WHEREAS, a serious traffic hazard exists along George Urban Boulevard, a County highway in the Town of Cheektowaga, AND

WHEREAS, an abrupt curve in the road exists immediately east of the Thruway overpass, AND

WHEREAS, it has been determined by the Cheektowaga Traffic Safety Commission that there is a need for additional larger curve signs, single (no passing) solid yellow road striping on the overpass bridge, and reinstallation of protective guardrails along the outside curve, AND

WHEREAS, residents in the vicinity of said curve have experienced property damage and have petitioned the County and the Town for corrective measures as per the attached, AND

WHEREAS, various safety measures being requested fall within the exclusive authority of the County of Erie, AND

WHEREAS, the Cheektowaga Police Traffic Division records indicate 13 serious accidents, inclusive of personal injury, coinciding with this curve for the years 1976, 1977, 1978 and through September 9, 1979 (fatality), AND

WHEREAS, upgrading of this County highway was completed in the spring of 1978 without addressing the accident potential of this curve and the need for additional effective measures to protect motor vehicle occupants, pedestrians, and residential properties, NOW, THEREFORE, BE IT

RESOLVED that the Town Board of the Town of Cheektowaga hereby requests that the Erie County Department of Highways immediately execute the recommendations of the Cheektowaga Traffic Safety Commission, and respond to the fullest extent possible to the indicated requests of residents of properties abutting George Urban Boulevard, and BE IT FURTHER

RESOLVED that a certified copy of this resolution be forwarded to Kenneth Reitmeier, Deputy Commissioner of Highways, County of Erie, Rath Building, 95 Franklin Street, Buffalo, New York 14202.

September 21, 1979

Mr. Kenneth Reitmeier
Deputy Commissioner of Highways
County of Erie
Rath Bldg.
95 Franklin Street
Buffalo, N. Y. 14202

Dear Mr. Reitmeier:

At our Traffic Safety Commission meeting on September 18, 1979, three residents of George Urban Blvd. (C.R. 316) addressed the Board regarding several accidents at the curve just east of the Thruway bridge. These accidents, it appears, were precipitated by excessive speed and/or loss of vehicle control on the curve. Residence and landscape damage has occurred to several residences near the curve by vehicles leaving the roadway.

The residents present at our meeting submitted a list of 8 suggestions for trying to control speeding, improve safety and prevent residential property damage in the curve area. The list is attached. We have reviewed the list and made field investigations of the area and offer the following comments:

1. Of the eight items on the list, Items 1, 2, 3, & 4, are the responsibility of the County of Erie. Items 5 thru 8 are under the control of the Town.

We do not believe speed limit reduction will be beneficial in solving the above noted problems. The 85th percentile speed is probably higher than 35 MPH today. Also, the geometrics of George Urban Blvd. in the problem area appears to have a higher design speed than 35 MPH.

The Town Police Traffic Unit will check the entire street between Harlem and Union, both directions for correct posting of speed limit signs.

A speed control light is prohibited while a flashing yellow signal is expense with little or no foreseeable benefits.

The Town Police will increase their patrols and have already positioned radar more frequently in the vicinity of the problem area. "Radar posted signs" are not allowed by the M.U.T.C.D.

Our field investigation found that the County has very recently striped the pavement between Harlem and Union, satisfying Item 2 on the attached list.

Regarding Item 1, presently the curve is striped with a double solid line, and the roadway over the bridge is striped with a single dashed line. We would like to suggest that the County investigate the possibility of striping a solid yellow line over the bridge, starting on the west approach, to preclude eastbound vehicles from passing on the bridge. Eastbound vehicles now passing in this area probably exceed the 35 MPH limit in their passing maneuver and may be surprised by the curve at the east bridge approach.

Item 3 requests the re-installation of guard rails in front of 830 & 831 George Urban Blvd. We feel this is worth investigating so as to afford protection to the residence on the outside of the curve. We see no benefit for installation on the inside of the curve.

Item 4 requests a new curve sign be posted in a new location. We suggest investigation of posting additional curve signs in either or both of the recommended locations, and in addition, the use of the larger W2A-C or W2C-C curve signs. In addition, we suggest the installation of a new W7 (left) arrow sign on the outside of the curve.

Upon completion of your study, we would appreciate being appraised of your recommendations by letter to this Board. We also would ask that you carbon copy these recommendations to the Town Board and to Mr. William Beiter, 830 George Urban Blvd., Cheektowaga, N.Y. 14225. Mr. Beiter is acting as spokesman for the residents of the area.

Very truly yours,

Suggestions to the situation on George Wilson Blvd.
between the Thruway overpass and Union Rd.
concerning the curve.

1. Double lines on the bridge - Not clearly marked, make it a double line from bottom of the bridge before the overpass to Miami St. (Towards Union Rd.)
2. Repaint the lines in the street - Very faded, unclear as to whether it is passing or no passing.
3. Reinstall guard rails from base of the hill to 830 & 831 - Will give added protection in the reduction of property damage.
4. Install curve sign - Posted half up the hill (towards Union Rd.) or on top of hill rather than half down the hill.
5. Speed limits lowered from 35 MPH to 25 MPH
6. Need more speed limit signs - there are only five posted between Wilson Rd. & Union Rd.
7. Speed control light or flashing yellow
8. More radar traps & radar posted signs

Re: Budget Message
1980 Tentative Budget

The following highlights relate to the 1980 tentative budget I have filed with the Town Clerk. More detailed data will be made available to you on the evening of October 3rd.

I - The Tax rate Summaries:

Fund	79-80 Change	-----Rates per \$1,000-----			
		1980	1979	1978	1977
General	\$ -0-	\$19.37	\$19.37	\$19.37	\$17.76
Highway	-0-	15.30	15.30	14.47	12.90
Garbage District	+ .30	14.76	14.46	14.46	15.28
Lighting District	- .30	6.42	6.72	6.66	5.75
	\$ -0-	\$55.85	\$55.85	\$54.96	\$51.69

The proposed tentative rates for 1980 present a no increase package for our residents.

A glance into the four year chart shows only a \$4.16 increase during that period representing an average annual increase of 2 1/2% --- far below the annual cost of living increases being experienced during that period.

OFFICE OF THE SUPERVISOR

II - Appropriation totals:

<u>Fund</u>	<u>79-80 Change</u>	<u>1980</u>	<u>1979</u>
General	\$- 83,952	\$9,904,928	\$9,988,880
Highway	- 33,688	2,064,735	2,098,423
Garbage District	+100,247	2,308,360	2,208,113
Lighting District	+ 34,823	1,002,355	967,532

III - Significant budgetary items:

Increases in budget appropriations include:

- negotiated (or anticipated) wage increases
- absorption of those CETA personnel who have received extended CETA terms including a justice court clerk typist, accounting clerk, 3 facilities laborers, 1 garage laborer and, a youth bureau trainee
- purchase of armor vests for policemen
- one new detective relating to "games of chance" expansion in the Town
- one personal counselor for our alcoholism program

Revenue increases include:

Sales tax distribution	+	\$270,000
Interest earnings	+	145,000
Court fines and fees	+	95,000
State Per Capita Aid	+	210,000
Mortgage tax distribution	+	40,000
Fund balance applied	+	309,000

IV - General garbage district

The budget developed for this function is based upon the department head's recommendation of transporting to Chaffee. Increased appropriations are provided for gasoline and equipment but are more than offset by the reduced landfill charges.

V. - Federal revenue sharing

This budget is divided between:

Police wages	\$500,000
Senior Citizens	110,832
Drainage project	400,000

The \$500,000 for police wages provides significant relief to our taxpayers and yet the \$400,000 should allow meaningful improvements in a number of problem areas. Our Town Engineer has been instructed to develop specific plans with emphasis on those matters brought forward at our recent public hearing. Senior citizen programs have always been a concern for federal revenue sharing.

Very truly yours,

Kenneth J. Myers,
Supervisor

RE: Development Plan
Southwest corner of Aero Drive
and Rein Road

Gentlemen:

Pursuant to the requirement of Section 10-10, development plan of the Town of Cheektowaga's zoning ordinance, attached hereto is a plot plan for your review.

As stated at the public hearing, I plan the following:

- (1) Use the property solely for parking vehicles pending disposition which is done on either a weekly or bi-weekly bases.
- (2) Regrade the property from Aero Drive and Rein Road to the creek with input and guidance from the Town Engineers office.
- (3) No construction of any buildings.
- (4) A security chain link fence on the perimeter of the property with a 25 foot set back on Aero Drive and Rein Road and ending 50 feet from the creek banks.
- (5) Compliance with the attached letter by Mr. Chester Bryan, Town Engineer.

Very truly yours,

Charles E. Baran

Re: Re-zoning: southwest corner
of Aero Drive and Rein Road

Dear Mr. LaGreca:

The land in question for re-zoning is in the Ellicott Creek Floodway. A request for parking and storage of motor vehicles within the floodway is permissible. The land can be improved by paving but, it cannot be increased in height. As long as the property owner agrees to remove stored vehicles from this floodway upon warning of a coming flood, then there is no conflict with our flood plain regulations.

Very truly yours,

TOWN OF CHEEKTOWAGA

Sealed proposals will be received and considered by the Town Board
of the Town of Cheektowaga, County of Erie, State of New York, at the Town Hall,
Broadway and Union Road, Cheektowaga, New York 14227, until 7:00 P.M., Local Time
on Monday, the 5th day of November, 1979, at which time and place they will be
publicly opened and read aloud for the following work:

DRAINAGE IMPROVEMENTS BEACH ROAD

The work to be accomplished under this proposal consists of the
construction of approximately 790 linear feet of 48 inch diameter reinforced
concrete storm sewer and appurtenances along Beach Road between Maryvale Drive
and the Kensington Expressway and the construction of approximately 1,700 feet
of drainage channel along the rights of way of the Kensington Expressway and the
New York State Thruway.

Copies of the Contract Plans and Documents may be examined at the
offices of the Town Engineer and the Town Clerk at the said Town Hall during
regular business hours. Copies of the Contract Plans and Documents may be secured
at the office of the Town Clerk upon payment of \$25.00 per set of documents.
Checks shall be made payable to the Town of Cheektowaga.

Any bidder returning such Contract Plans and Documents in good
condition within ten (10) days following the award of the contract or the rejection
of bids will be refunded the full amount of his deposit for one complete set of
documents only. Similarly, non-bidders, including material suppliers and any one
returning the documents prior to the bid opening, will be refunded one-half the
amount of their deposit (\$12.50) for one complete set of documents only.

Item No. 17 cont'd

A certified check or bank draft, payable to the order of the Town of Cheektowaga, negotiable U.S. Government bonds (at par value), or a satisfactory bid bond executed by the Bidder and an acceptable surety, in an amount equal to five percent (5%) of the total Bid shall be submitted with each Bid.

Attention is called to the fact that not less than the minimum salaries and wages as set forth in the Contract Documents must be paid on this project, and that the Contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or national origin.

The Town of Cheektowaga reserves the right to reject any or all bids or to waive any informalities in the bidding.

Bids may be held by the Town of Cheektowaga for a period not to exceed forty-five (45) days from the date of the opening of the Bids for the purpose of re-reviewing the Bids and investigating the qualifications of Bidder prior to awarding the Contract.

RE: Dump Truck Bid for
Equipment Committee

Gentlemen:

At the Regular Town Board Meeting of October 1, 1979 bids were received and opened for one (1) dump truck for the Treatment Plant #5. Net bid price includes trade in of a 1973 International Dump Truck. Five (5) bids were received and are as follows.

<u>BIDDER</u>	<u>BID</u>
Bison Ford Truck Sales Inc.	10,424.01
Maier-Schule GMC	10,744.68
Mernan Chevrolet Inc.	11,264.00

TOWN BOARD SAFETY RULES AND

GUIDELINES

A Town Board Safety Review Committee, composed of at least two Town Councilmen, is hereby established to review the reports and activities of the Town Safety Committee, the Department Safety Committees, the Department Heads (as they relate to Loss Control and Safety), the Town's insurers and Risk and Insurance Manager, and report to the Town Board as appropriate.

The Town of Cheektowaga Loss Control and Safety Program, developed by the Town Safety Committee in cooperation with the major department heads is hereby accepted as the official Town Loss Control and Safety Program and by this action indicates support by the Board and Directs the program be implemented and the Safety Rules be enforced after a two week period of personnel indoctrination.

STATEMENT OF THE TOWN SUPERVISOR

Most of our employees know that safety is more than just a word to be bandied about. Most also know that "accidents" are caused; they do not just happen.

At this time, the Federal Occupation Safety and Health Act, enacted to protect the worker, our human resources, does not apply to local governmental workers. New York State is in the process of developing a Public Employee Safety Law. I do not believe we can wait for someone else to establish our Safety Program.

That is why we have prepared this Loss Control and Safety Program, to help you protect yourself and your co-workers from injury and lost wages. The established safety rules do not replace work rules but augment them. Any conflict in rules should be resolved in favor of safety whenever possible.

It is essential that everyone accept this program and the safety rules that have been established as the reasonable responsibility of all employees to act and react with thought and care, not only to their everyday work activities but, also, to their off the job personal and recreational activities.

You should think safety is just a way of life and always be alert through all the hours of your day. I encourage

you all to take an active part in making the Town of Cheektowaga not only a safe place to work but also a safe and healthful place to live and enjoy life.

SAFETY RULES

INTRODUCTION

The following rules have been established to insure the health and safety of the Town's employees and the general public. They are applicable to all personnel. In addition, specific Department Safety Rules apply to all employees of that department.

The violation of certain safety rules, designated with an asterisk (*), will be considered "Serious Violations". In the event of a serious violation, the employee may be immediately suspended and procedures under respective bargaining agreements shall be complied with.

The violation of all other safety rules will result in progressively more serious warnings with termination of employment for repeated violations.

Please re-read the Employees Responsibility for Safety above and bear in mind these rules have been established primarily for your protection. In general, injuries result from unsafe acts and unsafe conditions, both of which are often under control of the injured employee. You should value your life and limb and that of your co-workers ahead of personal possession or comfort. Please strive to make your and your co-workers workplace as accident and injury free as possible.

GENERAL SAFETY RULES

(applicable to all personnel)

Rules

*1. Consumption of alcoholic beverages or the use of illegal drugs during work hours or while on Town property is strictly forbidden. Furthermore, reporting for work while under the influence of alcoholic beverages or drugs will not be tolerated.

Notes: (1) Employees taking drugs prescribed by a physician or non-prescription medicine that causes drowsiness shall report same to his supervisor upon reporting for work. (2) An employee may demand a "breathalyzer test" to demonstrate compliance with this rule.

*2. Horseplay and fighting will not be tolerated.

*3. Firearms and weapons, (except authorized police weapons) are not to be carried during work hours and are prohibited at work places.

*4. Immediately report all accidents causing injury to persons and/or damage to property (including Town property) to your supervisor and report all unsafe conditions to supervisor promptly.

*5. Wear clothing appropriate to your job and the protective clothing and/or equipment issued or required of your duties, in designated work areas and required work situations. Hard-soled workshoes shall be worn by all employees of Recreation and blue-collar employees.

Guidelines:

1. Familiarize yourself with your duties and the tools and equipment you use; recognize the hazards of your job and equipment and do not take unnecessary risks.
2. No employee shall misuse, overload or over-extend any Town equipment or vehicle. Employees shall use correct tools and equipment for the work to be performed. Employees will check the condition of Town equipment or vehicles for safety prior to use.
3. Read and heed all "Warning" and "Instructions" labels on equipment, chemicals and other materials, and follow accordingly. You do not fully understand the warning or instructions, ask your supervisor for assistance.
4. Always check ladders, steps, scaffolds, ropes, cables, slings, hoists and jacks for wear or unsafe condition before use.
5. Do not use boxes or other unstable devices for climbing or work platforms.
6. Know how much you can lift and use correct lifting techniques. Do not attempt to lift or carry by hand anything that is too heavy or bulky for one person to handle safely. Use the correct lifting device for the job.

HOUSEKEEPING & MAINTENANCE RULES

Rules:

1. No employee shall remove protective guards over moving parts of machinery.
2. Warning tags must be placed on circuit breakers or plugs of machinery that is being repaired or worked on. Only the person who placed the tag or an authorized person may remove it.

Guidelines:

1. Keep your work area orderly at all times.
2. Pick up and return tools and other items to proper place when finished using them and before leaving your work area.
3. Clean up spills and loose debris immediately.
4. Always use proper containers for disposal of waste, oily rags and scrap.
5. Floors, steps and walkways should be kept clean and free of obstructions.
6. All machinery and power tools should be inspected for wear and hazardous conditions before use. Defective or hazardous equipment should be tagged and reported to your supervisor.
7. Be sure all lighting in your work area is maintained in proper operating condition.
8. Employees shall not place extension cords, cables across sidewalks, aisles, hallways or other walkways. Use

care in the placement of extension cords, cables, etc. to avoid tripping hazards.

9. Keep filing cabinet, desk and other drawers closed (using handles where provided to do so.)

FIRE AND EXPLOSION PREVENTION

Rules:

1. Do not smoke or ignite matches, lighters or torches in prohibited areas, near fuel tanks or in the presence of fumes, flammable gases or substances. Remember dust and powdered substances in the air are highly explosive.

Employees shall not use flammable liquids near open flames or electrical panels or switches.

Guidelines:

1. Know the location of fire fighting equipment and alarms and how to use them.

2. Do not block exits, fire fighting equipment or electric panel boxes or switches.

MOTOR VEHICLE SAFETY RULES

INTRODUCTION

Motor Vehicle Safety is a combination of: (1) Driver selection and training, (2) Vehicle inspection and maintenance and, most importantly, (3) Proper operating and use of the vehicle by the driver. While much of the responsibility for the first two activities rests with management, the driver's responsibility for his own training and the inspection and maintenance of the vehicle he operates is necessary for an effective safety program. A driver generally knows when a vehicle should not be driven, whether it be due to lack of the driver's ability and training or due to defective equipment.

The following rules should be considered the minimum standards governing the operation of the Town of Cheektowaga motor vehicles (trucks, cars, tractors and motorized mobile equipment).

DRIVER SELECTION AND TRAINING

RULES:

1. All current and prospective drivers must be licensed in New York to drive the type of vehicle being used. A Class 1 or 3 license is required for trucks exceeding 18,000 pounds MGW; a Class 1, 3, 4 or 5 license is satisfactory for passenger cars and trucks 18,000 pounds or less MGW. This rule

applies even if the Town vehicle is driven only on Town property. Persons with driver's permits or Class 6 license may not drive Town vehicles.

Guidelines:

1. The Town of Cheektowaga Police Department will investigate all accidents involving Town motor vehicles, maintain a record thereof, and assist department heads and supervisors in the furtherance of this program.

2. All department heads will develop and effect a reasonable motor vehicle preventive maintenance program and arrange for repair of defective equipment.

3. Supervisors or department heads will assist drivers in reporting all accidents, filing appropriate reports with the Town's insurer, the State of New York when required, and the Town Supervisor. Each department shall retain a copy of the accident reports and investigations with a copy included in the driver's file.

DRIVER RULES

Rules:

1. Inspect vehicle and attachments in accordance with department rules or the Vehicle and Equipment Care and Safety Check List below before operating the vehicle.

*2. Report any suspension or revocation of your driver's license.

Guidelines:

1. Place a tag on any defective vehicle or equipment that is not to be used until repaired or replaced.
2. Vehicles or equipment found to have steering, braking or other serious defects during the period of operation shall not be driven but shall be towed to the garage for repairs.
3. Get the names and addresses of witnesses and the license number of nearby vehicles wishing to leave the accident scene before police arrive.
4. Operate all motor vehicles under posted or legal speed limits.
5. Operate all motor vehicles in a "defensive driving" manner and within the laws governing the use of the vehicle on the highway.
6. Do not follow closer than the distance required to stop your vehicle before striking another car ahead or a fixed object. Use the "two second rule" as a guide when appropriate.
7. Keep the inside of the vehicle cab clean and free of all litter.
8. Be alert to changing conditions (road condition, weather, nearby schools, playgrounds, etc.).
9. Report any other information directly relating to your ability to safely operate a motor vehicle to your supervisor without delay. Also report any conviction of a

moving traffic violation during work. Exhibit your ticket stub to your supervisor upon request.

10. Assist in any investigation or inquiry of the accident or damage occurring while you are in charge of the vehicle.

11. Be sure any cargo, load or attachments on your vehicle are secure or fastened at all times.

12. Drive with particular care and caution:

- a. At all intersections - watch pedestrian crossings - stop fully before making legal right turns at red signals.
- b. When changing lanes - signal your plan ahead of time - avoid "squeeze plays" - yield to passing vehicles (blind spots are not a valid excuse for an accident.
- c. When backing vehicle - be sure no pedestrians are crossing at the rear and look for small children in particular - a child's toy nearby could mean a child is around the vehicle.
- d. At expressway exit and entrance ramps - be sure speed is sufficiently reduced to avoid skidding on exit curves, particularly under slippery road conditions.

4. Use good judgment and "common sense" in pursuing suspects and when responding to emergency situations and calls.
5. Do not carry oversize or heavy impounded or other articles in police cars.
6. Keep lockers locked when weapons are inside.

DISCIPLINARY ACTION

The primary purpose of disciplinary action is to obtain the employee's willingness to comply with rules and regulations. The object is to change the employee's behavior regarding established rules of conduct and safety without stimulating undesirable results. Frankly, it often takes some doing to get compliance with rules willingly and, at the same time, retain a cooperative and productive employee.

We believe the vast majority of employees will respond to education, reinstruction and persuasion when confronted with safety rule violations. There may, however, be some chronic rule breakers who will require special handling and individual attention. We recognize the handling of "safety problem" employees is difficult and usually distasteful to supervisors who, quite honestly, have many other important matters to attend to. Some employees may even take advantage of this knowledge and try to talk their way out of disciplinary penalties for safety rule violations.

Supervisors and Department Heads must strive vigorously to overcome any tendency to "let this one go by" for whatever reason. Only if violations are handled skillfully, fairly and always with respect to an individual's dignity will this program and the humane benefits it holds out be accomplished.

We know it is a tall order for Supervisors and Department Heads already burdened with many problems, but it is

a job that is worth doing right and must be done.

A better understanding of Safety is essential and all supervisors and department heads should be able to find information available to assist him. A good basic understanding of safety can be obtained from the booklet titled "Supervisor's Safety Guide Book". A copy has been given to each Department Head and other supervisors wishing to have a personal copy need only ask. In addition, the local libraries have been asked to stock books or reading matter on this subject and the Town Safety Committee plans to obtain and have safety and loss control material available.

PENALTIES FOR RULE AND GUIDELINE VIOLATION

1. Serious Violations

Violation of a safety rule marked by an asterisk (*) will be treated as a serious violation under Article 19 and subject the employee charged to possible suspension.

2. Violation of Regular Safety Rule

a. First Violation will result in a documented oral reprimand.

b. Second Violation within a one-year period will result in a documented written reprimand.

c. Third Violation within a one-year period will result in a labor-management conference and possible suspension under collective-bargaining contract procedures.

3. Violation of Safety Guidelines

a. First violation will result in a safety reminder slip (copies to be provided to employee, Union and personnel file)

b. Second Violation within one year will result in issuance of second reminder slip as above.

c. Third Violation within one year will result in issuance of third reminder slip as above.

d. Fourth violation within one year will result in a formal written reprimand.

e. Fifth Violation within one year will result in a labor-management conference and possible suspension under collective-bargaining contract procedures.

CONCLUSION

The safety rules in this program, established for our employees protection, have been developed as a joint effort of the various Town department heads, other Town staff and consultants, our insurer's engineering department staff and the Town of Cheektowaga Safety Committee. The rules are believed to be reasonable and appropriate to your work.

However, even the most complete and detailed set of rules cannot guarantee freedom from injuries or damage. Only your "common sense" interest in preventing injury to yourself or others or damage to property can really reduce accidents and the pain and suffering that often results.

For this reason, we cannot assume any liability for the safety suggestions made herein. Furthermore, you cannot assume that every acceptable safety procedure or rule is contained in this program or that abnormal or unusual circumstances may not require different or additional procedures or precautions.

We encourage your active participation in this safety effort and will welcome suggestions to improve the safety record of the Town and its various departments.

RE: Main Pump Station
Treatment Plant #5
Change Order No. 1
Contract #3A

Gentlemen:

The attached resolution is submitted for your approval of one (1) Change Order on the Main Pump Station, Contract #3A at the Treatment Plant #5.

Change Order No. 1, Contract #3A - Add \$22,923.00

At the request of the Treatment Plant Operator and the recommendation of the Town Engineer to properly secure the site along the Central Boulevard line, the 1300 feet of existing four foot (4') fence is to be replaced with an eight foot (8') high fence with three (3) strands of barbed wire at the top. This also requires a new twenty foot (20') wire gate and eight foot (8') high masonry piers at the gate. The remainder of the perimeter fence is to be installed under the future retention facility project.

Very truly yours,

I. RESOLUTIONS

Item No. 2 Motion by Councilman Johnson, seconded by Councilman Dux

WHEREAS, this Town Board duly held a public hearing on the 15th day of October, 1979 to consider the advisability of adoption of a proposed amendment to the Traffic Ordinance of the Town of Cheektowaga which was adopted on July 17, 1967, said hearing being held in accordance with Notice thereof which was duly published as required by law, at which hearing an opportunity to be heard was afforded all persons interested in the subject thereof.

NOW, THEREFORE, BE IT RESOLVED as follows:

Section 1.

That this Town Board determine that it is in the public interest to adopt the following amendment to the Traffic Ordinance of the Town of Cheektowaga, County of Erie and State of New York, and said amendment is herewith adopted and enacted:

ARTICLE V

One-way Roadways

Section 50. One-way roadways.

BERYL DRIVE (SERVICE ROAD) is hereby designated for one-way traffic in a northerly direction, between its intersection with Genesee Street and its intersection with Beryl Drive.

Section 2. Time to take effect.

(a) This amendment shall take effect when properly posted within a reasonable time except those parts, if any, which are subject to approval under Section 1684 of the Vehicle and Traffic Law of the State of New York.

(b) Any part or parts of this amendment which is subject to approval under Section 1684 of the Vehicle and Traffic Law of the State of New York shall take effect from and after the day on which approval in writing is received from the New York State Traffic Commission.

Item No. 2 Cont'd.

Section 3. Territorial application.

This amendment shall apply to all of the Town of Cheektowaga, Erie County, New York outside of the villages of Depew and Sloan.

Section 4. Publication and Posting.

That this amendment to the Traffic Ordinance shall be entered in the minutes of this Town Board and shall be published in THE EXAMINER, a newspaper published in this Town, and a printed copy thereof shall be posted on the sign-board maintained by the Town Clerk pursuant to Subdivision 6 of Section 30 of the Town Law of the State of New York, and affidavits of such publication and posting shall be filed with the Town Clerk and the Town Clerk shall likewise enter in the Ordinance Book a copy of this amendment specifying the date of adoption thereof.

Autumnwood Drainage
Project - Part II

Gentlemen:

The engineering firm of Nussbaumer & Clarke, Inc. has submitted a Change Order on the above project and recommend its approval.

Change Order No. 3

This Change Order was required to compensate the contractor to adjust the contract to reflect "as built" measurements. Each item was verified by the field engineer of Nussbaumer & Clarke, Inc. and defined in Exhibit "A" of the Change Order. This Change Order was on hold until the contractor lowered the elevation of one (1) receiver in the park area to meet the grade. This has been completed. The area was inspected on October 16, 1979 and the work area is comparable with the other areas of the park.

Attached is a resolution requesting your consideration.

Very truly yours,

Town Engineer:

Re: Proposal for Engineering Services
Scajaquada Creek Tributary T-1
Drainage Study

Gentlemen:

We appreciate the opportunity to submit this proposal for engineering services to study the Tributary T-1 basin and make recommendations to relieve flooding in this system.

Scope of Project

The Corps of Engineers Report, Review of Reports for Flood Control, Scajaquada Creek and Tributaries, New York, August 1968, presented the following in the Plan of Improvements section:

"Tributary T-1

For much of its length this tributary is confined within covered conduit and culverts beneath streets. The area it drains is relatively small and discharges, in terms of cfs, are slight. However, rapid runoff during intense rainfalls, when combined with backwater effects from the main stem while high discharges are being experienced therein, quickly overtakes the tributary's limited capacity. Due to relatively flat topography, widespread flooding over a number of closely built up streets results. This causes little damage directly, as the flood levels reached are generally confined within the street boundaries. The problem arises from inundation of the many sanitary sewer manholes in those streets.

Due to its own character, its relationship to the main stem and to nearby developments, there is no economically reasonable way in which the tributary channel can be enlarged to receive and contain runoff flows during the critical periods. Accordingly, the plan of improvement for this damage reach provides solely for adding water-tight covers to the affected

sanitary sewer manholes. This includes all of those with existing cover elevations below or less than one foot above the actual profile of T-1 water surface during the August 1963 flood, totaling 43 in number. At confluence with the main stem, design water surface exceeds that experienced in 1963, but the effect of this increment on the T-1 profile would be lost in its upper reaches where the damages due to sanitary sewer backup into basements have been sustained. With this plan, ponding in the streets would continue to occur but, since such ponding is short lived and subsides quickly after cessation of rainfall, it would generally have only nuisance effects."

Therefore, because of the high cost, no structural improvements to the tributary were planned, even though annual damages in Reach T-1 were the second highest of the 10 Reaches studied.

Scope of Engineering Services

Prepare a Drainage Study of the Tributary T-1 basin investigating alternative ways of eliminating the flooding problems in the area north of the ConRail tracks as follows:

- 1) Conduct a field survey of existing storm sewer trunk facilities.
- 2) Prepare a drainage analysis of these facilities.
- 3) Investigate alternative ways of relieving the drainage basin south of the ConRail tracks by diversion directly to Scajaquada Creek. There are two apparent alternatives, reroute flows into the channel presently being deepened along the west side of the Thruway, or with an additional channel along the south side of the ConRail tracks.
- 4) Should it be feasible to divert the upstream waters, investigate improvements to the present T-1 system north of the ConRail tracks and recommend improvements to reduce flooding.
- 5) Prepare cost estimate for the various alternatives and recommendations.

Scope of Fees

We propose the fee for the engineering services described herein to be equal to our salary cost times a multiplier of 2.5, plus non-salary expenses. The multiplier includes all overhead and profit. The non-salary expenses would include such items as; travel, per diem, computer usage, reproductions, etc.

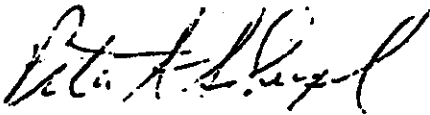

Cheektowaga Town Board
October 8, 1979
Page 3

For budgetary purposes, we estimate the fee to be approximately \$27,800 as per the attached estimate. The Report can be completed within six months after notice to proceed is given.

We trust the above approach and proposal will meet with your approval. Should you have any questions, please do not hesitate to contact us.

Sincerely yours,

Re: Town of Cheektowaga, New York
Madeira - Borden Drainage Project
NCI File No. 77-918

Mr. Chester L. Bryan, P. E.
Town Engineer of Cheektowaga
Broadway and Union Road
Cheektowaga, New York 14227

Dear Sir:

Over the last three years, we have submitted a number of alternative proposals for the above project, and revised such proposals based on directives from you and from Town Board members. The enclosed copy of Exhibit A indicates the scope of work that was agreed upon in 1978. With this letter, we are submitting an outline of fee schedules updated to reflect present day construction costs.

Stage I Design of Project from Transit Road to Madeira Drive to Borden Road.

Right-of-Way Maps and Descriptions for Land Required for the Construction of the Project.

Basic Drawings for a Ten Acre Site (that could be used for recreation and storm water detention purposes)

Under this stage, the scope of the work would include aerial photography; 1" = 50' scale drawings; cross sections for ditches at 100 foot intervals; complete design of the project and determination of the extent of rights-of-way that are required; maps and descriptions for rights-of-way required to accommodate the construction of the project from Transit Road to Madeira Drive, to Borden Road; obtaining and evaluating borings; preparation of bid documents.

Under this stage we would also furnish 1" = 50' scale drawings showing 2 foot contours for a ten acre site that could be used for future recreational and storm water detention purposes. Drawings would also be provided for the area where a future ditch is to run southwesterly from the ten acre site. Such basic drawings will enable you to direct future development of the area, along guidelines established by the official drainage systems maps.

Mr. Chester L. Bryan, P. E.

-2-

October 17, 1979

We propose to complete the work outlined above for the following fees:

Total for design and preparation of right-of-way maps and descriptions	\$59,000.00

Reimbursement for borings and aerial mapping and title searches at actual invoiced costs plus 10% for surveying and office work connected with the procurement and evaluation of these services	10,200.00

If maps and descriptions are required for the acquisition of the ten acre site that is proposed to be used for future recreational and storm water detention purposes, the additional fee would be	<u>2,400.00</u>

Total Fee	\$71,600.00

The drawings and documents outlined for Stage I could be used to construct sections of the project as funds become available. The right-of-way maps would be useful to the various Town Departments in the review of proposals by developers for construction adjacent to the proposed project.

Yours truly,

NUSSEBAUMER & CLARKE, INC.

Honorable Kenneth J. Meyers, Supervisor
Honorable Town Board Members
Town Hall, Cheektowaga, New York

Gentlemen:

Richard M. Moleski, Town Clerk

Bids were opened and read at town board meeting of
October 15, 1979 for Sodium Chloride (Rock Salt). Bids were
as follows:

<u>Sodium Chloride</u>	<u>International Salt Co.</u>	<u>Morton Salt</u>
Delivered to Cheektowaga Highway Dept. - Chtg. N.Y.	\$22.17 - 21T Min. Truckload	\$22.96 - 22T min.
At Buffalo, New York (Dock)	No Bid	\$18.24 - 10T min.
At Retsof, New York	\$15.50 - 10T min.	No Bid

I recommend the bid be awarded to International Salt Co.
as the low responsible bidder as we will pick up the sodium chloride
ourselves, or when necessary, have them deliver.

I trust the above meets with your approval.

Very truly yours,

WHEREAS, the increasing possibility of accidents is an ever present threat; and

WHEREAS, it would appear that parents generally favor the early evening hours, since it tends to limit participation to the younger children, for whom the observance was originally intended and thereby discourages interference and disruption by the very small percentage of older children, who under cover of darkness and with their identities concealed by masks and costumes, might otherwise spoil the fun for the smaller children; NOW, THEREFORE, BE IT

RESOLVED that Wednesday, October 31, 1979 shall be known as "Halloween Night" in the Town of Cheektowaga, and that the Town Board ask both children and their parents to cooperate in limiting the time of "trick-or-treating" activities to the period between 6:00 P.M. and 9:00 P.M. We further ask that, whenever possible, parents of the very young insure that they or other responsible adults accompany them, and we further encourage all householders, whenever they are able to do so, to cooperate in making this a happy occasion for all youngsters by keeping their porch or exterior lights on.

A G R E E M E N T

THIS AGREEMENT, made this thirteenth day of November, 1979, by and between the TOWN OF CHEEKTOWAGA, Erie County, New York, a municipal corporation, with offices at Broadway and Union Roads, Cheektowaga, New York, hereinafter referred to as the "TOWN", and Catholic Charities Manpower Services, Inc., a civic and charitable organization, with offices at 525 Washington Street, Buffalo, New York, hereinafter referred to as the "AGENT".

W I T N E S S E T H

WHEREAS, the AGENCY, in cooperation with the TOWN, is desirous of operating and maintaining a "Youth Service Project" whereby school drop-outs and potential school drop-outs within the TOWN will receive vocational, educational, and personal adjustments counseling; and

WHEREAS, the TOWN is a municipality eligible to receive state aid and reimbursement of expenditures from the State of New York for sponsoring a "Youth Services Project" and

WHEREAS, the TOWN will appropriate the sum of \$35,848.00 for said "Youth Services Project",

NOW THEREFORE, it is mutually understood and agreed as follows:

1. The TOWN will sponsor a Youth Services Project and pay to the AGENCY a sum not to exceed \$35,848.00 during the term of this Agreement for operation and maintenance of a family oriented counseling program for school drop-outs. The anticipated costs and expenses of said project are specified on the Proposed Budget which is attached hereto and made a part hereof.
2. The amount paid by the TOWN, in accordance with paragraph 1., constitutes the TOWN'S full and complete obligation with regard to this Agreement and all consequences arising therefrom, except the TOWN shall be entitled to apply for state aid and reimbursement of expenditures as sponsor of the project in accordance with the applicable

provisions of the Executive Law of the State of New York

The amount paid by the TOWN will be paid as follows:

The AGENCY will submit expenses incurred on a quarterly basis on duly authorized vouchers to the TOWN. Upon receipt of the vouchers, the TOWN will pay the AGENCY for services rendered during the quarter.

3. The AGENCY'S share of the project expenses will be twenty-five (25) per cent of the total costs and expenses incurred, not to exceed \$8,962.00. The TOWN will bill the AGENCY for the AGENCY'S share of the project expenses upon payment by the TOWN of expenses incurred during the final quarter.

4. The AGENCY agrees to operate a Youth Service Project whereby school drop-outs and potential school drop-outs within the TOWN, regardless of race, color or creed, will receive vocational, educational and personal adjustment counseling.

5. The AGENCY agrees to carry out the terms of this Agreement in accordance with the Division for Youth Act and the rules and regulations of the Cheektowaga Youth Board and the State Division for Youth; and the project will be operated in compliance with all laws and the Constitution of the State of New York.

6. The AGENCY agrees to hire as its own employees any and all personnel required to implement and effectuate the operation of the Youth Services Project.

7. Except with relation to the duties normally accepted and imposed upon the AGENCY, this Agreement shall constitute the full and complete obligation of the parties hereto.

8. This Agreement is contingent and conditioned upon approval of required renewal applications and acceptance by the New York State Division for Youth.

9. This Agreement will cover the period from January 1, 1980 to December 31, 1980.

IN WITNESS OF WHEREOF, the parties have hereunto set their hands and seals the day and date first written above.

which would prepare teen-age volunteers to assist their community in various projects that would require a need for volunteers.

NOW, THEREFORE, it is mutually understood and agreed as follows:

1. The TOWN will sponsor a youth volunteer and community service program as a Youth Service Project and pay to the AGENCY a sum not to exceed \$6,639.00 for a 12-month period commencing January 1, 1980 and running through fiscal year 1980 for the operation of said program.
2. The amount paid by the TOWN in accordance with Paragraph 1 constitutes the TOWN's full obligation with regard to the agreement and all consequences arising therefrom, except that the TOWN shall be entitled to State Aid reimbursement from the New York State Division for Youth as sponsor of the project.
3. The AGENCY agrees to operate said project and coordinate all of its activities with the Cheektowaga Youth Bureau.
4. The AGENCY agrees to carry out the terms of this agreement in accordance with the rules and regulations of the New York State Division for Youth and Division for Youth Act, and that the project will be operated in compliance with all the laws of the TOWN OF CHEEKTOWAGA and the Constitution of the State of New York.

5. The Cheektowaga Public Libraries agrees to hire its own employees and personnel to run the Youth Service Program, however, such personnel must be agreeable to both parties.

6. The director representing the Cheektowaga Public Libraries for this Program shall be Mrs. Mary I. Szostak, Director of the Cheektowaga Library.

7. Except with relation to duties normally accepted and imposed upon the Cheektowaga Public Libraries, this agreement shall constitute the full and complete obligation of the parties thereto.

8. The Program Supervisor of the Youth Service Program shall submit written weekly reports which shall cover such areas as attendance, number of youths participating in each program, etc., to both the Cheektowaga Public Libraries and the Cheektowaga Youth Board.

This agreement is to take effect as of January 1, 1980.

The Town of Cheektowaga will hold public hearings on Monday, December 10, 1979 at 7:00 P.M. and Monday, December 17, 1979 at 6:30 P.M. at Cheektowaga Town Hall, Broadway and Union Road, Cheektowaga, New York, regarding the use of federal Community Development Block Grant funds.

The Town of Cheektowaga is eligible to receive \$882,956 under Title 1 of the Housing & Community Development Act of 1974 during fiscal year 1980. The purpose of these hearings is to provide the citizens of the Town of Cheektowaga with the opportunity to express their views and opinions on how these funds will be utilized. Community Development Block Grant funds may be utilized for housing and community development activities, particularly those which would benefit low and moderate income persons in the Town of Cheektowaga. The Town Board of the Town of Cheektowaga invites your comments and active participation in the development of the Town's application for these funds. The Town of Cheektowaga encourages the participation of low and moderate income persons in these hearings. Your written comments pertaining to the use of these funds are also invited. These may be addressed to: Jerome Gabryszak, Community Development Coordinator, Town Hall, Broadway & Union Road, Cheektowaga, New York 14227.

A detailed listing of eligible activities under the Community Development Block Grant program will be available in the Town Clerk's Office at Cheektowaga Town Hall. All citizens are urged to attend the public hearings to make known their views on the Town's selection of projects to be funded with Community Development Block Grant funds. Written remarks, proposals and suggestions will also be accepted at the public hearings.

RE: Beach Road Drainage Project

Gentlemen:

Bids were received and opened at the Regular Town Board Meeting of November 5, 1979 for the construction of the first phase of the Beach Road Drainage Project. Eighteen (18) bids were submitted ranging in price from \$182,752 to \$297,385. The lowest six (6) bids are as follows:

Firsthyme Construction Corp. Inc.	\$182,752.00
Northrup Contracting, Inc.	\$186,255.00
Lebis Contracting, Inc.	\$188,236.37
Marin Concrete Company, Inc.	\$197,860.00
Schreiber Hauling & S.H. Constr. Corp.	\$198,228.44
M.C. Morgan Contractors, Inc.	\$198,402.00

When bids were opened on November 5th, the apparent low bidder was Lebis Contracting Company with a bid price of \$176,546.37. In reviewing the bids, McFarland Johnson Engineers, Inc. found computation errors on two (2) items in their bid proposal.

In their letter of November 14, 1979, McFarland Johnson Engineers, Inc. recommended that the bid be awarded to Firsthyme Construction Corporation Inc., whose bid documents are in order. We agree, and recommend the award of the contract to Firsthyme Construction Corporation, Inc., 133 Ransom Road, Lancaster, New York 14086 for their lowest bid of \$182,752.00. This bid meets all of the requirements of the specification.

RE: Town Hall Alterations
and Additions Project

Gentlemen:

Attached for your consideration is a resolution to approve all the outstanding Change Orders on various contracts for the Town Hall Renovation Project.

Change Order #G-7 - General Contractor (\$20,697.00)

This Change Order was the decision to install the elevator now instead of at a later date. This action was done by letters and communication and was never authorized by Town Board Resolution.

Change Order #G-15 - General Contractor (\$2,249.84)

This change was for three (3) finish changes, the addition of mirrors in the rest rooms and to pay for the difference of the cost of brick between actual cost and specification allowance.

Change Order #E-5 - Electrical (\$1,969.70)

This change was for twelve (12) electrical changes due to existing conditions or program changes or additions.

Change Order #S-3 - Site Work (\$1,298.00)

This change was for additional work to patch and seal the front portico and column bases.

CONDITIONS

THE CONSULTANT agrees to the following conditions for compliance with contracts utilizing Community Development Block Grant funding:

1. The Consultant agrees that it shall keep and maintain separate books of account and records concerning all costs incurred in the performance of this Agreement, and that it shall have available for audit and inspection by the County, Town, or by authorized representatives of the Federal government; all the Consultant's facilities, books and other financial and statistical data as they relate to the application, acceptance and use of Federal funds for this federally assisted program. The Town and the Consultant agree to comply with the regulations, policies, guidelines and requirements of Federal Management Circulars 74-4 and 74-7, as they relate to the application, acceptance and use of Federal funds for this federally assisted program.
2. This Agreement shall be valid only to the extent of the receipt of funds by the Town under Title I of the Housing and Community Development Act of 1974. In the event that the County's application for funding under Title I of the Housing and Community Development Act of 1974 is not approved, this Agreement shall be null and void.
3. This Agreement or any right, title or interest herein shall not be assigned, transferred, conveyed, sublet or otherwise disposed of without the previous written consent of the Town.
4. Nondiscrimination - The Consultant shall comply with all requirements imposed by Title VI of the Civil Rights Act of 1964, Ss109 of the Housing and Community Development Act of 1974, and the H.U.D. regulations with respect thereto including the regulations under 24C.F.R. Part 1. No person in the United States shall on the ground of race, color, creed, religion, national origin or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or service provided pursuant to this Agreement.
5. Equal Employment Opportunity - In carrying out this Agreement, the Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Consultant shall take affirmative action to insure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, up-grading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant shall post in conspicuous places, available to employees, notices to be provided by the Government setting forth the provisions of this nondiscrimination clause. The Consultant shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. The Consultant shall incorporate the foregoing requirements of this paragraph in all of its contracts for work under this agreement, except contracts for construction work, or modification thereof, and will require all of its contractors for such work to incorporate such requirements in all subcontracts for work under this Agreement.

"Section 3" Compliance in the Provision of Training Employment and Business Opportunities

- a. The work to be performed under this Agreement is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.
- b. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 C.F.R. Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this Agreement. The parties to this Agreement certify and agree that they are under no contractual or other disability which would prevent them from complying with these requirements.
- c. The Consultant will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.
- d. The Consultant will include this Section 3 clause in every subcontract for work in connection with the project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of Housing and Urban Development, 24 C.F.R. Part 135. The Consultant will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 25 C.F.R. Part 135 and will not let any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- e. Compliance with the provisions of Section 3, the regulations set forth in 24 C.F.R. Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 C.F.R. Part 135.

7. Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era

- a. The Consultant will not discriminate against any employee or applicant for employment because he or she is a disabled veteran or veteran of the Vietnam Era in regard to any position for which the employee or applicant for employment is qualified. The contractor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled veterans and veterans of the Vietnam Era without discrimination based upon their disability or veterans' status in all employment practices such as the following: employment upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- b. The Consultant agrees that all suitable employment openings of the Consultant which exist at the time of the execution of this agreement and those which occur during the performance of this agreement, including those not generated by this agreement and including those occurring at an establishment of the Consultant other than the one wherein the agreement is being performed but excluding those of independently operated corporate affiliates, shall be listed at an appropriate local office of the State employment service system wherein the opening occurs. The Consultant further agrees to provide such reports to such local office regarding employment openings and hires as may be required.
- c. Listing of employment openings with the employment service system pursuant to this clause shall be made at least concurrently with the use of any other recruitment source or effort and shall involve the normal obligations which attach to the placing of a bona fide job order, including the acceptance of referrals of veterans and nonveterans. The listing of employment openings does not require the hiring of any particular job applicant or from any particular group of job applicants, and nothing herein is intended to relieve the Consultant from any requirements in Executive Orders or regulations regarding nondiscrimination in employment.
- d. The reports required by Paragraph "b" of this clause shall include, but not be limited to, periodic reports which shall be filed at least quarterly with the appropriate local office or, where the Consultant has more than one hiring location in a State, with the central office of that State employment service. Such reports shall indicate for each hiring location (1) the number of individuals hired during the reporting period, (2) the number of nondisabled veterans of the Vietnam Era hired, (3) the number of disabled veterans of the Vietnam Era hired, and (4) the total number of disabled veterans hired. The reports should include covered veterans hired for on-the-job training under 38 USC 1787. The Consultant shall submit a report within 30 days after the end of each reporting period wherein any performance is made on this contract identifying data for each hiring location. The Consultant shall maintain at each hiring location copies of the reports submitted until the expiration of one year after final payment under the contract, during which time these reports and related documentation shall be made available, upon request, for examination by any authorized representatives of the contracting officer or of the Secretary of Labor. Documentation would include personnel records respecting job openings, recruitment, and placement.

- e. Whenever the Consultant becomes contractually bound to the listing provisions of this clause, it shall advise the employment service system in each State where it has establishments of the name and location of each hiring location in the State. As long as the Consultant is contractually bound to these provisions and has so advised the State system, there is no need to advise the State system of subsequent contracts. The contractor may advise the State system when it is no longer bound by this contract clause.
- f. This clause does not apply to the listing of employment openings which occur and are filled outside of the 50 States, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.
- g. The provisions of Paragraphs "b", "c", "d", and "e" of this clause do not apply to openings which the Consultant proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement. This exclusion does not apply to a particular opening once an employer decides to consider applicants outside of his own organization or employer-union arrangement for that opening.
- h. As used in this clause: (1) "All suitable employment openings" includes, but is not limited to, openings which occur in the following job categories: production and nonproduction; plant and office; laborers and mechanics; supervisory and nonsupervisory; technical; and executive, administrative, and professional openings as are compensated on a salary basis of less than \$25,000 per year. This term includes full-time employment, temporary employment of more than 3 days' duration, and part-time employment. It does not include openings which the Consultant proposes to fill from within his own organization or to fill pursuant to a customary and traditional employer-union hiring arrangement nor openings in an educational institution which are restricted to students of that institution. Under the most compelling circumstances an employment opening may not be suitable for listing, including such situations where the needs of the Government cannot reasonably be otherwise supplied, where listing would be contrary to national security, or where the requirement of listing would otherwise not be for the best interest of the Government.

(2) "Appropriate office of the State employment service system" means the local office of the Federal-State national system of public employment offices with assigned responsibility for serving the area where the employment opening is to be filled, including the District of Columbia, Guam, Puerto Rico, and the Virgin Islands.

(3) "Openings which the contractor proposed to fill from within his own organization" means employment openings for which no consideration will be given to persons outside the Consultant's organization (including any affiliates, subsidiaries, and the parent companies) and includes any openings which the Consultant proposes to fill from regularly established "recall" lists.

(4) "Openings which the Consultant proposes to fill pursuant to a customary and traditional employer-union hiring arrangement" means employment openings which the Consultant proposes to fill from union halls, which is part of the customary and traditional hiring relationship which exists between the Consultant and representatives of his employees.
- i. The Consultant agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

- j. In the event of the Consultant's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.
- k. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notice shall state the Consultant's obligation under the law to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era for employment, and the rights of applicants and employees.
- l. The Consultant will notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Consultant is bound by the terms of the Vietnam Era Veterans Readjustment Assistance Act, and is committed to take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam Era.
- m. The Consultant will include the provisions of this clause in every subcontract or purchase order of \$10,000 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to the Act, so that such provisions will be binding upon each subcontractor or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.
8. Obligations of Grantee with Respect to Certain Third-Party Relationships - The Consultant shall remain fully obligated under the provisions of the Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of this Agreement.

The Consultant shall, by contractual requirement, covenant, or other binding commitment assure the compliance on the part of any contractor, sub-contractor, transferee, successor in interest or other participant in the activities pursuant to this Agreement, with the lawful requirements of the County of Erie necessary to insure that activities pursuant to this Agreement are carried out in accordance with the Town assurances and certifications pursuant to the Community Development Block Grant Program, including those with respect to the assumption of environmental responsibilities of the County of Erie under section 104(h) of the Housing and Community Development Act of 1974.

9. Interest of Certain Federal Officials - No member of or Delegate to the Congress of the United States, and no Resident Commissioner, shall be admitted to any share or part of this Agreement or to any benefit to arise from the same.
10. Interest of Members, Officers, or Employees of Grantee, Members of Local Governing Body, or Other Public Officials - No member, officer, or employee of the Consultant or its designees or agents, no member of the governing body of the locality in which the program is situated, and no other public official of such locality or localities who exercise any functions or responsibilities with respect to the program during his tenure or for one year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds thereof, for work to be performed in connection with the program assisted under the Agreement. The Consultant shall incorporate, or cause to incorporate, in all such contracts or subcontracts a provision prohibiting such interest pursuant to the purposes of this section.

11. Prohibition Against Payments of Bonus or Commission - The assistance provided under this Agreement shall not be used in the payment of any bonus or commission for the purpose of obtaining HUD approval of the application for such assistance, of HUD approval of applications for additional assistance, or any other approval or concurrence of HUD required under this Agreement, Title I of the Housing and Community Development Act of 1974 or HUD regulations with respect thereto; provided, however, that reasonable fees or bona fide technical, consultant, managerial or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as program costs.

12. Compliance - The obligation of the Consultant to comply with the provisions of the above paragraphs of this Agreement shall inure to the benefits of the United States, H.U.D., the County of Erie, and the Town. Any of which shall be entitled to invoke any remedies available by law to redress any breach thereof or to compel compliance therewith by the Consultant.

The Consultant shall, by contractual requirement, covenant, or other binding commitment assure the compliance with the above provision and the provisions of the preceding paragraphs of the Agreement on the part of any contractor, subcontractor, transferee, successor in interest or other participant in any activities pursuant to this Agreement.

STATEMENT OF COMPLIANCE

Training, Employment, and Contracting Opportunities
for Businesses and Lower Income Persons

- A. The project assisted under this (contract)(agreement) is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the project.
- B. Notwithstanding any other provision of this (contract)(agreement), the (applicant)(recipient) shall carry out the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary set forth in 24 CFR Part 135 (published in 38 Federal Register 29220, October 23, 1973), and all applicable rules and order of the Secretary issued thereunder prior to the execution of this (contract)(agreement). The requirements of said regulations include but are not limited to development and implementation of an affirmative action plan for utilizing business concerns located within or owned in substantial part by persons residing in the area of the project; the making of a good faith effort, as defined by the regulations, to provide training, employment, and business opportunities required by Section 3; and incorporation of the "Section 3 Clause" specified by Section 135.20(b) of the regulations in all contracts for work in connection with the project. The (applicant)(recipient) certifies and agrees that it is under no contractual or other disability which would prevent it from complying with these requirements.
- C. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Secretary issued thereunder prior to approval by the Government of the application for this (agreement)(contract), shall be a condition of the Federal financial assistance provided to the project, binding upon the (applicant)(recipient), its successors and assignees. Failure to fulfill these requirements shall subject the (applicant)(recipient), its contractors and subcontractors, its successors, and assignees to the sanctions specified by this (agreement) (contract), and to such sanctions as are specified by 24 CFR Section 135.135.

TO THE SUPERVISOR AND

TOWN OF CHEEKTOWAGA

RE: Change Order No. 1
Autumnwood Drainage Project
Part III

Gentlemen:

Attached for your consideration is a resolution to authorize payment of Change Order No. 1 in the amount of \$3,194.00 to be paid to Joseph Ogiony & Sons Inc. for additional work required on the above subject project.

The original design was to pipe the storm waters from Autumnwood Part I and Part II through a portion of the Cathedral Heights Subdivision. At the request of John Trianda, Engineer from Nussbaumer & Clarke, Inc. who developed the Southwest Cheektowaga Drainage Plan, a change was made to incorporate an additional future drainage pick-up for the rear lots of Dartwood Drive and Dartwood Park. It was necessary to install a new manhole with a stub for future connection and lower the elevation of the pipe approximately five (5) feet resulting in blasting of solid rock to install the manhole and pipe. It was this blasting that caused the unforeseen addition to the contract.

Very truly yours,

of

PETITION FOR
ABANDONMENT

ANDERSON PLACE (so called) A "PAPER STREET"
EXTENSION SHOWN UNDER MAP COVER NO. 1065 IN
THE ERIE COUNTY CLERK'S OFFICE

The Petition of JAMES JONES and JAMES HOERNER indicates:

1. That they are the adjacent landowners to the "Paper Street" known as Anderson Place Extension.
2. That the owners are most desirous of the abandonment.
3. That according to the Subdivision map, Anderson Place was to extend easterly from its present point.
4. That, upon information and belief, such proposed street as shown on said Subdivision map and the official map of the Town of Cheektowaga and has never been dedicated for street purposes, has never been conveyed to or accepted by the Town of Cheektowaga for such purposes, nor has it ever been laid out, improved, opened to public use or used by the public as a public street.
5. That title to the land lying in the bed of said Anderson Avenue Extension (paper street portion), is vested in the owners of the subdivision lots abutting the same.
6. That the petitioners propose to and are desirous of extending improvements into the bed of said paper street.
7. That, to provide for the use of such lands lying in the bed of the paper street petitioners propose that the same be abandoned as a proposed street.
8. That the lands lying within the bed of Anderson Place extension, so-called "paper section", proposed to be abandoned are described as follows:

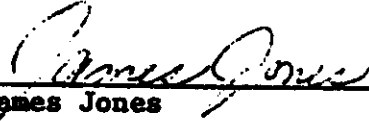

ALL THAT PORTION of Anderson Place between sublots 1 and 24 under Map Cover 1065; said portion of Anderson Place which is the easterly extension thereof is a strip of land 50 feet wide by 113 feet in depth and said subplot 24 is in Block D and said subplot 1 is in Block H.

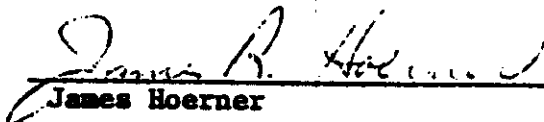

WHEREFORE, your petitioners respectfully request:

1. That the Town of Cheektowaga eliminate the parcel of land above described from the official map of the Town of Cheektowaga as a proposed street.

2. That the Town of Cheektowaga abandon any and all claims or rights or interest therein.

Dated: November 19, 1979

RE: Approval of Plans
Dubonnet Heights Subdivision
8 Sublots

Gentlemen:

Mr. C. L. Bryan, Town Engineer, Mr. T. Skowron, Engineer at the Highway Department and I have checked the construction plans for the Dubonnet Heights Subdivision, and find that they do conform with the specifications as set forth by the Town of Cheektowaga, including the following:

1. ECCMP for storm sewer pipe, with proper appurtenances as specified on detail sheet.
2. A tree must be planted by the builder in front of each home, between sidewalk and street, within a year after completion of the home. The type of tree is specified by the Highway Department.
3. Construction of roads is to be performed to current Highway specifications as shown on Subdivision Plans. The roads are described as follows:

DUBONNET DRIVE: A 60' R.O.W. + 282' in length fronting sublots 1-8.
(This is basically the elimination of a gap between two existing pavements.)

No building permits can be issued until the deed and maintenance bond are properly filed and recorded.

All building permits, when they are issued, may require that a tree be planted by the builder, as afore-mentioned.

Attached please find a copy of a letter submitted by the developer stating that lot grading will be done properly.

"When better roads are built — Cheektowaga will build them"

Robert E. Daley
30-A Wellington Court
Williamsville, New York 14221

November 20, 1979

Honorable Town Board
Town of Cheektowaga
Cheektowaga Town Hall
Cheektowaga, New York

Gentlemen:

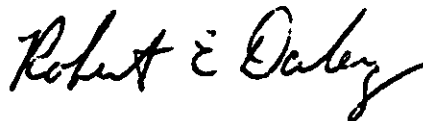

In Re: Dubonnet Heights Subdivision

It has been brought to my attention by both the Engineering and Highway Departments that I, as the developer of the Dubonnet Heights Subdivision, am responsible for the proper grading and, therefore, the drainage of the lots in my proposed subdivision.

Let it be known that I have no intention of adding to whatever drainage problems the Town might currently have by the improper grading of this small, eight lot, subdivision. It is with this in mind that I pledge that if, at any time within twenty-four months after the street has been accepted by the Town, drainage becomes a problem in this subdivision due to the improper grading of its lots, I will, at my own expense, retain the services of an engineer. Based on the recommendations of the engineer I will take whatever steps are necessary to correct the situation.

In conclusion, let me affirm my understanding of my obligation to the Town of Cheektowaga in this matter.

Sincerely yours,

Robert E. Daley

I, RICHARD M. MOLESKI,
Town Clerk of the Town herein-
after described, DO HEREBY
CERTIFY as follows:
1. A regular meeting of the Town
Board of the Town of Cheektow-
aga, a town located in the County
of Erie, State of New York, was
duly held on December 17, 1979,
and minutes of said meeting have
been duly recorded in the Minute
Book by me in accordance with law
for the purpose of recording the
minutes of meetings of said Board,
and such minutes appear at item
No. 8, inclusive, of said book.
2. I have compared the attached
extract with said minutes so
recorded and said extract is a true
copy of said minutes and of the
whole thereof insofar as said
minutes relate to matters referred
to in said extract.
3. Said minutes correctly state
the time when said meeting was
convened, the place where such
meeting was held and the mem-
bers of said Board who attended
said meeting.
IN WITNESS WHEREOF, I have
hereunto set my hand and have
hereunto affixed the corporate seal
of said Town, this 17th day of
December, 1979.

AGREEMENT

between

THE TOWN OF CHEEKTOWAGA, NEW YORK

and

THE TOWN OF CHEEKTOWAGA POLICE CLUB, INC.

THIS AGREEMENT, entered into the 4th day of January, 1980, by and between the TOWN OF CHEEKTOWAGA, NEW YORK, hereinafter referred to as the "Town" and the TOWN OF CHEEKTOWAGA POLICE CLUB, INC., hereinafter referred to as the "Club".

ARTICLE I

Section 1.01 -- PURPOSE OF AGREEMENT

The parties hereto desire to provide, through this Agreement, methods for orderly collective bargaining between the Town and the Club; to secure prompt and equitable disposition of grievances that may arise; to establish fair wages, fringe benefits and working conditions for police personnel in the negotiating unit and to promote, to the highest degree, efficiency in providing service to the public.

In consideration of the mutual covenants and agreements herein contained, the Town and the Club, through their authorized representatives, agree as follows:

Section 1.02 -- APPLICABLE LAW

This Agreement has been negotiated pursuant to the provisions of the Public Employees Fair Employment Act and is governed by the provisions of New York State Law and also non-conflicting local laws of the Town.

Section 1.03 -- LEGISLATIVE REQUIREMENTS

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL

FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE II

Section 2.01 -- RECOGNITION

The Town recognizes the Club as the sole and exclusive representative and collective bargaining agent for all police personnel in the negotiating unit who are hereinafter referred to individually as "Policeman" or "Police Officer" and collectively as "Policemen" or "Police Officers".

The negotiating unit is defined as: all police officers, employed in the Town of Cheektowaga, New York, pursuant to the New York State Civil Service Law, excepting police officers holding the rank of Chief of Police, Captain or Lieutenant, and Assistant Chief of Police.

This recognition shall extend for the maximum period of time allowed by law and until the expiration of this Agreement. The Town shall not negotiate, during this Agreement, with any organization, on behalf of the police officers, defined herein, other than the Club and unless notified by the Town, the Club will undertake to negotiate and represent the same unit for a successive Agreement.

ARTICLE III

Section 3.01 -- DUES CHECKOFF

Upon written authorization from an employee, on a form provided by the Club, the Town will deduct from the salary of such employee, from the first pay-period of each month, membership dues as the employee may specify, and the Town will transmit said sums, promptly, to the Club, within five (5) days after the deduction has been made.

The Town agrees to deduct from the wage or salary of officers, represented by the Club, who are not members of the Club, an amount equivalent to the dues levied by the Club on its members, and such sums shall be transmitted by the Town to the President or Treasurer of the Club.

The Club, prior to such deductions, agrees to establish and maintain a procedure providing for the refund to any non-member

officer demanding the return of any part of such agency fee deduction which represents his pro rata share of expenditures by the Club in aid of activities or causes of a political or ideological nature, only incidentally related to terms and conditions of employment.

Section 3.02 -- NEW JOB CLASSIFICATIONS

The Town agrees that in the event it establishes any new classifications, recognized within the negotiating unit, the Town will furnish the Club with the new job description and will confer and negotiate with the Club, the basic annual salaries and duties for such classifications.

Section 3.03 -- NON-COMPETITIVE JOB CLASSIFICATIONS

In the event the Town decides to fill a vacancy falling under this Section, assignment will be made by the Town from the five (5) most senior officers requesting assignment and provided that the officer(s) involved are fully qualified as determined by the Town.

(a) When a vacancy exists in a non-competitive job classification or a temporary assignment as Detective Sergeant, Detective, Juvenile Detective or K-9, notice of the existence of such vacancy shall be conspicuously posted on a bulletin board in the police station for a period of twenty (20) days and police officers of qualified rank may affix their name thereto, indicating their desire to be considered for the filling of such vacancies.

(b) For sporadic, reoccurring assignments, the Town shall maintain and utilize a list of police officers and the date they have indicated their preference for radar, accident investigation, motorcycle, polygraph operator, accident records, parking violations, dispatcher, airport patrol, central police services, telephone and desk assignments. The Town shall be given seven (7) calendar days notice before being required to consider such preference in job assignment.

(c) Vacancies filled to date will not be disturbed by this Agreement.

ARTICLE IV

Section 4.01 -- UNIFORM ALLOWANCE

Each police officer shall be paid the sum of \$300.00, for the years 1979 and 1980, for the purchase and maintenance of police clothing, uniforms and equipment and for the maintenance and cleaning of the same.

Officers assigned to motorcycle and as K-9 officers shall be paid an additional \$25.00 per year.

Uniform allowance will be paid by January 30th of each year.

Each officer will be responsible for maintenance of his uniforms and equipment and failure to reasonably maintain the same may be the subject of disciplinary action.

The Town will negotiate with the Club, regarding any substantial changes in articles of clothing or equipment.

ARTICLE V

Section 5.01 -- SENIORITY

Seniority shall be based entirely upon a police officer's uninterrupted service in the department and shall be broken if he leaves active service, for any period of time, for any reason, except authorized sick leave, military leave or authorized leave of absence.

Seniority shall be within rank and based upon date of appointment and position on the Civil Service list, where more than one (1) appointment was made on one (1) date. An up-to-date seniority list, showing the officer's rank and name and date of appointment to such position on the Civil Service list, shall be made available to all police officers. Seniority in the Detective Bureau shall be based upon the time of appointment to the Detective Bureau.

Section 5.02 -- SHIFT PREFERENCE

Each police officer shall have the right to choose his own shift, based upon seniority. Shift changes must be requested

in writing, to the commanding officer of the platoon, shift or bureau, at least three (3) weeks prior to shift change. Shift change meetings will be held with two (2) representatives of the Club, selected by its members, every twenty-four (24) weeks and notice of said meetings will be posted at least fifty (50) days prior to the meeting. Each police officer may remain on an assigned shift for the twenty-four (24) week shift schedule.

The results of shift change meetings must be posted at least ten (10) days prior to the effective date of changes resulting from the meeting.

ARTICLE VI

Section 6.01 -- SALARIES

Each police officer shall be paid pursuant to and consistent with the salary schedule as set forth in Appendix A.

Section 6.02 -- OUT OF RANK PAY

When a police officer is required to perform the duties of a higher paid job classification, for four (4) hours or more, he shall be paid the salary for the higher paid job, for the hours worked.

Such higher salary shall apply to all authorized time-off, of any kind, except extended sick leave pursuant to Section 13.03, below.

Section 6.03 -- RATE OF PAY

The hourly rate of pay shall be obtained by dividing the annual salary by 2080.

Section 6.04 -- OVERTIME PAY

Overtime shall be all work beyond a normally scheduled eight-hour tour of duty and any work time beyond a normally scheduled forty (40) hour work week.

All overtime work shall be paid at the rate of time and one-half.

Section 6.05 -- CALL-IN PAY

If an officer is requested to report to the police station for duty or ordered to report for duty, during other than regularly scheduled hours (except for reasons of his own neglect) and more than two (2) hours prior to the beginning of his regularly scheduled work shift, he shall be paid a minimum of two (2) hours pay, at the rate of time and one-half. Court appearances and training schedules will not be considered call-in, and this section will not apply in those instances.

In the event police officers are called to duty because of personnel shortage, call-in will be accomplished on a seniority basis for each shift, and in the event of a general call to duty, on a seniority basis, based upon seniority within the department.

Section 6.06 -- LONGEVITY PAY

Each police officer shall be paid the following, cumulative, longevity increments, each year:

Effective January 1, 1980, the longevity schedule shall be as follows:

After 6 years of service	\$150.00
After 12 years of service	225.00
After 18 years of service	325.00

Longevity pay will be paid within thirty (30) days after an officer's anniversary date and will be included in salary for all purposes, including retirement purposes.

Section 6.07 -- K-9 OFFICERS

Each police officer, assigned to K-9 duty, shall be paid the sum of \$100.00 per month, for the care, maintenance and feeding of K-9 dog assigned to him. The Town will pay all medical expenses for the dog and will install a dog-run on the premises of the K-9 officer, and will post reasonable and necessary warning signs on the premises concerning the dog.

Section 6.08 -- FILLING OF VACANCIES

When the Town declares a vacancy, the same must be filled within thirty (30) days after the vacancy exists.

When an officer is assigned to a job classification, which is not a temporary classification, assignment to such classification shall be permanent at the end of six (6) months. All appointments shall be probationary for the aforementioned six (6) month period.

Section 6.09 -- OFF-DUTY ARRESTS

An officer will be paid for the time spent for booking and Court time for necessary Court appearances for arrests made during other employment, unless he is paid by another employer, or the arrest is solely related to the other employer's business and no additional, unrelated charges flow from the original arrest.

ARTICLE VII

Section 7.01 -- WORK DAY AND WORK WEEK

The standard work day shall be eight (8) hours and the standard work week shall be forty (40) hours. The work day and work week shall be pursuant to existing New York State Law. Whenever practicable, two (2) consecutive days off shall be provided within a seven (7) day calendar period. Each police officer shall be entitled to a thirty (30) minute lunch period in each eight (8) hour tour of duty. When practicable, each police officer shall work a three (3) platoon system.

Each police officer shall sign-in at the start of his tour of duty and sign-out at the end of his tour of duty in order to be compensated. A daily record shall be kept by the department head or his agent, which record shall be collected, daily, and be made part of the officer's personnel record. Each officer shall observe the scheduled work hours that are posted in all reports of duty, according to the posted time and date.

Section 7.02 -- INTERRUPTED LUNCH

In the event that an officer is precluded from eating his meal by headquarters or as a result of an offense being committed in the officer's presence, which requires the officer's action, said officer shall be compensated at the rate of time and one-half for the unused part of the officer's thirty (30) minute lunch period.

Section 7.03 -- SPECIAL LUNCH LEAVE

Any officer assigned to duty at a facility without food preparation facilities shall be permitted to leave said facility to secure food at a location of their choice within the Town limits, provided said officer is properly relieved.

ARTICLE VIII

Section 8.01 -- COURT PAY

When a police officer is required to make a court appearance, within the Town of Cheektowaga, at any time other than his regularly scheduled working hours, he shall be paid a minimum of three (3) hours salary at his regular hourly rate. If an officer is required to appear outside of the Town of Cheektowaga, he shall be paid a minimum of four (4) hours pay at his regular hourly rate of pay. If the appearance exceeds the minimum standards set, the officer shall be entitled to payment for all actual time spent at his regular hourly rate of pay.

An officer scheduled to appear will be paid the minimum appearance time in the event of an adjournment, unless he is given notice of the adjournment, at least ten (10) hours prior to the scheduled appearance.

The Town will provide verification court appearance forms, to be signed by the presiding judge, justice, administrative officer, Court Clerk, or other appropriate personnel and the Town will make reasonable efforts to pay court pay in the pay period immediately following the period during which it was earned.

ARTICLE IX

Section 9.01 -- HOLIDAYS

Each police officer shall be given compensatory time-off or be paid the value of the following holidays, whether he works the holiday or not:

New Year's Day
Lincoln's Birthday
Washington's Birthday
Good Friday

Columbus Day
Veteran's Day
Election Day
Thanksgiving Day

Memorial Day
Independence Day
Labor Day

December 24th
Christmas Day

Each police officer shall notify the Chief of Police, or his designee, by December 1, as to the holidays he elects to be paid for and the holidays he elects for compensatory time-off, during the following year.

In addition to the above holidays, each police officer shall be given compensatory time-off for any holiday granted to other employees of the Town of Cheektowaga, by resolution of the Town Board or declaration of the Town Supervisor. An officer, who elects to be paid for a holiday, may be granted the day off, which shall be charged against the officer's accumulated compensatory time-off, without loss of the holiday pay.

ARTICLE X

Section 10.01 - VACATIONS

Each police officer shall be entitled to an annual vacation, with pay, during each calendar year as follows:

After 1 year	12 working days
After 5 years	18 working days
After 10 years	21 working days
After 15 years	24 working days
After 20 years	28 working days

Vacation periods will be divided into the following:

Winter	December to February
Spring	March to May
Summer	June to September
Fall	October to November

A police officer shall not be entitled to more than twelve (12) consecutive work days of vacation, during any of the above vacation periods, unless, in the opinion of the commanding officer, additional vacation days during any such period will not interfere with the smooth operation of the police department. The commanding officer shall have the sole right to designate the number of police officers who will be on vacation at any time, but a minimum of four (4) police officers will be permitted vacation during any vacation period.

Vacation schedules shall be posted for ninety (90) days prior to the beginning of a vacation period, and during the first forty-five (45) days, vacation scheduling shall be determined, based upon seniority, within each shift or bureau concerned. At the end of the said forty-five (45) days, vacation scheduling shall be determined in order of date of request and not by seniority. The choice of vacations, during the first forty-five (45) days for each vacation period will be based, strictly, on seniority.

Police officers shall not be permitted to split vacations during any of the vacation periods, for periods of time of less than one (1) calendar week.

In the event an officer is not able to take the vacation time he selected, notice will be given to less senior officers and they will be entitled to take the vacation time not used and selection will be based upon seniority for that shift.

Nothing contained herein shall prevent the granting of vacations one day at a time.

Except as herein provided, no officer will be permitted to carry-over or to accumulate more than one-half of one year's annual vacation.

Section 10.02 -- UNUSED VACATION

Each police officer shall be paid, at the time of retirement, the monetary value of any unused vacation time and overtime standing to his credit, on the date of retirement. In the event of death, the value of such time, standing to his credit, will be paid to his estate or his heirs at law.

Police officers intending to retire may notify the Town two (2) years in advance and will be permitted to accumulate time-off and vacations for one and one-half years, the value of which will be paid as salary during the final year of employment and included as wages for pension purposes.

Upon termination of employment, for any reason, an officer will be paid the value of all accumulated vacation, or other time-off, including sick leave, pursuant to Appendix B. However, in the event termination is by discharge or dismissal, there will be no payment for accumulated sick leave.

Section 10.03 -- VACATION PAY ADVANCE

Upon written request, at least two (2) weeks prior to vacation time, a police officer will be paid the estimated amount due him for his vacation period, not later than the Friday before he begins his vacation.

ARTICLE XI

Section 11.01 -- BEREAVEMENT LEAVE

Upon request of a police officer, a leave of absence, not to exceed five (5) days shall be granted, because of death in his immediate family. Such leave shall be taken, without loss of pay or other benefits, and shall begin on the date of death. Immediate family, for the purposes of this section, shall mean: mother, father, spouse, child, grandchild, grandparent, brother, sister, father-in-law, mother-in-law, daughter-in-law and son-in-law.

In the event of the death of a police officer's brother-in-law or sister-in-law, and upon request, he shall be granted two (2) days off, without loss of pay or other benefits. In the event of death of a relative, not included above, the police officer, upon request, shall be granted time-off without loss of pay or other benefits for the day of the funeral, which time shall be charged against accumulated time-off, excepting sick-leave time.

ARTICLE XII

Section 12.01 -- PERSONAL LEAVE

Each police officer shall be entitled five (5) non-cumulative personal leave days. Personal leave shall be used at the police officer's discretion, except, that personal leave shall not be taken on a Sunday or a holiday, except in case of emergency. In order to enable the department to maintain necessary manpower requirements, personal leave must be requested at least twenty-four (24) hours in advance of the requested time-off. This will not preclude the granting of personal leave on less than twenty-four (24) hours notice, upon the approval of the commanding officer. Personal leave may not be granted if the granting of such leave will seriously hamper or impede the operation of the police department. Personal leave requested in case of emergency, however, will not be denied.

(a) Personal leave shall not be used in less than one-half day increments.

(b) Personal leave will be granted based upon the priority of the emergency and if no emergency exists, upon the chronological time requested.

(c) Unused personal leave days shall be added to sick leave.

Section 12.02 -- PROBATIONARY POLICE OFFICERS

During civil service probation, officers will accumulate sick leave and personal leave on a pro rata basis, per month, which leave cannot be used during the probationary period.

At the end of probation, he will continue to accumulate sick leave at the same rate for the balance of that calendar year and then be granted such leave in the same manner as granted to other officers.

Newly appointed police officers will be granted the uniform allowance, herein provided, immediately, on appointment.

Probationary police officers shall enjoy life insurance benefits effective one hundred twenty (120) days after the date of appointment of said officer.

ARTICLE XIII

Section 13.01 -- SICK LEAVE

Each police officer, except as herein provided, shall be entitled to accumulate one and one-half sick days per month to a maximum accumulation of 280 days in 1979 and 298 days in 1980 and each year thereafter.

Section 13.02 -- NOTIFICATION

A police officer will not be granted sick leave, unless he notifies his commanding officer that he will be absent and the reason for the same, at least one (1) hour prior to the time he is scheduled to report for duty. In cases of emergency, the one-hour notice requirements will be waived.

Section 13.03 -- EXTENDED SICK LEAVE

If a police officer has exhausted all of his accumulated sick days and is still disabled or ill, upon receipt of a physician's report, verifying the illness or disability, and upon the police officer obtaining medical verification that there is a reasonable expectation that the police officer will return to work, the police officer will be granted up to ninety (90) additional sick days. However, no salary will be paid during the first ten (10) days of extended sick leave, unless said police officer is still ill or disabled beyond said period of time.

Section 13.04 -- WORKMEN'S COMPENSATION BENEFITS

A police officer, who is entitled to receive Workmen's Compensation Benefits, shall be paid full pay and the benefits under Workmen's Compensation, to which he is entitled, shall be assigned to the Town. Absence from duty in this event will not be chargeable against sick leave and no other benefits, provided by this Agreement, will be lost during that period of time. Absence from duty for work-related disability will not be chargeable against sick leave and no other benefits, provided by this Agreement, will be lost during such absence.

Section 13.05 -- SICK LEAVE RECORDS

Each police officer will be provided with a record of his accumulated sick leave within sixty (60) days after the beginning of each calendar year.

Section 13.06 -- ILLNESS OF FAMILY MEMBERS

Sick leave shall apply to absence due to illness of a police officer's immediate family, residing in his household.

ARTICLE XIV

Section 14.01 -- EXPENSES

A police officer, who is required to leave the Town, by reason of his employment or as part of his official duty, shall be reimbursed for all actual, reasonable and necessary expenses incurred, including meals, if he is absent from the Town during normal meal time.

A police officer on official police business will be provided with transportation by the Town and if he is required to use his own vehicle on police business, the officer shall be paid at the current rate per mile for each mile driven. In no event will a police officer be required to use his own motor vehicle during the normal course of his employment.

ARTICLE XV

Section 15.01 -- LIFE INSURANCE

The Town will continue to provide a \$20,000 life insurance policy insuring each police officer at no cost to the officer.

Section 15.02 -- HEALTH INSURANCE

The Town will provide, at its own expense, Blue Cross and Blue Shield Insurance, at least equivalent to the 50-51 Plan, together with the \$250,000 Major Medical with \$100 deductible and a \$1.00 co-pay prescription rider. Retired officers shall have the option of participating in the Health Insurance Coverage Plan as provided in Appendix B.

Section 15.03 -- FALSE ARREST INSURANCE

The Town will provide insurance coverage, insuring each police officer for claims made against him based upon false arrest, false imprisonment or other tort, with a minimum coverage of \$1,000,000 per incident.

ARTICLE XVI

Section 16.01 -- RETIREMENT BENEFITS

The Town will provide and maintain a non-contributory retirement plan of benefits for police officers, pursuant to the following provisions of the New York State Retirement and Social Security Law:

The benefits contained in Section 384 f, g and h to provide what is commonly known as the 1/60th, 25-year retirement plan;

The benefits pursuant to section 375(1), more commonly

known as the Improved Retirement Benefits;

The benefits pursuant to section 302, 9-d more commonly referred to as the Final Average Salary, and section 360-b, Death Benefit;

The benefits pursuant to section 384-d, more commonly known as the 20-Year Retirement Plan.

ARTICLE XVII

Section 17.01 -- CLUB REPRESENTATIVES

Police officers, who are designated by the Club as representatives, for the purpose of adjusting grievances or assisting in the negotiation or administration of this or future agreements, shall be permitted a reasonable amount of time from their regular duty to fulfill these obligations, when and is so required; however, not more than two officers will be named per shift and not more than one officer may investigate a specific grievance at any one time. Reasonable advance notice shall be given to the head of the department, or his representative, stating in brief the reason for such absence. The president of the Club shall be allowed eight (8) hours per week for these purposes.

The Club agrees that no more than seven (7) members of the Executive Board will request time-off, with pay, to conduct the affairs of the Club, including attendance at Executive Board and Club Meetings.

Whenever possible, a request for time-off shall be submitted at least three (3) days prior to the required date, but the parties agree that circumstances may arise which will not permit such notice, and, in that event, time-off will be granted upon reasonable request.

Police officers, who are designated by the Club, may attend statewide conventions and meetings of the Police Conference of New York, Inc., Western New York Police Association and the International Conference of Police Association, in pursuance of their profession as police officers. Attendance at these affairs shall be without loss of time or salary. This privilege shall be extended to officers of the western New York Police Association and the New York State Police Conference, Inc. Not more than seven (7) men, covered by this Agreement, may be relieved from duty to attend these

meetings. Up to three (3) additional officers may be granted the privilege to attend, by the Town, without pay, if the functioning of the Police Department is not placed in jeopardy and if approval is granted by the head of the department.

Section 17.02 -- CLUB OFFICE

The Town will allow the Club to install its own telephone at its own expense, which telephone will not be connected, in any manner, with present police telephone communication system.

ARTICLE XVIII

Section 18.01 -- DISCIPLINARY ACTIONS

A police officer will be given a copy of any warning, reprimand, suspension or disciplinary action entered into his personnel record within two (2) weeks of the action taken.

Section 18.02 -- RECORD OF COMPLAINTS

No record or reference to a complaint, either departmental or external, lodged against a police officer will be entered into his record, if after investigation, the complaint is decided, by the Town, to be unfounded.

Section 18.03 -- SUBSTANCE OF COMPLAINTS

A police officer, who has a complaint lodged against him by a citizen, shall have the substance of the complaint presented to him in writing.

ARTICLE XIX

Section 19.01 -- IN-SERVICE TRAINING

Any police officer required to attend in-service training on his off-duty time, shall be compensated for such time, at his regular rate of pay, with a minimum pay of two (2) hours.

The Town will notify all police officers, by posting, of law enforcement educational and training opportunities being offered by other departments or other police or educational agencies, so that police officers, who are eligible and who desire to attend, may

notify their superiors of their interest or desire. The Town will provide the same notice and opportunity as to training opportunities being offered by the Town police department.

Section 19.02 -- TUITION

The Town will pay the full costs of all tuition, books and other fees, for all police officers, authorized by the Town, who attend schools or seminars relating to Police Science courses.

Section 19.03 -- CIVIL SERVICE EXAMINATIONS

The Town may request from the Civil Service Commission a new examination to be held after the expiration date of each promotional list. All existing promotional vacancies are to be filled within a reasonable time after the vacancy occurs and the promotional list is available.

Section 19.04 -- TABLE OF ORGANIZATION

The Town agrees to establish a Table of Organization, which will include a job description of each job, within the department, copies of which will be available for examination by police officers.

ARTICLE XX

Section 20.01 -- BULLETIN BOARD

The Town will provide one bulletin board at the police station, which will be used exclusively for Police Club notices.

Section 20.02 -- MEETING ROOM

The Town will continue to provide a meeting room in the police station for use by the Club, without cost, where the Club may transact business and engage in other activities and also store its records and equipment. The meeting room will be furnished by the Club and the location of the same will be mutually agreed upon by the Town and the Club.

Section 20.03 -- FUND RAISING

The Club may engage in fund raising activities, provided that said activities do not interfere with the efficient operation

of the department, and do not violate any law, rule or regulation.

The Club may purchase and maintain vending machines, to be installed and used in the section of the building frequented solely by police officers and the revenues derived therefrom shall be funds of the Police Benevolent Fund and will not be used for union purposes.

The Club will indemnify the Town against any claims arising out of installation or use of such machines.

Section 20.04 -- RADIO DISPATCHER

The Town agrees to employ only civil service police officers to do police work, in any capacity, except routine clerical work, now being performed by clerks in the Town Board. The Town agrees that it will not enter into any private contracts that eliminate police connected services or work now being performed by members of the police department, except as hereinafter set forth.

The Town will phase out police officer radio dispatchers and the Town agrees there will be no decrease in the number of police officers employed as a result of such phasing out. Police officers assigned as police radio dispatcher will be paid at a rate of pay equal to the difference between the salary paid to a senior patrolman and the salary paid to officers assigned as detective.

As an officer leaves the department (for reasons other than layoff), a police officer dispatcher may be moved into other duties and be replaced by a civilian dispatcher. When there are no police officers assigned to a shift as radio dispatcher, a sergeant will be designated to supervise that shift of civilian radio dispatchers. No sergeant will be required if there is at least one (1) police officer assigned as a dispatcher.

The position of the sergeant is to be a civil service position by competitive examination. A police officer must have three (3) years of service before he is qualified to take the Sergeant's exam. The officer's three (3) years of service must be completed prior to the date of the sergeant's exam.

Section 20.05 -- SAFETY

After officers are assigned to duty singly to each of six (6) patrol vehicles and two (2) officers are assigned to duty in an accident car, additional officers on duty will be assigned so that patrol vehicles, including the first six (6) patrol vehicles, are manned by two (2) patrol officers.

ARTICLE XXI

Section 21.01 -- GRIEVANCE PROCEDURE

A grievance shall mean any difference or dispute between the parties hereto, as to the interpretation or application of any portion of this agreement or any administrative act affecting general working conditions.

Step 1 -- Any police officer may present a grievance, orally or in writing, to his immediate supervisor, within thirty (30) days of the occurrence and attempt to adjust the matter. If the matter is not satisfactorily adjusted the police officer may request a representative of the Club meet with him and his immediate supervisor for the purpose of adjusting the grievance.

Step 2 -- If the grievance is not satisfactorily settled, under Step 1, the Club representative may forward the grievance to the Club's Grievance Committee. After review of the grievance, the Club will forward a copy of the grievance to the Chief of Police, within five (5) calendar days or receipt by the committee. The Chief of Police will, within five (5) calendar days of presentation to him, discuss the matter with the Club Grievance Committee in an attempt to settle the grievance.

Step 3 -- In the event the grievance is not settled under Step 2, above, a report of the grievance will be made by the Club Grievance Committee and by the Chief of Police and each will forward their report, within five (5) days, to the Town Supervisor or his representative. The Town Supervisor or his representative will discuss the grievance with the Grievance Committee, within fifteen (15) calendar days after receipt of the written report.

Step 4 -- In the event the dispute is not satisfactorily settled, either party may take the matter to arbitration, upon service of written notice to the other party of intention to do so. The notice must be served within thirty (30) calendar days after

the close of discussion and in the event a notice of intention to arbitrate is not filed within thirty (30) days, the matter will be considered closed and not subject to further prosecution.

The arbitration proceedings shall be conducted by an arbitrator to be selected by the Town and the Club, within thirty (30) days, after notice has been given and from a panel of arbitrators supplied by the New York State Public Employment Relations Board.

The decision of the arbitrators shall be final and binding on the parties and the arbitrator shall issue his decision within thirty (30) calendar days after the conclusion of testimony and argument, unless such time is mutually extended. The arbitrator shall not have power to amend, modify or delete any provision of this Agreement.

Expenses for arbitration shall be borne, equally, by the Town and the Club. However, each party shall be responsible for compensating its own representatives who appear. Police officers, who appear during their work hours, will not suffer any loss of salary or other benefits. If either party desires a recording of the proceedings, it must pay for the cost of the same and make a copy of the same available, without charge, to the other party and to the arbitrator.

Section 21.02 -- GRIEVANCE COMMITTEE

The Grievance Committee shall consist of nine (9) members selected by the Club, who shall be permitted to leave work after reasonable notice to their respective supervisors, for the purpose of adjusting grievances and to attend required meetings or arbitrations in connection with the same.

ARTICLE XXII -- BILL OF RIGHTS

The provisions of this section shall not apply to criminal investigations or investigations of possible criminal activity or violation.

Section 22.01 -- TIME OF INTERROGATION

The interrogation of police officers shall be conducted at reasonable hours, preferably when the officer is on duty, and if not on duty during daylight hours, unless the exigencies of the investigation dictate otherwise.

Section 22.02 -- IDENTIFICATION OF INVESTIGATING OFFICERS

A police officer, who is under investigation for a matter which would not constitute a crime, must be informed of the name of the officer in charge of the investigation and the names of the officers who will be conducting any portion of interrogation or investigation.

Section 22.03 -- INFORMATION REGARDING INVESTIGATION

An officer must be informed of the nature of an investigation before any interrogation begins. The information must be sufficient to reasonably inform him of the nature of the investigation which is being conducted.

Section 22.04 -- LENGTH OF INTERROGATION

Interrogation shall be completed with reasonable dispatch. Reasonable rest periods will be allowed and time will be provided for personal necessities, meals, telephone calls and rest periods as reasonably required.

Section 22.05 -- COERCION

A police officer shall not be subjected to offensive language and shall not be threatened with transfer, dismissal or any other disciplinary punishment. No promise or reward shall be made as an inducement to answering questions. Nothing herein is to be construed as to prohibit the investigating officer from informing an officer that his conduct may be subject to other disciplinary action with resultant disciplinary punishment.

Section 22.06 -- RIGHT TO COUNSEL

A police officer, who is under investigation, has the right to have a representative of the Police Club present and also has the right to the presence of an attorney with him during any questioning, hearing or interrogation.

Section 22.07 -- RECORDING OF INTERROGATION

Interrogation of a police officer for any disciplinary investigation will be recorded, either mechanically or by a stenographer, and there will be no off-the-record statements.

Section 22.08 -- ADVICE OF CONSTITUTIONAL RIGHTS

If a police officer is the subject or target of a disciplinary investigation, he shall be advised of his constitutional rights.

Section 22.09 -- FURNISHING OF COPIES

A police officer under investigation will be furnished with a copy of any statements he has signed or made, or of any proceedings that have been recorded in any manner.

Section 22.10 -- POLYGRAPH

Police officers will not be given polygraphic examinations.

Section 22.11 -- NON-WAIVER OF CONSTITUTIONAL RIGHTS

No police officer will be required to or requested to waive constitutional rights granted under the United States or the New York State Constitution.

Section 22.12 -- HEARING OFFICER

In the event the Town elects to select a Hearing Officer, pursuant to Section 75 of the Civil Service Law, who is not either a Town employee or Town Official, then, in that event, the Hearing Officer will be mutually selected by the Town and by the police officer who is charged. If the parties are unable to agree upon a Hearing Officer, or, if the Hearing Officer agreed upon is or becomes unable to or unwilling to act, then the parties shall mutually apply to Special Term of the New York State Supreme Court for the appointment of a Hearing Officer.

ARTICLE XXIII

Section 23.01 -- LEAVE OF ABSENCE

Police Officers may be granted leave of absence, with or without pay, as provided for in the Civil Service Law of the State of New York.

Section 23.02 -- NON-DISCRIMINATION

There will be no discrimination with respect to the race, color, creed, sex, political persuasion, or, because a police

officer is engaged in Police Club activities. All police officers shall receive the full protection of all of the provisions herein.

Section 23.03 -- PAYROLL DEDUCTIONS

The Town will provide a payroll savings and U.S. Savings Bond deduction plan and make it available for all police officers who desire the same.

ARTICLE XXIV -- TERMS

Section 24.01 -- MANAGEMENT RIGHTS

All of the authority, right and responsibilities possessed by the Board, and not covered by this Agreement, are retained by it, including, but not limited to, the right to determine the mission, purposes, objectives and policies of the Board; to determine the facilities, methods, means and number of personnel required for conduct of Board programs; to administer the examination, selection, recruitment, hiring, appraisal, training, retention, promotions, assignments or transfer of employees, pursuant to law; to direct, deploy and utilize the work force; to establish specifications for each class of positions, and to classify or reclassify and to allocate or reallocate new or existing positions, in accordance with law; and to discipline or discharge employees, in accordance with law, and within the provisions of this Agreement.

Section 24.02 -- SAVINGS CLAUSE

If any section, sub-section, sentence, clause, phrase or portion of this Agreement is, for any reason, held to be invalid or unconstitutional by any Court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holdings shall not effect the validity of the remaining portions of this Agreement.

Section 24.03 -- TERMS OF AGREEMENT

This Agreement, except as may be hereafter modified in writing, by both parties, shall become effective January 1, 1979 (retroactively) and remain in force until December 31, 1980, or until such time as a subsequent agreement becomes effective.

Section 24.04 -- RENEWAL OF AGREEMENT

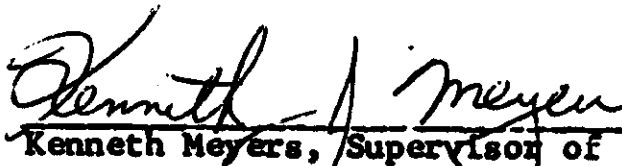

The parties agree that negotiations for renewal of this Agreement shall commence on or about July 1, 1980, or on such other date as may be mutually agreed upon.

Section 24.05 -- PAST PRACTICE

This Agreement shall supersede conflicting rules, regulations or practices heretofore existing. Established practices, not specifically covered herein, shall continue in force and effect.

This Agreement constitutes the entire Agreement between the Parties.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals this 4th day of January, 1980.

EDUCATION INCENTIVE PAY

Each police officer who attends, or has attended, approved Police Science Courses shall receive educational incentive payments annually as follows:

1. One Hundred Dollars (\$100.00) a year to a police officer who has an Associate Art and Science Degree (two (2) year program); or

2. Three Hundred Dollars (\$300.00) to a police officer who has a Bachelor of Science or a Bachelor of Arts Degree (four (4) year program).

APPENDIX B

ACCUMULATED SICK LEAVE CREDIT

A police officer shall convert his accumulated sick leave days into value, in his final year, prior to retirement, by written application, signifying his intention to retire on a form provided by the Town, not later than June 1, of the year preceding retirement.

Upon receipt of such notification, the Town will convert such accumulated sick leave into value, not to exceed a maximum in accordance with the following schedule:

<u>Accumulated Sick Days</u>	<u>Percent of Payment</u>	<u>Value 1979</u>	<u>Value 1980</u>
262	100%	\$2,200	\$2,420
222	90%	1,980	2,178

142	50%	1,100	1,210
102	30%	660	726
62	10%	220	242

One-half of the value at each step shall be paid to the officer, as wages, during his final year of employment.

The other half of the value shall be held by the Town and applied toward payment of health insurance premiums, after the officer's retirement. This half may not be used for any other purpose. When this fund is exhausted, the retired officer may continue to maintain his health insurance coverage at the group rate, at his own expense.

This benefit is to be used during the time immediately following retirement, and a retiree eligible for comparable health insurance coverage, by another employer, without contribution by the retiree, shall not be entitled to this benefit during such time; and the benefit for such employed-time will be waived. Upon loss of non-contributory health insurance coverage and its accumulated value, the retiree may return to the group, at his own expense.

Subject: Total Traffic Enforcement Program
PT /9-013(U02)

Effective Date: October 15, 1979

Dear Captain Lis:

We are pleased to notify you of the approval of your Highway Safety Revision/Continuation application on the above project for the period October 15, 1979 through September 30, 1980. Enclosed is a copy of the signed grant agreement for use during the above grant period.

Due to the greatly expanded volume of requests for project funding, it has been necessary to limit all grant budgets to only the most essential items. You may note that certain adjustments have been made on the budget summary sheet (Schedule B). Moreover, actual grant reimbursements will also be restricted to 90% of the total funding level authorization, in accordance with guidelines as described in the enclosed Attachment A, in order to more realistically reflect actual levels of anticipated expenditures.

We are enclosing an original and three copies of an amendment to the State-Local Contract Agreement which covers the provisions of this new grant application. Kindly return the original and all copies after they have been signed and notarized, to permit payment of claims submitted.

Please note that you may start incurring costs on the effective date above (in Box 10A of the approved HS-1). It is not necessary to wait for the State-Local Agreement forms to cycle since this would cause a few months delay to the start of your grant.

Thank you for your cooperation. If you need any further assistance, please contact your local Program Representative Dennis Murphy on (716) 454-3285.

Attachment A

To All Grantees:

Re: NOTICE OF EXPENDITURE "CEILING" LIMITATION

Due to present limitations on the level of available Federal funding for highway safety purposes, we have been forced to withhold approval on many grants for lack of funds, which otherwise would appear to have considerable merit and be highly deserving of consideration.

In an attempt to alleviate this problem and to broaden the coverage of this funding base to include as many worthwhile projects as possible, the Governor's Traffic Safety Committee will impose, for all projects funded during the coming year, an expenditure limitation of 90% of the authorized Federal share budget approved under each grant. Admittedly, this will require certain economies in the administration of individual grants, but should, for the most part, reflect a more realistic level of actual anticipated expenditures from grant funds.

The responsibility for determining in which funding cost categories these expenditure limits will be imposed is delegated to the individual grantee. This will provide Project Directors with maximum flexibility in administering grants, consistent with these essential fiscal restraints.

For further information on the application of this policy to individual grants, please contact your State Program Representative.

PROJECT TITLE: TOTAL TRAFFIC ENFORCEMENT PROGRAM

DESCRIPTION:
Problem Identification

The Town of Cheektowaga, New York has a population of 125,000 inhabitants. It is located in the first ring of suburban towns surrounding the City of Buffalo and has a total of approximately 725 State, County and town highways and streets.

The town police department, consisting of 135 officers, is responsible for patrolling these streets and highways, equalling approximately 250 miles of roadway.

Cheektowaga's population and industrial growth has been steadily increasing in the past ten years and with the influx of people and commerce has come an increase in traffic, highway accidents and criminal activity.

The town is divided by six state highways, a variety of county roads and approximately 15 miles of the New York State Thruway (I-90) and the Kensington Expressway (NYS-33). There are also more than 700 local streets and roads. The N.Y.S. Thruway and the Kensington Expressway have exit and access ramps at 12 locations within the town, while the Buffalo International Airport, centrally located in the heart of town, attracts its own traffic volumes.

In 1978, the accident records unit analyzed their reports of 1977. It was estimated that over 50% of all accidents occurred on 10 of the major highways (none of them expressways) and a major percentage of fatalities and personal injuries were attributed to the same roadways. With the help of a grant from the Governor's Traffic Safety Committee a selective enforcement program was established.

(con't.)

Sheet 2 of 3 Sheets

During the past year the efforts of this enforcement has lowered the accident rate, even more than was expected, by the assignment of two "grant men".

However, the accident rate, suffering and financial loss to motorists is still to high and I feel assured that with a continued and increased effort the accident rate can still be reduced substanitally.

Operation Plan

We will continue to review the accident and enforcement record of 1978 to compare with 1979. The clerk-typist will list all summonses issued by location, day, time, and type of violation. She will also keep statistics on all accidents by location, date, time and day of week.

From this information we will find the trouble areas and evaluate our efforts to eliminate them. The selective enforcement team will be assigned which of the "grant" streets to patrol, at what time, and what day of the week. These streets will vary and their work hours will vary as needed. Attached near the back of this application, in Schedule A-2, pages 1, 2, and 3, are examples of information and assignments.

We have also received the new auto-intoximeter and are scheduled to receive several pre-screening devices. With this equipment, an additional effort to rid our roads of the intoxicated and impaired driver will be a priority.

Goals

Our goal is to reduce last year's accident total of 1,618 by 10%, reducing the coming year's accidents to 1,457, a 161 accident reduction.

Our goal is to reduce these accidents, as stated above, especially on the 10 heavily traveled grant streets which are Union Road, Genesee Street, Walden Avenue, Harlem Road, Broadway, William Street, French Road, Dick Road, Cleveland Drive, and George Urban Boulevard.

There were 1,618 accidents in the Town of Cheektowaga during our grant period October 15, 1978 to October 14, 1979. When we compare this to the 2,103 accidents for the same period of time the previous year, it shows a 485 accident reduction or a 23.1% reduction.

This was accomplished by the strict traffic enforcement of the selective enforcement "grant" men.

Our goal is to continue this strict selective enforcement on the 10 grant streets to reduce accidents another 10%.

Milestones

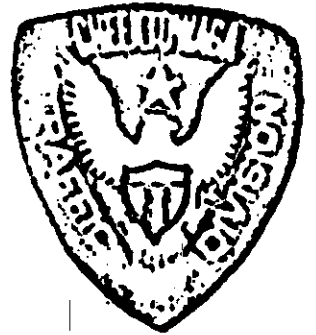

Each Month	Continue to make monthly reports to the Governor's Traffic Safety Committee showing the utilization of manpower and its effect on the accident rate and provide information on the enforcement index.
Each Month	Evaluate monthly reports and statistics to determine new hours or areas where selective enforcement is needed.
When Schools Are Available	Have members of Traffic Division attend crash management programs.

TO THE SUPERVISOR AND
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

RE: Election Machine and
Highway Storage Space
for 1980

Gentlemen:

At the Regular Town Board meeting of December 3, 1979 bids were received and opened to lease storage space for various departments in the Town of Cheektowaga. One (1) bid was received with the totals listed as follows:

<u>BIDDER</u>	<u>ITEM I HIGHWAY</u>	<u>ITEM II ELECTION MACHINES</u>
3230 Union Road	\$3.10 sq. ft. or	\$2.90 sq. ft. or
Union & Broadway	\$35,113.70 for	\$15,036.50 for
Bflo. Plastics Bldg.	11,327 sq. ft.	5,185 sq. ft.

The Engineering Department has verified, by measurement, the square footage offered and the amount is correct. This bid compares to last years bid of \$2.25 per sq. ft.

Attached for your review is a cost breakdown prepared by the owner of the building, Stephen B. Korduba, and the reasons for the increase in this years bid.

Very truly yours,

TOWN OF CHEEKTOWAGA

Re: 3230 Union Road
Cheektowaga, New York

Gentlemen:

I am appending a breakdown of our costs in leasing 3230 Union Road which may be helpful in explaining the rental rates.

1. Taxes	23,101.08	=	.31 per sq. ft.
2. Fire Protection and water	2,625.00	=	.04 per sq. ft.
3. Gas & Elec.	52,514.13	=	.70 per sq. ft.
4. Maintenance	20,105.00	=	.26 per sq. ft.
5. Administrative (acct. & legal)	10,000.00	=	.13 per sq. ft.
6. Insurance	6,500.00	=	.09 per sq. ft.
Above expense total			<u>1.53 per sq. ft.</u>

Other tenants in the building are paying a flat net rate of \$2.00 per sq. ft. plus their proportional square foot share of the above expenses (less item #5) which effectively brings their total to \$3.40 per sq. ft.

The higher bid rate of \$3.10 for Highway area is attributable to a greater heat, energy, and utility usage in this area (2 shifts, in and out traffic, washing vehicles, and use of power equipment). As you can see the above rates are still less than the other adjoining tenant's rate.

Yours very truly,

Stephen B. Korduba
Owner

WHEREAS, the County of Erie has submitted to the Town of Cheektowaga, a snow removal and ice control contract covering various highways in the Town of Cheektowaga for years 1979/1980, and

WHEREAS, said agreement is similar to prior agreements which have been submitted to the Town on an annual basis and which provide certain rates to be charged by the Town to the County for such snow removal and control of highways, NOW, THEREFORE, BE IT

RESOLVED that the Supervisor be and is hereby authorized to execute said contract on behalf of the Town of Cheektowaga, a copy of which is annexed hereto and made a part hereof.

* See next five (5) pages for copy of agreement

THIS AGREEMENT made and entered into as of the 1st day of November, 1979, by and between the COUNTY OF ERIE, a municipal corporation organized under the Laws of the State of New York, maintaining its offices at 95 Franklin Street, Buffalo, New York, and the TOWN OF CHEEKTOWAGA, a municipal corporation of the State of New York in Erie County, hereinafter referred to as MUNICIPALITY.

W I T N E S S E T H

FIRST: The Municipality hereby agrees to remove snow, to sand, and to control ice and snow on certain County Roads, hereinafter defined; and, in implementing such removal and control, to erect and remove its own snow fences where it deems desirable, all at an annual rate and for the agreed consideration of SIX HUNDRED FIFTY DOLLARS (\$650.00) per Lane Mile.

SECOND A "Lane Mile" hereunder is defined as a portion of any County Road identified on Exhibits A and B, attached hereto and hereby made a part hereof, which is one mile long and of sufficient width to allow the safe passage of an automobile. Shoulders, median strips and short widened sections designed for intersection turning lanes shall not be considered in the calculation of the number of Lane Miles to be maintained under this Agreement. All County Roads shall be considered to be at least two lanes wide for such purposes. The number of Lane Miles for which compensation shall be paid hereunder is as set forth on Exhibit A.

THIRD: The schedule and map of County Roads which are affected by this Agreement are attached hereto and marked EXHIBIT A and EXHIBIT B respectively.

RECEIVED

AUG 1 1980

Richard M. Moroski, Town Clerk

FOURTH: The Municipality hereby agrees to indemnify and hold harmless the County of Erie from all claims, demands, suits and judgments for personal injury or property damage arising out of the performance of the Municipality's obligations under this Agreement. The Municipality further agrees to maintain insurance coverage during the term of this Agreement and submit certificates of insurance in accordance with Exhibit C attached hereto. In lieu thereof, the Municipality may furnish satisfactory evidence of a self-insurance plan acceptable to the Erie County Supervisor of Insurance and the Erie County Attorney.

FIFTH: The term of this Agreement shall be for a period of one (1) year, beginning on the 1st day of November, 1979 and shall include the entire 1979-1980 winter season.

SIXTH: This Agreement is made pursuant to resolution of the Erie County Legislature adopted November 15, 1979, being Item 8, Resolution 515, Resolve 5 of the 1979 Legislative Proceedings, and pursuant to a resolution of the Legislative Board of the undersigned Municipality, adopted at a Meeting of said Board on December 17, 1979.

Item No. 30 Motion by Councilman Johnson, seconded by Councilman Dux

WHEREAS, road and bridge construction work is being undertaken by the State of New York on Harlem Road between William Street and Gierlach Street, in the Town of Cheektowaga, and

Item No. 30 cont'd

WHEREAS, such construction necessitates the removal and subsequent installation of street lighting facilities on Harlem Road and William Street, NOW, THEREFORE, BE IT

RESOLVED that New York State Electric and Gas Corporation is hereby authorized to remove 30 - 6000 lumen incandescent lamps and 1 - 10000 lumen incandescent lamp on Harlem Road and 1 - 10000 lumen incandescent lamp on William Street, as construction progresses and said removal becomes necessary, in accordance with the attached proposal, for an annual decrease in the Town's General Lighting District of \$1,745.92, and BE IT FURTHER

RESOLVED that authorization is hereby given to New York State Electric and Gas Corporation to install 2 - 25000 lumen HPS lamps on Harlem Road and 2 - 42000 HPS lamps on William Street, in accordance with the attached proposal, for an annual increase in the Town's General Lighting District of \$420.00, and BE IT FURTHER

RESOLVED that as construction progresses, proposals for the installation of additional street lighting facilities on Harlem Road will be submitted by New York State Electric and Gas for Town Board approval.

Annual Decrease ----- \$1325.92

The lights to be removed will be in the way of construction of Harlem Road between William and just north of Gierlich. NYSE&G Corp. will remove street lights as necessitated by construction on the new road and bridge. In most cases, the new pole line being constructed for distribution will be too far from the pavement to use for street lighting. This will necessitate setting separate poles for street lighting. As NYSE&G does not know at this time (except for the four lights proposed on this proposal) when and where new street lighting poles can be installed, they will submit proposals for new street lighting as construction progresses and NYSE&G is able to install the new facilities. It is my understanding New York State will install all lighting on the new bridge and NYSE&G will supply energy to the lights and replace bulbs as necessary under the lamp and energy rate of the contract.

Explanation #1. Deficit of \$16.65 in A7110.230 would like to balance out for the closing of the 1979 Budget. #2. Present deficit of \$185.18 in A7110.446. #3. Existing deficit, anticipate that this will be the last transfer of funds into A7110.446 for the physical year of 1979. #4. Anticipate a deficit due to increased cost per gallon and billing from the Central Garage for Plumbing-utility and Building Maintenance gas consumption. #5. Same explanation of #4. #6. Present deficit of \$361.76. #7. Will allow sufficient funds to finish the balance of 1979 with a positive balance.

Explanation #14 and #15 Anticipated deficit. Transfer should be sufficient to provide a positive balance for 1979. #16. Transition error on our part. We had a \$1,500.00 Budget that through human error became \$4,000.00. Then, an additional human error on our part led to two different prior transfers totaling \$8,000.00. So, as the story goes, we used \$8,000.00 from an account that only had \$1,500.00 to begin with. This is the first transfer to refund A1625.450 a total of \$6,500.00. #17. Transfer and closeout account #7405.250 and allow a reasonable balance in A7405.445 for the balance of the 1979 physical year.

Explanation #18-19-20 are for the same reasons as specified earlier in Item #16. #21 - Present deficit of \$37.14; the transfer should allow sufficient funds for 1979 to keep this item on the plus side of the ledger. #22 - Anticipate additions, expenditures deemed necessary to the functioning of the ice rink.

I. RESOLUTIONS

Item No. 2 Motion by Councilman Johnson, seconded by Councilman Burst

WHEREAS, the Town of Cheektowaga is eligible for a minimum of \$882,956 in Community Development Block Grant funds for fiscal year 1980, and

WHEREAS, public hearings regarding use of such funds were held on December 10 and December 17, 1979 where the consensus of opinions expressed was that said Community Development Block Grant funds should be utilized for basic community needs, those being continued neighborhood improvements and flood relief projects in the Town's designated Neighborhood Improvements Areas, and

WHEREAS, such utilization of Community Development funds would serve to assist low and moderate income persons and families within the Town by alleviating future flooding and consequent deterioration of existing housing, as well as maintain and improve neighborhoods and affordable quality housing, and

WHEREAS, the proposed 1980 Community Development Block Grant application would serve to assist low and moderate income households by alleviating serious and critical flooding and the deterioration of existing housing, by maintaining and improving neighborhoods and by providing for the repair and rehabilitation of existing quality housing, and

WHEREAS, the submission of the proposed 1980 Community Development Block Grant has been strongly recommended by the Town's Planning Consultant, Stuart Alexander, in a letter to the Town Board dated December 26, 1979, NOW, THEREFORE, BE IT

RESOLVED that the following projects be and hereby are incorporated into Cheektowaga's 1980 Community Development Block Grant application:

1. Cedargrove Heights Neighborhood Improvements	\$ 450,000
2. Walden Avenue Storm/Drainage Neighborhood Improvements	225,000

Item No. 4 Motion by Supervisor Meyers, seconded by Councilman Swiatek

WHEREAS, the Town Engineer, Chester L. Bryan, was named as a
defendant in a certain lawsuit commenced against him by a then Town Employee in
his office, to wit: Gloria Kowalczyk, said lawsuit was commenced on or about
May 15, 1975, and

WHEREAS, said lawsuit included allegations related to the
administration, procedures and work-related matters connected with the Town
Engineering Department, and

WHEREAS, at the time of the commencement of said action, it was
determined by the Town that it would not utilize the services of the Town Attorney's
Office in a legal matter involving a Town Official and a Town Employee because of
a possible conflict of interest, and whereupon said Chester L. Bryan retained
private legal counsel to defend and represent him in said lawsuit and said attorneys
notified the Town of their retainer, and

WHEREAS, it further appears that the plaintiff's claim was
unsuccessful and dismissed and no recovery was obtained in favor of the plaintiff,
NOW, THEREFORE, BE IT

RESOLVED that the said Chester L. Bryan, Town Engineer, be and
hereby be reimbursed for payment of attorney's fees to his private legal counsel,
the firm of Lipsitz, Green, Fahringer, Roll, Schuller and James, in the sum of

TO THE SUPERVISOR AND
HONORABLE TOWN BOARD MEMBERS
TOWN OF CHEEKTOWAGA

RE: Cedargrove Heights
Drainage Project
Change Order No. 2

Gentlemen:

The attached resolution is submitted for your approval of Change Order No. 2 on the Cedargrove Heights Drainage Project, Phase I, Stage A, under the contract with Destro Brothers Concrete Company, Inc.

Change Order No. 2 - Add \$30,827.48

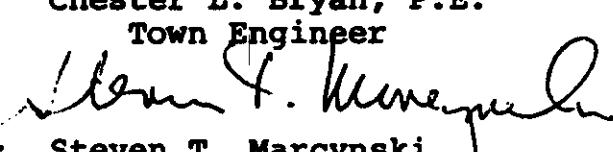

At a meeting at the site with a representative of our Engineering Department, Mr. Alfred Wnek, Mr. John Trianda of Nussbaumer & Clarke and Mr. Stuart Alexander, Planning Consultant, recommended to remove 750 linear feet of existing pavement to lower the grade and crown to insure proper drainage into our newly constructed gutters. It was also necessary to lower the rim elevation of two (2) manholes and replace the existing subgrade as it has deteriorated. This portion of the Change Order was \$29,526.53 at unit bid prices. 144.5 linear feet of concrete gutter was also installed beyond the contract estimate at the unit bid price at a cost of \$1,300.95 or a total contract addition in the Change Order of \$30,827.48.

The cost breakdown of each item is on file in the Engineering Department.

Very truly yours,

TOWN OF CHEEKTOWAGA

Chester L. Bryan, P.E.
Town Engineer
