK: I think we ought to make that clear. It's a license to provide services that are required for the Town.

MR. JOHNSON: Certainly these monthly summary reports will allow us to see how they're spending it right up to date and look at what's been appropriated and we should be able to warn or bring in each department head, each month, depending on how he's approaching his limit for a line item. The number of transfers recently of approximately two meetings ago, forty-two transfers at the end of the year totaling two hundred forty-five thousand, these were all adjustments because there were many line items overrun, many line items weren't spent, so they were transferred to the overrun items. Budgetary controlling by the department heads is critical.

SUPERVISOR WEBER: I would like to close this hearing by adding a little note, Mrs. Mayer. Since August 18th of this year, the Town of Cheektowaga has earned

$77,600 in investing idle funds which helped the situation a great deal.

Ladies and gentlemen, I declare this hearing closed.

MEETING NO. 39

TOWN OF CHEEKTOWAGA
November 3rd, 1975

Item No. 1 At a regular meeting of the Town Board of the Town of Cheektowaga, Erie County, New York held at the Town Hall, corner of Broadway and Union Road, in said Town on the 3rd day of November, 1975, Eastern Standard Time, there were:

PRESENT: Supervisor Daniel E. Weber
Councilman Felix T. Wroblewski
Councilman Frank E. Swiatek
Councilman Kenneth J. Meyers
Councilman Raymond J. Wasielewski
Councilman Thomas M. Johnson

ABSENT: 0

Also present were: Mary F. Holtz, Deputy Town Clerk; Robert Miller, Deputy Town Attorney; Chester L. Bryan, Town Engineer; Benedict L. Kostrzewski, Chief of Police; Andrew Schwenk, Town Assessor; Ronald Marten, Acting Building and Plumbing Inspector; Sal LaGreca, Director of Manpower Services; Kenneth Kopacz, Executive Director of Youth Board; Raymond Matot, Superintendent of Buildings and Grounds; Ed Leak, Recreation Director.

I. BIDS

Item No. 2 Fifteen (15) Safety Air Capsules.
Referred to Chester L. Bryan, Town Engineer.

Item No. 3 Two (2) Automobiles.
Referred to Chester L. Bryan, Town Engineer.

II. PUBLIC HEARINGS

Item No. 4 This was the time and place advertised for a public hearing to consider the adoption of an amendment to Ordinance No. 15 - OWNING, HAVING CARE, CUSTODY, OR CHARGE OF DOGS.

All parties in interest and citizens had an opportunity to voice their opinion in favor or against adoption of amendment to said Ordinance No. 15. After all persons were heard, the Supervisor directed the Town Attorney to check with surrounding Municipalities regarding the Dog Ordinance and report back to the Town Board.

Hearing was closed.

#39

III. GENERAL COMMUNICATIONS

Item No. 5 Richard A. Slisz - Copy of resolution submitted to Erie County Legislature on 10/21/75 re: Additional Postal Facilities in Cheektowaga.
Received and Filed; Copies given to each of the Town Board Members.

Item No. 6 Richard A. Slisz - Copy of resolution submitted to Erie County Legislature on 10/21/75 re: Feasibility of a Bright St. Pedestrian Bridge in Chktg.
Received and Filed; Copies given to each of the Town Board Members.

IV. DEPARTMENTAL COMMUNICATIONS

Item No. 7 Building Permits.
Received and Filed.

Item No. 8 Building and Plumbing Dept. - Correspondence requesting Town Board to take action re: Unsafe Building.
Item Withdrawn.

* *

Immediately following Councilmen's Comments there was a Motion by Councilman Swiatek, seconded by Councilman Wroblewski to Waive the Rules.

* *

Item No. 8a "Provisional Promotional Appointment" of Town Employee.

Motion by Councilman Swiatek, seconded by Councilman Wroblewski

WHEREAS, a vacancy has occurred in the office of Building and Plumbing Inspector in the Town of Cheektowaga, therefore, BE IT

RESOLVED, that Ronald Marten, residing at , Cheektowaga, New York be and hereby is appointed to the position of "Building and Plumbing Inspector" of the Town of Cheektowaga, said appointment being a "Provisional Promotional Appointment," and, BE IT FURTHER

RESOLVED, that the salary of said Ronald Marten be and hereby is established at $14,500.00 per annum.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Wasielewski and Johnson
NAYES: 0
ABSENT: 0

Item No. 8b Leave of Absence for Town Employee.

Motion by Councilman Swiatek, seconded by Councilman Wroblewski

WHEREAS, Ronald Marten, heretofore holding the position of "Assistant Building and Plumbing Inspector" has been appointed to the position of "Building and Plumbing Inspector," said position being a "Provisional Promotional Appointment," and

WHEREAS, said Ronald Marten requests a leave of absence from his position of "Assistant Building and Plumbing Inspector," therefore, BE IT

RESOLVED, that Ronald Marten be and hereby is granted a leave of absence from his position as "Assistant Building and Plumbing Inspector," effective immediately, and not to exceed a period of one year.

Upon Roll Call....

Item No. 11 Town Clerk's Office - Call for Public Hearing for Street Lighting on Old Farm Road and Old Farm Court.

Motion by Councilman Johnson, seconded by Councilman Wroblewski

WHEREAS, a petition for the improvement of both sides of the public highway situated in the Consolidated Lighting District of the Town of Cheektowaga, hereinafter more particularly set forth, by the installation of street lighting equipment hereinafter more particularly described, was presented to this Town Board on the 3rd day of November, 1975.

PUBLIC HIGHWAY TO BE IMPROVED

Name of Highway	From	To
Old Farm Road Old Farm Court	Sublot #1 northerly on the east side to the north property line of Sublot 14, thence northwesterly to the north property line of Sublot 15, thence southerly on the west side to Sublot 19 around Old Farm Court, thence southerly again	the southeast property line of Sublot 30 MC 2354 inclusive of Sublots 1-30 of that map cover.

TYPE OF STREET LIGHTING INSTALLATION

Twelve (12) 7000 lumen post top type (Town & Country) mercury units.
Estimated cost per year for two years - $12.84.

and

WHEREAS, Andrew H. Schwenk and Casimir A. Kozminski, Assessors of said Town of Cheektowaga, have certified in writing to this Board that the above petition is duly signed and acknowledged in the same manner as a deed to be recorded by the owners of more than one-half of the entire frontage or bounds on both sides of said highway to be improved as aforesaid, and

WHEREAS, the said highway to be improved as aforesaid is situated entirely in said Town outside of any incorporated village or city therein; NOW, THEREFORE,

IT IS HEREBY ORDERED that the Town Board of the Town of Cheektowaga meet at the Town Hall, corner of Broadway and Union Road, in said Town of Cheektowaga, on the 17th day of November, 1975, at 7:30 o'clock P.M., Eastern Standard Time, to hear all persons interested in the subject thereof concerning the same, and

IT IS FURTHER ORDERED that a copy of this order, certified by the Town Clerk, be published at least once in the DEPEW HERALD AND CHEEKTOWAGA NEWS and in the CHEEKTOWAGA TIMES newspapers having a general circulation in the Town, not less than ten (10) nor more than twenty (20) days before the date set herein for the hearing, and shall also be posted on the signboard of the Town maintained pursuant to Subdivision six of Section thirty of the Town Law of New York not less than ten (10) nor more than twenty (20) days before the date set herein for the hearing.

Upon Roll Call....

Honorable Daniel E. Weber, Supervisor
Honorable Town Board
Town Hall, Cheektowaga, N.Y.

Gentlemen:

Bids were received at the Town Board meeting of October 20th, 1975 for Sodium Chloride(Rock Salt), Cinders, Calcium, Snow Fence, Posts and Tie Wires and my findings are as follows;

Diamond Crystal Salt Co.: Sodium Chloride (Rock Salt)
Delivered to Highway Department
At Buffalo, N.Y. — $11.80 per ton
At Retsof, N.Y. — 9.60 per ton
No Bid

Domtar Chemicals, Inc.: Sodium Chloride (Rock Salt)
Delivered to Highway Department
At Buffalo, N.Y. — $ 9.78 per ton
8.00 per ton (Wm. Pfohl Deck Fuhrman Blvd.)
At Retsof, N.Y. — No Bid

International Salt Co.: Sodium Chloride (Rock Salt)(Bulk Rock salt will be treated with anti-caking agent)
Delivered to Highway Department
At Buffalo, N.Y. — $10.40 per ton (Min. wt.20T
At Retsof, N.Y. — 8.10 per ton (Min.P/U 5T)
10.40 per ton (Min.P/U 10T

Jones Chemicals, Inc. Sodium Chloride (Rock Salt)
No Bid

Morton Salt Co. :Sodium Chloride (Rock Salt)
Delivered to Highway Department
At Buffalo, N.Y. — $13.14 per ton (Min. 21T)
9.75 per ton FOB Morton's Bflo. stockpile
At Retsof, N.Y. — No Bid

Jones Chemicals: Calcium

Only bidder this item. Price firm for 11/1/75 thru 3/31/76
$ 4.45 per 100 lb. bag

CHEEKTOWAGA, NEW YORK 14227

October 27, 1975

Sodium Chloride (Rock Salt), Etc. Bids (Page 2)

Custom Top Soil, Inc.: Cinders & Rock Salt Hauling

Cinders delivered to 3145 Union Rd.	$1.55 per cu. yd.
Rock Salt Hauling from Buffalo, N.Y.	1.28 per ton
From Retsof, N.Y.	3.50 per ton

Wilfred Schultz: Cinders & Rock Salt Hauling

Cinders delivered to 3145 Union Rd.	$1.55 per cu. yd.
Rock Salt Hauling from Buffalo, N.Y.	1.25 per ton
From Retsof, N.Y.	4.50 per ton

Buffalo Fence Co.: Snow Fence, 6 ft. tee posts & tie wires

Snow Fence: $21.00 per 50 ft. roll FOB Niagara Falls, N.Y.

6 Ft. Tee Posts:	$2.30 ea.	FOB Niagara Falls, N.Y.
	2.20 " per 50	" " " " " "
	2.10 " " 100	" " " " " "

Tie Wires (11" x 14 gauge) $10.00 per M pcs. FOB Niagara Falls, N.Y.

Chemung Supply Corp.: Snow Fence, 6 ft. tee posts & tie wires

Snow Fence: $20.97 per 50 ft. roll delivered

6 Ft. Tee Posts:	$2.28 ea.	Delivered to Highway Dept.
	2.28 " per 50	" " " " " "
	2.28 " " 100	" " " " " "

Tie Wires: $30.74/250 pcs. (12"x14 ga.) delivered to Highway Dept.

Domtar Chemicals was the lowest responsible bidder for sodium chloride (Rock Salt) at the bid price of $8.00 per ton at Buffalo, New York with Wilfred Schultz being the lowest responsible bidder for hauling salt to Cheektowaga Highway Department at $1.25 per ton which would be $9.25 per ton for salt and delivery. Therefore, I recommend awarding the salt bid to Domtar Chemicals and the hauling bid to Wilfred Schultz.

Wilfred Schultz and Custom Top Soil were equal bidders. However, I recommend awarding the bid to Custom Top Soil for cinders at the price of $1.55 per cu. yd.

ALFRED F. WNEK

CHEEKTOWAGA, NEW YORK 14227

October 27, 1975

Sodium Chloride (Rock Salt), Etc. Bids (Page 3)

Chemung Supply Corp. is the lowest responsible bidder for snow fence at $20.97 per 50 ft. roll delivered to Cheektowaga Highway Department. Buffalo Fence Co. is the lowest responsible bidder for the tie wires at $10.00 per 1000 pieces, also for the 6 ft. tee posts in quantities of 100 pieces at the price of $2.10 ea. per 100 pieces. Therefore, I recommend we award the snow fence to Chemung Supply at the above price and the 6 ft. tee posts and tie wires to Buffalo Fence Co.

I trust this meets with your approval.

Sincerely yours,
TOWN OF CHEEKTOWAGA

Alfred F. Wnek
Superintendent of Highways

Item No. 14 Recreation Department - Advertise for Bids for Dehumidification and Air Conditioning at the Cheektowaga Recreation Center.

Motion by Councilman Swiatek, seconded by Councilman Meyers

WHEREAS, dehumidification and air conditioning is needed at the Cheektowaga Recreation Center, and

WHEREAS, the Town of Cheektowaga Town Board in prior resolution on September 15, 1975 has authorized the firm of Donald T. Maharan Associates, P.C. Architects and Engineers, to perform all services required for the design of all systems pertaining to the dehumidification and air conditioning of the Cheektowaga Recreation Center in Town Park, now, therefore, BE IT

RESOLVED that the request be granted and that the Town Clerk be directed to publish a Notice to Bidders in connection with said drawings and specifications of the dehumidification and air conditioning systems, notice to be published in the CHEEKTOWAGA TIMES and the CHEEKTOWAGA NEWS (Depew Herald), and be it further

RESOLVED that the Town Board of the Town of Cheektowaga will meet on the 1st day of December, 1975 at 2:30 p.m., Eastern Standard Time, for the purpose of receiving sealed bids at which time they will be publicly opened by the Town Board at a public meeting called for that purpose.

* *

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN, that pursuant to a resolution of the Town Board of the Town of Cheektowaga, in Erie County, New York, separate and distinct proposals shall be received and considered by said Town Board on the 1st day of December, 1975, at 2:30 p.m., Eastern Standard Time, at a meeting of the Board in the Council Chambers of the Town Hall, corner of Broadway and Union Road, Cheektowaga, New York, for the furnishing of all the materials and equipment, together with labor, for the dehumidification and air conditioning work required at the Cheektowaga Recreation Center in the Town Park, Cheektowaga, New York in accordance with working drawings and specifications as prepared by Donald T. Maharan Associates, P.C., Architects and Engineers, and approved by the Town Board, all of which are on file with the Town Clerk at his office in the Town Hall, corner of Broadway and Union, Cheektowaga, New York. Copies of Working Drawings and Specifications may be examined at the offices of Donald T. Maharan Associates, 505 Delaware Avenue, Buffalo, New York 14202. One copy of each of said working drawings and specifications may be obtained upon deposit of $25.00. Any bidder, upon returning said copy in good condition, within thirty (30) days following the award of the contract, or the rejection of the bid of such bidder, will be refunded $25.00. Deposit will be forfeited by non-bidders, but documents must be returned to architects' office.

Each proposal must be accompanied by a certified check in the sum of Ten Per Centum (10%) of the amount of the bid payable to the order of the Town of Cheektowaga, or a bond with sufficient sureties to be approved by the Town of Cheektowaga, in the sum of Ten Per Centum (10%) of the bid, conditioned that if the bid is accepted, the bidder will enter into a contract for the same, and that he will execute such further security as may be required for the faithful performance of the contract.

Attention of the bidders is particularly called to the requirements as to the conditions of employment to be observed, and the minimum wage rates to be paid under the contract.

No bidder may withdraw his bid within forty-five (45) days after the actual date of the opening thereof.

The Town Board reserves the right to waive any informalities in, or to reject, any or all bids, if in its judgment it shall deem it to be in the best interests of the Town of Cheektowaga so to do and as permitted by law.

Item No. 14 Cont'd

In order to be considered, all bids must be filed with the undersigned Town Clerk prior to the time of opening thereof.

BY ORDER OF THE TOWN BOARD OF THE TOWN OF CHEEKTOWAGA, ERIE COUNTY, NEW YORK.

I, the undersigned Town Clerk of the Town of Cheektowaga, Erie County, New York do hereby certify that at a meeting of the Town Board of the Town of Cheektowaga, New York held on November____, 1975 a resolution was adopted directing the Supervisor to make application to the Erie County Legislature to have levied and spread against taxable property liable therefor the following amounts for the purpose stated, said sums when collected to be paid to said Supervisor.

Benedict T. Holtz

BENEDICT T. HOLTZ
Town Clerk

Item No. 16 Motion by Councilman Wroblewski, seconded by Councilman Wasielewski

WHEREAS, Marie C. Tadio has applied for a rezoning from Ml-Light Manufacturing District to CM-General Commercial District the property located at 4822 Genesee Street, Cheektowaga, New York, and being more particularly described as follows:

ALL THAT TRACT OR PARCEL OF LAND situate in the Town of Cheektowaga, County of Erie, State of New York, being part of Lot 76, Township 11, Range 7 of the Holland Land Company's Survey, more particularly bounded and described as follows:

BEGINNING at the intersection of the northerly line of "new" Genesee Street (as now laid out) and the southerly line of the West Shore Railroad (as a 100.0 foot wide right-of-way);

Thence northeasterly along said southerly line of the West Shore Railroad right-of-way for a distance of 532.32 feet to a point in the westerly line of Liber 3086 of Deeds at page 517 as filed in the Erie County Clerk's Office;

Thence southerly along said westerly line of Liber 3086, page 517 for a distance of 332.72 feet to a point in said northerly line of "new" Genesee Street (as now laid out);

Thence westerly along said northerly line of "new" Genesee Street and along a curve having a radius of 1,500 feet for an arc distance of 239.52 feet to a point;

Thence northwesterly along said northerly line of "new" Genesee Street (as now laid out) for a straight line distance of 239.59 feet to the point or place of beginning, containing 1.94 acres of land, more or less.

and to amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on the 20th day of October, 1975 at 7:00 p.m. Eastern Daylight Saving Time after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, it appears that the proposed rezoning would not interfere with the use and enjoyment of the surrounding area which is business zoned, now, therefore, BE IT

RESOLVED that the above described premises be and hereby are rezoned from Ml-Light Manufacturing District to CM-General Commercial District, and BE IT FURTHER

RESOLVED that the Zoning Map in the Town Clerk's Office be and hereby is changed accordingly.

A G R E E M E N T

THIS AGREEMENT, made this 3rd day of November, 1975, by and between the TOWN OF CHEEKTOWAGA, Erie County, New York, a municipal corporation, with offices at Broadway and Union Roads, Cheektowaga, New York, hereinafter referred to as the "TOWN", and CATHOLIC CHARITIES OF BUFFALO, N.Y., Inc., a civic and charitable organization, with offices at 525 Washington Street, Buffalo, New York, hereinafter referred to as the "AGENCY".

W I T N E S S E T H:

WHEREAS, the AGENCY, in cooperation with the TOWN, is desirous of operating and maintaining a "Youth Services Project" whereby school drop-outs and potential school drop-outs within the TOWN will receive vocational, educational, and personal adjustment counseling; and

WHEREAS, the TOWN is a municipality eligible to receive state aid and reimbursement of expenditures from the State of New York for sponsoring a "Youth Services Project" and

WHEREAS, the TOWN will appropriate the sum of $28,080.00 for said "Youth Services Project",

NOW THEREFORE, it is mutually understood and agreed as follows:

1. The TOWN will sponsor a Youth Services Project and pay to the AGENCY a sum not to exceed $28,080.00 during the term of this Agreement for the operation and maintenance of a family oriented counseling program for school drop-outs and potential school drop-outs. The anticipated costs and expenses of said project are specified on the Proposed Budget which is attached hereto and made a part hereof.

2. The amount paid by the TOWN, in accordance with paragraph 1., constitutes the TOWN's full and complete obligation with regard to this Agreement and all consequences arising therefrom, except the TOWN shall be entitled to apply for state aid and reimbursement of expenditures as sponsor of the project in accordance with the applicable provisions of

the Executive Law of the State of New York.

The amount paid by the TOWN will be paid as follows:

The AGENCY will submit expenses incurred on a quarterly basis on duly authorized vouchers to the TOWN. Upon receipt of the vouchers, the TOWN will pay the AGENCY for services rendered during the quarter.

3. The AGENCY's share of the project expenses will be twenty-five (25) per cent of the total costs and expenses incurred, not to exceed $7,020.00. The TOWN will bill the AGENCY for the AGENCY's share of the project expenses upon payment by the TOWN of expenses incurred during the final quarter.

4. The AGENCY agrees to operate a Youth Service Project whereby school drop-outs and potential school drop-outs within the TOWN, regardless of race, color or creed, will receive vocational, educational and personal adjustment counseling.

5. The AGENCY agrees to carry out the terms of this agreement in accordance with the Division for Youth Act and the rules and regulations of the Cheektowaga Youth Board and the State Division for Youth; and the project will be operated in compliance with all laws and the Constitution of the State of New York.

6. The AGENCY agrees to hire as its own employees any and all personnel required to implement and effectuate the operation of the Youth Services Project.

7. Except with relation to the duties normally accepted and imposed upon the AGENCY, this Agreement shall constitute the full and complete obligation of the parties hereto.

8. This Agreement is contigent and conditioned upon approval of required renewal applications and acceptance by the New York State Division for Youth.

9. This agreement will cover the period from January 1, 1976 to December 31, 1976.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and date first written above.

A G R E E M E N T

THIS AGREEMENT, made as of the 3rd day of November, 1975, by and between the TOWN OF CHEEKTOWAGA, Erie County, New York a domestic municipal corporation, with offices at Broadway and Union Road, Cheektowaga, New York, hereinafter referred to as the "TOWN"

AND

The ERIE COUNTY CHAPTER, NEW YORK STATE ASSOCIATION FOR RETARDED CHILDREN, INC., a civic and charitable organization, with offices at 470 Franklin Street, Buffalo, New York, hereinafter referred to as the "ASSOCIATION".

W I T N E S S E T H:

WHEREAS, the Association, in cooperation with the TOWN, is desirous of operating and maintaining a youth recreation program for retarded children, and

WHEREAS, the Town is a municipality eligible to receive state aid and reimbursement of expenditures from the State of New York for sponsoring a "Youth Recreation Project," and

WHEREAS, the Town will appropriate the sum of $588.20 for said "Youth Recreation Project,"

NOW THEREFORE, it is mutually understood and agreed as follows:

1. The TOWN will sponsor a Youth Recreation Project and pay to the ASSOCIATION a sum not to exceed $588.20 during the term of this Agreement for the operation and maintenance of a youth development recreational program to be staffed by community volunteers. The anticipated costs and expenses of said project are specified in the proposed budget which is attached hereto and made a part hereof.

2. The amount paid by the TOWN, in accordance with paragraph "1." constitutes the TOWN'S full and complete obligation with regard to this Agreement and all consequences arising therefrom, except the TOWN shall be entitled to apply for state aid and reimbursement of expenditures as

sponsor of the project in accordance with the applicable provisions of the Executive Law of the State of New York.

The amount paid by the TOWN will be paid as follows:

The ASSOCIATION will submit all expenses incurred on duly authorized vouchers accompanied by bill, receipt and copy of purchase order. Upon receipt of the vouchers, the TOWN will then process all approved expenditures for payment.

3. The ASSOCIATION agrees to operate said project utilizing community volunteers and to provide the said volunteers with all training necessary for them to accomplish their work. The project shall be open to all youths regardless of race, color or creed.

4. The ASSOCIATION agrees to carry out the terms of this Agreement in accordance with the Division for Youth Act and the rules and regulations of the Cheektowaga Youth Board and the State Division for Youth; and the project will be operated in compliance with all laws and the Constitution of the State of New York.

5. The ASSOCIATION agrees to provide the community volunteers with budgeting assistance and program consultation for said project.

6. The ASSOCIATION agrees to provide liability insurance coverage for specific program locations, volunteers and staff of said project.

7. Except with relation to the duties normally accepted and imposed upon the ASSOCIATION, this Agreement shall constitute the full and complete obligation of the parties hereto.

8. This Agreement is contingent and conditional upon approval of required renewal applications and acceptance by the New York State Division for Youth.

9. This Agreement will cover Fiscal Year 1976.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals the day and date first written above.

THIS AGREEMENT, made this 3rd day of November, 1975, by and between Daniel E. Weber, Supervisor of the Town of Cheektowaga, on and behalf of the Town Board of Cheektowaga, hereinafter referred to as the "Board," and the Supervisory Unit, hereinafter referred to as the "Unit."

WHEREAS, it is the intent and purpose of the parties to set forth herein the basic agreement covering wages and terms and conditions of employment to be observed between the parties hereto.

"IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT THE IMPLEMENTATION BY AMENDMENT OF LAW OR PROVIDING FOR ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN ITS APPROVAL."

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE 1

Section 1.01 Recognition

The Board recognizes the Unit as the "exclusive" bargaining unit for the Superintendent of the Disposal Plant, all working and assistant-working Foremen, except the working Foremen in the Sanitation Department. Such recognition shall extend to the maximum period allowed by law.

ARTICLE 2

Section 2.01 Dues Checkoff and Authorization

Upon the written request of an employee, the Board will deduct from the said salary of said employee, such amounts for membership dues as the employee may specify and will transmit said sums to the Unit on a monthly basis.

ARTICLE 3

Section 3.01 Salaries

All members of the Unit shall be paid pursuant to and consistent with the salary schedule set forth in Appendix A.

All members of the Unit shall be paid time and one-half (1 ½) of their regular rate of pay for all work performed in excess of eight (8) hours per day or forty (40) hours in any work week. When computing overtime, paid holidays shall be considered as if the employee had worked.

ARTICLE 4

Section 4.01 Holidays

The following shall be recognized and observed as paid holidays:

New Year's Day	Election Day
Lincoln's Birthday	Veteran's Day
Washington's Birthday	Columbus Day
Good Friday	Thanksgiving Day
Memorial Day	December 24th
Independence Day	Christmas Day
Labor Day	

If a member of the Unit works on any of the above holidays, he shall be paid one and one-half (1½) times his regular rate of pay.

ARTICLE 5

Section 5.01 Vacations

All employees covered by this agreement shall be entitled each year to the following vacations:

After 1 year	10 working days	
After 5 years	15 working days	
After 10 years	17 working days	(18 working days 1/1/76)
After 15 years	22 working days	(23 working days 1/1/76)
After 20 years	25 working days	
After 25 years	30 working days	

Each member of the Unit shall be entitled to and paid at the time of his retirement the monetary value of unused vacation time outstanding to his credit at the date of his retirement. In the event of death while employed, payment shall be made to his estate.

ARTICLE 6

Section 6.01 Longevity

All employees shall, on the anniversary date of the completion of ten (10) years of service, receive an additional one hundred ($100) dollars; upon the completion of fifteen (15) years of service, an additional one hundred fifty ($150) dollars; upon the completion of twenty (20) years of service, an additional two hundred fifty ($250) dollars. Said sums shall be paid to the employee on the final pay period of the month in which his anniversary occurs.

ARTICLE 7

Section 7.01 Sick Leave

Each member of the Unit shall be entitled to the following paid sick leave:

After 1 year	7 days
2 to 10 years	15 days
After 10 years	18 days

Each member of the Unit may accumulate a maximum of two hundred sixty-two (262) sick days.

Section 7.02 Personal Leave

Each employee shall be granted five (5) personal days per year. Personal leave is non-cumulative. The arrangement for the use of time off shall be made by the member of the Unit at least twenty-four (24) hours in advance, except in cases of emergency. Where such leave is granted, it shall be with pay and shall not be deducted from vacations, or other accrued benefits.

If personal leave is not used by December 31 of any year, it will be credited to the employee's vacation time for the following year.

Section 7.03 Death in the Family

In the event of a death in the family of an employee's spouse, parent, child, sister, brother, grandparents, father-in-law, mother-in-law, brother-in-law or sister-in-law, the member of the Unit shall be granted five (5) work days without loss of pay.

ARTICLE 8

Section 8.01 Health Insurance

The Board will continue the 50-51 Blue Cross and Blue Shield Plan and pay the full premium, at the current rate, at the time the Board adopts its budget, including the XBR one ($1) dollar co-pay rider.

ARTICLE 9

Section 9.01 Life Insurance

The Board will provide a twenty thousand ($20,000) dollar life insurance policy for each member of the Unit at no cost to the member.

ARTICLE 10

Section 10.01 Retirement

The Board will provide each member of the Unit with the New York State Retirement Plan as provided for in Section 75 i of the Retirement and Social Security Law, commonly known as the 20 Year Half-Pay Retirement Plan, at no cost to the employees.

Section 10.02 Payment for Unused Sick Leave

Employees who retire shall be compensated for accumulated sick leave at the time

of retirement pursuant to the following schedule:

262 days accumulated sick leave	$1,000
222 days accumulated sick leave	$ 900
182 days accumulated sick leave	$ 700
142 days accumulated sick leave	$ 500
102 days accumulated sick leave	$ 300
62 days accumulated sick leave	$ 100

These payments may be paid over the last twelve (12) months of employment, and the employee must give at least twelve (12) months notice of his intention to retire. If the employee elects to have this payment made in a lump sum, he must give at least six (6) months notice of his intention to retire.

ARTICLE 11

Section 11.01 Grievance Procedure

A grievance is the complaint by a member of the Unit of an alleged violation of any of the terms and conditions of this agreement between the Board and the Unit.

No alleged violation shall be entertained and shall be deemed waived unless presented at the first available stage within five (5) working days after the aggrieved party knew or should have known of the act and conditions upon which the alleged grievance is based.

Any member of the Unit having a grievance will discuss it with his immediate supervisor, directly or through a representative of the Unit, with the view of settling the grievance informally.

If the grievance is not resolved informally, it may be reduced to writing and submitted to the supervisor, who shall render his decision within ten (10) working days.

If the grievance is not resolved within ten (10) working days, it shall be submitted to the Town Board for resolution at its next meeting.

If the grievance is not resolved by the Board at its next meeting or within ten (10) days thereafter, it may be submitted to binding arbitration. That said request must be made within fifteen (15) working days after the Board has rendered its decision.

Section 11.02 Arbitration

The arbitrator shall be selected by mutual agreement of the parties. If the parties are unable to agree upon an arbitrator, a request for a list of arbitrators may be made to the Public Employment Relations Board, by either party, within ten (10) days and in writing.

The parties shall be bound by the rules and procedures of the Public Employment Relations Board.

The decision of the arbitrator shall be final and binding upon the parties.

The cost for the services of the arbitrator, including expenses, if any, shall be borne equally by the Board and the Unit.

Section 11.03

All parties to the grievance shall have the right at all stages of the grievance to be represented by an attorney or representative of his choice, and at all stages after stage one, shall have the following rights: to confront and cross-examine all witnesses called; to testify and call witnesses on his own behalf; and to be furnished with a copy of any minutes of the proceedings which may be made.

Section 11.04

No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board against the aggrieved party or the Unit or any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.

ARTICLE 12

Section 12.01 Conformity to Law

If any provision of this agreement is or shall be at any time contrary to law, such provision shall not be applicable, performed or enforced, except to the extent permitted by law. In the event any provision of this agreement is or shall be contrary to law, all other provisions of this agreement shall continue in full force and effect.

THIS AGREEMENT shall become effective on the 1st day of January, 1975, and shall remain in full force and effect until midnight, December 31, [redacted], and shall be automatically renewed on a year-to-year basis unless either party shallnnotify the other, in writing, on or before June 1, 1976, of its intention to negotiate for the successive year or years. The parties shall meet no later than fifteen (15) days after the receipt of said notice.

THIS AGREEMENT constitutes the entire agreement between the parties.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals this 3rd day of November, 1975.

DANIEL E. WEBER, Supervisor
Town of Cheektowaga

ROBERT KARASZEWSKI, President
Supervisory Unit

Item No. 35 Extension of Emergency Agreement with Land Reclamation, Inc.

Motion by Councilman Wasielewski, seconded by Councilman Wroblewski

WHEREAS, the Town Board has previously adopted a resolution on the 9th day of October, 1975 authorizing the Supervisor to enter into an agreement for refuse disposal with Land Reclamation, Inc. for a period not to exceed thirty (30) days, said agreement being necessary because of an emergency situation in that the City of Buffalo has prevented the use of E. Lovejoy Street in the City by Town Sanitation trucks in their course of delivery of refuse to the Community Disposal Service, Inc., and

WHEREAS, said emergency situation still exists, now, therefore, BE IT

RESOLVED that since the Town of Cheektowaga is presently unable to make delivery of its refuse to the transfer station site of Community Disposal Service, Inc. because of the aforementioned circumstances, the Supervisor be and hereby is authorized to cause said refuse to be delivered to Land Reclamation, Inc. refuse site at Indian Church Road and Broadway Streets in the Town of Cheektowaga, at a rate of $1.35 per cubic yard and the Supervisor is hereby authorized to enter into an agreement for such refuse disposal with Land Reclamation, Inc. at the aforementioned price and for a period not to exceed thirty (30) days.

Upon Roll Call....
AYES: Councilmen Wroblewski, Swiatek, Meyers, Wasielewski and Johnson

Item No. 18 Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS, the Greater Buffalo Internationl Airport is located wholely within the Town of Cheektwoaga, State of New York, and

WHEREAS, the Niagara Frontier Transportation Authority may sponsor an application for federal financial assistance to expand the cross-winds runway and support facilities at the Greater Buffalo international Airport so as to accommodate an anticipated increase in jet traffic, and

WHEREAS, the Airport's present effects upon the quality of life in the Town of Cheektowaga, particularly with respect to residents living along the south-west runway corridor, is of the utmost concern to the Cheektowaga Town Board, and

WHEREAS, on October 6, 1975, a Public Hearing on the environmental impact of the Greater Buffalo International Airport was conducted at the Cheektowaga Town Hall, with approximately 200 persons in attendance, and

WHEREAS, as expressed at this Public Hearing, the increased proportion of jet traffic over recent years has resulted in a net detrimental effect upon those residents, and

WHEREAS, the N.F.T.A. concedes that aircraft noise problems will continue and probably increase "by reason of increasing frequency... to become more acute until about 1985", and

WHEREAS, it is the expressed will of the Cheektowaga Town Board that any project description relative to modifications at the Greater Buffall International Airport, as submitted to the Secretary of Transportation, must include a clearly defined and acceptable program of flood control measures, noise, water and air pollution abatement, including, for such purpose, the acquisition of land surrounding the airport site, and

WHEREAS, under the Airport and Airways Development Act of 1970 and under the proposed Airport and Airways Development Act Amendments of 1975, "no airport development project may be approved by the Secretary unless he is satisfied

43

Item No. 18

that fair consideration has been given to the interests of the community in or near which the project may be located", and

WHEREAS, HR 9771, Airport and Airways Devleopment Act Amendments of 1975, is a Bill presently before the U.S. House of Representatives, and

WHEREAS, HR 9771 would amend the Airport and Airways Development Act of 1971, and

WHEREAS, under present funding criteria, land may not be acquired for the sole purpose of alleviating airport community noise problems occurring because noise represents an annoyance or nuisance, and

WHEREAS, the above proposal would extend federal aid for Airport Development to include the following: "the purchase of land or itnerests therein, for the purpose of insuring that such land is used only for purposes which are compatible with the noise levels of the operation of a public airport", and "for use within airport boundaries, purchase of noise suppression equipment, construction of physical barriers and landscaping to accomplish noise reduction", NOW, THEREFORE, BE IT

RESOLVED that Congressman Jack F. Kemp, and Congressman Henry J. Nowak, are hereby petitioned to insure that the foregoing provisions are preserved and remain an integral part of the subject Bill, and BE IT FURTHER

RESOLVED that certified copies of this resolution and of the stenographic record of the October 6, 1975 Public Hearing be transmitted to Congressman Kemp and Nowak with the recommendation that the concerns herein and therein expressed be communicated on our behalf to the Secretary of Transportation.

Item No. 20 Resolution regarding Community Development Project
This item was withdrawn.

43

Item No. 21 Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS, Dr. Victor Reinstein has submitted an application to the United States Department of the Interior, National Park Service, and

WHEREAS, said application seeks designation of a 190 acre nature sanctuary, owned solely by Dr. Reinstein, as a Natural Landmark, and

WHEREAS, such Natural Landmark would be located wholey within the Town of Cheektowaga, and

WHEREAS, the site contains 12 ponds acting as a vital drainage and retention area linking residential development and North Slate Bottom Creek with Cayuga Creek within the Town, and

Item No. 21 cont'd

WHEREAS, as owned by Dr. Reinstein, said nature sanctuary has served for 35 years to preserve and protect a representative portion of the original Western New York habitat, in situ, with flora and fauna, now unique to the urban environment, and

WHEREAS, this sanctuary is contiguous with the largely forested 90 acre Losson Road Park in the Town of Cheektowaga, and

WHEREAS, Landmark status is viewed as a necessary step in a continuing effort by the citizens of Cheektowaga to encourage maintenance of this sanctuary for the benefit of our successors, and

WHEREAS, the members of the Cheektowaga Bicentennial Commission have dedicated their support for the designation of this site as a Natural Landmark in 1976, NOW, THEREFORE, BE IT

RESOLVED that the Cheektowaga Town Board strongly commends this application to the Secretary of the Interior, and seeks its expeditous approval, and BE IT FURTHER

RESOLVED that certified copies of this resolution be sent to Secretary of the Interior Rogers C.B. Morton and Congressman Jack F. Kemp, whose intercession we are respectfully requesting on behalf of the applicant.

November 13, 1975

TO THE SUPERVISOR AND THE
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

Re: St. Felix Drainage Area

Gentlemen:

At the September 15, 1975 regular Town Board Meeting, bids were received and opened for Phase I of the proposed St. Felix Drainage Area storm sewer. Eight (8) bids were received with totals as follows:

H. & D. Construction Co., Inc.	$ 385,341.00
Marin Concrete Co., Inc.	431,151.50
William W. Kimmins and Sons, Inc.	443,569.00
C.M.H. Co., Inc.	452,670.00
Northern Demolition	478,252.00
M.C. Morgan Contractors, Inc.	490,083.50
Amadori Construction Co.	495,090.00
Custom Top Soil, Inc.	545,157.17
Ecol Construction Systems, Inc.	Incomplete Bid

Since the Thruway Authority has to date denied permission to discharge the proposed storm waters into their drainage system, it is recommended that these bids be rejected. We will pursue the permit request. In addition, we will incorporate design changes so as to reduce the cost of this project.

Very truly yours,

TOWN OF CHEEKTOWAGA

OWNER [X]
ARCHITECT [X]
CONTRACTOR [X]
FIELD [X]
OTHER [X] J. Matecki Town Attorney Surety

PROJECT: (name, address) Community Building in Dartwood Park Cheektowaga, NY

ARCHITECT: Scaffidi & Moore

ARCHITECT'S PROJECT NUMBER: 7422

TO (Owner)

Town of Cheektowaga
Broadway and Union Road
Cheektowaga, NY

CONTRACTOR: Hadala Construction, Inc.
CONTRACT FOR: GENERAL CONSTRUCTION

CONTRACT DATE: March 3, 1975

DATE OF ISSUANCE: October 28, 1975

PROJECT OR DESIGNATED AREA SHALL INCLUDE:
General Construction Contract for building only as called for in Contract Documents dated January 2, 1975 including subsequent Change Orders.

The Work performed under this Contract has been reviewed and found to be substantially complete. The Date of Substantial Completion is hereby established as October 15, 1975 which is also the date of commencement of all warranties and guarantees required by the Contract Documents.

DEFINITION OF DATE OF SUBSTANTIAL COMPLETION

The Date of Substantial Completion of the Work or designated portion thereof is the Date certified by the Architect when construction is sufficiently complete, in accordance with the Contract Documents, so the Owner may occupy the Work or designated portion thereof for the use for which it is intended.

A list of items to be completed or corrected, prepared by the Contractor and verified and amended by the Architect, is appended hereto. The failure to include any items on such list does not alter the responsibility of the Contractor to complete all Work in accordance with the Contract Documents.

Scaffidi & Moore
ARCHITECT — BY — DATE 11/4/75

The Contractor will complete or correct the Work on the list of items appended hereto within days from the above Date of Substantial Completion.

Hadala Construction, Inc.
CONTRACTOR — BY — DATE 10-31-75

The Owner accepts the Work or designated portion thereof as substantially complete and will assume full possession thereof at 9:00 A.M. (time) on October 22, 1975 (date).

Town of Cheektowaga
OWNER — BY — DATE 11-21-75

The responsibilities of the Owner and the Contractor for maintenance, heat, utilities and insurance shall be as follows:
(NOTE — Owner's and Contractor's legal and insurance counsel should determine and review insurance requirements and coverage)

All requirements for insurance and bonds shall remain in force until final acceptance by Owner.

NOTE: This CERTIFICATE OF SUBSTANTIAL COMPLETION IS FOR BUILDING ONLY. SITE WORK IS NOT INCLUDED AS PART OF THIS CERTIFICATE.

Motion by Supervisor Weber seconded by Councilman Wroblewski

WHEREAS, Teresa DeVincentis has applied for a rezoning from RC-Restricted Business District to C-Retail Business District the property located at the southwest corner of William and Glidden Streets, Cheektowaga, New York, and being more particularly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situate in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot No. 73, Township 10, Range 7 of the Buffalo Creek Reservation and according to a map filed in the Erie County Clerk's Office under Cover No. 311, is known as subdivision lots numbers forty-eight (48) to fifty (50) inclusive in Block No. 7, situate on the south side of William Street, west corner of Glidden Street,

and to amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on the 17th day of November, 1975, at 7:00 p.m. Eastern Standard Time after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, the requirements of Section 6-011, paragraphs (b) and (c), Section 6-05, paragraph (c), and Section 6-10 of the Town Zoning Ordinance dealing with the screening of the adjacent residential area should be complied with, and

WHEREAS, the Erie County Department of Planning and the Cheektowaga Planning Board have reviewed said application and it appears that the proposed rezoning would not interfere with the use and enjoyment of the surrounding areas by the [redacted] (c), and Section 6-10 of the Town Zoning Ordinance wherein the premises must be properly screened along the boundary line between subject premises and adjacent residential properties, and BE IT FURTHER

RESOLVED that the above described premises be and hereby are rezoned from RC-Restricted Business District to C-Retail Business District, and BE IT FURTHER

RESOLVED that the Zoning Map in the Town Clerk's Office be changed accordingly.

STATE OF NEW YORK)
COUNTY OF ERIE)

I, BENEDICT T. HOLTZ, Town Clerk of the Town hereinafter described, DO HEREBY CERTIFY as follows:

1. A regular meeting of the Town Board of the Town of Cheektowaga, a town located in the County of Erie, State of New York, was duly held on November 17, 1975, and minutes of said meeting have been duly recorded in the Minute Book kept by me in accordance with law for the purpose of recording the minutes of meetings of said Board, and such minutes appear at item 38, inclusive, of said book.

2. I have compared the attached extract with said minutes so recorded and said extract is a true copy of said minutes and of the whole thereof insofar as said minutes relate to matters referred to in said extract.

3. Said minutes correctly state the time when said meeting was convened, the place where such meeting was held and the members of said Board who attended said meeting.

IN WITNESS WHEREOF, I have hereunto set my hand and have hereunto affixed the corporate seal of said Town, this 17th day of November, 1975.

BENEDICT T. HOLTZ
Town Clerk

Item No. 39 Decision on Rezoning - 5035 Genesee

Motion by Supervisor Weber, seconded by Councilman Wroblewski

WHEREAS, Pitt-Orchard, Inc., has applied for a rezoning from Ml-Light Manufacturing District to CM-General Commercial District the property located at 5035 Genesee Street, Cheektowaga, New York, and being more particularly described as follows:

> ALL THAT TRACT OR PARCEL OF PROPERTY, situate in the Town of Cheektowaga, County of Erie and State of New York and being part of Lot 75, Township 11, and Range 7 of the Holland Land Company's Survey and more particularly described as follows:
>
> POINT OF BEGINNING IS in the centerline of Genesee Street, Three Hundred Sixty-nine and Eighty-one Hundredths (369.81) feet westerly of the centerline of Transit Road, said centerline being also the east line of Lot 75, as measured along the said centerline of Genesee Street, thence continuing westerly along the said centerline of Genesee Street Two Hundred Six and Seven Hundredths (206.07) feet to an angle point; thence continuing westerly at an interior angle of 191° 38' 10" along the said centerline of Genesee Street, Five Hundred Ninety-Two and Ninety-five Hundredths (592.95) feet to a point; thence southerly and parallel with the west line of Lot 75 a distance of Four Hundred Sixty-one and Eighty-five Hundredths (461.85) feet to a point; thence easterly at right angles Seven Hundred Eighty-two and Twenty-six hundredths (782.26) feet to a point; thence northerly and parallel with the centerline of Transit Road a distance of Six Hundred Twenty-eight and Twenty-eight Hundredths (628.28) feet to the centerline of Genesee Street at the point or place of beginning, containing Nine and Forty-eight Hundredths (9.48) acres of land be the same mor or less, excluding the rights of the public in and to Genesee Street and all widenings thereof,

and to amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on the 17th day of November, 1975 at 7:00 p.m., Eastern Standard Time after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, the Erie County Planning Division and the Cheektowaga Planning Commission have reviewed said application and it appears that the proposed rezoning would not interfere with the use and enjoyment of the surrounding area, NOW, THEREFORE, BE IT

RESOLVED that the above described premises be and hereby are rezoned from Ml-Light Manufacturing District to CM-General Commercial District, and BE IT FURTHER

RE: Oehman Blvd. Storm Sewer Trunk

Gentlemen:

Following is the summary of bids that were received and opened at the November 17, 1975 regular Town Board Meeting. These are bids for the construction of the Oehman Blvd. storm sewer trunk.

	With Reinforced Concrete Pipe	With Corrugated Steel Pipe
Marin Concrete Co., Inc 3198 Union Road Cheektowaga, New York 14227	$227,759.40	$211,792.50
E. Cardarelli & Co., Inc 11 Tristan Lane Buffalo, New York 14221	$231,366.90	$213,425.90
Knab Bros. Inc 1800 Military Road Kenmore, New York 14217	$228,504.00	$221,417.00
ECOL Constructional Systems, Inc 1859 Como Park Blvd. Lancaster, New York 14086	$258,509.00	$237,816.00
R. L. Vogel, Inc 1299 Union Road West Seneca, New York 14224	$291,275.00	$268,908.00

Town of Cheektowaga

TOWN HALL – BROADWAY AND UNION ROAD – CHEEKTOWAGA, NEW YORK 14227

CHESTER L. BRYAN, P.E.
TOWN ENGINEER

SUPERVISOR AND TOWN BOARD MEMBERS November 26, 1975

	With Reinforced Concrete Pipe	With Corrugated Steel Pipe
Northern Demolition, Inc 3220 Clinton St - Box 192 West Seneca, New York 14224	$264,865.43	$276,797.97
Shurtrench Construction, Inc 9717 Partridge Road Colden, New York 14033	$310,909.00	$282,735.00
Cimato Bros., Inc 165 Hartford Place Buffalo, New York 14226	$302,456.50	$291,849.50
M.C. Morgan Contractors, Inc 45 Morgan Parkway Williamsville, New York 14221	$363,717.00	$341,332.30

These bids were reviewed by the consulting firm of Nussbaumer & Clarke, Inc., which firm prepared the specifications. The recommendation is that the contract be awarded to the lowest bidder, Marin Concrete Co., Inc., 3198 Union Road, Cheektowaga, New York 14227, for submission of the lowest bid meeting the requirements of the specifications. To obtain comparative prices, two (2) types of pipes were bid; those being concrete and corrugated steel pipe. It is recommended that the Town take advantage of the lowest price which is that for the corrugated steel pipe at the bid price of $211,792.50.

At the November 17th Town Board Meeting the bid of E. Cardarelli & Co., Inc., indicated a low price, however, there was an error. The corrected bid placed this firm as the second (2nd) low bidder.

Yours truly,

TOWN OF CHEEKTOWAGA

Chester L Bryan

Chester L. Bryan, P.E.

Item No. 14 Sewer Districts — Engineering Department - Award of Bid for Remedial Work in Sanitary No. 5 and 7.

Motion by Councilman Meyers, seconded by Councilman Johnson

WHEREAS, bids were duly received and opened at the regularly scheduled Town Board meeting of November 17, 1975, as the result of advertisement, therefore, for Sanitary Sewer Remedial Work in Sewer Districts No. 5 and 7, and

WHEREAS, said bids were referred to the Town Engineer for analysis, tabulation, and report, which said analysis, tabulation and report is hereto attached and contained in a letter to the Town Board dated November 28, 1975, NOW, THEREFORE, BE IT

RESOLVED that the contract for the Remedial Work in Sanitary Sewer Districts No. 5 and 7 as recommended by the Town Engineer be and the same hereby be awarded to R. W. Dorss Plumbing of 67 Schlenker Avenue, Cheektowaga, New York 14225, for the submission of the lowest bid meeting specifications.

TO THE SUPERVISOR AND THE
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

Re: Sewer Districts No. 7 and 5
Remedial Work

Gentleman:

At the regular Town Board meeting of November 17, 1975, bids were received and publically opened for sewer remedial work in Sanitary Sewer District Nos. 5 and 7. Three bids were received as follows:

R.W. Dorss Plumbing	$ 4,350.00
Shurtrench Construction Co.	8,550.00
Marin Concrete Co., Inc.	17,800.00

The Town of Cheektowaga has used the services of Dorss Plumbing on emergency sewer repair and found the work satisfactory.

It is, therefore, recommended that the bid be awarded to Dorss Plumbing, 67 Schlenker Avenue, Cheektowaga, New York 14225, for the submission of the lowest bid meeting the requirements of the specifications.

Very truly yours,

TOWN OF CHEEKTOWAGA

TAKE NOTICE

1. You are hereby ordered by the Town Board of the Town of Cheektowaga to repair, secure and make safe the building at the rear of (structure is a barn), Cheektowaga, New York. The premises are described on said Town's assessment rolls as: Map Cover 450, Sublot No. 1, Account No. 13-1. Said building (barn) is located in Cheektowaga, New York.

2. The particulars in which said building (barn) is unsafe or dangerous are set forth in Exhibit "A" hereto attached and made a part of this Notice.

3. That securing or removal of the said building (barn) shall commence within thirty (30) days of the service of the Notice upon you and shall be completed within sixty (60) days thereafter.

4, That in the event of your neglect or refusal to comply with the requirements of this Notice, a survey of the premises will be made by an inspector and architect to be named by the Town Board, and a practical builder, engineer or architect appointed by you. And in the event of your refusal or neglect to appoint a surveyor then the two surveyors named by the Town Board shall make the survey and report. And in the event the building shall be reported unsafe or dangerous under such survey, an application will be made at a Special Term of the Supreme Court in the Judicial District in which the property is located for an order determining the building to be a public nuisance and directing that it shall be repaired and secured or taken down and removed.

5. That the land on which said building is located will be assessed for all costs and expense incurred by the Town in connection with the proceedings to remove or secure the same, including the cost of actually removing said building.

6. That this Notice is being served upon you in accordance with the provisions of the Ordinance of the Town of Cheektowaga known as the "Unsafe Buildings and Collapsed Structures Ordinance of the Town of Cheektowaga."

Honorable Town [redacted]et T. Holtz, Town Clerk
Town of Cheektowaga
Broadway & Union Road
Cheektowaga, New York 14227

Re: Ordinance 40
Unsafe building

Gentlemen:

On October 17, 1975, I conducted an Inspection of a dilapidated barn at the rear of [redacted] owned by John Janik, same address. At this time I noted the barn to be in an unsafe condition with severe buckling in the North and South walls.

Structurally, the barn was also unsafe with severe foundation heaving, separation of bottom plates from this foundation and many rotted or buckled structural members.

I believe an effort should be made to demolish this building as soon as possible. The need for prompt action is further necessitaded by the proximity of this barn to a neighboring home at 19 Barbara Place.

Respectfully,

TOWN OF CHEEKTOWAGA

Ronald Marten
Acting Building & Plumbing Inspector

Item No. 25 Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS, the Town Board has previously adopted a resolution on the 3rd day of November, 1975 authorizing the Supervisor to enter into an agreement for refuse disposal with Land Reclamation, Inc. for a period not to exceed thirty (30) days, said agreement being necessary because of an emergency situation in that the City of Buffalo has prevented the use of E. Lovejoy Street in the City by Town Sanitation trucks in their course of delivery of refuse to the Community Disposal Service, Inc., and in that Community Disposal Service, Inc. has failed to provide the Town with any other access routes to said disposal site, AND

WHEREAS, said emergency situation still exists, now, therefore, BE IT

RESOLVED that since the Town of Cheektowaga is presently unable to make delivery of its refuse to the transfer station site of Community Disposal Service, Inc. because of the aforementioned circumstances, the Supervisor be and hereby is authorized to cause said refuse to be delivered to Land Reclamation, Inc. refuse site at Indian Church Road and Broadway Street in the Town of Cheektowaga, at a rate of $1.35 per cubic yard and the Supervisor is hereby authorized to enter into an agreement for such refuse disposal with Land Reclamation, Inc. at the aforementioned price and for a period not to exceed thirty (30) days.

Item No. 26 Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS it may become necessary to present new and revised bid specifications for a refuse disposal site, and

WHEREAS we are currently acting under a temporary emergency contract for refuse disposal, and

WHEREAS the drafting of such specifications is a contingency measure, and

WHEREAS it may be necessary in the light of recent announcements by potential users of refuse for fuel energy, to re-evaluate the Towns' future course in refuse disposal and the term of any new contract, NOW, THEREFORE, BE IT

RESOLVED that the firm of Ecology and Environment, Inc., located on Sugg Road in the Town of Cheektowaga, is hereby retained for a fee not to exceed $1,000.00, except as authorized in any subsequent resolution, to review the current contract with Community Disposal, Inc., with regard to any revisions necessary to bidding should this be required, and to evaluate the impact of Town refuse as a potential fuel resource on the Niagara Frontier, and BE IT FURTHER

RESOLVED that representatives of said Ecology and Environment, Inc., meet with the Town Board prior to preparation of a final draft of said specifications.

Upon Roll Call....
AYES: Supervisor Weber, Councilmen Wroblewski, Swiatek, Meyers, Wasielewski and Johnson

Item No. 27 Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS, the Town of Cheektowaga is currently eligible for $215,000.00 for fiscal year 1975 under Erie County's Community Development Program and the Housing and Community Development Act of 1974, and

WHEREAS, the Town has been previously advised that it is necessary to submit an amended projects list, and

WHEREAS, a communication from the Erie County Division of Planning received November 28, 1975, indicates that such list must be expeditiously filed, and

WHEREAS, a representative of the Erie County Division of Planning has informed the Town that a hearing should be provided so as to reflect public input on the primary projects as now proposed.....

1.) Scajacquada Creek T-2 to T-3 Diversionary Ditch Flood Control Project,
2.) St. Felix Drainage Improvements, contribution to Phase I,

NOW, THEREFORE, BE IT

RESOLVED that a Public Hearing for the purpose of reviewing Cheektowaga's amended 1975 Community Development Grant application will be held at 7:00 p.m., January 5th, 1976, in the Town Hall Council Chambers, Broadway and Union Roads.

Item No. 36 Resolution re: Amendment to the Bankruptcy Act.

Motion by Councilman Johnson, seconded by Councilman Meyers

WHEREAS, certain Railroad Companies holding title to land in excess of 1100 acres within the Town of Cheektowaga have filed bankruptcy, and

WHEREAS, these Companies are presently owing approximately $1,000,000.00 in back taxes and penalties to the Town, and

WHEREAS, a considerable period of time may pass before any taxes can be collected under the current bankruptcy proceedings, and

WHEREAS, due to changes in rail usage, much of this property represents abandoned trackage, vacant buildings and otherwise barren land, and

WHEREAS, portions of this property will not become part of any new reorganized network such as Con Rail, and

WHEREAS, it is in the interest of Town, Village, and School District taxpayers that such industrially zoned property be coherently developed under new ownership, thereby generating immediate tax revenues, and

WHEREAS, it may be further in the taxpayers interest that a means be provided whereby any accrued tax debts may be paid, and

Item No. 36 Cont'd

WHEREAS, Congressman Henry J. Nowak has sponsored and co-sponsored bills presently before the United States House of Representatives which would respectively offer the following options.....

1.) allow local municipalities to seize land owned by bankrupt Railroads in lieu of back taxes, and

2.) permit the Secretary of Transportation to contract with local governments for the purchase of any portion of these tax debts and at the conclusion of the bankruptcy proceedings be reimbursed through the prior lien rights of the local taxing unit,

NOW, THEREFORE, BE IT

RESOLVED that the Cheektowaga Town Board hereby announces its support for such legislation, as necessary means by which to encourage economic development and/or obtain redress, and BE IT FURTHER

RESOLVED that certified copies of this resolution be transmitted to Congressman Henry J. Nowak and Congressman Jack F. Kemp.

TO THE SUPERVISOR AND THE
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

Re.: Automobile Bid-Assessors and
Sanitation Departments

Gentlemen:

At the regular Town Board Meeting of November 3, 1975, bids were received and opened for the replacement automobiles for the Sanitation and Assessors Departments. Three (3)bids were received as follows. The bids include the trade-in of a 1972 automobile from the Sanitation Department and a 1971 automobile from the Assessors Department.

BIDDER	SANITATION	ASSESSORS
Keller Chevrolet, Inc.	$ 3,478.00	$ 3,278.00
Mernan Chevrolet, Inc.	3,360.00	3,460.00
Mid City Dodge, Inc.	3,498.00	3,298.00

It is recommended that the bid be awarded to Keller Chevrolet, Inc., 3600 Genesee Street, Cheektowaga, New York 14225, for the Assessors automobile, and to Mernan Chevrolet, Inc., 2751 Bailey Avenue, Buffalo, New York for the Sanitation Automobile, for the submission of the lowest bid meeting all the requirements of the specifications.

Very truly yours,

OFFICE: 683-4775

TOWN OF CHEEKTOWAGA
ERIE COUNTY, NEW YORK
OFFICE OF
SUPERINTENDENT OF HIGHWAYS
3145 UNION ROAD
CHEEKTOWAGA, NEW YORK 14227

December 2, 1975

Honorable Daniel E. Weber, Supervisor
Honorable Town Board
Town Hall, Cheektowaga, New York

Gentlemen:

Bids were opened and read at the Town Board meeting on October 5, 1975 at 2:30 P.M. for one (1) New 1975 Hydraulic Sewer Cleaner, 1500 Gallon Truck Mounted & Multiple Purpose Pumping Apparatus. After checking the bids submitted, the tabulation is as follows:

Dow & Co., Inc. 1820 Elmwood Ave. Buffalo, New York 14207	Myers Model MHV-6-15L5 Mounted on I.H. 1700 Loadstar Net Bid Price: $24,943.00
Walter M. Roberts Enterprises, 829 Sheridan Dr. Tonawanda, N.Y. 14150	John Bean Model 6520-1350 Sewer Cleaner Net Bid Price: $21,429.19
Mecca-Kendall Corp. Route 240 West Falls, N.Y. 14170	Aquatech Model 1560 Net Bid Price: $19,889.00

Mecca-Kendall Corp., being the lowest responsible bidder, I recommend awarding the contract to Mecca-Kendall Corp. for the above mentioned Sewer Jet at the price of $19,889.00.

I trust this meets with your approval.

Sincerely yours,

TOWN OF CHEEKTOWAGA

Alfred F. Wnek
Superintendant of Highways

Item No. 5 Decision on Rezoning - 1099 French Road

Motion by Councilman Wroblewski, seconded by Councilman Swiatek

WHEREAS, Ronald F. Ehlers has applied for a rezoning from R-Residential District to RC-Restricted Business District the property located at 1099 French Road, Cheektowaga, New York, and being more particularly described as follows:

Item No. 5 cont'd

ALL THAT TRACT OR PARCEL OF LAND, situated in the Town of Cheektowaga, County of Erie, and State of New York, being part of Lot Number fifty-one (51), Township 10 (10), Range seven (7) of the Buffalo Creek Reservation, and further distinguished as the northerly seventy-two (72) feet of Subdivision Lot Number forty-four (44) as shown on a map filed in the Erie County Clerk's Office under Cover Number 2197, except part conveyed to the County of Erie for highway purposes for deed recorded in Liber 7133 of Deeds at page 454 in the Erie County Clerk's Office,

and to amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-00 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on the 17th day of November, 1975 at 7:00 P.M., Eastern Standard Time after publication of the notice as required by the provisions of the Town Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, the requirements of Section 6-011. paragraphs (b) and (c), Section 6-05, paragraph (c), and Section 6-10 of the Town Zoning Ordinance dealing with the screening of the adjacent residential area whould be complied with, and

WHEREAS, it appears that the proposed rezoning would not interfere with the use and enjoyment of the surrounding areas by the owners or occupants thereof, NOW, THEREFORE, BE IT

RESOLVED that said rezoning is granted subject to the owner complying with the provisions of Section 6-011, paragraphs (b) and (c), Section 6-05, paragraph (c), and Section 6-10 of the Town Zoning Ordinance wherein the premises must be properly screened along the boundary line between subject premises and adjacent residential properties, and BE IT FURTHER

RESOLVED that the above described premises be and hereby are rezoned from R-Residential District to RC-Restricted Business District, and BE IT FURTHER

RESOLVED that the Zoning Map in the Town Clerk's Office be changed accordingly.

TOWN BOARD

At a regular adjourned meeting of the Town Board of the Town of Cheektowaga, Erie County, New York held at the Town Hall, corner of Broadway and Union Road, in said Town on the 29th day of December, 1975 at 7:30 o'clock p.m. Eastern Standard Time there were:

PRESENT:
Supervisor
Daniel R. Weber
Councilman
Peter P. Wroblewski
Councilman
Frank E. Swiatek
Councilman
Kenneth J. Meyers
Councilman
Thomas M. Johnson
Councilman
Raymond J. Wasielewski
ABSENT: 0

Motion by Councilman Wroblewski seconded by Councilman Swiatek,

WHEREAS, Ronald F. Kluge has applied for a rezoning from R-Residential District to RC-Restricted Business District at [illegible] Cheektowaga, New York, and being more particularly described as follows:

ALL THAT TRACT OR PARCEL OF LAND, situated in the Town of Cheektowaga, County of Erie and State of New York, being part of Lot Number fifty-one (51), Township ten (10), Range seven (7) of the Buffalo Creek Reservation, and further distinguished as being seventy-two (72) feet of Subdivision Lot Number forty-four (44) as shown on a map filed in the Erie County Clerk's Office under Cover Number 2897, except that conveyed to the County of Erie for highway purposes by deed recorded in Liber 7133 of Deeds at page 238 in the Erie County Clerk's Office; and

WHEREAS, to amend the Zoning Map and Ordinance accordingly, pursuant to Section 10-03 of the Zoning Ordinance of the Town of Cheektowaga, New York, and

WHEREAS, a public hearing was held before the Cheektowaga Town Board on the 17th day of December, 1975, at 7:00 p.m. Eastern Standard Time after publication of the notice as required by the provisions of the Zoning Ordinances and the Town Law of the State of New York and all interested parties were given an opportunity to be heard at said hearing, and

WHEREAS, the requirements of Section 6-011, paragraphs (b) and (c), Section 6-05, paragraph (e), Section 6-10 of the Town Zoning Ordinance with the rezoning of the adjacent residential area should be complied with, and

WHEREAS, it appears that the proposed rezoning would not interfere with the use and enjoyment of the surrounding areas by the owners or occupants thereof, now, therefore, BE IT

RESOLVED that said rezoning is granted subject to the owner complying with the provisions of Section 6-011, paragraphs (b) and (c), Section 6-10 of the Town Zoning Ordinance wherein the premises must be properly screened along the boundary line between subject premises and adjacent residential properties, and BE IT FURTHER

RESOLVED that the above described premises be and hereby are rezoned from R-Residential District to RC-Restricted Business District, and BE IT FURTHER

RESOLVED that the Zoning Map in the Town Clerk's Office be changed accordingly.

July 17, 1975

Honorable Daniel E. Weber, Supervisor
Honorable Town Board
Town Hall, Cheektowaga, New York

RE: Rowley Hollow Subdivision
Approval of Plan

Gentlemen:

Enclosed are letters from the Corp of Engineers showing flood elevations which indicate the Rowley Hollow Subdivision to be way above the 100 year flood elevation.

Ted Skowron, the Highway Department Engineer and I have inspected the maps of the Rowley Hollow Subdivision and find that they meet the specifications as set forth by the Town of Cheektowaga and subject to the following regulations:

1. Bituminous coated metal pipe for storm sewers.
2. Crusher run for road base.
3. It will be the responsibility of the subdividor and/or the builder to plant a tree in front of every new home, between the sidewalk and curb within one year after homes are built.
4. Construction of paving,curbs, receivers and connections in the Rowley Hollow subdivision roads described as follows:

DREW PLACE: 60' R.O.W. -- 2488.49' Length
Beginning at a point in the north r.o.w. line of Rowley Road, thence northerly 439.44' to point of curve, thence easterly 786.79' to point of curve, thence along curve and southerly 627.85' to point of curve, thence along curve and westerly 634.41' to its end at a point in the easterly r.o.w. line of Drew Place.
Fronting sublots 2-25 on Drew Place.
Fronting sublots 1, 2 & 28-36 on Rowley Road.

It is our understanding that the Town Board will not approve any subdivision without prior approval from the County of Erie of the Sanitary Sewers.

Approval of Plans for Rowley Hollow Subdivision

No building permits are to be issued until contract or maintenance bonds are submitted to the Highway Department. Carl Trafalski, Building Inspector, will be notified when bonds are brought in to the Highway Department. Building permits should specify trees to be furnished as noted above.

Therefore, with reference to the above notations, I recommend approval for the Rowley Hollow subdivision.

Respectfully yours,
TOWN OF CHEEKTOWAGA

Item No. 12 Snow Contract

Motion by Councilman Swiatek, seconded by Councilman Wasielewski

WHEREAS, the County of Erie has submitted a proposed snow removal contract whereby the Town of Cheektowaga agrees to remove snow, to sand and control ice and snow, and erect certain fences on certain County roads within the boundaries of the Town of Cheektowaga, and

WHEREAS, similar contracts have been executed by the Town on an annual basis, THEREFORE, BE IT

RESOLVED that the Supervisor be and hereby is authorized to execute said contract between the Town of Cheektowaga and the County of Erie, a copy of which is attached hereto and made a part hereof, and BE IT FURTHER

RESOLVED that the Town Clerk is hereby authorized to certify to the insurance coverage as provided in the third page of said contract.

* See next few pages for contract.

THIS AGREEMENT made and entered into as of the 1st day of November, 1975, by and between the COUNTY OF ERIE, a municipal corporation organized under the Laws of the State of New York, maintaining its offices at 95 Franklin Street, Buffalo, New York, and the **TOWN OF CHEEKTOWAGA** a municipal corporation of the State of New York in Erie County, hereinafter referred to as MUNICIPALITY.

W I T N E S S E T H:

FIRST: The Municipality hereby agrees to remove snow, to sand, and to control ice and snow on certain County Roads, hereinafter defined; and, in implementing such removal and control, to erect and remove its own snow fences where it deems desirable, all at an annual rate and for the agreed consideration of FIVE HUNDRED FIFTY DOLLARS ($550.00) per Lane Mile.

SECOND: A "Lane Mile" hereunder is defined as a portion of any County Road identified on Exhibits A and B, attached hereto and hereby made a part hereof, which is one mile long and of sufficient width to allow the safe passage of an automobile. Shoulders, median strips and short widened sections designed for intersection turning lanes shall not be considered in the calculation of the number of Lane Miles to be maintained under this Agreement. All County Roads shall be considered to be at least two lanes wide for such purposes. The number of Lane Miles for which compensation shall be paid hereunder is as set forth on Exhibit A.

THIRD: The schedule and map of County Roads which are affected by this Agreement are attached hereto and marked EXHIBIT A and EXHIBIT B respectively.

RECEIVED
MAR 30 1976
Richard M. Moleski, Town Clerk

FOURTH: The term of this Agreement shall be for a period of one (1) year, beginning on the 1st day of November, 1975 and shall include the entire 1975-1976 winter season.

FIFTH: This Agreement is made pursuant to resolution of the Erie County Legislature adopted December 2, 1975, being **Res. 646, Item 7R3, Page ____ of the Legislature's** Proceedings, and pursuant to a resolution of the Legislative Board of the undersigned Municipality, adopted at a Meeting of said Board on December 29, 1975
